#### **PRIORITY COMMUNICATIONS**

3. Communication from the City Council Vice-President regarding request sent by the Cannabis Control Commission to Corporation Counsel to re-certify Fall River Applicants

*On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Stephen R. Long, it was unanimously voted to waive the rules to allow Corporation Counsel to answer questions.*

*Council Vice-President Pam Laliberte-Lebeau asked Corporation Counsel what the process would be to re-certify the marijuana applicants. Corporation Counsel stated that there is no process in place, and he does not intend to re-certify any of the applicants. Corporation Counsel further stated there is no provision in the statute for re-certification, nor is there a provision in place for the Corporation Counsel of any city, or a Town Solicitor, to conduct any type of re-certification. He then further stated that the re-certification that the Cannabis Control Commission is looking for, goes well beyond the initial process of certification that the City has been granting as a matter of course. The Cannabis Control Commission is requesting a determination that each applicant is in compliance with all local permits, rules, regulations and ordinances. Corporation Counsel stated that he will not re-certify for a number of reasons. Corporation Counsel stated that there is a new regulation going into effect within a few days regulating the display and sale of cannabis products, there is proposed legislation by a state representative from New Bedford suggesting a moratorium, and a federal investigation that is concluded or ongoing.*

*Councilor Bradford L. Kilby stated he is in agreement with Corporation Counsel. He stated that if the Cannabis Control Commission wants to have the licenses re-certified, they should be the entity to conduct the re-certification since they are the licensing authority.*

*Councilor Shawn E. Cadime asked Corporation Counsel if he would be formally drafting a letter to the Cannabis Control Commission. Corporation Counsel stated he has no intention of ignoring the Cannabis Control Commission and will most certainly be sending a formal response explaining why he feels it is not appropriate, or necessary, for him to re-certify any licenses. Once the communication is completed he will provide a copy to the City Council. Councilor Shawn E. Cadime then asked Corporation Counsel what the initial parameters were for the companies that received licenses, such as business plans, investors, safety plans and so forth. Corporation Counsel stated he provided all the documentation he had pertaining to all the applicants that received community host agreements to Council Vice-President Pam Laliberte-Lebeau yesterday. Council Vice-President Pam Laliberte-Lebeau stated that the documentation is quite lengthy and it will be available in the City Council office for any of her colleagues to review.*

*Councilor Leo O. Pelletier stated that he feels the Cannabis Control Commission should consider not licensing applicants that have paid a bribe or were asked to pay a bribe. He further stated that he feels it is the responsibility of the Cannabis Control Commission to investigate the applicants for*

re-certification and not the City.

Councilor Stephen R. Long stated he is in agreement that the Cannabis Control Commission is the proper authority to re-certify the applicants. He then stated that the status of the Mayor's pending criminal charges are holding up the applicants. He stated if an applicant participated in illegal activity they should be penalized. However, presuming they have not, these applicants have invested substantial amounts of money into these companies, that are now put on hold due to the ongoing investigation, and feels the industry in the City cannot move forward until the case is resolved.

On a motion made by Councilor Steven A. Camara and seconded by Councilor Bradford L. Kilby, it was unanimously voted to refer the matter to the Committee on Ordinances and Legislation.

4. Board of Election Commissioners regarding Official Results of City Preliminary Election held on September 17, 2019

On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Bradford L. Kilby, it was unanimously voted to accept and place on file the communication.

5. Traffic Commissioner recommending amendments to traffic ordinances

On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Steven A. Camara, it was unanimously voted to refer the matter to the Committee on Ordinances and Legislation.

Mental Health Awareness Week

On a motion made by Councilor Steven A. Camara and seconded by Councilor Bradford L. Kilby, it was unanimously voted to adopt the resolution.

7. Committee on Ordinances and Legislation meet to discuss the drafting of an ordinance for the issuance of Community Host Agreements and the City Planner move forward with establishing zoning regulations for medical and recreational marijuana businesses or related services to the marijuana industry

Councilor Leo O. Pelletier stated zoning for marijuana facilities should have been established prior to businesses opening in various parts of the city. He then asked if a zoning ordinance is established, how will it effect a previously licensed establishment. Councilor Shawn E. Cadime replied that all established marijuana facilities would be grandfathered in, however, moving forward they may try to establish more zoning regulations or a district.

On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Bradford L. Kilby, it was unanimously voted to adopt the resolution.

