8a. Emergency Medical Services Fiscal Year 2021 Budget

On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Linda M. Pereira, it was unanimously voted to adopt the order, with Councilor Bradford L. Kilby absent and not voting. Approved, June 25, 2020, Paul E. Coogan, Mayor

8b. Revised FY21 Budget for Water and Sewer Divisions

On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Leo O. Pelletier, it was voted 4 yeas, 4 nays to adopt the order, with Councilors Michelle M. Dionne, Trott Lee, Christopher M. Peckham and Linda M. Pereira voting in the negative and Councilor Bradford L. Kilby absent and not voting and the motion failed to carry. On a further motion made by Councilor Shawn E. Cadime and seconded by Councilor Christopher M. Peckham, it was unanimously voted to waive the rules to allow the Director of Financial Services and the Administrator of Community Utilities to answer questions, with Councilor Bradford L. Kilby absent and not voting. Council President Cliff Ponte asked the Director of Financial Services and the Administrator of Community Utilities to re-emphasize the impact to the Water and Sewer Divisions that will occur if a Special City Council Meeting cannot be scheduled prior to July 1, 2020. Councilor Shawn E. Cadime asked what the rate increase is on the water rate. The Director of Financial Services stated that the proposed water rate increase is sixteen cents per one hundred cubic feet (CCF). Councilor Shawn E. Cadime then asked how much revenue is generated with a one cent per CCF increase. The Administrator of Community Utilities stated that one cent generates \$31,000.00 per year. The Director of Financial Services stated that the revised budget is before the City Council presently, which includes a nineteen cent per CCF increase that includes the \$100,000.00 for the Water and Sewer Stabilization Funds. The Administrator of Community Utilities stated that the original proposal was a sixteen cent increase on the water rate, a seven cent increase on the sewer rate and a two dollar increase on the stormwater fee. A further motion was made by Councilor Shawn E. Cadime and seconded by Councilor Leo O. Pelletier to transfer \$336,160.00 from the Stabilization Account to the Fiscal Year 2021 Budget for the Water and Sewer Divisions to balance the budget without increasing the water and sewer user fees. Councilor Shawn E. Cadime then stated that this will create a structural deficit, as this will use one time funds to balance the budget. Councilor Leo O. Pelletier stated that the City of Fall River does not want the Environmental Protection Agency (EPA) and the Department of Environmental Protection (DEP) to come in and mandate what needs to be done to maintain standards and what the water and sewer user fees will be. The Director of Financial Services stated that this transfer of funds from the Stabilization Account will create a structural deficit, which is never a good idea and then the rate increases will need to be even greater next year to balance the Fiscal Year 2022 Budget for the Water and Sewer Divisions. Council President Cliff Ponte asked how much the yearly increase would be for a single family home using the current proposed increase. The Director of Financial Services stated that it will be approximately \$20.00 per year. Councilor Shawn E. Cadime withdrew his previous motion.

On yet a further motion made by Councilor Christopher M. Peckham and seconded by Councilor Linda M. Pereira, it was voted 6 yeas, 2 nays to reconsider the previous motion, with Councilors Michelle M. Dionne and Trott Lee voting in the negative and Councilor Bradford L. Kilby absent and not voting. On yet a further motion made by Councilor Shawn E. Cadime and seconded by Councilor Pam Laliberte-Lebeau, it was voted 5 yeas, 3 nays to adopt the Revised Fiscal Year 2021 Budget for the Water and Sewer Divisions, with Councilors Michelle M. Dionne, Trott Lee and Linda M. Pereira voting in the negative and Councilor Bradford L. Kilby absent and not voting. Approved, June 25, 2020, Paul E. Coogan, Mayor

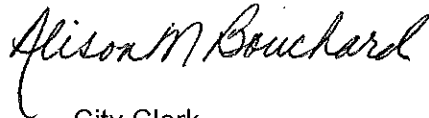

On a motion made by Councilor Linda M. Pereira and seconded by Councilor Michelle M. Dionne, it was unanimously voted to adjourn at 11:24 p.m., with Councilor Bradford L. Kilby absent and not voting.

Re: FY21 Budget Submission
Emergency Management Division

Council President Ponte:

Please find enclosed the documents for the above referenced submittal. Currently the City's finance team is working with the Departments and Divisions to complete the City's Municipal Budget. This submittal meets the requirements of M.G.L. Chapter 44, Section 53F ½ for submittal of Enterprise fund budgets 120 days prior to the beginning of the fiscal year. This budget may be amended as the City's budget is completed and the indirect costs are updated. An appropriation order will be submitted to Council for a vote later in the fiscal year.

Best,

Paul E. Coogan, Mayor

RE: FY21 Revised Rate and Budget Submission
Water and Sewer Divisions.

Dear Mayor Coogan,

Attached please see the revised Water and Sewer rates and budget. These have been approved by their respective Commission and with your approval I would like to send the revised rates to Ordinance and the revised budget to City Council.

Both budgets have had \$100,000.00 added to the Stabilization Fund line item for FY21. In FY21 those funds will be transferred to the Stabilization fund.

Please let me know if you have any questions.

