REGULAR MEETING OF THE CITY COUNCIL

INÊS LEITE
ASSISTANT CITY CLERK

MEETING: Tuesday, January 18, 2022 at 7:00 p.m.
Council Chamber, One Government Center

PRESENT: President Pam Laliberte-Lebeau, presiding;
Councilors Shawn E. Cadime, Joseph D. Camara,
Michelle M. Dionne, Bradford L. Kilby, Trott Lee,
Leo O. Pelletier, Linda M. Pereira and Andrew J. Raposo

ABSENT: None

IN ATTENDANCE: None

President Pam Laliberte-Lebeau called the meeting to order at 7:00 p.m. with a moment of silence followed by a salute to the flag and announced that the meeting may be recorded with audio or video and transmitted through any medium.

PRIORITY MATTERS

1. Mayor requesting the appointment of Seth Thomas Aitken as the City Administrator
Councilor Bradford L. Kilby stated that he has known Seth Thomas Aitken for many years and believes that he will be an asset to the City. Councilor Linda M. Pereira stated that she previously worked with Mr. Aitken and she knows him to be an honest and hardworking individual who always follows through on any given project. On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Linda M. Pereira, it was voted 9 yeas to confirm the appointment.
2. Mayor and order appropriating \$105,408 from General Fund Free Cash to School Transportation
Council President Pam Laliberte-Lebeau stated that amended copies of the order were distributed prior the meeting. She mentioned that the only change was the wording of the appropriation, by changing "from the general fund FY21 surplus revenue to school transportation" to "from FY21 surplus revenue to the unpaid bills account for FY21". On a motion made by Shawn E. Cadime and seconded by Councilor Michelle M. Dionne, it was voted 9 yeas to adopt the order, as amended.
3. Mayor and Fiscal Year 2022 - Quarter 2 Budget Report
On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Shawn E. Cadime, it was unanimously voted that the report be accepted and placed on file.
4. Mayor and Five Year Capital Improvement Plan
On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Bradford L. Kilby, it was unanimously voted to refer the communication to the Committee on Finance.

5. Mayor and Five Year Financial Forecast

On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Linda M. Pereira, it was unanimously voted to refer the communication to the Committee on Finance.

PRIORITY COMMUNICATIONS – None

COMMITTEE REPORTS – None

ORDINANCES – None

RESOLUTIONS

6. Committee on Health and Environmental Affairs convene quarterly to review and discuss the water supply

Councilor Trott Lee stated that during a recent subcommittee meeting, it was mentioned that it may be a good idea to convene meetings to review and discuss the water supply. Councilor Linda M. Pereira stated that she would like to include the water filtration plant in these discussions. On a motion made by Councilor Linda M. Pereira and seconded by Councilor Trott Lee, it was unanimously voted to amend the resolution by including the water filtration plant in those discussions. On a further motion made by Councilor Shawn E. Cadime and seconded by Councilor Trott Lee, it was unanimously voted to adopt the resolution, as amended.

7. Administration consider implementing the use of body cameras by the Police Department
Council President Pam Laliberte-Lebeau stated that she spoke to the Interim Chief of Police regarding this matter and he forwarded a communication to all Councilors with updated information, a copy of which is attached hereto and made a part of these minutes. Councilor Shawn E. Cadime stated that he supports the use of body cameras, but he gets concerned when the City Council is looking to over step their scope of involvement. Councilor Bradford L. Kilby made a motion to refer the resolution to the Committee on Public Safety, which was seconded by Councilor Linda M. Pereira but was then withdrawn by Councilor Bradford L. Kilby. On a further motion made by Councilor Joseph D. Camara and seconded by Councilor Trott Lee, it was voted 9 yeas to refer the matter to the Committee on Finance.

Re: Body Worn Camera

Date: 1/18/21

Ma'am

As you are aware, we were awarded \$201,324.20 per FY 2022 Law Enforcement Body-Worn Camera Program. Part of this grant stipulates that you must have a (1) policy and (2) union agreements in place 6 months from the contract date. Fall River contract date is December 3, 2021. The city is still in negotiation with the Superior Officers Union and I surmise will negotiate with patrol subsequently.