*On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Shawn E. Cadime, it was unanimously voted to adopt the order.*

17. City Engineer prepare plans for the acceptance of Granite Street extending from Purchase Street to Rock Street

*Councilor Shawn E. Cadime stated that he had numerous questions regarding the paving of Granite Street since it is not an accepted street.*

*On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Leo O. Pelletier, it was unanimously voted to waive the rules to allow the Administration to answer questions.*

*Councilor Shawn E. Cadime stated that Granite Street runs between Purchase Street and Rock Street, and Purchase Street was a Streetscapes project. He stated that this evening, there was a resident that came before the Council requesting her street be accepted, so that it may be paved and maintained by the City. Councilor Shawn E. Cadime then questioned how Granite Street, which*

is not an accepted street, was paved. Councilor Stephen R. Long stated as a point of information, that he was a member of the Purchase Street Streetscapes Oversight Committee, and was unaware that Granite Street was not an accepted street. He stated that at the one meeting of the Oversight Committee that he attended, they discussed the paving of Purchase Street. It was mentioned that a portion of Granite Street, roughly ten feet in from Rock Street, was paved when Rock Street was redone, and they had discussed the same from Purchase Street into Granite Street. Councilor Stephen R. Long stated that at that meeting, he said there was going to be a remainder of approximately 30 feet in between that was not going to be paved and suggested that they just pave because he was under the assumption that Granite Street was an accepted street. Councilor Shawn E. Cadime stated that Granite Street has signs posted stating it is a private street.

The City Administrator stated she had received an inquiry from Vice-President Pam Laliberte-Lebeau concerning Granite Street and then contacted the City Engineer to gather more information. The City Engineer responded to the City Administrator by memo with the subject: Granite Street between Purchase Street and Rock Street, dated October 8, 2019. A copy of said memo is attached hereto and made a part of these minutes. She further stated that the street was paved in June of 2018 and the petition for acceptance was recently filed due to an individual questioning the ability to park on Granite Street because of its unaccepted status.

Councilor Shawn E. Cadime stated that there needs to be a fair and consistent process for all applicants requesting to gain street acceptances, and there are numerous roadway projects that are done that do not meet outlined specifications.

Councilor Joseph D. Camara stated that the street should have been accepted when the City paved it in 2018. He further stated that he is baffled that the City paved the street and maintains it while having an unaccepted status, and that the property owners on Granite Street put up their own signs dictating who can and cannot park there. He suggested that parking meters be installed on one side of the street with no parking on the other side, and that the City move quickly to grant acceptance.

Councilor Steven A. Camara stated that he feels that the street is more of a lane and that no parking should be permitted there. He said that by accepting the street and allowing parking even on one side, a trash truck or an emergency vehicle would need to be able to pass because it is much too narrow a street. He further stated that Rock Street to Granite Street, transitions into each other by concrete to asphalt, making Granite Street more like a driveway because streets connect asphalt to asphalt. Councilor Steven A. Camara further stated that there are ordinances in place that are not being administered properly by the City Engineer.

On a motion made by Councilor Joseph D. Camara and seconded by Councilor Stephen R. Long, it was unanimously voted to refer the order to the Planning Board.

**Date:** October 8, 2019  
**Subject:** Granite Street, between Purchase Street and Rock Street

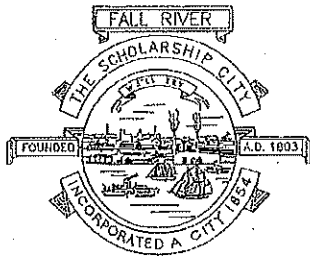

---

The referenced portion of Granite Street has been taken up by City Council for consideration of accepting the street.

During the course of reconstructing Purchase and Bank Streets during the streetscape project, the contractor attempted to key into Granite Street where it intersects Purchase Street. The pavement and subgrade in Granite Street failed requiring the contractor to advance outside the approved limits of work to attempt to key into the street. The street structure failed again and the contractor halted work and waited for direction. Upon consultation with BETA, recognizing that the condition and grade of Granite Street would result in accelerated deterioration of the newly paved surface in Purchase Street, I directed the contractor to complete keying in the street and provide a minimal leveling course to protect the condition of Purchase Street. The paving work was completed on the project on October 6<sup>th</sup>, and 9<sup>th</sup>, 2018.

This determination also played a role in the addition of Pine Street to the Chapter 90 contract, as well as Bank Street east of Purchase St. The policy is also consistent with the extra work we executed on private property throughout the project, from tying in driveways, to installing granite or monolithic curb along exposed building foundations, and correcting past construction practices which left open voids beneath the sidewalk and along building foundations for coal chutes and other abandoned building access points.