Respectfully,

Paul J. Ferland, EIT
Adm. of Community Utilities

PAUL E. COOGAN
Mayor

June 18, 2020

Honorable Members of the City Council
One Government Center
Fall River, MA 02720

RE: Continuing Appropriation Budget

Council President Ponte:

Notwithstanding section 32 of Chapter 44 of the General Laws or any other general or special law, charter provision or ordinance to the contrary, I am unable, as a result of the outbreak of COVID-19, and the effects of the Governor's March 10, 2020 declaration of a state of emergency, to submit an annual budget for fiscal year 2021 to the city council. At this time the Governor's budget has not been deliberated by the House and Senate and therefore the amount of state aid is uncertain. In addition, the City has been allocated \$7.9 million from the CARES Act and Congress is still debating the use of that money by local municipalities.

Based on the Senate Bill 2680 and the House Bill 4752 the time periods and deadlines set forth in section 32 of said chapter 44 for the mayor and city council to act on the annual budget are extended until 60 days after the termination of the Governor's March 10, 2020 declaration of the state of emergency; provided, however, that within 30 days after the termination of the declaration of emergency or on July 31, 2020, whichever is earlier, I will submit a revised budget to the city council for fiscal year 2021. In the meantime, as we await further guidance from the state on both the state aid and federal government on the potential use the CARES money, I am submitting to the city council a continuing appropriation budget for the city for the month of July 2020. If these sources of revenue continue to be uncertain it is my intention to submit a month-by-month basis for a period not to exceed 3 months as a result of the outbreak of COVID-19 and the Governor's March 10, 2020 declaration of a state of emergency.

Please let me know if you have questions or concerns.

Best Regards,

Mayor Paul E. Coogan

- No criticism allowed.

Where we've been:

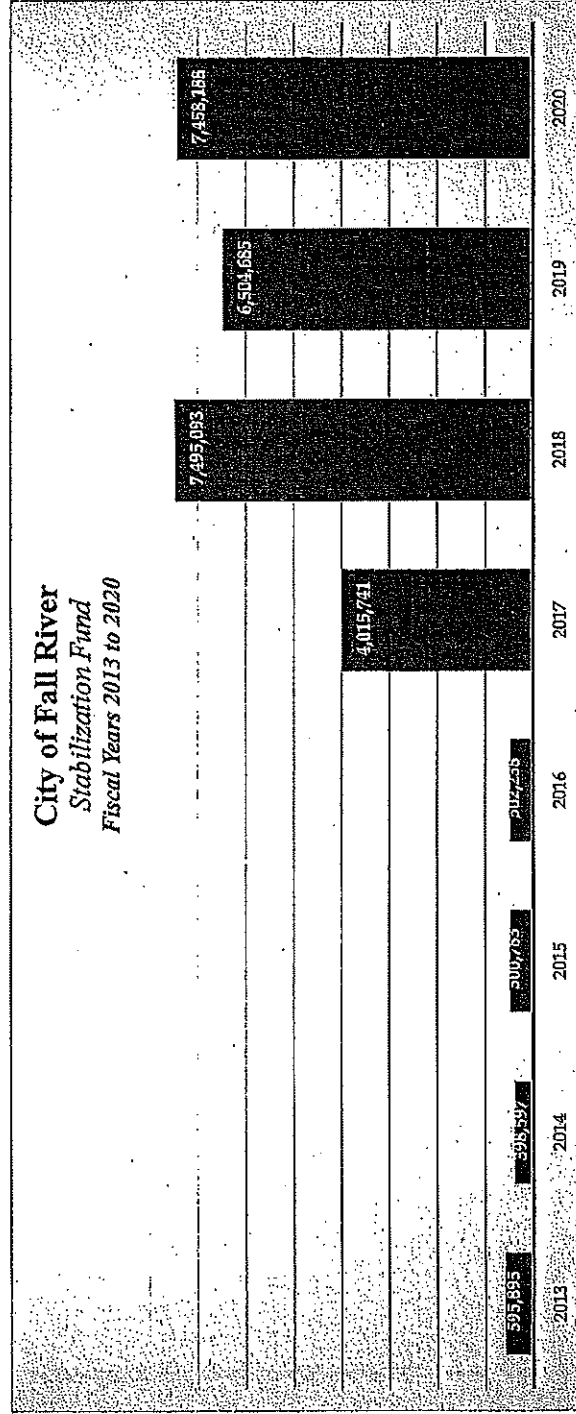

- In fiscal year 2017 the City implemented zero based budgeting
- Departments were asked to build their budgets from zero and documents their needs. This method of budgeting continues today.

Where we've been:

- Our rainy day fund was as low as \$398,597 in 2014 and has grown to \$7,458,188 in 2020

Where we are at

In the middle of a pandemic...

Local governments across Massachusetts are in limbo as state lawmakers scramble to rework the budget to account for the massive impact the new coronavirus pandemic has had on state revenue.

Where we are at

- The law as it was passed, provides relief to the communities to prepare and present its budget up to 60 days after the emergency is lifted by the Governor or July 31. In this case, because the emergency order has not be lifted the budget will be due to the Council by July 31st.
- This provision give municipalities additional time to learn more about what the FY21 revenue picture will look like.
- It gives the council 45 days to approve, reduce or reject the recommended amounts.
- If a level funded budget were submitted today (June 23th) the council would not have the time necessary to review which would necessitate the 1/12th budget for July.

Words of advice

- *Senator Michael Rodrigues, Chairman of Ways & Means*
 - The State is preparing a 1/12th budget for the month of July. "It's best to be conservative rather than destruction".
- *Sean Cronin, Senior Deputy Commission of Local Services*
 - "In this unprecedented budget environment, for which there is no playbook, I see the 1/12th budget option as being not just prudent, but pretty much a reality unless the council doesn't want to take the full 45 days to review and act on the budget."

