CITY CLERK \_\_\_\_\_  
FALL RIVER, MA

October 4, 2021

The Honorable City Council  
City of Fall River  
One Government Center  
Fall River, MA 02722

Dear Honorable Council Members:

In accordance with the Executive Office of Energy & Environmental Affairs' (EOEEA) guidelines for the Parkland Acquisitions and Renovations for Communities (PARC) Grant Program, municipalities that receive an award must submit to EOEEA by December 31, 2021, an affirmative vote on a City council resolution that: 1) authorizes the municipality to seek funding and enter into contracts for the project; 2) dedicates the site for park purposes as under M.G.L. Chapter 45, Section 3; and 3) appropriates 100% of the total project cost - \$664,046. [The PARC grant award is \$400,000, which is 70% of total project cost; Municipal Share (CDBG funds) is \$264,046, which is 30% of total project cost.] Fall River was recently notified of an award in the amount of \$400,000.

Please review and approve the attached resolution citing the Kennedy Park Tennis/Pickle Ball Courts as the subject of the City of Fall River's FY'22 PARC Grant Program renovation project. With funds awarded, we will renovate the park's four tennis courts by removing and replacing deteriorated or damaged asphalt paving, tennis nets, fencing, and lighting. In addition, we will repurpose one tennis court into four pickle ball courts by adding striping and nets to the existing courts, which may still be used for tennis. When complete, the renovations will provide recreation opportunities and promote healthy, active lifestyles for those who visit the park. The proposed park renovation project would be done over the next two years and completed by June 1, 2023.

If you have any questions or concerns regarding this, please feel free to contact me.

Best Regards,

  
Paul E. Coogan  
Mayor
