## Office of the City Clerk

**ALISON M. BOUCHARD**  
CITY CLERK

**INÊS LEITE**  
ASSISTANT CITY CLERK

### **REGULAR MEETING OF THE CITY COUNCIL**

**MEETING:** Tuesday, November 30, 2021 at 7:00 p.m.  
Council Chamber, One Government Center

**PRESENT:** President Cliff Ponte, presiding;  
Councilors Shawn E. Cadime, Michelle M. Dionne, Bradford L. Kilby,  
Pam Laliberte-Lebeau, Trott Lee, Christopher M. Peckham,  
Leo O. Pelletier and Linda M. Pereira

**ABSENT:** None

**IN ATTENDANCE:** Seth T. Aitken, Assistant Corporation Counsel  
Paul Ferland, Administrator of Community Utilities

President Cliff Ponte called the meeting to order at 7:17 p.m. with a moment of silence followed by a salute to the flag and announced that the meeting may be recorded with audio or video and transmitted through any medium.

### **PRIORITY MATTERS**

1. Mayor and order appropriating \$190,000 from General Fund Free Cash to Insurance  
*On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Linda M. Pereira, it was unanimously voted to adopt the order.*
2. Mayor and Fiscal Year 2022 Durfee High School Debt Exclusion  
*On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Leo O. Pelletier, it was unanimously voted that the communication be accepted and placed on file.*
3. Mayor and proposed ordinance regarding salary updates  
*On a motion made by Councilor Linda M. Pereira and seconded by Councilor Shawn E. Cadime, it was unanimously voted to refer the matter to the Committee on Ordinances and Legislation.*
4. Mayor and Special Act to appoint retired police officers as special police  
*On a motion made by Councilor Pam Laliberte-Lebeau and seconded by Councilor Trott Lee, it was unanimously voted to waive the rules to allow Assistant Corporation Counsel Seth T. Aitken to answer questions. Seth T. Aitken stated that this matter is a home rule petition that with the approval of the City Council will be forwarded to the state for approval. This would entitle police officers who have retired from the City of Fall River and are certified, to be appointed as Special Police Officers in the City of Fall River. Councilor Shawn E. Cadime asked if the City is limiting itself to only retired police officers from Fall River for a reason. The Assistant Corporation Counsel stated that the City is aware of which retirees have maintained their certification. Councilor Christopher M. Peckham stated that this is due to the new police reform bill.*

Council President Cliff Ponte asked if this matter would only affect retired police officers. The Assistant Corporation Counsel stated that this will only be for Fall River retirees under 70 years of age. Council President Cliff Ponte asked if these retirees would have union protection. Mr. Aitken stated that they will not have any union protection. He also stated that the order was amended by deleting the last sentence in section five, which read "A special police officer appointed pursuant to this act shall be considered a reserve or intermittent police officer and subject to the third paragraph of M.G.L. Chapter 41, Section 96B and shall not be considered a full time police officer". On a motion made by Councilor Linda M. Pereira and seconded by Councilor Shawn E. Cadime, it was voted 8 yeas, 1 nay to adopt the order as amended, with Councilor Christopher M. Peckham voting in the negative.  
Approved, December 2, 2021, Paul E. Coogan, Mayor

Action:

6e. Proposed Ordinance – Water and Sewer Rates

*On a motion made by Councilor Christopher M. Peckham and seconded by Councilor Trott Lee, it was unanimously voted to waive the rules to allow the Administrator of Community Utilities to answer questions. Councilor Pam Laliberte-Lebeau stated that she is not in favor of the rate increase because she believes that more American Rescue Plan Act (ARPA) funds should be used for water and sewer upgrades. Councilor Shawn E. Cadime stated that he will support the rate increases as he requested that a policy for water and sewer free cash be implemented and that has been done. He then stated that the use of more ARPA funds will not lower water and sewer rates, it will only provide lower increases in the future. Councilor Trott Lee stated that he cannot support any rate increases for water and sewer. Councilor Leo O. Pelletier stated that we need to support these rate increases, as all residents deserve clean and safe water. Paul Ferland stated that the current rates do not support the current budget. He then mentioned that the state has already lowered the department's rating and if the state were to take over our water supply, the state will dictate what the rates will be to support the budget and have a sufficient number of qualified employees for operations. Councilor Leo O. Pelletier stated that if the City loses control of the water department, then the rates will be much higher than this increase. He then asked Paul Ferland if the department has recently lost any employees. Paul Ferland stated that he has recently lost two employees. He highlighted that one long-term employee accepted a position at another community for a higher salary. He then stated that another long-term employee had plans to retire from the City of Fall River, but left for a better opportunity. Councilor Linda M. Pereira stated that she was not in agreement with the rate increases, but the price of chemicals has increased tremendously and the City needs to pay wages that will retain employees. She then mentioned that because there is no longer a director in the water department, the City had to contract with Woodard and Curran to maintain state regulations, which is a significant cost to the City. Paul Ferland stated that it was mentioned at the Committee on Ordinances and Legislation meeting that lead had been found in the water supply. He then stated that in the 1920s, 1930s and 1940s the water service to the homes were lead and also copper pipes were soldered with lead. He then mentioned that with the water main replacements, any old lead service pipes are being removed. Councilor Trott Lee asked how many years the City of Fall River has raised rates. Paul Ferland stated the last year that the water and sewer rates were not raised was 2013. Councilor Shawn E. Cadime stated that it is very important to understand how government works. He mentioned that the City provides a service that needs to be supported by rate increases. He then stated that every year the City Council has approved the next phase of the water main replacement program, therefore the City Council needs to approve rates that will provide funds to pay for these upgrades. Councilor Christopher M. Peckham stated that he witnessed the response to an emergency water repair in this neighborhood and the service was phenomenal. Council President Cliff Ponte asked for the balance of the current combined sewer overflow (CSO) debt. Paul Ferland stated approximately \$250 million dollars and there are still more projects to complete. Councilor Pam Laliberte-Lebeau stated that even if rates are increased, salaries cannot be increased without union contract approval. On a further motion made by Councilor Shawn E. Cadime and seconded by Councilor Bradford L. Kilby, it was voted 5 yeas, 4 nays to pass the proposed ordinances through first reading, with Councilors Michelle M. Dionne, Pam Laliberte-Lebeau, Trott Lee and Christopher M. Peckham voting in the negative.*

Ordinances and Legislation:

6f. Resolution – Trash collection and proposal for Cart Program

*On a motion made by Councilor Linda M. Pereira and seconded by Councilor Pam Laliberte-Lebeau, it was unanimously voted to refer the matter to the Committee on Ordinances and Legislation.*

**BULLETINS – NEWSLETTERS – NOTICES**

21a. PERAC Appropriation for Fiscal Year 2023

*On a motion made by Councilor Linda M. Pereira and seconded by Councilor Christopher M. Peckham, it was unanimously voted that the notice be accepted and placed on file.*

*On a motion made by Councilor Christopher M. Peckham and seconded by Councilor Leo O. Pelletier, it was unanimously voted to adjourn at 8:48 p.m.*

# City of Fall River, *In City Council*

BE IT ORDERED, that the City of Fall River, acting by and through its City Council and Mayor, does hereby petition the General Court of the Commonwealth of Massachusetts under the provisions of Section 8 of Article 89 of the amendments to the Constitution of Massachusetts, for a Special Act, as follows:

## **AN ACT RELATIVE TO THE APPOINTMENT OF SPECIAL POLICE OFFICERS IN THE CITY OF FALL RIVER**

**SECTION 1.** The Fall River Chief of Police may appoint retired police officers as special police officers for the purpose of performing police details and any police duties arising therefrom or during the course of police detail work, whether or not related to the detail work, when the special police officer is on detail assignment and an emergency response by the special police officer is required due to the inability of a regular police officer to timely respond to the emergency. Said retired police officers shall have previously served as regular full-time police officers for the City of Fall River and voluntarily retired based upon superannuation in accordance with M.G.L. Ch. 32.

No retired officer shall be appointed as a special police officer after his or her seventieth (70<sup>th</sup>) birthday. The employment of any officer appointed pursuant to this act shall terminate on December 31 of the calendar year in which the officer turns seventy (70). No officer who has been retired from the Fall River Police Department shall be eligible for appointment pursuant to this act unless the officer has maintained certification as a police officer in the commonwealth pursuant to those requirements set forth pursuant to M.G.L. Ch. 6 and 2019 MA S.B. 2963.