Where we are at

- Quarter ended March 31, 2020 show the City's finances where they were expected to be....
- General fund revenue receipts were at 74.6% (as compared to 74.2% in FY19) with the largest commitment for motor vehicle excise yet to be collected
- General fund expenses were at 78.6% (as compared to 78.4% in FY19) with 100% of our debt payments made prior to March 31st
- *And then the pandemic hit*

What happened in Quarter 4 of FY20

- Governor announced a stay at home advisory (March 16th)
- City Hall closed to the public
- Local receipts began to plummeted -
 - Parking receipts are estimated to be down \$400,000
 - Meals tax excise is estimated to be down \$300,000
 - Recreation cannabis excise is estimated to be down \$400,000
 - Marijuana impact fees are estimated to be down \$400,000

Where we are.....

- Analyzing and tracking expenses daily
- Working with departments to accurately allocate those expense which are reimbursable due to Covid-19.
- *This is ongoing and forever changing –*
 - The City received a Department of Health Grant (\$200,000) – for payroll and PPE
 - We are receiving a (\$260,000) DOJ grant that can be used for equipment needs
 - FEMA monies allow reimbursement for Covid related expenses at a rate of 75%
 - The City was awarded \$7.9 million from the CARES Act
 - The Community Development Agency received both a CDBG in the amount of \$1.7 million and Homesless grants totaling \$2.1 million to assist with Covid-19 related expenses

Budget Process

- Begins as early as January each year with input from each of the departments and divisions
- The proposed FY21 Budget, which was mostly prepared before the Covid-19 emergency, was a "maintenance of effort" budget, with no major new initiatives or services
- When the pandemic hit Massachusetts, proposed budget numbers included State Aid as presented in the Governors Budget

Brainstorming Activity

- The administration has met with department and division heads to generate ideas.
- Enhancements asked for during the budget process that need to put on hold
- The effect of a hiring freeze
- Reductions in department budgets based on prior year needs
- Discussion of the effect of open employment contracts
- Use of stabilization for capital expenses
- Other budgetary items that may be funded with CARES monies, CDA monies and/or Stabilization

- Other budgetary items that may be funded with CARES monies, CDA monies and/or stabilization:
 - Police \$425,000
 - Radios
 - Emergency equipment
 - Traffic equipment
 - Body vests
 - Fully funding the walking beat
- Fire \$90,000
 - Gear

Other monetary data

- Police Department had greater than \$3 million in accumulated comp time unpaid
- Fire Department continues to work toward a combined Fire/EMS department
- The current normal cost and the unfunded pension liability has an annual cost of \$31.5 million
- Health Insurance continues to increase annually (currently a net cost to the City of \$40.7 million)
- The Other Post Employment Benefits (OPEB) is only funded annually with 10% of any free cash generated

What's to come

- Continue financial discussions with the administration on the monetary data and alternatives provided.
- Discussions with the school department on the opening of school in September
 - Social Distancing
 - Transportation
 - Cost of masks for the students

In Summary

- Review ideas.
- Using the 1/12th option is a tool available in this climate while waiting for a clearer picture of FY21 revenues and expense
- Remember no idea is a bad idea.

Next Steps

- Vote the July continuing appropriation
- Discuss the FY21 budget process and beyond
 - Start turning ideas into reality.
 - What would you like to see happen going forward into the next fiscal year.
 - Where do you see the City's finances.
- Prepare for the possibility of a second wave of Covid-19 in the fall.

CITY CLERK
FALL RIVER, MA

PAUL E. COOGAN
Mayor

June 3, 2020

Hon. Council President and Members
One Government Center
Fall River, MA 02722

Dear Council President and Members of the Honorable Council:

By letter dated April 30, 2020, I requested the Council to initiate consideration of the proposal submitted by JNK Realty LLC, as owner of the Adams House to amend the boundaries of the city's Waterfront/Downtown HD Zone [a/k/a the City of Fall River Central Market Housing Development (HD) District Zone and Plan originally approved and adopted by the City on March 10, 2016] to include within its boundaries the Adams House located at 1168 Highland Avenue.

At a meeting of the City Council held on May 5, 2020, it was voted to refer this proposal to the Planning Board to conduct a public hearing, as required under applicable regulations, 760 CMR 66.08 and to submit its recommendations to the Council.

Pursuant to this referral, the Planning Board convened a duly noticed public hearing on May 27, 2020 and, after hearing public testimony and after due consideration, a quorum being present, it was moved, seconded and unanimously VOTED:

To recommend to the Honorable City Council that the "City of Fall River Central Market Housing Development [HD] District Zone and Plan" originally approved and adopted by the City of Fall River on March 10, 2016, and as approved by the Massachusetts Department of Housing and Community Development on May 10, 2016, be amended to incorporate, within the existing zone and plan, certain premises generally known as "Adams House" located at 1168 Highland Avenue.

In a letter dated May 28, 2020, filed with the City Clerk on June 3, 2020, the Planning Board has stated its opinion that approving this amendment will be of benefit to the City by advancing the goals set forth in the Housing Development Incentive Program enabled under Massachusetts General Laws Chapter 40V, to promote increased residential growth, expanded diversity of housing supply, neighborhood stabilization and economic development in gateway municipalities.