The initial \$201k will cover nearly the total cost of 205,820.00. This 205k is part of a 60 month lease. The overall cost is 1,327,193.03 for five years. If broken down the FRPD cost will be approximately \$278,000.00 for the next four yearly installments. (Actual yearly breakdown subject to change based upon activation date.) The current agreement with Axon is if the funding source goes dry after any successive year, we are able to pull out without penalty.

This price tag equips the Fall River Police Department with 225 cameras, equipment for charging stations, side arm activation kits for activating system on a draw of officer's weapon, docking stations and mounting kits.

Warranties, administrative editing licenses, and cloud storage are not covered under grant. Cloud storage and license cost is approximately 219,186.00 for the next five years.

What we are anticipating going forward is a huge surge in Freedom of Information Act requests. Providence Police Department is said to be using three full time personnel to handle this. The general formula is one support member for every 70 police officers wearing cameras. We will certainly need to allocate the appropriate number and rank (CBA may dictate) of FRPD members to this task.

Another ancillary piece to this picture is Tasers. Our current Tasers are incredibly old and will not conform to automatic activation with the current Body Worn Camera. I suggest that leaving it to the officer to turn on the camera, when they are drawing their Taser manually, is problematic. I am sitting down with Axon representatives tomorrow at approximately 2 p.m. to talk about Taser procurement and Body Worn Camera options.

Respectfully,

Int. Chief Paul Gauvin

Subject: Bus Transportation - FY21

After working with Donna Cabral, from the Transportation Office we have come up with the figure owed to Amaral Bus Company for additional wait time of \$105,408.

This figure is owed due to the fact that after the contract was agreed to school start and end times needed to be adjusted in order to keep tiering intact. Tiering creates savings in transportation. By changing the start and end times, it created additional time worked by the drivers and monitors. This cost was not paid for in Fiscal Year 2021 and is required to be paid as these individuals did in fact incur this cost.

If we were not able to tier these bus routes, the cost would have been exponentially higher than this.

Thank you.
Kevin

RE: 5-year Financial Forecast

Dear Honorable Council Members:

Pursuant to Article 6-9 of the City Charter, I am submitting a 5-year Financial Forecast of the City Revenues and Expenditures within the General Fund Operating Budget. The Forecast is based upon revenue sources which can be reasonably anticipated as well as the expenses for services that we currently provide within our City and School Departments.

The City expects to receive revenue increases through sources such as cannabis excise taxes from recreational sales and local receipts from cannabis medical sales, new growth in personal and real property acquisitions. Expense reductions will result from improved efficiencies. We are currently working with our healthcare consultant refining the expected increase in healthcare costs over the next year and with our School Department on both net school spending and transportation costs. In addition, as we continue integration of our Fire and EMS departments, we are expanding medical transport services which will increase revenues to support these departments. The Fiscal Year 2023 Budget will be balanced through a combination of revenue increases and expense reductions due to ongoing improvements in our operating systems and use of ARPA and Bristol County ARPA funds.

As with any forecast, the numbers continue to be refined as projections are realized and projects move from planning to implementation. Overall, our 5-year Financial Forecast is sound and reflects the City's ability to address its challenges and opportunities with the resources necessary for controlled growth and spending.

Best Regards,

Paul Coogan
Mayor

City of Fall River, Massachusetts

Fiscal Year Ended June 30, 2021 Actual,

Fiscal Year Ending June 30, 2022 Budget &

5 Years of Projections Fiscal Years 2023 – 2027

The following is a five projection (fiscal years ending 2023 – 2027) for the General Fund. The projections begin with the 2020/2021 budget that was approved by the City Council. The following assumptions were added:

Resources:

- Property taxes are projected to increase by 2 ½% over the 2021 base
- New Growth will include a one-time increase as a result of the acceptance of the provisions of MGL Chapter 59, Section 2A(a) regarding the change of the assessment date from January 1 to July 1
- As the completion of the High School has occurred, the debt exclusion voted by the taxpayers will be added to the tax bills in FY23
- Unrestricted General State Aid, net of assessments is expected to increase about 2.7% while state aid for Education is estimated to increase at 7.7%
- The projections include an increase of 2.6% in local receipts while the Administration explores additional local receipts

Appropriations:

Included in the projections are inflationary increases and other increases based on known data. The projections do not include any budget cuts or reductions in staffing.