Prior to appointment pursuant to this act, every officer to be appointed shall pass a medical examination by a physician chosen by the Fall River Police Chief or his designee, to determine that the officer is capable of performing the essential duties of a special police officer pursuant to this act. The cost of the examination shall be borne by the special police officer. The officer shall provide certification to the town that the officer is covered by personal health insurance.

**SECTION 2.** Special police officers appointed pursuant to this act shall be excluded from the provisions of: M.G.L. Ch. 31; M.G.L. Ch. 32, §85H and §85H½; M.G.L. Ch. 41, §99A, §100 and §111F; and M.G.L. Ch. 150E. Special police officers appointed pursuant to this act shall be subject to M.G.L. 151A.

**SECTION 3.** Special police officers appointed pursuant to this act shall, when performing their duties set forth in this act, have the same power to make arrests and to perform other police functions as do regular police officers of the City of Fall River.

**SECTION 4.** A retired police officer who satisfies all other requirements and qualifications set forth herein shall be eligible for appointment as a special police officer for a term of 1 year or through December 31 of the calendar year in which that officer reaches seventy (70) years of age, whichever comes first. Such appointment shall be at the sole discretion of the Fall River Chief of Police. During the term of appointment, the officer shall serve at the pleasure of the Chief of Police, subject to removal by the Chief of Police at any time with or without cause. Any such removal shall be preceded by a 14-day written notice unless considerations of public safety and welfare, determined at the sole discretion of the Chief of Police, require immediate removal. In such instances the Chief of Police or his designee shall provide the officer with a written statement of reasons for the immediate removal.

**SECTION 5.** Special police officers appointed pursuant to this act shall be subject to the rules and regulations, policies and procedures and requirements of the Fall River Police Department and the Commonwealth of Massachusetts, including restrictions on the type of detail assignments, requirements regarding medical examinations to determine continuing capability to perform the duties of a special police officer, requirements for training, requirements for firearms qualifications and licensing, and requirements regarding uniforms and equipment. Compliance with all requirements shall be at no cost to the City of Fall River.

**SECTION 6.** Special police officers appointed pursuant to this act shall be sworn by the Fall River Chief of Police, who shall keep a record of all such appointments.

**SECTION 7.** Appointment as a special police officer pursuant to this act shall not entitle any officer to assignment to any specific detail or type of detail. All assignments shall be made in the sole discretion of the Chief of Police and his or her designees. Special police officers appointed pursuant to this act shall be paid the hourly detail rate applicable to regular full-time officers, including any changes to such rate, but shall not be entitled to any other City benefits.

**SECTION 8.** Retired police officers appointed as special police officers pursuant to this act shall be subject to the limitations on hours worked and on earnings by retired municipal employees described in M.G.L. Ch 32, §91(b). Any such officer shall, on or before January 31 of each calendar year, file a sworn statement with the Fall River retirement board on a prescribed form identifying the compensated number of hours worked for, and all earnings therefrom, for the commonwealth and any of its subdivisions for which the police officer worked during the preceding calendar year.

**SECTION 9.** This act shall take effect upon its passage.

City of Fall River, *In City Council*

(Vice President Laliberte-Lebeau)

WHEREAS, in June, July, and August of 2020 the City Council encouraged the Administration to explore new avenues of revenue, and to reduce costs wherever possible, for the FY21 budget to be sustainable, and

WHEREAS, in July and August of 2020 Councilor Dionne put in an enormous amount of effort taking an inventory of trash and recycling bins at businesses, housing authority properties, and 6+ family properties throughout the city, and also researched the "pink bin business recycling program" that was in effect from 2012-2015, and

WHEREAS, the city is currently picking up trash and recycling at many of these locations, and pickup is in direct violation of our city ordinances, and costs the city money, and

WHEREAS, the former administration added an amendment to the EZ Disposal contract allowing the business owners of the pink bins to continue to have their recycling picked up, and further gave them the opportunity to have their trash picked up as well, and

WHEREAS, Councilor Dionne and Council Vice President Laliberte-Lebeau met with the Mayor, the CFO, and the Director of Community Maintenance in August 2020 in order to share all of Councilor Dionne's research, and to request that trash and recycling currently being picked up in opposition to city ordinance and at a cost to the city, cease immediately, and

WHEREAS, we also had a conversation about exploring a Cart Program, and

WHEREAS, the Administration was going to evaluate the most cost saving and equitable measures based on numbers of carts per household that conforms with city ordinance, and present a preliminary proposal as soon as possible, and

WHEREAS, the aforementioned trash and recycling pickup has yet to cease, and a cart proposal has yet to be presented, now therefore

BE IT RESOLVED, that the Administration attend the next meeting of the City Council Committee on Finance with an end date for trash and recycling pickup that is happening in direct opposition to our ordinances, and to present the Cart Program proposal.

Fall River, MA 02722

Dear Mayor Coogan,

At a meeting of the City Council Committee on Finance held on May 11, 2021, a discussion was held regarding collection of trash for commercial establishments. A motion was made and seconded to request that I review the city ordinances available to me. I have had the opportunity to do so and my thoughts are outlined below.

Sec. 62-1 defines **CART** as "The City-supplied wheeled trash receptor. Blue and pink carts are solely used for recycling and green carts for household trash."

Further, Section 62-2 outlines *Collection and disposal generally*. The ordinance states:

*C. The City shall collect solid waste and recyclables from single-family dwellings and multiple-family residential buildings containing up to six dwelling units. Solid waste shall be collected only if placed in an official City bag and placed in a green cart. Recyclables shall not be placed in green carts, and solid waste shall not be placed in blue or pink carts.*

In reviewing these sections, it is my opinion that without specific verbiage in which "commercial trash" is collected and since Section 62-2(C) does specify collection for HOUSEHOLD trash, it could be and is implied that collection for commercial establishments does not occur. However, this is currently happening.

ARTICLE II provides for *Collection Regulations*. Section 62-42 which describes *Placement of refuse from commercial establishments on sidewalk* states:

*Business establishments, stores, restaurants and laundries will be permitted to place refuse and rubbish on the sidewalk on the day of collection, provided such refuse and rubbish shall be in*

*proper containers and bundles and shall occupy a space not larger than 12 feet long, three feet wide and four feet high.*

As the Council Vice President indicated during the meeting, Section 62-42 relates to placement of trash on the city's sidewalks, but does not authorize such collection.

Members of the City Council had a clear message: the 110 businesses that are currently having trashed picked up need to be placed on notice that this will no longer be the case, with a date to be set forth by the Mayor and Administration.

I respectfully request your response prior to the next meeting of the City Council which is scheduled for May 25, 2021 as the item will be placed on the agenda for that meeting.

Very truly yours,

Dear Honorable Council Members:

In the process of completing the tax rate recapitulation, in particular form DE-1, I am required to notify the Council that based on the ballot vote of 3/6/2018 for the Durfee High School Construction, the amount of FY22 excludable debt is \$4,489,089. This amount will be added to the FY 2022 maximum allowable levy, however, will not be included in the total real and personal property tax levy raised and appropriated for FY 2022.

If you have any questions or concerns regarding this, please feel free to contact me.

RE: Special Police Officers

Dear Mr. Mayor:

It is my understanding you desire to allow the Chief of Police to appoint retired police officers, who are performing police details and any other police duties arising therefrom, as special police. This appointment will be used in the event an emergency response by the special police officer is required due to the inability of a regular police officer to respond to the emergency timely.

To designate such an appointment, you need to submit a Special Act for City Council consideration. Once the Special Act is adopted by the Council and approved by you it will need to be filed by either a State Representative or Senator at the Massachusetts Legislature for enactment.

Once the bill passes the House and Senate and is approved by the Governor, it will need to be submitted back to the City Council for purposes of amending the current city ordinances.

Once the bill is enacted and the City is notified, the Law Department will need to draft the proposed ordinance(s) for the Council's consideration.

Very truly yours,

Seth Thomas Aitken  
 Assistant Corporation Counsel

 CITY CLERK  
 FALL RIVER, MA

# City of Fall River, *In City Council*

BE IT ORDERED, that the City of Fall River, acting by and through its City Council and Mayor, does hereby petition the General Court of the Commonwealth of Massachusetts under the provisions of Section 8 of Article 89 of the amendments to the Constitution of Massachusetts, for a Special Act, as follows:

## AN ACT RELATIVE TO THE APPOINTMENT OF SPECIAL POLICE OFFICERS IN THE CITY OF FALL RIVER

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same.