I concur in the Planning Board's opinion and in the Planning Board's recommendation that the City Council approve the subject amendment. I therefore respectfully request the City Council to approve the amendment for submission to the Department of Housing and Community Development for final approval.

Sincerely,
Paul E. Coogan

RESOLUTION APPROVING AMENDMENT TO WATERFRONT/DOWNTOWN HD ZONE

[aka CITY OF FALL RIVER CENTRAL MARKET HOUSING DEVELOPMENT (HD) DISTRICT
ZONE AND PLAN]

WHEREAS, JNK Realty LLC, as owner of the Adams House, has presented a request for amendment to the boundaries of the city's Waterfront/Downtown HD Zone [a/k/a the City of Fall River Central Market Housing Development (HD) District Zone and Plan originally approved and adopted by the City on March 10, 2016] to include within its boundaries the Adams House located at 1168 Highland Avenue, and

WHEREAS, on May 5, 2020, the City Council referred this proposal to the Planning Board to conduct a public hearing, as required under applicable regulations, 760 CMR 66.08 and to submit its recommendations to the Council, and

WHEREAS, pursuant to this referral, the Planning Board convened a duly noticed public hearing on May 27, 2020 and, after hearing public testimony and after due consideration, determined that adoption of the proposed amendment would advance the goals set forth in the Housing Development Incentive Program enabled under M.G.L.c. 40V to promote increased residential growth, expanded diversity of housing supply, neighborhood stabilization and economic development in Fall River, a "Gateway Community"; and

WHEREAS, the Planning Board thereupon unanimously voted to recommend to this City Council that the "City of Fall River Central Market Housing Development [HD] District Zone and Plan" originally approved and adopted by the City of Fall River on March 10, 2016, and as approved by the Massachusetts Department of Housing and Community Development on May 10, 2016, be amended to incorporate, within the existing zone and plan, certain premises generally known as "Adams House" located at 1168 Highland Avenue; and

WHEREAS, by letter dated June 3, 2020, the Mayor has stated that he concurs in the determination and recommendation of the Planning Board, and has requested that the Council approve the amendment for submission to the Department of Housing and Community Development for final approval;

BE IT RESOLVED that the City Council of Fall River approves the proposed amendment to the referenced zone and plan for submission to the Department of Housing and Community Development for final approval.

Re: Possible Spot Zoning at 1168 Highland Avenue (Adams House)

Mr. President and Members of the Honorable Council;

I have been asked to provide an opinion on whether amending the HD zoning to include the Adams House located at 1168 Highland Avenue could be considered illegal spot zoning. It is my opinion that such action would not constitute spot zoning.

Spot zoning occurs when a small parcel of land has been singled out for a use classification different from that of the surrounding area for the exclusive benefit of the owner of such property. The small size of the parcel is not the primary evidence of spot zoning. The defining characteristic is the unjustified benefit to the particular property owner, to the detriment of the general land use plan or public goals.

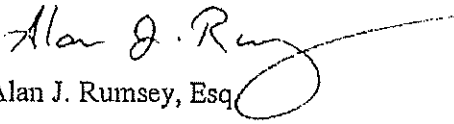

The inclusion of Adams House in the HD zone would not constitute spot zoning for a variety of reasons. First, the pending amendment change is brought under Chapter 40V, not 40A. Spot zoning is a term generally used in connection with 40A.

Second, even if we were to ignore the 40V designation, the proposed zoning amendment still would not constitute spot zoning because it has benefits to the community and is not at odds with the city's plan. The Housing Development Incentive Plan (HDIP) is designed to "increase residential growth, expand diversity of housing stock, support economic development, and promote neighborhood stabilization in designated Housing Development Zones within Gateway municipalities by providing tax incentives to construct or rehabilitate multi-unit properties for sale or lease primarily as market rate units." 760 CMR 66.00. The plan to repurpose Adams House, a vacant building of historical significance, into 30+ market rate housing units has public benefits and is otherwise aligned with the goals of the HDIP. As such, it would not be considered spot zoning.

Dear Mr. John Perry,

Recently the Bank Street Neighborhood Association has expanded the capacity to grow fruits and vegetables at the North Seventh Street Community Garden at 34 North Seventh Street. We have constructed a greenhouse measuring approximately 9 ft by 7 ft. to grow seedlings prior to planting season and possibly year-round.

While the greenhouse is a new addition to the North Seventh Street Community Garden, we know it will become a great attraction for the community. Despite this, the greenhouse would benefit from an additional feature. With your assistance, we are looking to add cobblestone to the perimeter of this greenhouse for stability and cosmetic purposes.

We know we have relied on you in the past and have benefited from your previous contributions. With your continued support, we hope to continue to expand and beautify the property for neighbors, the community, and generations to come.

Sincerely,

Honorable Councilors:

On October 8, 2019, the City Council referred the above to the Planning Board for its recommendations. At a duly posted and advertised Public Hearing conducted on January 13, 2020, after hearing testimony from all members of the public present who wished to be heard, it was duly Moved, Seconded and Unanimously VOTED:

To recommend to the City Council that the City accept Granite Street extending from Purchase St. to Rock St.

Estimated costs and overview for the needed improvements in the event the City accepts the street were prepared for by John Lincourt, of Community Utilities Department and JR Frey, City Engineer, attached hereto.