- Generally, the appropriations overall are expected to increase based on historical data
- In particular, the pension/retirement expense is based on the amortization schedule with no change in the funding date.
- The Administration continues to work on avenues to reduce the cost of health insurance, although the City consultant is recommending a 10% increase as pre-pandemic surgery is increasing
- The Administration is committed to 100% of net school spending

The projections also do not include any estimates for new industry or any other unknowns that could increase revenues. The Administration will continue to closely monitor all revenues and expenditures to keep the city financial position health.

STATUTORY PRESENTMENT AND DEMAND

Dear Sir or Madam:

This letter of presentment is being sent to you pursuant to M.G.L. Ch. 258 §4, and M.G.L. Ch. 84 §18. Please be advised that I represent Angel Burge of 131 Thomas Street in Fall River, MA 02723 with regard to injuries sustained in an incident on June 05, 2021 at B.M.C Durfee High School located at 360 Elsbree Street, Fall River, MA 02720, due to your insured's negligence.

On June 05, 2021, at approximately 11:30 hours, Ms. Burge was at the school attending her son's graduation. Ms. Burge was walking down the bleachers across the sandy/gravel area where the sand/gravel meets with the asphalt. Construction was also being completed in the area at this time. There were no signs or paint warning visitors of the construction and/or notifying them to watch their step, which caused our client to trip and fall. The below photographs show the exact location of Ms. Burge's fall. Additional photographs are also attached for reference.

CITY CLERK
FALL RIVER, MA

Dear Councilors,

I am writing to you today to express my dismay at the condition of the Battleship Massachusetts.

My family and I visited on Wednesday, December 29, 2021.

It has been several years since I visited Battleship Cove and I was shocked at the condition of the battleship. I cannot imagine why the Battleship has been neglected and allowed to rot where she stands. The

decks are atrocious. Slats of the teak deck are coming up or missing in many, many spots on the ship. You cannot go on the Taunton River side of the ship due to the terrible condition of the deck. Most of it is gone or rotting from what I could see. There are orange cones all over the deck where there are broken or missing slats. Paint is peeling and rust is accumulating where the paint has peeled. It is a sad state of affairs to see this neglect which has been obviously ongoing for years. I remember school children of Massachusetts collecting pennies at their schools to bring the Big Mamie to Fall River. I was one of those children.

I think of the veterans who served on this ship and how this ship should be a memorial to all those how served aboard her and in World War II.

My dad and uncle (who was a reporter for WJAR) , along with vets who had served on her, were so proud to ride the battleship from Newport to Fall River when she came to Fall River in 1965.

If they were still here, they would be heartbroken. If the Council is serious about increasing tourism, the first step should be fixing the Battleship. How can Battleship Cove be advertised as a tourist attraction in the shape it is in now? I did not visit the sub or the other two ships so I cannot speak to their condition.

Captain Thomas Hudner's plane is a rusting mess also. This is no way to honor our Medal of Honor winner.

Another issue is the Carousel. It is never open to the public although it is advertised as being open when you google it. I directed a question regarding the Carousel's opening to Ken Fiola a few months ago and did not receive a reply. Many, many people donated to have the Carousel brought to Heritage State Park. There are plaques on the walls with their names. It is a disservice to ask for donations for something of this type and not have it open for the public. Battleship Cove was open for the children's school vacation, why was the Carousel not open? Thank you for your attention to this matter.

Subject: ARPA funding

Good afternoon Mayor Coogan,

I was able to review the press release your office has put out regarding the allocation of ARPA funds. I was also able you review the ARPA funds application your office has released for those looking for an ARPA allocation. I have some questions about the \$3.2 million dollar allocation to Jobs for Fall River to assist in their small business grant.

Question #1: Will Jobs for Fall River be required to submit periodic reports demonstrating how the funds are being used? The community development agency does something to a similar effect, to assure public dollars are being used for the purpose of the allocation.

Question #2: This question is similar to question one. Is there going to be any accountability as to how these funds are going to be used? Will the public be able to see where exactly Jobs for Fall River expends these funds. Particularly I wish to see, as I'm sure the public would as well, how much of these funds will go to salary and other administrative costs.

Question #3: Will the public be able to see what businesses receive grant money and for how much?