**SECTION 1.** The Fall River Chief of Police may appoint retired police officers as special police officers for the purpose of performing police details and any police duties arising therefrom or during the course of police detail work, whether or not related to the detail work, when the special police officer is on detail assignment and an emergency response by the special police officer is required due to the inability of a regular police officer to timely respond to the emergency. Said retired police officers shall have previously served as regular full-time police officers for the City of Fall River and voluntarily retired based upon superannuation in accordance with M.G.L. Ch. 32.

No retired officer shall be appointed as a special police officer after his or her seventieth (70<sup>th</sup>) birthday. The employment of any officer appointed pursuant to this act shall terminate on December 31 of the calendar year in which the officer turns seventy (70). No officer who has been retired from the Fall River Police Department shall be eligible for appointment pursuant to this act unless the officer has maintained certification as a police officer in the commonwealth pursuant to those requirements set forth pursuant to M.G.L. Ch. 6 and 2019 MA S.B. 2963.

Prior to appointment pursuant to this act, every officer to be appointed shall pass a medical examination by a physician chosen by the Fall River Police Chief or his designee, to determine that the officer is capable of performing the essential duties of a special police officer pursuant to this act. The cost of the examination shall be borne by the special police officer. The officer shall provide certification to the town that the officer is covered by personal health insurance.

**SECTION 2.** Special police officers appointed pursuant to this act shall be excluded from the provisions of: M.G.L. Ch. 31; M.G.L. Ch. 32, §85H and §85H½; M.G.L. Ch. 41, §99A, §100 and §111F; and M.G.L. Ch. 150E. Special police officers appointed pursuant to this act shall be subject to M.G.L. 151A.

**SECTION 3.** Special police officers appointed pursuant to this act shall, when performing their duties set forth in this act, have the same power to make arrests and to perform other police functions as do regular police officers of the City of Fall River.

**SECTION 4.** A retired police officer who satisfies all other requirements and qualifications set forth herein shall be eligible for appointment as a special police officer for a term of 1 year or through December 31 of the calendar year in which that officer reaches seventy (70) years of age, whichever comes first. Such appointment shall be at the sole discretion of the Fall River Chief of Police. During the term of appointment, the officer shall serve at the pleasure of the Chief of Police, subject to removal by the Chief of Police at any time with or without cause. Any such removal shall be preceded by a 14-day written notice unless considerations of public safety and welfare, determined at the sole discretion of the Chief of Police, require immediate removal. In such instances the Chief of Police or his designee shall provide the officer with a written statement of reasons for the immediate removal.

**SECTION 5.** Special police officers appointed pursuant to this act shall be subject to the rules and regulations, policies and procedures and requirements of the Fall River Police Department and the Commonwealth of Massachusetts, including restrictions on the type of detail assignments, requirements regarding medical examinations to determine continuing capability to perform the duties of a special police officer, requirements for training, requirements for firearms qualifications and licensing, and requirements regarding uniforms and equipment. Compliance with all requirements shall be at no cost to the City of Fall River. A special police officer appointed pursuant to this act shall be considered a reserve or intermittent police officer and subject to the third paragraph of M.G.L. Ch 41, §96B and shall not be considered a full-time police officer

**SECTION 6.** Special police officers appointed pursuant to this act shall be sworn by the Fall River Chief of Police, who shall keep a record of all such appointments.

**SECTION 7.** Appointment as a special police officer pursuant to this act shall not entitle any officer to assignment to any specific detail or type of detail. All assignments shall be made in the sole discretion of the Chief of Police and his or her designees. Special police officers appointed pursuant to this act shall be paid the hourly detail rate applicable to regular full-time officers, including any changes to such rate, but shall not be entitled to any other City benefits.

**SECTION 8.** Retired police officers appointed as special police officers pursuant to this act shall be subject to the limitations on hours worked and on earnings by retired municipal employees described in M.G.L. Ch 32, §91(b). Any such officer shall, on or before January 31 of each calendar year, file a sworn statement with the Fall River retirement board on a prescribed form identifying the compensated number of hours worked for, and all earnings therefrom, for the commonwealth and any of its subdivisions for which the police officer worked during the preceding calendar year.

**SECTION 9.** This act shall take effect upon its passage.

Honorable City Council  
City of Fall River  
One Government Center  
Fall River MA 02722

Dear City Councillors:

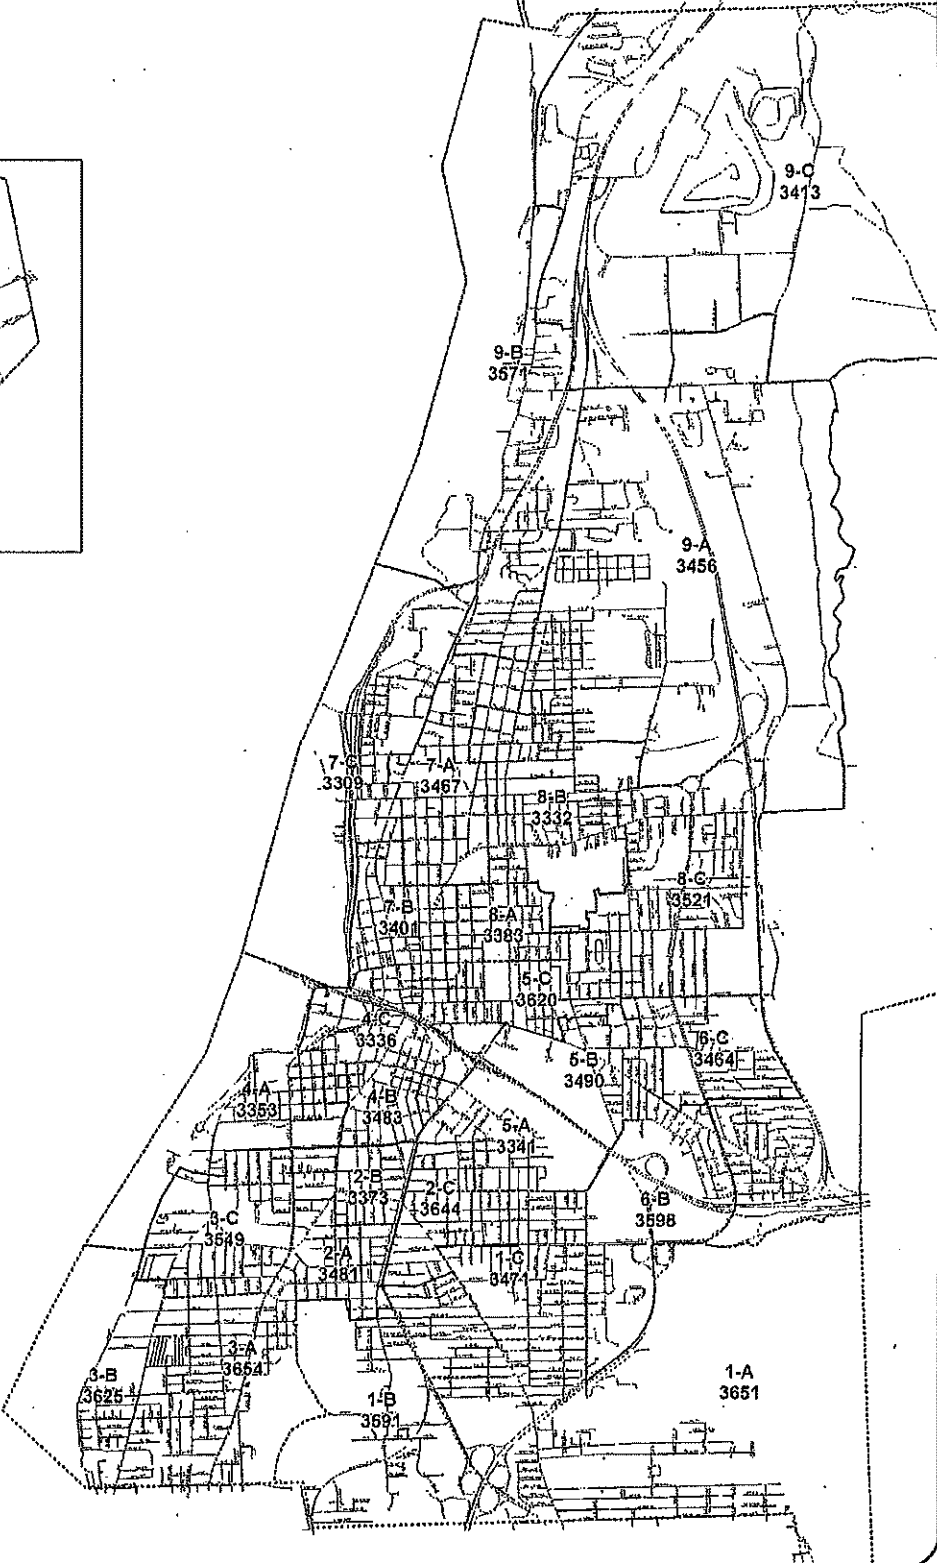

The Board of Elections is submitting for your approval the Redistricting Map of Fall River. The map, with the precinct lines drawn representing twenty-seven precinct was prepared by Terry Sullivan Jr., in the Engineering Department and the Census Division at the Secretary of State's office. We were told by the Re-Precincting Coordinator at the Secretary of State's office that our wards need to be balanced such as having 9 wards with 3 precincts in each ward. Each precinct cannot have more than 4,000 residents and the precinct lines are drawn based on the population of the Fall River from the 2020 Federal Census which has a total of 94,000 residents. I have attached a copy of a booklet about the Re-Precincting in Massachusetts.