Dear Mrs. Ferreira,

At a meeting of the City Council held on Tuesday, March 10, 2020, a discussion was held regarding the acceptance of Granite Street.

On a motion made and seconded, it was unanimously voted to table the matter and request your input regarding traffic and parking issues on Granite Street, due to the width of this street. Please forward your recommendations and concerns prior to the next meeting of the City Council scheduled for March 24, 2020.

I have enclosed copies of the recommendations from the Planning Board and also communications from the City Engineer and the Department of Community Utilities. Should you have any questions or concerns, please feel free to contact the office.

RE: Recommendation for acceptance of Granite Street extending from Purchase Street to Rock Street.

Honorable Councilors:

Attach please find a letter that was sent to Bill Roth in regards to the acceptance of Granite Street. I expressed my concern as Granite Street is a narrow road with a few long driveways. If Granite Street does become a public way my recommendation as I mentioned on the letter is to have it a one way from Purchase Street to Rock Street and allow parking on the north side of Granite Street. I would also recommend a stop sign at Granite Street and Rock Street.

Please let me know if you need anything else.

Thank you,

Laura Ferreira

Dear Bill:

This letter is in regards to the memo dated October 21, 2019 with a request for Granite Street between Purchase Street and Rock Street to be an accepted city street. I am familiar with that portion of Granite Street as we have had complaints about the parking and vehicles traveling on that portion of Granite.

My concern is that the street is very narrow and there are quite a few parking lot entrances making parking on the street difficult. The narrow part of the street which is about 100 feet from Rock Street is not feasible for parking, when cars are parked on the north side it narrows the road and will make it impossible for an emergency vehicle to get through. If this request to accept Granite Street is approved, it would be my recommendation to make it a one way from Purchase Street to Rock Street with parking on one side only.

Please let me know if you need anything else.

Thank you,

Laura Ferreira

From: J R Frey, P.E., City Engineer *JR*

Date: December 19, 2019

Subject: Small Street
Granite Street
Tone Street
Lynwood Street

Comments:

Street Acceptances

- A. Granite Street – The City Engineer authorized temporary repair of the street per §66-181 during abutting construction. The temporary repair resolved all immediate construction needs on the street. The City already plows this road in the interest of public safety. The sidewalk on the north side of the road abutting 38 Rock Street does not meet ADA requirements. Future roadway repairs will require widening the sidewalk to meet ADA compliance requirements. Recognizing the constrained right-of-way and the anticipated future improvements which will further reduce the traveled width, the Engineering and Traffic Divisions will review the optimal use of the right-of-way. Additional signage required for any parking or traffic directions is anticipated to cost less than \$1,000.
- B. Small Street - The road was previously evaluated as part of the pavement management program and received an RSR of 12. In order to provide full emergency access to this street, it would require accepting approximately 260' of Stanley Street, a paper street laid out at the terminus of Small Street and Damon Street, and construction of the street connecting Small Street and Damon Street. In addition to providing emergency access to Small Street, this would improve emergency access to Damon Street, an accepted street. The estimated cost of reconstructing the existing road and constructing Stanley Street is \$83,000 including police detail and contingency.

- C. Tone Street - Having received a draft acceptance plan from the surveyor, the acceptance of Tone Street would require the acquisition of abutter's property to properly accept the road. Engineering recommends only accepting the road provided the abutters deed the layout to the City for a right-of-way. If the abutters choose not to deed the layout to the City, Engineering will attach a memo to the file documenting the choice by the abutting owners should the street be considered for acceptance in the future. (See attached plan).
- D. Lynwood Street - Having received a draft acceptance plan from the surveyor, the acceptance of Lynwood Street would require the acceptance of a portion of Way Street to provide emergency vehicle accessibility within the public right-of-way. Engineering recommends accepting Way Street and Lynwood Street as shown on the attached plan.

Re: Granite Street - Acceptance

Remarks:

Below are our comments regarding the acceptance of the above referenced street in relation to Community Utilities issues:

GENERAL:

1. We have no objections to this request.

WATER:

1. There are no water mains within the street right of way.
2. All buildings adjacent to this street are serviced by the water mains on Purchase St or Rock St and therefore, no water improvements are needed at this time.

SEWER:

1. There are no sewer mains within the street right of way.
2. All buildings adjacent to this street are serviced by the sewer mains on Purchase St or Rock St and therefore, no sewer improvements are needed at this time.

STORMWATER:

1. There is no drainage on this street. Stormwater flows along Granite St from Rock St to Purchase St and enters the existing drainage system on Purchase St.
2. To improve stormwater collection in the street, we recommend installation of a catch basin on Granite St at the corner of Purchase St which would tie into the storm drainage in Purchase St and run approximately 140 feet up Granite St to a 2nd catch basin. Estimated cost for this improvement: \$40,000 assuming no ledge is encountered. As ledge is prevalent in this area, the cost of this improvement could increase considerably.

Costs for recommended improvements for water, sewer and stormwater totals \$40,000 plus the cost of ledge. This money is currently not budgeted within any of the department budgets or any capital improvement projects.

Leo O. Pelletier and Linda M. Pereira

ABSENT: Councilor Pam Laliberte-Lebeau

IN ATTENDANCE: Attorney Edward D. Pare Jr., Brown Rudnick LLP
1 Financial Center, Boston, MA 02111

Due to the COVID-19 Essential Services Advisory, Government Center was closed to the public and citizens were advised to submit their remarks by email to the City Clerk by June 9, 2020 at 5:00 p.m. to be read at the meeting.