The Honorable City Council  
City of Fall River

Dear Members of the City Council:

In light of the current indictments surrounding Mayor Jasiel F. Correia II, specific to the alleged extortion and bribes in exchange for Community Host Agreements from the City of Fall River, our three State Representatives sent a letter to the Cannabis Control Commission asking them to fully investigate each of the applicants from Fall River.

In reply, the Cannabis Control Commission informed them that they had taken the first step, and had sent a letter to Corporation Counsel dated September 19, 2019 asking that the City, through our Law Department, re-certify each of the applicants.

I have requested that Corporation Counsel come before the City Council at this meeting in order to clarify how the Law Department intends to re-certify the applicants, along with the timeline to do so, and to hear input from the Council, if any.

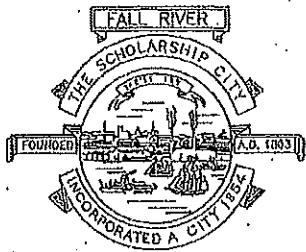

A copy of all the correspondence is attached.

Thank you,

Pam Laliberte-Lebeau

Corporation Counsel Macy,

I am in receipt of the attached correspondence from the Cannabis Control Commission (CCC), to our State Legislature, in response to the letter that they had sent regarding the Community Host Agreements and/or letters of non-opposition given out by Jasiel Correia II, and the recent indictments of extortion and bribery surrounding these approvals.

The CCC outlined the steps that they are taking including the request that was sent to you on September 19, 2019, asking that all of the Fall River applicants be re-certified by the City, through the office of Corporation Counsel.

I respectfully request that your office hold off on re-certifying any of the applicants, requesting an extension of time from the CCC if necessary, until such time that the City Council is able to have a discussion with you regarding the re-certification process in a public forum.

Further, I am requesting that these two letters, as well as the initial letter from our State Legislature (for informational purposes) be added to the next meeting of the City Council, to be held on Tuesday, October 8, 2019 as the licenses have a direct financial impact on the city, including significant revenue in the current Fiscal Year 2020 budget. I ask that you be in attendance, and be prepared to highlight what the re-certification process will be, as well as to hear input from the City Council.

Please forward a copy of all documents and/or correspondence by and between each of the applicants who received Community Host Agreements, and the City, before, during, & after their approval was received from Jasiel Correia II, to the City Council prior to our meeting on October 8, 2019

Thank you,

RE: Request for Recertification of Fall River Applicants.

As part of their application for licensure, an applicant for a Marijuana Establishment must submit a certification signed by the contracting authorities evidencing that the applicant has executed a host community agreement with the host municipality. 935 CMR 500.101(1)(a)(9) and 935 CMR 500.101(2)(b)(6); see also 935 CMR 501.100(2)(d)(3) (requiring demonstration of MTC support or non-opposition furnished by local municipality). Applicants must also demonstrate and remain in compliance with municipal ordinances and bylaws. 935 CMR 500.102(1)(d), 935 CMR 500.170, and 935 CMR 501.600.

As of the date of this letter, the Commission has received pending applications for licensure as an adult-use Marijuana Establishment from two (2) entities and pending applications for licensure as a Medical Marijuana Treatment Center from no other disclosed entities currently. Further, as of the date of this letter, the Commission has issued Marijuana Establishment licenses to four (4) entities and Medical Marijuana Treatment Center licenses to seven (7) entities located in Fall River. For purposes of this correspondence, these entities are collectively referred to as "the Fall River Applicants."

On September 6, 2019, the United States Department of Justice charged Mayor Jasiel F. Correia II in a superseding indictment with bribery; extortion conspiracy; extortion and aiding and abetting; wire fraud; and filing false tax returns.<sup>1</sup> Mr. Correia has previously represented himself as the contracting authority for the City of Fall River. The subject matter of the allegations contained in the indictment directly relate to the municipality's role in considering and executing letters of non-opposition and host community agreements for the siting of the Fall River Applicants.

Given the nexus between the allegations set forth in the aforementioned indictment and the municipal processes required for an applicant for licensure to move forward, the Cannabis Control Commission, acting through its Chief of Investigations and Enforcement, now requests that the City of Fall River, acting through its Corporation Counsel, provide a recertification of each host community agreement associated with a Fall River Applicant and further provide a

Dear Legislators:

I want to thank you for your recent letter pertaining to the Cannabis Control Commission's consideration of applications for medical marijuana treatment centers (MTCs) and adult-use marijuana establishments (MEs) in the City of Fall River.