Also submitted for approval is the Legal Description for each precinct and ward and the Block Listing for each precinct and ward (where applicable). The deadline for a municipality to vote on and approve the Redistricting Map, Legal Description, and Block Listing is December 15, 2021. The three items along with a Certified copy of the vote of the City Council must be submitted to the Local Election District Review Commission (LEDRC) by December 15<sup>th</sup>.

Sincerely,

Kelly A. Souza-Young, Chairperson  
Board of Election Commissioners

## **An Introduction to Re-precincting and Redistricting in Massachusetts**

"The great principle established by [Mass. Const. Amend. Art. XXI] is equality of representation among all the voters of the Commonwealth. That is a fundamental principle of representative government... There can be no equality among citizens if the vote of one counts for considerably more than that of another in electing public officers." Attorney General v. Suffolk County Apportionment Comm'rs, 224 Mass. 598, 604 (1916) (Rugg, C.J.). All people should have free, open and fair access to the electoral process, and every person's vote should carry the same weight. The law requires that legislative districts be redrawn on a periodic basis so that shifts in population will neither unfairly increase nor diminish a particular voter's voice in government. Every ten years, the legislature and local governments must re-draw boundaries that take into consideration population, communities of interest, and state and federal constitutional requirements, amongst others. The government may not unfairly dilute minority voting strength, nor may it make race the predominant factor in redistricting absent a compelling state interest.

In any examination of redistricting, it is important to identify the basic elements that comprise a redistricting plan. This booklet briefly explains the process for redrawing the boundaries of the electoral districts in Massachusetts. In addition, it will describe the major state and federal constitutional considerations in the redistricting process.

By precedent, wards and precincts in the cities and towns within which they are comprised, form the building blocks for the larger legislative districts. The smallest electoral district is the precinct; its residents all vote at the same polling place on election day.

Districts must be drawn so as to contain roughly equal numbers of residents. This is different from the number of registered voters. Population is determined by the most recent federal census. All local re-precincting and state redistricting relies on the federal census taken in 2010 and at subsequent ten year intervals.

**Part One** outlines how local districts (precincts and wards) are drawn by local officials subject to approval by a state commission called the Local Election Districts Review Commission.

**Part Two** describes how legislative districts for electing members of Congress, state senators, state representatives and governor's councillors are drawn by the state legislature.

## Part One – Local Re-Precincting

The basis for any redistricting plan is population. The Massachusetts Constitution requires that districts be formed with "as nearly as may be" an equal number of "inhabitants" as determined by the federal census. Municipalities themselves have the initial responsibility of establishing ward and precinct boundaries, which become the building blocks in determining legislative and local government districts.

A precinct is the smallest geographically bounded unit used for state election purposes. A precinct is where one polling place in a municipality is located.<sup>1</sup> A ward is a geographically bounded unit for election purposes, which consists of one or more precincts.

Towns with representative town meetings elect their members by precinct and cities choose political party committees and sometimes city council members or other officials by ward. In some municipalities, the council members are elected by districts, which are created using precincts.

After obtaining the necessary local approval, each city and town must submit their plans, including maps, population information and a legal description of the boundaries of each ward and precinct, to the Secretary of the Commonwealth who thereafter makes this information and material available to an independent commission known as the Local Election District Review Commission (LEDRC).

### **Establishment of Wards and Precincts**

Each city (except Boston) and town (except Nantucket and Rockport) is required to establish ward and precinct lines every ten years, following the federal census if:

- the wards of a city do not contain approximately equal numbers of residents so that each ward's population is within 5 percent of the average;
- a ward not divided into precincts contains more than 4,000 residents;
- a town contains more than 6,200 residents; or
- a precinct contains more than 4000 residents.

Even if a city or town does not need to re-draw their precinct lines because their existing plan remains in conformity with the law, they must still file all the

<sup>1</sup> In some municipalities, sub-precincts may be established which provide an additional polling place for some of the voters in the precinct.

necessary information based on the latest federal census figures and have the plan reapproved by the LEDRC.

- 2001 Mass. Acts ch. 49 (Nantucket)

### **Statutory Time Line**

Presently, under state law, cities and towns must establish new wards and precincts by June, 2011, and the state legislature is required to complete its redistricting in time for the 2012 elections.

A constitutional amendment was approved by the legislature and adopted by the voters of the Commonwealth which amended Amend. Art. CI to require the entire redistricting process to be completed in time for the legislative elections immediately following release of the decennial census data. Recently, the state laws were amended to accelerate the deadlines by which municipalities must complete redrawing of their ward and precinct lines and thereafter file such plans with the LEDRC.

### **Standards**

The law requires that voting precincts established by a city or town must meet the following requirements:

- Each new precinct must be "composed of compact and contiguous territory" without protruding fingers or long tails.
- Precincts must be bounded by the center-line of streets or other well defined boundaries such as streams or other bodies of water, railroad tracks, power lines or other clearly visible geographic figures. These features must be recognized as block boundaries by the United States Bureau of the Census and appear on their official block boundary maps. Rear lot lines or other imaginary lines are not acceptable. The use of census boundaries provides redistricting authorities with not only a definitive number of inhabitants in

a fixed area, but with demographic information obtained from the federal census, which is essential to any redistricting plan.

- No precinct may contain more than 4,000 residents.
- Every precinct's population must be within five percent (5%) of the average precinct population for that ward or town. Ward populations must be within five percent (5%) of the average ward population for the city.

For state election purposes, precincts established during the re-precincting process may not be changed in a ward or town which is in more than one senatorial, representative or governor's council district. They may be changed for local elections only and in this case two sets of precinct lines must be maintained.

For the purposes of dividing a city or town into precincts and of apportioning representation in any elected municipal body, the figures reported by the federal census are the only numbers used.

## **Minority Vote Dilution**

Redrawn precinct and ward boundaries must not result in the dilution of minority group members' votes. This is a local consideration when municipal representative districts, which are made up of wards and precincts, are used to elect officials—such as ward aldermen or councillors in a city or representative town meeting members by precinct in a town.

Section 2 of the federal Voting Rights Act of 1965, as amended by Congress in 1982, prohibits any voting practice which "results in a denial or abridgement of the right... to vote on account of race or color" or membership in a language

6

minority group. The Act defines "language minority" as persons "who are American Indian, Asian American, Alaskan Natives or of Spanish heritage." It is a violation of this statute if the political process is not equally open to members of such a racial or language minority group, in that they have less opportunity than others to participate in the political process and elect representatives of their choice. The federal courts have often held that this statute applies to the drawing of district boundaries for electing officials. The "equal rights" provision of article one of the state constitution's Declaration of Rights contains similar requirements.

It is important to note that district (ward or precinct) boundaries that result in diluting minority group members' votes may violate these provisions even if the officials who drew those boundaries did not intend that result. In other words, without taking careful precautions officials may inadvertently violate these provisions (thus causing district boundaries to be invalid) or at least provoke unnecessary litigation.

Two examples of possible violations are known as "packing" and "fragmentation."

- "Packing" means concentrating a high proportion of minority group members in one or a few districts so that their votes cannot elect as many minority group representatives as another plan may potentially allow.
- "Fragmentation" refers to spreading minority group members among many districts or submerging them in a district dominated by another group also resulting in the election of a smaller number of minority group representatives.