The President called the meeting to order at 6:42 p.m. and announced that the meeting may be recorded with audio or video and transmitted through any medium and that the purpose of the hearings was to hear all persons interested and wishing to be heard on the following:

Pole Attachments and Underground Conduits

On a motion made by Councilor Linda M. Pereira and seconded by Councilor Leo O. Pelletier, it was voted 8 yeas that the hearings be opened, with Councilor Pam Laliberte-Lebeau absent and not voting. On a further motion made by Councilor Bradford L. Kilby and seconded by Councilor Linda M. Pereira, it was voted 8 yeas to take items #1 through #12 together, with Councilor Pam Laliberte-Lebeau absent and not voting.

Petitions of New Cingular Wireless PCS, LLC d/b/a AT&T (the "Company") to construct and maintain telecommunications wires and appurtenances, including fiber optic cable(s), remote nodes and pole top antennas, to be attached to a National Grid utility pole location as well as to install underground conduits or direct bury fiber cable as follows:

1. 464 Bank Street, Pole #15. In accordance with Project No. CRAN_RCTB_FRVR_055
2. 100 Bardsley Street, Pole #6. In accordance with Project No. CRAN_RCTB_FRVR_060

 11. 920 Pine Street, Pole #36-1. In accordance with Project No. CRAN_RCTB_FRVR_054
 12. 699 Pleasant Street, Unmarked Pole. In accordance with Project No. CRAN_RCTB_FRVR_061

The President asked the City Clerk if any proponents or opponents submitted testimony and the City Clerk stated that Attorney Edward D. Pare, Jr. is the proponent on behalf of AT&T and there were no opponents.

Attorney Edward D. Pare, Jr. representing the petitioner provided a brief overview of the projects. He stated that there will not be any new additional poles installed in the City. He then stated that these designs are the same ones that were approved by the City in 2018. Councilor Linda M. Pereira asked how this equipment will be installed. Attorney Edward D. Pare, Jr. stated that installations will be coordinated with the Department of Community Maintenance. Councilor Linda M. Pereira asked about fee payments associated with this project. Attorney Edward D. Pare, Jr. stated that the City is receiving the highest amounts allowed by federal regulations. Councilor Michelle M. Dionne asked what the benefits of these installations will be. Attorney Edward D. Pare, Jr. stated that since there are numerous residents using cell phones, this work will improve speed to all AT&T customers.

Councilor Bradford L. Kilby asked what the financial benefit will be to the City of Fall River. Attorney Edward D. Pare, Jr. stated that the Federal Communications Commission (FCC) allows a maximum fee of \$1,000.00 for a replacement pole, \$500.00 to attach to an existing pole and an annual fee of \$270.00 per location. He then stated that AT&T will pay the City of Fall River \$11,500.00 in application fees and an additional \$270.00 per location each year.

On a motion made by Councilor Linda M. Pereira and seconded by Councilor Michelle M. Dionne, it was voted 8 yeas that the hearings be closed at 6:56 p.m., with Councilor Pam Laliberte-Lebeau absent and not voting.

REGULAR MEETING OF THE CITY COUNCIL

MEETING: Tuesday, June 9, 2020 at 7:00 p.m.
Zoom (Virtual Meeting Application) pursuant to the Governor's Declaration of State of Emergency due to the Coronavirus (COVID-19) Pandemic

PRESENT: President Cliff Ponte, presiding;
Councilors Shawn E. Cadime, Michelle M. Dionne, Bradford L. Kilby,
Pam Laliberte-Lebeau, Christopher M. Peckham, Trott Lee, Leo O. Pelletier
and Linda M. Pereira

ABSENT: None

IN ATTENDANCE: Jeffrey Cardoza, Acting Chief, Fall River Police Department
Mary Sahady, Director of Financial Services
Paul Ferland, Administrator of Community Utilities
Kenneth C. Pacheco, Chief Operating Officer, Fall River Schools Department

President Cliff Ponte called the meeting to order at 7:54 p.m. with a moment of silence followed by a salute to the flag and announced that the meeting may be recorded with audio or video and transmitted through any medium.

PRIORITY MATTERS

On a motion made by Councilor Linda M. Pereira and seconded by Councilor Bradford L. Kilby, it was voted 9 yeas, to take item #3 out of order.

3. Mayor and order appointing Jeffrey Cardoza as Chief of Police
Councilors Linda M. Pereira, Michelle M. Dionne, Christopher M. Peckham, Pam Laliberte-Lebeau, Trott Lee, Bradford L. Kilby and Leo O. Pelletier congratulated Jeffrey Cardoza on his appointment as Chief of Police. On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Bradford L. Kilby, it was voted 9 yeas to waive the rules to allow the Director of Financial Services to answer questions. Councilor Shawn E. Cadime stated that he agrees with his colleagues and congratulates Jeffrey Cardoza on his appointment as Chief of Police. He then stated that he had a few questions regarding the contract for the Chief of Police. Councilor Shawn E. Cadime stated that the contract lists 30 days or 6 weeks vacation that expires on December 31, 2020. He then asked if this amount of vacation will be prorated for this year, as the contract is being signed in July. Jeffrey Cardoza stated that it will be prorated and he will not be taking 6 weeks of vacation this year. Councilor Shawn E. Cadime then asked if there is a buyout due to the Chief of Police from his time working as a Captain. The Director of Financial Services stated that there is a buyout due to the Chief and stated that an agreement is being worked on to possibly allow these funds to be paid out over a number of years, due to the current financial conditions. Councilor Shawn E. Cadime stated that he would like to see the complete buyout of all time owed, as it is cleaner and final. He then asked the cost of the Police Chief's Legal Defense Fund. The Chief of Police stated that the cost is \$250.00 per year. Councilor Shawn E. Cadime then asked why bereavement leave was not included in the contract. Jeffrey Cardoza stated that he will have 480 hours of discretionary time, which he can use as needed. Councilor Shawn E. Cadime then stated that there is a post-employment consulting fee listed at \$450.00 per day. He then mentioned that if this would be after the end of the contract, when the Chief may retire, the contract would have expired and this fee would not be applicable. Council President Cliff Ponte stated that he wishes the Chief of Police, the best of luck in the future.