In your correspondence, you requested that, in light of the September 6, 2019 indictment by the United States Department of Justice of Mayor Jasiel F. Correia II, the Commission place a moratorium on all applications that may be pending for MTCs or MEs within the City of Fall River. Consideration of this request requires the input of the full Commission, and as such and pursuant to the Open Meeting Law, must be discussed and deliberated in public. The next opportunity for such a discussion would be the Commission's regularly scheduled October meeting.

Please know that the Commission takes these allegations very seriously, especially as they pertain to the execution of host community agreements and letters of non-opposition for MTCs and MEs. As you may know, we require that applicants for licensure submit certification, signed by the entity and the municipality, that they have executed a host community agreement. Similarly, once an application is deemed complete, we also seek a certification from the municipality that the applicant is compliant with all local ordinances and bylaws. These municipal interactions are an integral part of our licensing process.

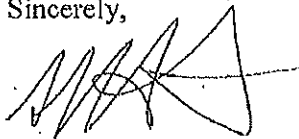

As we investigate this matter thoroughly, including any implications it may have for our applicants and licensees, I wanted to alert you to a recent step we have taken. Considering the nexus between the allegations contained within the federal government's indictment and the municipal certifications that are required as part of our licensure process, we have asked the City, through its Corporation Counsel, to recertify the execution of any host community agreements, and, where appropriate, confirm an applicant's compliance with local ordinances and bylaws. That request for recertification is attached.

This request relates to every application or license within the City of Fall River, whether they're awaiting consideration or have already commenced their operations. This request preserves the strong local control that municipalities enjoy in the context of siting MTCs and MEs within their boundaries, but also confirms any certifications that the Commission may have, or will eventually, rely upon when evaluating applications.

We appreciate and share your concern with these allegations. The integrity of our licensing process is paramount to the success of our continued successful implementation of this new law. In order to maintain that and continue our progress, we look forward to working with you and your legislative colleagues. You are welcome to contact me directly should you have any additional questions relative to the Commission's work.

Sincerely,

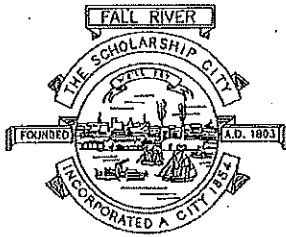

Steven J. Hoffman

Cannabis Control Commission

Return of Votes - LOCAL ELECTION September 17, 2019

FALL RIVER

Total Number of Persons Who Voted in the  
LOCAL ELECTION 13321

\*\*\*\*\* ATTENTION CLERK : SIGN AND RETURN AT ONCE \*\*\*\*\*  
\*\*\*\*\*

I certify that all ballots cast for candidates  
in the LOCAL ELECTION held on September 17, 2019  
have been counted and recorded in accordance with the law,  
and that the following return of votes is correct

Clerk:

Kelly A. Souza - F/R

4

\*\*\*\*\* METHOD OF RECORDING VOTES \*\*\*\*\*  
\*\*\*\*\*

Record the number of votes for each listed candidate and for each write-in or sticker candidate. The space between the last candidate's name and the designation 'All Others' is to be used to record the names, addresses (if known) and votes of any write-ins. Also, record the number of votes for No Preference and Blanks. The total vote for each office is the sum of votes for listed candidates, write-ins and blanks. The total vote should be equal to the number of people who voted in the LOCAL ELECTION  
Do not send results of ward or town committee candidates to this office.

\*\*\*\*\* IMPORTANT : DO NOT SEPARATE SHEETS \*\*\*\*\*  
\*\*\*\*\*

Note: This text field has a maximum of 3000 characters.

In 9/18/19 the Fall River City Council held a special meeting. During the meeting, the council had citizens input. One individual signed up to speak, who was named Daniel Bothelo. Mr. Bothelo spoke in support of the council invoking section 3-8 of the Fall River City Charter. Councilor Steven Camara, who was the lone no vote regarding invoking section 3-8 of the city charter, interrupted and censured Mr. Bothelo from speaking, only because Mr. Bothelo reminded the "councilor in seat three" it is his job to represent all of his constituents. Never once was Mr. Camara insulted, or even called out by name. Mr. Bothelo acted respectfully during citizens input. Councilor Camara violated section 20 (a) of the Open Meeting Law as citizens input is open to the public and Mr. Bothelo has a first amendment right to freedom of speech and the establishment clause of the United States Constitution overrides any state or local ordinance prohibiting Mr. Bothelo from freely speaking as he did not speak in any illegal manner. Councilor Camara also violated section 20 (g) of the open meeting law. Councilor Camara disrupted a speaker who signed up for citizens input and was recognized to speak by the chair.