Under different circumstances either of these practices may violate the previously mentioned provisions.

In order to avoid even the unintentional violations, officials should obtain precise information about how many minority group members reside in which areas of their city or town. The best source is the "Census of Population and Housing" provided by the United States Census Bureau. The data series "Block Statistics" contains basic race and ethnic information allowing aggregation of minority data from the block level up to the ward and precinct areas being redistricted for the community. This and other statistical data will be posted on the U.S. Census Bureau's website ([www.census.gov](http://www.census.gov)) no later than April 1, 2011.

## **Procedure and Calendar of Events**

Local re-precincting plans are adopted by a vote of the city council or board of aldermen in a city and by a vote of the board of selectmen in a town. When re-precincting is optional in towns, the town meeting may vote to require the board of selectmen to re-precinct.

As noted earlier, for towns with less than 6,200 inhabitants and choosing not to divide their town into precincts, they must still make a formal submission to the LEDRC.

Cities and towns must adopt a re-precincting plan after being notified of the official data obtained from the decennial federal census. Under the General Laws, the timeline is on the next page:

| <b>TOWN actions required:</b>   | <b>Deadline Date<br/>(no later than)</b> |
|---|--|
| <p>The Board of Selectmen in Towns with under 6,200 residents may on its own initiative, or if so directed by town meeting, shall divide the town into precincts;</p> <p>AND</p> <p>Every town with more than 6,200 residents shall divide the town into precincts.</p>                             | June 15, 2011*                           |
| The town clerk must give written notice of the division, submit maps, etc to the SOC, and the SOC must thereafter forward to the LEDRC.   | June 22, 2011                            |
| The LEDRC will review the submission and vote to accept or reject the submission. If the plan is accepted, the town will be so notified. If the LEDRC determines there are problems with the submitted plan, the LEDRC must give specific written notice to the Board of Selectmen of any problems. | July 27, 2011                            |
| The Board of Selectmen must make the changes recommended by the LEDRC.  | August 10, 2011                          |
| For a town comprised of one precinct with more than 6,200 inhabitants not divided by August 10, 2011, LEDRC shall divide the town or appoint a master to make the division (division to be made within 15 days and subject to LEDRC approval).  | August 25, 2011                          |
| <b>FINAL POSSIBLE DATE</b>  | <b>September 9, 2011</b>                 |

### **Submission of Approved Districts**

The city or town clerk must send notice to the Office of the Secretary of the Commonwealth forthwith after the city council or the board of selectmen vote to accept a plan. Six (6) items must be submitted:

1. Number and designation (numbers or letters) of wards and precincts and their population; and
2. Official census map showing new wards and precincts designated by number and letter; and
3. A physical boundary description of the new wards and precincts which includes the number of residents in each new ward and precinct; and
4. A list of the census tract and block numbers and each block's population for each precinct; and
5. A map with the precincts drawn on it; and
6. Vote of adoption.

All of the above submissions must be certified.

When submitted, these materials should be accompanied by a letter from the city or town clerk or election commission that the materials have been certified by a vote of the board of selectmen or board of aldermen or the city council.

The Office of Secretary of the Commonwealth transmits these materials to the Local Election District Review Commission (LEDRC).

### **The Local Election District Review Commission**

The Local Election District Review Commission (LEDRC) is an independent commission charged with the responsibilities of overseeing, supervising and approving the divisions of cities and towns into precincts. While LEDRC is within the department of the Secretary of the Commonwealth, it is not within his supervision or control.

The LEDRC consists of three members: the attorney general and the state secretary, or their designees, and a third member appointed by the governor. Each member serves at the pleasure of his or her respective designating officer.

Each city and town must file its re-precincting submission with the LEDRC through the Secretary of the Commonwealth. The LEDRC reviews each plan

under the requirements of chapter 54 of the Massachusetts General Laws and other relevant constitutional requirements. The LEDRC has the authority to reject submitted plans and to require local authorities to reconfigure their wards and precincts. If the plan is disapproved, the LEDRC must clearly spell out the deficiencies in the plan in writing and promptly notify the local officials.

If a locality fails to submit a ward and precinct plan or fails to comply with a directive of the LEDRC following its review, then the LEDRC (or a master appointed by the LEDRC) is mandated to make local ward and precinct divisions itself. The cost of any such undertaking by the LEDRC is borne by the offending locality.

### **Correcting Deficiencies**

In cities, the mayor or city manager receives the notice of deficiencies from the LEDRC. The mayor or the city manager must present his recommendations to the city council to revise the plan to bring it into compliance in a timely fashion after receiving notice from the LEDRC. After receiving the notice of defects from the LEDRC and thereafter the recommendations from the mayor, the city council must adopt a revised plan. If the city council fails to timely adopt a plan, the mayor or city manager may give an executive order making the changes.

If the city council fails to act and the mayor or city manager fails to issue an executive order, the LEDRC can either make the division itself or appoint a master to make the division.

In towns, the board of selectmen receives the notice of deficiencies from the LEDRC. The board of selectmen must make the changes recommended by the LEDRC. If the board of selectmen does not make the changes in a timely manner, the LEDRC can either make the division itself or appoint a master to make the division.

If the LEDRC is required to appoint a master, all costs associated with the appointment will be the obligation of the municipality.

## **Sub-precincts in Representative Town Meeting Towns**

In a town with a representative town meeting, the board of selectmen may further divide these precincts for the sole purpose of facilitating voting. Each sub-precinct must be designated by a letter added to a number or a number added to a letter. All town meeting members who represented the precinct which was divided must continue to represent the entire territory of the precinct. Notice of the sub-precinct must be sent to the Office of the Secretary of the Commonwealth, but it need not be approved by the Local Election District Review Commission. Within twenty (20) days after the division the board of selectmen must notify each registered voter in a newly divided precinct, in writing, of the location of the polling place to be used by that of the voter.

## **Notice to the Public and Local Officials**

Once a re-division has been approved by the LEDRC, the city council in a city or the board of selectmen in a town must publish a map or description of the new precincts. The map must clearly define the boundaries of the precincts. Copies of the map or description of the precincts are sent to the registrars of voters, the board of assessors and to the election officers in each precinct. Copies are also posted in public places in every precinct as determined by the city council or the board of selectmen. Every registered voter whose polling place is changed by the re-precincting must be notified by mail of the new polling place.

## Part Two – Legislative Redistricting

The Massachusetts Legislature is charged with the task of re-drawing congressional districts and state senatorial, representative and councilor districts.

### Congressional Districts

Congress apportions the 435 House seats among the States on its receipt of federal census data every 10 years. At present and based on the 2000 federal census, Massachusetts has ten members in the United States House of Representatives. Each Representative is chosen from a district which is formed on the basis of the number of legal residents in the district. The number of legal residents is derived from the federal census which is taken at the beginning of each decade. However, based on the total population of the United States as determined by the 2010 federal census, Massachusetts will lose a Representative and instead have only nine Representatives.

The Bureau of the Census, a federal agency, is responsible for counting the number of persons in the United States. The federal census is conducted every ten years. The President then transmits to the Congress the number of United States Representatives to which each state is entitled. Within fifteen days after receiving the President's statement the Clerk of the House transmits a certificate to the Governor of each state stating the number of United States Representatives to which that state is entitled. It is then the duty of the state to redraw congressional districts. Unlike state legislative districts, courts have required congressional districts to contain as nearly as practicable, an equal number of residents, corresponding to the number of United States Representatives certified to the state by Congress. In Massachusetts, this task is carried out by the state legislature. The new districts take effect for the next congressional election after the federal census (e.g. 2012).

### State Legislative Districts

The Massachusetts Legislature is responsible for redrawing state representative, state senatorial and governor's councillor districts. In addition to various other important state and federal constitutional and statutory requirements, redistricting

6

is based on the number of legal residents in each district as determined by the federal census taken in 1990 and every tenth year after.

Each district for a particular office must contain an equal number of residents, as nearly as possible. Unlike congressional districts, state legislative districts need only be substantially equal. For example, based upon the 1990 federal census, each state representative district had to contain approximately 37,500 residents. This figure is obtained by dividing the total number of Massachusetts residents by the number of state representative seats (160). Based upon the 2000 federal census, the state's population was 6,349,119. Therefore each of the 160 representative districts had to contain approximately 39,682 residents while each of the 40 senatorial districts had to contain approximately 158,728 residents. Further, a district's population must be within 5% of that average number unless justified by important state policies. For example, in a state representative district drawn after the 1990 federal census, the number of residents could have been 1875 less or 1875 more than 37,500 and for the districts drawn after the 2000 federal census, the number of residents could have been 1984 less or 1984 more than 39,682.