I hope going directly to you with my questions can clear out any skepticism I and others may have with this recent allocation of ARPA funds. I hope in the name of transparency you can answer my questions.

Thank you Mr. Mayor

Collin Dias

Committee on Ordinances and Legislation recommending:

First reading, as amended:

10. Proposed Ordinance – Salary Amendments

Councilor Michelle M. Dionne stated that she voted yes to refer the matter to full council, but more amendments need to be made to the proposed ordinance. She stated that some increases are too large. Councilor Trott Lee stated that the City cannot afford any salary increases. Councilor Pam Laliberte-Lebeau stated that just because these rates are being increased, it does not mean that increases will happen. She then stated that these increases are being made to attempt to keep the ordinance current when cost of living increases are approved by the unions. Councilor Shawn E. Cadime stated that if the City is unwilling to pay a competitive salary, then there will be more and more vacancies. He also mentioned that the City of New Bedford is searching for a Chief Financial Officer with a salary of \$175,000.00 and cannot find a qualified candidate. He then stated that he would like to see this proposed ordinance resubmitted with more competitive salaries. Councilor Shawn E. Cadime also stated that some communities contribute less to health insurance than Fall River. He then highlighted that Fall River pays 75 percent of the cost of health insurance, but Dartmouth pays only 51 percent. He also stated that private entities are paying sign on bonuses to attract employees. He then highlighted that Fall River is paying 30 to 50

percent less than the private sector – that is why it is difficult to fill vacant positions. He also mentioned that with the changes in law enforcement, it is even more difficult to attract possible candidates. On a motion made by Councilor Michelle M. Dionne and seconded by Councilor Shawn E. Cadime, it was voted 8 yeas, 1 nay to reject the proposed ordinance, with Councilor Bradford L. Kilby voting in the negative.

ORDINANCES

Second Reading and Enrollment:

11. Proposed Ordinance – Traffic, Miscellaneous

On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Michelle M. Dionne, it was unanimously voted to pass the proposed ordinance through second reading and enrollment. On a further motion made by Councilor Leo O. Pelletier and seconded by Councilor Michelle M. Dionne, it was unanimously voted to pass the proposed ordinance through ordination. Approved, December 15, 2021, Paul E. Coogan, Mayor

12. Proposed Ordinance – Cemetery Fees

On a motion made by Councilor Shawn E. Cadime and seconded by Councilor Linda M. Pereira, it was unanimously voted to pass the proposed ordinance through second reading and enrollment. On a further motion made by Councilor Linda M. Pereira, and seconded by Councilor Pam Laliberte-Lebeau, it was voted to pass the proposed ordinance through ordination, with Councilor Trott Lee opposed. Approved, December 15, 2021, Paul E. Coogan, Mayor

13. Proposed Ordinances – Water and Sewer Rates

A motion was made by Councilor Shawn E. Cadime and seconded by Council Linda M. Pereira to pass the proposed water and sewer rates ordinances through second reading and enrollment. On a further motion made by Councilor Michelle M. Dionne and seconded by Councilor Christopher M. Peckham, it was unanimously voted to waive the rules to allow the Administrator of Community Utilities to answer questions. Councilor Michelle M. Dionne asked if residents will be receiving retroactive water bills. Paul Ferland stated the City has not done retroactive bills before, as the ordinance is from October 1st, but there will be no bills issued retroactively. Councilor Shawn E. Cadime asked for validation that the previous transfers made a few meetings ago would cover the missing revenues. Paul Ferland agreed that it was the case. President Cliff Ponte stated that he voted yes on the water and sewer rates because it was clear that if the City does not increase the rates now, next year the water rates could triple to a percentage that residents have not seen. He felt it was in the City's best interest to do it now, because next year the debt exclusion could be applicable and a possible fee, water and sewer rate increases, and real estate tax bills that could start getting caught up with the market go all into effect. Upon conclusion of such discussion, the motion to pass through second reading and enrollment carried 5 yeas, 4 nays, with Councilors Michelle M. Dionne, Pam Laliberte-Lebeau, Trott Lee, and Christopher M. Peckham voting in the negative. On yet a further motion made by Councilor Linda M. Pereira and seconded by Councilor Bradford L. Kilby, it was voted 5 yeas, 4 nays, to pass the proposed water ordinance through ordination, with Councilors Michelle M. Dionne, Pam Laliberte-Lebeau, Trott Lee and Christopher M. Peckham voting in the negative. On yet a further motion made by Councilor Shawn E. Cadime, and seconded by Councilor Bradford L. Kilby, it was voted 5 yeas, 4 nays, to pass the proposed sewer ordinance through ordination, with Councilors

Michelle M. Dionne, Pam Laliberte-Lebeau, Trott Lee and Christopher M. Peckham voting in the negative.