Jeffrey Cardoza thanked everyone for their kind words and stated that it is the hard work of the men and women that are on the streets of Fall River working hard every day that makes the department great. On a motion made by Councilor Linda M. Pereira and seconded by Councilor Bradford L. Kilby, it was voted 9 yeas to adopt the order.

Approved, June 10, 2020, Paul E. Coogan, Mayor

1. Mayor and revised FY21 Budget for Water and Sewer Divisions

On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Trott Lee, it was voted 9 yeas to refer the matter to the Committee on Finance.

2. Mayor and resolution requesting to amend the boundaries of the Waterfront/Downtown HD Zone to include the Adams House, 1168 Highland Avenue

A motion was made by Councilor Bradford L. Kilby to refer the matter to the Committee on Real Estate, but received no second. Councilor Christopher M. Peckham stated that he would like to request an opinion from Corporation Counsel regarding the legality of this amendment. He then stated that he has received calls from constituents inquiring if this would be considered spot zoning. Councilor Linda M. Pereira stated that the Planning Board has already held a public hearing on this matter and recommended approval. Councilor Bradford L. Kilby asked if the City Council could approve the resolution pending a favorable opinion from Corporation Counsel. Councilor Linda M. Pereira stated that this matter was vetted by the Planning Board and submitted with a favorable recommendation and she is ready to vote on the matter. A motion was made by Councilor Linda M. Pereira and seconded by Councilor Leo O. Pelletier to adopt the resolution. A further motion was made by Councilor Shawn E. Cadime and seconded by Councilor Trott Lee, to amend the previous motion that the resolution be adopted, subject to receiving an opinion from Corporation Counsel stating that this matter is not considered spot zoning. Councilor Pam Laliberte-Lebeau asked the City Clerk if there is a timeline on this project. The City Clerk stated that there is no timeline listed. On a motion made by Councilor Pam Laliberte-Lebeau and seconded by Councilor Michelle M. Dionne, it was voted 6 yeas, 2 nays and 1 abstention to table the matter, with Councilors Shawn E. Cadime and Linda M. Pereira voting in the negative and President Cliff Ponte abstaining, until such time as a legal opinion is rendered by Corporation Counsel.

4. Mayor and communication re: a One Twelfth Budget (continuing appropriation)

Councilor Bradford L. Kilby made a motion to refer the matter to the Committee on Finance. Council President Cliff Ponte stated on the motion to refer the matter to the Committee on Finance that was made by Councilor Linda M. Pereira and seconded by Councilor Bradford L. Kilby he would like to see if it is the will of the City Council to waive the rules to allow the Director of Financial Services to answer questions. Councilor Linda M. Pereira stated that she did not make a motion and only had her hand raised to request to speak. A motion was then made by Councilor Bradford L. Kilby and seconded by Councilor Pam Laliberte-Lebeau to refer the matter to the Committee on Finance. On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Trott Lee, it was voted 9 yeas to waive the rules to allow the Director of Financial Services to answer questions.

Councilor Linda M. Pereira stated that she believes that the City should approve the One Twelfth Budget until the City receives final information from the State. Council President Cliff Ponte stated that the Fall River School Department met and also discussed a One Twelfth Budget. The Director of Financial Services stated that the School Committee voted 7 – 0 in favor of proceeding with a One Twelfth Budget. She also stated that after she had a conversation with Senator Michael Rodrigues she feels that it is a good idea to proceed with a One Twelfth Budget and await information on what State and Federal Aid will entail. Councilor Shawn E. Cadime asked the Director of Financial Services, what caused her to change her opinion on a One Twelfth Budget. He also stated that he feels that cuts will need to be more severe when the final budget is

presented months from now. He then stated that on June 9, 2020 at 9:14 p.m. let it be noted that the Administration stated that cuts will not be more severe in September. Councilor Bradford L. Kilby stated that he would like to see this matter referred to the Committee on Finance or tabled. Councilor Trott Lee asked the Director of Financial Services why she was not in favor of a One Twelfth Budget, but now she is. The Director of Financial Services stated that she is not sure if it makes sense to have a budget with a 10% cut when there are so many unknowns. Councilor Trott Lee then asked if this matter should be put on hold until more information is obtained. The Director of Financial Services stated that a discussion can be held with the School Committee, but this is the necessary funding for the month of July. On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Michelle Dionne, it was voted 8 yeas, 1 nay to refer the matter to the Mayor and request a level funded proposed operating budget for Fiscal Year 2021 be submitted based on the Fiscal Year 2020 State Aid, with Councilor Linda M. Pereira voting in the negative.