This same procedure is used to calculate the number of residents in the 40 senatorial districts. Councillor districts are composed of five contiguous state senatorial districts; there are eight councillor districts in all.

The new districts take effect for the state primary and election two years after the federal census on which they are based. The new districts resulting from the 2010 federal census will take effect for the 2012 presidential primaries, state primaries and state election.

# 21-82  
CITY CLERK  
FALL RIVER, MA

1. Claimant's name: Segundo Barrera
2. Claimant's complete address: 1417 Bedford Street
3. Telephone number: Home: (508) 837-4111 Work: —
4. Nature of claim: (e.g., auto accident, slip and fall on public way or property damage):  
Property damage
5. Date and time of accident: 10-27/21 6am Amount of damages claimed: \$ 5,720.00
6. Exact location of the incident: (include as much detail as possible):  
Front side of the house.
7. Circumstances of the incident: (attach additional pages if necessary):

On a storm day a tree from my front house fell but did not impact my fence. So when workers from the City of Fall River came to clean the tree, the tree fell on my fence and destroyed a significant part. As now I tried to find the same material to fix it, I can't find it. It has to be repaired the whole front again.

8. Have you submitted a claim to any insurance company for damages arising from this incident? If so, name and address of insurance company: ☐ Yes ☒ No

Be sure to attach the original of any bills issued or any written estimates of repair or replacement costs. (Any documents that you provide will become the property of the City of Fall River; therefore, please retain copies of any such documents for your files.) Attach any other information you believe will be helpful in the processing of your claim (for example, names and addresses of any witnesses, written medical records if personal injury was sustained).

I swear that the facts stated above are true to the best of my knowledge.

Date: 11-18-2021

Claimant's signature: [Signature]

WHEN TO FILE: If your claim is based on a defect in a public way, you must file within 30 days of the incident. If your claim is based on the negligence or wrongful act or omission of the City or its employees, you must file within two years of the incident. PLEASE KEEP A COPY OF THIS FORM FOR YOUR RECORDS.

The petitioner is requesting the removal of 29 feet of curbing (17 feet and 12 feet next to the telephone pole) to allow access to a new addition to this automobile sales and repair business located at 26 Kilburn Street (corner lot) for a total of 158.3 feet at 26 Kilburn Street.

The President then directed the proponents to be heard and there were no proponents. The President then directed the opponents to be heard and there were no opponents. The President then asked the City Clerk if any proponents or opponents submitted testimony and the City Clerk stated that none was received. On a motion made by Councilor Christopher M. Peckham and seconded by Councilor Michelle M. Dionne, it was unanimously voted that the hearing be closed, with Councilor Linda M. Pereira absent and not voting.

### **Tax Classification**

On a motion made by Councilor Christopher M. Peckham and seconded by Councilor Michelle M. Dionne, it was unanimously voted that the hearing be opened, with Councilor Linda M. Pereira absent and not voting.

Adoption of the percentage of the local tax levy to be borne by each class of property for Fiscal Year 2022.

The President called on the Board of Assessors and on a motion made by Nancy Hinote and seconded by Richard Wolfson, it was voted 3 yeas to reconvene the Board of Assessors Meeting at 6:06 p.m. The Director of Financial Services provided a brief overview and stated that the tax shift for Fiscal Year 2021 was 1.75 and the recommendation of the Administration for Fiscal Year 2022 is a tax shift of 1.72. She then stated that with a tax shift of 1.75 the increase on the average residence would be \$103.19, and with a tax shift of 1.72 the increase on the average residence would be \$137.26. Council President Cliff Ponte stated that the average residential value used is \$283,900.00. He then mentioned that the higher the shift is, the less of an increase would be for the residential property owners. Councilor Leo O. Pelletier stated that the selling prices of many multifamily residences are approaching \$500,000.00. Richard Gonsalves stated that multifamily residences, even 4 to 8 apartment buildings are taxed at the residential rate. Councilor Shawn E. Cadime stated that last year the average home was

valued at \$251,600.00 and this year the average value is \$283,900.00, therefore property values have increased significantly. He then asked Richard Gonsalves to provide additional information for the residents that may be watching the meeting at home and not clearly understand the process. Richard Gonsalves stated that it is a combination of the value of the property along with the tax levy that provides the tax increase. He then stated that the City had a banner year for new growth last year, as the new growth was \$3,379,723. He also highlighted that this new growth figure is probably the highest in Southeastern Massachusetts. He also mentioned that by approving the tax factor of 1.72, there would be room to increase the factor in the upcoming years to reduce any increases whereas if the tax factor of 1.75 is approved for this year, there will be no room to relieve some of the burden on the residents for upcoming years. Council President Cliff Ponte stated that when he did a Google search for the average cost of a home in Fall River, he found it was listed between \$327,000 and \$359,000. He then asked Richard Gonsalves how the Board of Assessors arrived at the amount of \$283,900. Richard Gonsalves stated that sites such as Zillow could be using sales to arrive that the average cost, where the Board of Assessors uses the assessed value of the property. The Director of Financial Services stated that there are two Tax Increment Financing (TIF) Agreements that will be decreasing this year, Amazon and Millstone Medical. Councilor Trott Lee asked the Director of Financial Services for the length of the TIF Agreement for Amazon. She stated that the TIF Agreement for Amazon was 20 years. Councilor Pam Laliberte-Lebeau stated that if a home sells for \$500,000, it is still not being taxed on that amount. It is only taxed on the assessed value. Richard Gonsalves stated that is correct, as the Board of Assessors is approximately 11 months behind the sales. Council President Cliff Ponte stated that he will be supporting the tax factor that will benefit the resident, which is 1.75. The President asked the Board of Assessors if they wished to adjourn their meeting. On a motion made by Richard Wolfson and seconded by Nancy Hinote, it was voted 3 yeas to adjourn the Board of Assessors Meeting at 6:37 p.m.

The President then directed additional proponents to be heard and there were no other proponents. The President then directed the opponents to be heard and there were no opponents. The President then asked the City Clerk if any proponents or opponents submitted testimony and the City Clerk stated that none was received.

On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Michelle M. Dionne, it was unanimously voted to adjourn at 6:38 p.m., with Councilor Linda M. Pereira absent and not voting.

CITY CLERK  
 FALL R.

Dear City Council President:

In compliance with 333 CMR 11.06, 45 Day Yearly Operational Plan Public Notice, Review and Comment, please review National Grid's Yearly Operational Plan (YOP) at the following website (hard copy available upon request): <https://www.mass.gov/doc/national-grid-2022-yop/download>

The map(s) for your municipality can be found on National Grid's website (scroll through the pdf to your municipality): [https://www9.nationalgridus.com/non\\_html/2022%20MA%20YOP%20Maps.pdf](https://www9.nationalgridus.com/non_html/2022%20MA%20YOP%20Maps.pdf)  
 If you have any trouble viewing the maps, please send me an email at [mariclaire.rigby@nationalgrid.com](mailto:mariclaire.rigby@nationalgrid.com).

Please review the YOP map(s) that locate the right-of-way corridors and the plotted location of known sensitive areas including public and private drinking water supplies. If there are any additional sensitive areas located on or near the rights-of-way, please advise us as soon as possible so we may establish GIS permanent records and implement appropriate field protective actions. **We particularly rely on this process to collect corrections to the public wells and to record the location of private wells.**

A copy of the Environmental Monitor Notice is enclosed and published under the Massachusetts Environmental Policy Act (MEPA).

National Grid's YOP details specific information pertaining to the intended 2021 program. Please note that the YOP also lists the rights-of-way from the 2020 treatment program in case National Grid needs to request a "touch-up" retreatment of scattered locations from our contractor(s). If upon review of the previous year's treatments, National Grid finds a site(s) within your municipality that need follow-up treatments, this letter serves as notification of that follow-up treatment. The individual landowner(s) will be also be notified about this work. *Please note that scheduled rights-of-way are subject to change based on workplan constraints.*

This notification also serves as a 21-day herbicide application notification. As detailed in National Grid's Five-Year Vegetation Management Plan (VMP) and Yearly Operational Plan (YOP), this treatment is conducted as a component of an integrated vegetation management (IVM) program that also utilizes mechanical and natural control techniques. National Grid's current Five-Year Vegetation Management Plan (2019-2023) is posted at the following website (hard copy available upon request): <https://www.mass.gov/doc/national-grid-vmp-2019-2023/download>

As described in the VMP and YOP, the program will consist of a late winter-spring mechanical control, cut surface (CST), basal treatment, or dormant stem; a summer selective foliage or cut stubble, and, as necessary, fall CST, basal, or dormant stem treatments.