What action do you want the public body to take in response to your complaint?

collind00@aol.com

Tue 9/24/2019 4:30 PM

To: City Clerk <city\_clerks@fallriverma.org>; City Council <City\_Council@fallriverma.org>;

Greetings Members of the City Council,

May this communication serve as a request for the Fall River City Council to invoke Section 2-1 (c) of the Fall River City Charter and declare City Councilor Steve Camara has vacated the City of Fall River. Councilor Camara has signed a document under the penalties of perjury that he primary residence is 38 Cherry & Webb Lane, Westport Massachusetts. See (Book 11177 Pg 346 Bristol County Registry of Deeds).

Thank you very much.

Mayor and City Councils

The attachments included are from all the registered voters from Stevens St Fall River and Buckingham Estates Development. We are protesting the new construction of the three new business convenience store, gas station, and car wash. We are extremely concerned and ask the city to protect our area. The value of our properties will decline. Sooner or later we will be exposed to the chemicals from the car wash and the gas station in our area due to these new businesses. It will increase the traffic tremendously and will bring more crime into our area. We ask for your consideration on this matter and protection. Please be advised there is a pond within 200 feet from this area and environmental damages may occur.

CITY CLERK  
FALL RIVER, MA

The Fall River Planning Board held a Public Meeting at 5:30 p.m. on Thursday, September 5, 2019, in the First Floor Hearing Room, One Government Center, Fall River, MA for the purpose of considering the matters set forth in the agenda originally posted with your office on August 22, 2019, with a revision submitted to your office on August 30, 2019.

**Members present:** Cynthia Sevigny, Elizabeth Andre, Charles Moniz and Mario Lucciola

**Members absent:** None

**Also present:** Planning Director, William D. Roth, Jr., AICP, Patti Aguiar, Recording Clerk and Pamela Martins, FRGTV.

"Minutes" of this meeting are as follows:

*Mrs. Sevigny opened the meeting with roll call attendance and read the Open Meeting Law statement.*

**1. Repetitive Petition-**

Owner/Applicant-	S. Beacon Comm. Dev. Trust
Location-	Evelyn's Way/Griffin St./ Ash St.
Assessor's Lot:	G-27-01

Mr. Dan Aguiar, SITEC, Inc. was present to speak to the Board. He explained that the Planning Board needs to determine if this new proposal reflects specific and material changes in the conditions which the denial was issued, and for consent of the Planning Board to allow a new hearing by the Zoning Board of Appeals (ZBA) prior to the expiration of two years after the date of the ZBA denial. He presented the new plan of five Single family dwellings with access from Griffin St. Mr. Lucciola stated that this

proposal is substantially different. Mr. Moniz asked what the road going out to Evelyn's way shown on the map was for. Mr. Aguiar explained that that is an emergency exit/entrance for emergency vehicles to exit/enter. The Fire Department may require the road. It will be gated and locked. State Representative Alan Silvia addressed the Board. He stated that he had met with many residents of Evelyn's Way and agreed that this proposal was substantially different. Mr. John Carvalho of 99 Evelyn's Way stated that this plan was good, but was still worried about the wetlands problems with drainage. Andrea Aguiar of 46 Evelyn's way asked where the emergency entrance would be. Mr. Aguiar showed her on the plan where it is located. He also stated that the road would only be put in if it is required through Site Plan Review. Cheryle Demoura of 35 Evelyn's Way presented pictures of the area to the Board. Tim Machado of 100 Evelyn's Way asked why the change to Griffin St. was allowed. Mr. Roth stated that this is not before this Board to approve the layout or access, but a repetitive petition to allow the project to go back before the Zoning Board of Appeals. Mike Mattos of 55 Evelyn's Way wanted to thank the Board and Mr. Aguiar for listening to their concerns and changing the plans. Mr. Roth explained to the Board and citizens that the only thing before the Planning Board is if there is a material and substantial change in the new plans that were submitted to the Planning Board versus what the ZBA denied. He stated that there was, and recommended to approve the Repetitive Petition.

Upon motion made by Mr. Lucciola, and seconded by Mr. Moniz, the Board voted 4-0 in favor of the petition, and the Petition was Approved.