Approved, December 15, 2021, Paul E. Coogan, Mayor

RESOLUTIONS

14. Committee on Ordinances and Legislation meet to discuss the potential benefits of returning the process of hiring the Chief of Police through civil service standards. Councilor Christopher M. Peckham stated that it is difficult to have the Police Chief represent the members of the Department, when the Chief is appointed by the Mayor. Councilor Shawn E. Cadime also commented that there are intangibles that are not taken into consideration. He stated that civil service used to work, but there are times when someone is a good leader, but not the highest scorer on the test. He also stated that it was his impression that Councilor Peckham was looking to take politics out of the appointments. Councilor Michelle M. Dionne also added that if the Council wants to take the politics out of the appointments, the City should hire a retired Chief of Police, or a member of the State Police, for example, who would do an evaluation and assist the City with finding the best person for the position. A committee could also be set up to properly vet the candidates. Councilor Christopher M. Peckham stated that since it is a civil service process from police officer through Deputy Chief, why couldn't that same process apply to Chief of Police and have an interview process. Councilor Shawn E. Cadime said there is an interview process, but he believes civil service is broken. He agreed that politics needs to be eliminated or minimized to have a true vetting process. On a motion made by Councilor Linda M. Pereira and seconded by Councilor Michelle M. Dionne, it was unanimously voted to refer the resolution to the Committee on Ordinances and Legislation.

15. Administrator of Committee Utilities investigate the possibility of harvesting energy from specially designed in-pipe turbines. On a motion made by Councilor Bradford L. Kilby and seconded by Councilor Michelle M. Dionne, it was unanimously voted to adopt the resolution.

Alan J. Rumsey
Corporation Counsel
One Government Center
Fall River, MA 02722

Dear Attorney Rumsey:

At a meeting of the City Council held on Tuesday, December 14, 2021, a discussion was held regarding the enclosed order pertaining to the naming of the Dispatch Center within the Fall River Police Department in memory of Joseph "Joe" Torres.

On a motion made and seconded, it was requested that the matter be referred to the Committee on Ordinances and Legislation for further discussion and clarification. The current process for naming or renaming of streets, parks, buildings or other property is defined in Chapter 66 Section 186 of the Code, a copy of which is enclosed.

The Council has requested your interpretation of the current ordinance, as it pertains to the naming of areas within public buildings. Since the passage of the ordinance, it has not been uncommon for the City Council to adopt orders authorizing the naming of certain public areas, while reserving the process established through ordinance for public requests.

Although the process of naming rooms through Council orders may have occurred in the past, members of the City Council felt that the ordinance needed to be clarified.

At your earliest opportunity, would you please review the ordinance and respond to the Committee with your findings?

Thank you in advance.

Sincerely,

Alison M. Bouchard
City Clerk

Chapter 66. Streets, Sidewalks and Other Public Places

ARTICLE III. Streets

DIVISION 2. Construction and Repair

§ 66-186. Naming or renaming of streets, parks, buildings or other property.

[Amended 2-24-2009 by Ord. No. 2009-4]