In compliance with 333 CMR 11.06-11.07, no herbicide applications will occur before the conclusion of the 45-day YOP review period, the 21 day treatment notice and the 48 hour newspaper notice. At the end of

Commonwealth of Massachusetts recommended herbicides for use in sensitive areas listed in Section 7 (pages 13-15) of the YOP will be selectively applied to target vegetation by experienced, Massachusetts' licensed/certified applicators that walk along the rights-of-way using backpack equipment. Copies of the manufacturers' herbicide labels and fact sheets are also included in the YOP, Appendices 8 and 9.

The work will be performed by one of the following vegetation management vendors:

### NOTICE

Pursuant to the provisions of the Rights-of-Way Management Regulations, 333 CMR 11.00, to apply herbicides to control vegetation along rights-of-way, a five year Vegetation Management Plan (VMP) and a Yearly Operational Plan (YOP) must be approved by the Massachusetts Department of Agricultural Resources (MDAR). National Grid has submitted and holds a current VMP, therefore, notice of receipt of a YOP and procedures for public review is hereby given as required by Section 11.06 (3).

National Grid has submitted a YOP to MDAR for 2022 and National Grid's YOP identifies the following municipalities as locations where they intend to use herbicides to treat their electric Rights-of-Way in 2022:

|             |                     |                     |              |                  |

In 2022 National Grid will conduct a selective herbicide treatment program on their rights-of-way as part of an Integrated Vegetation Management (IVM) program on transmission and distribution lines.

The intended vegetation control program will be consistent with the guidelines set forth in National Grid's VMP and YOP. Herbicides will be selectively applied to target vegetation by licensed/certified applicators carrying backpack or hand held application equipment.

National Grid will only use herbicides recommended by MDAR for use in sensitive areas for their IVM program. Pursuant to 333 CMR 11.04, no herbicides will be sprayed within any designated "no spray sensitive sites." Instead, mechanical only methods will be used to control vegetation in these areas.

Public notification will be provided to each "affected" municipality at least twenty-one days prior to any herbicide application and in a newspaper notification at least 48 hours before the beginning of the spray season.

In accordance with 333 CMR 11.06 (2), National Grid's YOP includes the identification of target vegetation; methods of identifying, marking and protecting sensitive areas; application techniques; the herbicides, application rates, carriers and adjuvants proposed for use; alternative control measures, a list of the application companies and YOP supervisor; procedures for handling, mixing and loading herbicides; emergency resources including local, state and federal emergency telephone numbers; maps of the rights-of-way that include mapped sensitive areas, and herbicide fact sheets and labels.

#### PUBLIC REVIEW

MDAR seeks to verify the location of sensitive areas defined in Section 11.02 and reported in the YOP. MDAR itself has a limited ability to survey the geography, land use and water supplies in all the communities through which rights-of-way pass. Municipalities have most of this information readily available, and the particular knowledge with which to better certify the sensitive areas in their communities. MDAR, therefore, requests, and urges the assistance of the "affected" municipalities in reviewing the completeness and accuracy of the maps contained in the submitted YOP.

The YOP can be viewed on MDAR's website: <http://www.mass.gov/eea/agencies/agr/pesticides/vegetation-management-and-yearly-operation-plans.html> or National Grid's website: [https://www9.nationalgridus.com/non\\_html/National%20Grid\\_2022%20YOP.pdf](https://www9.nationalgridus.com/non_html/National%20Grid_2022%20YOP.pdf)

MDAR has established the following procedures for this review:

Copies of the YOP and this *Notice* will be sent by the applicant to the Conservation Commission, Board of Health (or designated health agent), the Head of Government (Mayor, City Manager, Chair of the Board of Selectman) and appropriate water suppliers of each municipality where herbicides are to be applied during the calendar year of 2022; and if applicable, to the Natural Heritage Endangered Species Program of the Massachusetts Department of Fisheries and Wildlife, the Massachusetts Water Resource Authority and the Massachusetts Department of Conservation and Recreation. Municipal agencies and officials will have forty-five days, following receipt of the YOP, to review its map for inaccuracies and omissions in the location of "sensitive areas not readily identifiable in the field."

Municipal agencies and officials are requested to forward the YOP to the appropriate official(s) in their municipality who are qualified to certify the accuracy of the sensitive areas indicated on the maps. The maps should then be "corrected" and returned to the applicant and a copy should be sent to MDAR, at the address listed below, within the forty-five day review period. If a city or town needs more time to carry out this review, it should send a written request for an extension to MDAR and cite why there is a "good cause" for requesting additional time.

The applicant is required to make corrections and the corrected maps will be sent back to the city/town that requested the disputed changes within fifteen days of receipt of the request. MDAR will decide whether or not the YOP should be approved without the requested changes. MDAR will consider the "final approval" of a YOP individually for each municipality.

The twenty-one day public review period of the Municipal Notification Letter may serve concurrently with the forty-five day YOP review period in order to provide public notifications as required by 333 CMR 11.06-7, if the applicant has an approved VMP and if all the requisite city-town offices that received copies of the YOP completed their review and all corrections were duly made by the applicant and approved by MDAR.

A failure by the city/town to respond to the applicant's submission of the YOP within the forty-five day period will automatically be considered by MDAR to indicate agreement by the municipal officials with the sensitive area demarcations provided by the applicant in their YOP.

Any questions or comments on the information provided in this *Notice* and the procedures established for the municipal review outlined above should be addressed to:

Clayton Edwards, Rights-of-Way Programs

Notice of License Application pursuant to M.G.L. Chapter 91  
Chapter 91 License Application Number W21-6063

CHECK  
FALL RIVER, MA

**Applicant:** Massachusetts Department of Transportation, Highway Division

**Project Location:** Route 79 and Davol Street in the City of Fall River

**Notification Date:** November 22, 2021

**Public Comments Deadline:** December 22, 2021

Public notice is hereby given of the Waterways License Application by the Massachusetts Department of Transportation, Highway Division to: remove approximately 2,250± linear feet of Route 79 southbound, combining traffic with Davol Street, reconstruct the Route 79 northbound bridge over the "U-turn" underpass and reconstruct Route 79 northbound from the "U-turn" underpass bridge to the Turner Street intersection (approx. 1,050± linear feet), construct a 14-foot-wide shared use path between MA Route 79 and the Taunton River / Fall River Harbor shoreline, construct a new stormwater BMP, and to demolish and remove an existing 24-inch and 30-inch drainage outfall and construct of a new 11-foot x 4-foot and 12-foot x 5-foot concrete box culvert respectively. The Department has determined that the proposed project consists of water dependent and non-water dependent elements and will therefore be review as a non-water dependent use project.