## 2. Application for Endorsement of Plan Subdivision Approval Required- "Form C" Plans

Owner/Applicant-	RGK Realty Trust
Location-	386 Kilburn St. & Dwelly St.
Assessor Lots:	B-17-1

Mr. Dan Aguiar, of SITEC Inc. was present to address the Board. He showed the Board where the parcel is located on the plan. He stated that all the waivers they are looking for is to keep the cost of the project down. Mr. Aguiar stated that storm water drainage will go through a filtered system. Mr. Moniz asked how the residents would be entering their properties. Mr. Aguiar explained that they would all be entering through Princeton St. Mr. Lucciano asked about underground utilities. Mr. Aguiar stated that that is one of the waivers they are asking for. Jim Sousa of 300 Stetson St. asked if there was going to be a walking path around Cook Pond in the future. Mr. Aguiar stated that the owners of the property would have access to the pond but there was not any dedicated public access along the shore line where the subdivision was proposed. Mr. Sousa expressed that this is a missed opportunity for the Fall River residents to have a walking path. Mr. Kfoury explained that a portion of the other building will have access to a walking path. State Representative Alan Silvia stated that he is in support of this project. He is glad the mill is gone. It has been a fire hazard for years. He also stated that he has been trying to get a bike path in the area, but was met with opposition from many in the area. There will be a large green space area around Cook Pond. Mr. Kfoury stated that there will be  $\frac{3}{4}$  of an acre of

green space on the other side of the development. He also stated that the amount of money he has spent is significant, and he is asking for approval of the Board tonight so he can move forward with the project. Mr. Roth recommended to continue the matter so the applicant's engineer could meet with City Staff to work out technical issues such as drainage and engineering. Mr. Aguiar asked the Board for direction on the proposed waivers. Discussion ensued on the waivers and it was the consensus of the Board that not providing underground utilities would be acceptable provided that the roadway width was to meet code.

Upon motion made by Mr. Moniz and seconded by Mr. Lucciola, it was VOTED 4-0: to direct the Chair to Continue this petition until the September 24, 2019 meeting.

**3. Application for Endorsement of Plan Believed Not to Require Approval –  
File No. 19-1444**

Owner/Applicant-	Carlos P. Abad Campoverde
Location-	Frederick St. & Bronson St.
Assessor Lots:	C-15-7 & 10

Mr. Roth explained that the plan proposed to add additional frontage to lot 7 on Frederick St. to 80 feet, and the lot 10 frontage on Bronson St. will have 176 feet. Therefore, it meets the requirements of "Approval Not Required Under the Subdivision Control Law" so he is recommending endorsement.

Upon motion made by Ms. Andre and seconded by Mr. Moniz, it was unanimously VOTED 4-0: to direct the Chair to endorse the plan, "Approval Not Required Under the Subdivision Control Law".

**4. Approval of July 31, 2019 Minutes**

In a motion made by Ms. Andre and seconded by Mr. Moniz, the Board VOTED 4-0 to waive the reading of the minutes and to approve the minutes of the July 31, 2019, meeting.

**5. Public Input-**

No one signed up for public input.

**6. ADJOURNMENT**

Upon motion duly made by Mr. Moniz and seconded by Ms. Andre, it was unanimously VOTED 4-0: to adjourn the meeting at 6:45pm.

ABSENT: None

IN ATTENDANCE: Cathy Ann Viveiros, City Administrator  
Mary Sahady, Director of Financial Services  
JR Frey, City Engineer  
William Roth, City Planner  
Gloria Saddler, Member, Fall River Task Force

The chair called the meeting to order at 6:02 p.m. and announced that the meeting may be recorded with audio or video and transmitted through any medium.

In accordance with a resolution adopted, as amended May 8, 2012, allowing persons to address the Council for a period of three minutes prior to the beginning or at the conclusion of business in the Committee on Finance, the following persons spoke on the subjects listed:

## Citizens' Input Time – Before Discussion of Financial Matters:

Alphonse Hathaway, 541 Tecumseh Street – All the above  
David Dennis, 132 Highland Avenue – Hydrangea Project  
David LaLima, 418D Drift Road, Westport, MA – Hydrangea Project

*On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Steven A. Camara, it was unanimously voted to waive the rules to allow the following non Fall River residents to speak.*

John Vasconcellos, 746 Old Warren Road, Swansea, MA – Mayor  
Antonio Teixeira, 887 Cherry Street – City Affairs  
Michael Murphy, 40 Winchester Lane, Unit 16 – Mayor Support  
John Senra, 651 Valentine Street – City Affairs

2. Mayor and loan order of \$6,088,821.00 for the Resiliency Preparatory Academy Repairs

*On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Pam Laliberte-Lebeau, it was unanimously voted to forward the loan order to the full council for action.*

3. Mayor and loan order of \$1,704,637.00 for the Westall School Repair Project  
On a motion made by Councilor Joseph D. Camara and seconded by Councilor Stephen R. Long, it was unanimously voted to forward the loan order to the full council for action.