5. Mayor and orders requesting the approval of five year contracts for school bus transportation as follows:

- a. Tremblay's Bus Company with a total of \$1,814,032.80
- b. Amaral Bus Company, Inc. with a total of \$2,309,440.00
- c. Fisher Bus, Inc. for a total of \$155,312.50

A motion was made by Councilor Linda M. Pereira and seconded by Councilor Bradford L. Kilby, to adopt items 5a through 5c. On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Michelle M. Dionne, it was voted 9 yeas to waive the rules to allow Kenneth C. Pacheco, Chief Operating Officer for the School Department, to answer questions. Kenneth C. Pacheco provided a brief overview of the contracts for school transportation. He stated that March 16, 2020 was the last day of school and the last day of payment for bus companies. Councilor Michelle M. Dionne asked if the number of students per bus will be reduced. Kenneth C. Pacheco stated that there is an article in the contract to negotiate these matters. He also stated that there are a lot of different ideas about how to handle the COVID-19 requirements, possibly having students only attend school every other week in conjunction with home schooling. Councilor Michelle M. Dionne then asked if there is a timeline on approving the contracts. Kenneth C. Pacheco stated that there is not a timeline that he is aware of, but he doesn't see that there will be definite answers within the next few weeks. He also stated that without a contract, some bus companies may not want to order any needed buses or vans. Councilor Leo O. Pelletier asked for an update on the pricing of some of the bids. Kenneth C. Pacheco stated that the low bidder on the special education transportation did not provide all information that is critical. He then stated that the bids for special education transportation have been re-advertised. Councilor Leo O. Pelletier then asked if all the students will be returning in September. Kenneth C. Pacheco stated that he does not believe all students will be able to return to school at the same time. He then stated that remote learning may still be necessary for some students to allow for the necessary social distancing. He went on to state that there may be an "A" Group and a "B" Group and they will alternate with being in the school building one week and home schooling one week and bell schedules may also be staggered to assist with bussing students. On the previous motion made by Councilor Linda M. Pereira and seconded by Councilor Bradford L. Kilby, it was voted 9 yeas to adopt items #5a through #5c.

RESOLUTIONS –

11. The City Council Committee on Economic Development and Tourism convene to discuss outdoor dining/seating for restaurants
Councilor Linda M. Pereira stated that she will schedule a meeting of the Committee on Economic Development and Tourism as soon as possible to discuss this matter. She then stated that she will try to streamline the process to accommodate restaurants, as restaurants have been suffering from lost business for months. On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Christopher M. Peckham, it was voted 9 yeas to adopt the resolution.
12. The City Council Committee on Public Safety convene with the Police Chief and the Board of Police to discuss proactive strategies and policies regarding racial inequalities and calls to end violence
A motion was made by Councilor Christopher M. Peckham and seconded by Councilor Michelle M. Dionne, to adopt the resolution. Councilor Linda M. Pereira stated that she agrees that there are boards and commissions that never meet and that needs to be discussed. Councilor Bradford L. Kilby stated that many large cities have active review boards for their police departments. Councilor Trott Lee stated that the New Bedford City Council was recently discussing body cameras for their police officers and he would like to have those discussions here. He also mentioned that he has had constituents contact him and state that they had called the police department regarding fireworks being set off in their neighborhood and they were told by dispatch that there is nothing that they can do. He then stated that when residents feel that calling the police does not get them a response, they will stop calling and that is a bad thing. Councilor Christopher M. Peckham stated that he agrees that body cameras for the police department needs to be discussed. On the motion to adopt the resolution that was made by Councilor Christopher M. Peckham and seconded by Councilor Michelle M. Dionne, it was voted 9 yeas to adopt the resolution.

13. The City Council Committee on Finance convene with the Executive Vice President of the Bristol County Economic Development Consultants and the Redevelopment Authority to discuss the contracting process of the city pier projects regarding sidewalks and lighting. Councilor Linda M. Pereira asked if any city funds were used for this project. Councilor Trott Lee stated that he was informed that city funds were not being used for this project. He also stated that many residents are unaware of where the funding for this project is coming from, so he felt that a discussion in this regard would answer many questions. On a motion made by Councilor Linda M. Pereira and seconded by Councilor Leo O. Pelletier, it was voted 8 yeas, 1 abstention to adopt the resolution, with Councilor Michelle M. Dionne abstaining.

COMMITTEE REPORTS

Committee on Ordinances and Legislation recommending:

First Reading:

- 8a. Proposed Ordinance – Water Rates

Councilor Shawn E. Cadime stated that there was a stalemate in committee and that is why this item was referred out of committee with no recommendation. He then stated that the budgets for both the Water and Sewer Divisions are very lean and these increases are necessary. Councilor Linda M. Pereira stated that she is not in favor of any rate increases, as residents are suffering from the financial impact of the COVID-19 pandemic. Councilor Michelle M. Dionne also stated that she cannot support any rate increases, as there are numerous three family residences where the increase will be in the hundreds of dollars, not the \$20.00 discussed. On a motion made by Councilor Linda M. Pereira and seconded by Councilor Michelle M. Dionne, it was voted 5 yeas, 4 nays that the proposed ordinance be granted leave to withdraw, with Councilors Shawn E. Cadime, Pam Laliberte-Lebeau, Leo O.