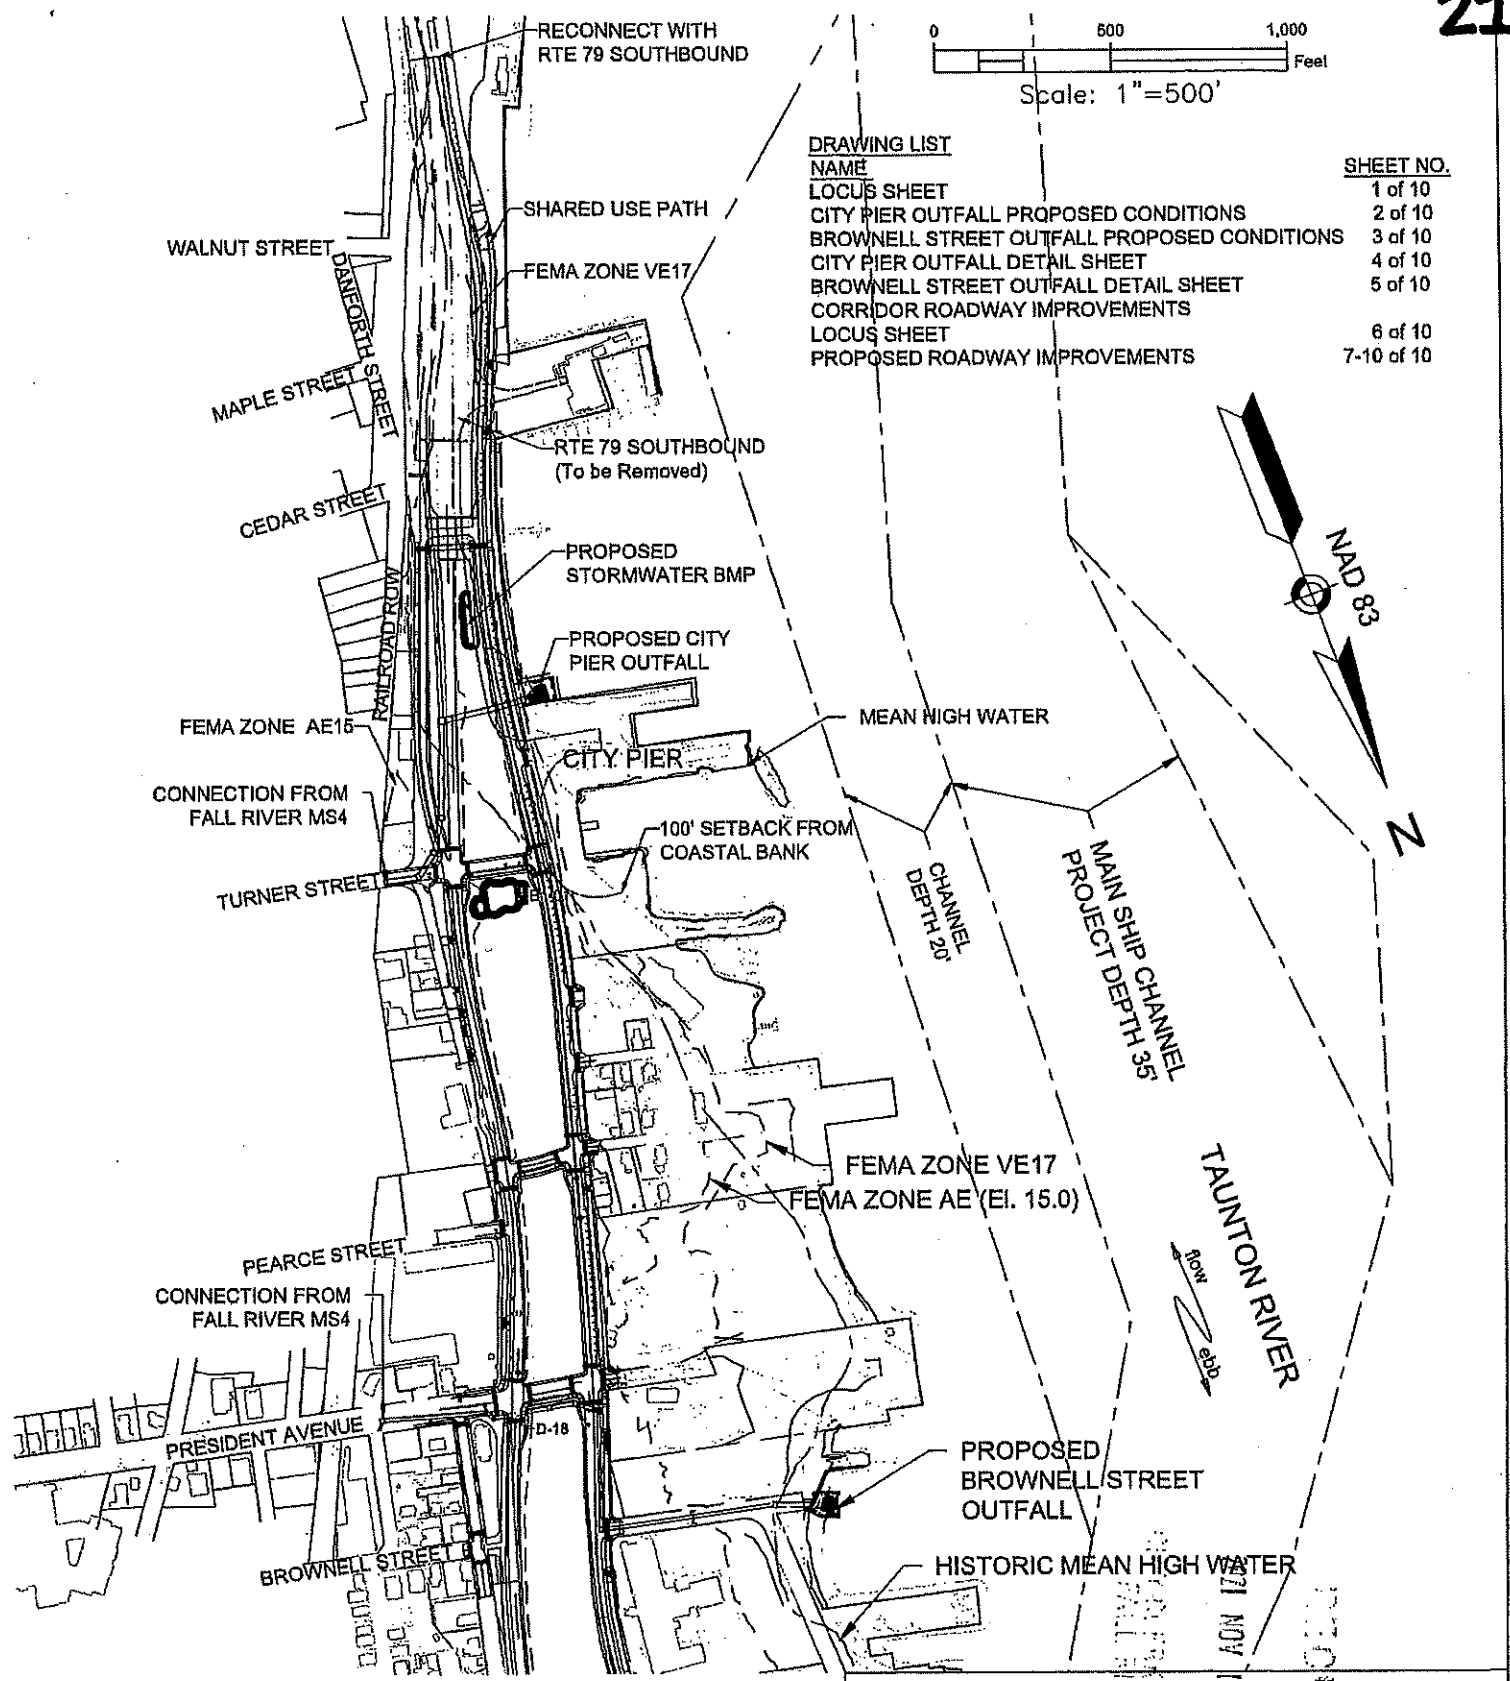

Comments may be sent to: Ryan Morrison, MassDEP Waterways Regulation Program, Ryan.Morrison@mass.gov. Please use the subject line: W21-6063/Corridor Improvements on Route 79 and Davol Street.

The Department will consider all written comments on this Permit or License Application received by the respective Public Comments Deadline. Failure of any aggrieved person or group of ten (10) or more citizens to submit written comments as specified above will result in the waiver of any right to an adjudicatory hearing in accordance with 310 CMR 9.13(4)(c). The group of citizens must include at least five (5) citizens who are residents of the municipality in which the proposed project is located. A public hearing may be held upon request by the Municipal Official.

Additional information regarding this application may be obtained by contacting the Waterways Program. Project plans and documents for the Waterways application are on file for public viewing electronically by request to DEP.Waterways@mass.gov. If you do not have access to email, please leave a voicemail at (617) 292-5959 and you will be contacted with information on alternative options.

Please be advised that the MassDEP Boston office is currently closed to the public and the Waterways Program Staff are working remotely. It is recommended that documents and correspondence be filed electronically with the email address specified above when possible; documents should not be hand delivered to One Winter Street, Boston, MA until further notice.

The Total Appropriation column shown above is in accordance with your current funding schedule and the scheduled payment date(s) in that schedule. Whenever payments are made after the scheduled date(s), the total appropriation should be revised to reflect interest at the rate assumed in the most recent actuarial valuation. Payments should be made before the end of the fiscal year.

For illustration, we have shown the amount to be transferred from the Pension Reserve Fund to the Pension Fund to meet the estimated Cost of Benefits for each year. If there are sufficient assets in the Pension Fund to meet the Cost of Benefits, this transfer is optional.