4. Resolution – discussion with City Engineer re: workmanship on Streetscape project at East Main Street

Councilor Leo O. Pelletier stated that the pavement on East Main Street is in terrible condition. The City Engineer stated that his department has a quote from a contractor to make the necessary repairs to the pavement that can be paid for by the retainage from this project. Councilor Leo O. Pelletier then asked the City Engineer how long it will take to complete this project. The City Engineer stated that he will have an answer from Biszko Contracting this week. He also stated that the signalization project should be complete in three weeks. Additionally, the street light poles should be delivered in November. The City Administrator stated that Biszko Contracting needs to be allowed to repair the problem areas in the pavement prior to the job being given to another contractor. Councilor Stephen R. Long asked if this work was bonded. The City Engineer stated that it was, but will be challenged. He also stated that any work that is performed by another contractor will have different guarantee periods and the one year guarantee is approaching its expiration. The City Administrator stated that the work in question was performed by a subcontractor, not Biszko Contracting. Councilor Stephen R. Long stated that he would like to see Biszko Contracting finish this project, not another contractor. Councilor Pam Laliberte-Lebeau asked when Mr. Biszko was notified of this matter. The City Engineer stated that a letter was sent to Mr. Biszko on September 9, 2019. Councilor Pam Laliberte-Lebeau stated that Mr. Biszko sent a letter requesting more information in August, so why wasn't his questions answered. The City Engineer stated that he was working on a draft letter that was circulated to the Administration, prior to the letter being sent yesterday.

Councilor Shawn E. Cadime stated that the bond for the East Main Street Streetscape Project was for \$2 million dollars. He then asked the City Engineer how much the retainage was. The City Engineer stated 5% or approximately \$90,000.00. Councilor Shawn E. Cadime then asked why \$30,000.00 was released back to Mr. Biszko when the work was not acceptable. The City Engineer stated that it took time for some projects to show defects or imperfections.

Councilor Steven A. Camara asked if the use of a bond authorization for other projects is acceptable. The Director of Financial Services stated that if the project has not begun, the loan order cannot be changed to another project. She then stated that she requested information from Bond Counsel, which she read at the meeting. She stated, "Hi Peter and Mary, I understand that you are asking if the Council can change the purpose of appropriations that were authorized for streetscapes for general street purposes, and we discussed how the projects could be authorized and then the old projects rescinded and what the process would be after that vote – there is an overriding issue in that the Council cannot take up legislation on its own – it needs to be put in front of the Council by the Mayor before they can act on it (it is a separation of powers principal). The Council can ask the Mayor to introduce the topic to them so they can act on it, but they cannot just take it up on their own. (copy of said email is attached hereto and made a part of these minutes)

Councilor Steven A. Camara stated that he had requested that an oversight committee be formed for the Streetscape Projects. He then stated that what has happened on East Main Street is due in part because no oversight committee was formed. Councilor Bradford L. Kilby stated that an Oversight Committee should have been formed for the East Main Street Streetscape Project. The City Planner stated that when he was hired by the City of Fall River, some of the streetscape projects had already begun. He then stated that when Councilor Steven A. Camara provided him with a copy of the resolution that was adopted by the City Council requesting that an oversight committee be formed; he initiated the formation of oversight committees. Councilor Pam Laliberte-Lebeau stated that Department Heads need to be in charge of projects to oversee matters such as these.

5. Resolution – discussion and review of Streetscape projects at Purchase Street and East Main Street

*Council President Cliff Ponte asked if there were any additional questions regarding item #5 as this item was discussed in conjunction with item #4. There were no further questions.*

6. Fall River Task Force Revised Draft for discussion.

*Councilor Steven A. Camara stated that he was chosen by the Task Force to present the Revised Draft to the City Council. He then provided a brief overview on the proposed charter changes and stated that there is not sufficient time to place this matter on the upcoming Municipal Election in November 2019, but is hopeful to have the matter placed on the ballot for the Presidential Election in 2020. Councilor Stephen R. Long stated that if this is presented to the voters and approved, no changes would occur until 2022. Councilor Pam Laliberte-Lebeau asked if the final vote on the revised draft was unanimous. Councilor Steven A. Camara stated that the vote was not unanimous, as yesterday's meeting only had four members in attendance.*

REGULAR MEETING OF THE CITY COUNCIL

MEETING: Tuesday, September 10, 2019 at 7:00 p.m.  
Council Chamber, One Government Center

PRESENT: President Cliff Ponte, presiding;  
Councilors Shawn E. Cadime, Joseph D. Camara,  
Steven A. Camara, Bradford L. Kilby, Pam Laliberte-Lebeau,  
Stephen R. Long, Leo O. Pelletier and Derek R. Viveiros

ABSENT: None

IN ATTENDANCE: None

President Cliff Ponte called the meeting to order at 7:43 p.m. with a moment of silence followed by a salute to the flag and announced that the meeting may be recorded with audio or video and transmitted through any medium.

*On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Bradford L. Kilby, it was unanimously voted to take item #3B out of order.*

3b. City Council President and orders re: temporary removal of Mayor

i. Emergency Preamble

*On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Shawn E. Cadime, it was voted 8 yeas, 1 nay to adopt the order, with Councilor Steven A. Camara voting in the negative.*

ii. Emergency Order

*Councilor Steven A. Camara stated that one is presumed innocent until proven guilty. He then stated that he does not consider this an emergency because an election will take place next week and a municipal election will be held on November 5, 2019. He also mentioned that this will cost the taxpayers thousands of dollars and went on to state that there are only four ways for the Mayor to leave office. They are:*

- *Resign*
- *Be convicted of a crime*
- *Be recalled*
- *Be incapacitated*

*He then continued by stating that he will not support this vote based on his information, as he believes that this is not the right action to take. Councilor Stephen R. Long stated that the Mayor is unable to leave Massachusetts and Rhode Island. He also stated that everything that comes from the Mayor's Office is now suspect. Councilor Leo O. Pelletier stated that when the City Council voted to place a cap on marijuana licenses, the Mayor gave out more letters of non-opposition. Councilor Shawn E. Cadime stated that with the Mayor being under indictment it creates an atmosphere of mistrust in the City of Fall River. Councilor Bradford L. Kilby stated that he does not like to speak badly of someone who is in a hardship situation, but since Mayor Correia was elected*

five years ago, there has been nothing but problems in the city. Councilor Pam Laliberte-Lebeau stated that the Mayor has run the city as a "Pay to Play City" and I believe that the Office of the Mayor should be run lawfully. On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Shawn E. Cadime, it was voted 8 yeas, 1 nay to adopt the order, with Councilor Steven A. Camara voting in the negative. On a further motion made by Councilor Bradford L. Kilby and seconded by Councilor Shawn E. Cadime, it was voted 8 yeas, 1 nay that in the event counsel for Mr. Correia seeks the issuance of a temporary restraining order to prevent the City Council President from acting as Mayor in accordance with the preceding vote and Section 3-8 of the City Charter, the City Council authorize it's attorney to agree to the imposition of such order for the purpose of establishing an agreed upon date for the holding of a preliminary injunction hearing and any related scheduling matters and that the Mayor step aside and give the keys to his office to the City Clerk by this Friday at 5:00 p.m., with Councilor Steven A. Camara voting in the negative.

On a further motion made by Councilor Shawn E. Cadime and seconded by Councilor Bradford L. Kilby, it was unanimously voted to take a five minute recess at 8:28 p.m. The City Council reconvened at 8:43 p.m.

On yet a further motion made by Councilor Bradford L. Kilby and seconded by Councilor Shawn E. Cadime, it was unanimously voted to take item #16A and #16B out of order.

16a. City Council demand resignation of Mayor Jasiel F. Correia II

On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Shawn E. Cadime, it was voted 8 yeas, 1 nay to adopt the resolution, with Councilor Steven A. Camara voting in the negative.

16b. City Council President appoint an independent audit firm to conduct an audit to review recent allegations against Mayor and city departments

On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Steven A. Camara, it was voted 9 yeas to amend the resolution by adding, "Council President charge the audit firm with any other issues that the firm feels appropriate including sales of school buildings, funding of BCTC and disbursement of CPA funds". On a further motion made by Councilor Shawn E. Cadime and seconded by Councilor Stephen R. Long, it was voted 9 yeas to adopt the resolution, as amended.

On a motion made by Councilor Pam Laliberte-Lebeau and seconded by Councilor Bradford L. Kilby, it was unanimously voted to take item #3A out of order.

3a. Mayor and loan order of \$2,100,000.00 for the purchase of snow removal equipment

On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Shawn E. Cadime, it was unanimously voted that the loan order be authorized to be published and referred to the Committee on Finance.

### **PRIORITY MATTERS**