- A. Purpose. This section establishes a process and criteria for consideration of a request by a member of the public to name or rename a public (or private) street, a public park, public building, or other real or personal public property located within the City's limits. This process also includes a request for an additional name or sign to be added to an already existing name.
- B. Petition. Any request for naming or renaming a street, park, building or other property within the City limits shall be initiated in writing from one or more residents, business owners or tenants (or by a homeowners' association or similar common ownership organization) within the City of Fall River by completing a petition for naming or renaming which should provide the following information:
 - (1) Name of petitioner(s).
 - (2) Type of request.
 - (3) Reason the request to name or rename is being proposed.
 - (4) Detailed description of the building, park, street or other property (real or personal).
 - (5) Location within the City (requests for naming or renaming a street must have an attached street map).
- C. Filing. The petition shall be filed with the City Clerk's office by 12:00 noon no less than 10 days prior to the next meeting of the City Council in which the petition will be presented. The City Clerk shall provide copies of the petition and supporting documents to the City Council, the Mayor, Corporation Counsel, City Engineer and Planning Director prior to the Council meeting.
- D. City Council initial action. The City Council shall receive the petition and refer it to the Planning Board for its recommendation.
- E. Planning Board action.
 - (1) Research. The Planning Board will evaluate the petition and supporting documentation and shall base its recommendation on what is in the best interest of the City. If the request is for the renaming of a street, park, building or other property, the board shall research the historical significance, if any, of the current name and how any renaming shall affect the abutting property owners.

- 21
- (2) Public hearing. The Planning Board shall hold a public hearing, at which time all interested parties shall be heard. Notice of the public hearing shall be mailed via regular mail to all property owners abutting the affected building, park, street or other property, at least 15 days prior to the date of the hearing, and shall be posted for the general public in the City Clerk's office, on the City's website, and the City's cable network and other local media.
 - (3) Recommendation. The Planning Board may recommend approval, denial or approval with conditions of the request. The recommendation of the Planning Board shall be forwarded to the City Council for its consideration. The petitioner(s) shall be given written notice of the decision of the Planning Board prior to Council consideration.
- F. Council action. Upon receipt and review of the recommendation received from the Planning Board, the City Council may accept the recommendation or rule otherwise.
- G. Approval/Assessment of costs. If the petition is approved, the petitioner(s) shall be provided an estimate of the cost determined to implement the naming or renaming, which costs are the responsibility of the petitioner(s). Upon receipt of all costs, the City shall implement the recommendation. At the time of granting, the City Council may, at its discretion, waive any or all costs to be incurred.

Attn: Gabriela Ayala

Dear Ms. Ayala,

At a meeting of the City Council held on December 28, 2021, a discussion was held regarding petitions from National Grid to install underground conduits as follows:

Bradford Avenue

National Grid requests to install approximately 246' 2-4 PVC conduits from P24 to new HDHH 44-1, and install appropriately 316' 2-4' PVC conduits from new HDHH 44-1 to existing MH 44 on South Main Street. In accordance with Plan No. 29746176 dated November 8, 2021.

Morgan Street

National Grid requests to install approximately 79' 2-4 PVC conduits from P33 to existing MH4 at Morgan Street. In accordance with Plan No. 29575229 dated November 8, 2021.

Plymouth Avenue

National Grid requests to install a new pole P14-2 and 2-4" conduit from p14-2 to manhole MH5 at Plymouth Avenue. In accordance with Plan No. 29574803 dated March 8, 2020.

I do acknowledge your request made that afternoon to cancel the public hearing, as representatives were not available to attend. However, and as explained, timing did not allow for such cancellation. On a motion made and seconded by members of the City Council, it was unanimously voted to refer these petitions to the Committee on Public Works and Transportation, as there were various questions regarding the width of the trench and whether repairs to the street would be paved curb to curb. This meeting of the subcommittee will allow for further discussion and explanation of the project.

Should you have any questions, please feel free to contact the City Council Office at city_council@fallriverma.org.

Very truly yours,

Alison M. Bouchard

The Fall River City Council published their agenda package for their Jan 18, 2022 meeting on Jan 13, 2022. As part of their agenda packet, they included the minutes from their Dec 28, 2021 and Jan 3 2022 meetings. The minutes violate the open meeting law in that they don't include the "list of all of the documents and other exhibits used by the public body during the meeting." G.L. c 30A, section 22(a). See "Public Body checklist for creating and approving meeting minutes" memo issued by the Division of Open Government on September 25, 2017. In the minutes for December 28, 2021 and January 3, 2022, (as well as many others that the timeline to file OML complaints about has expired) they simply list "Agenda packet (attached)" This does not comply with Section 22(a) of the open meeting law.

What action do you want the public body to take in response to your complaint?

Public Body Checklist for Creating and Approving Meeting Minutes

Issued by the Attorney General's Division of Open Government – September 25, 2017

- ☐ Minutes must accurately set forth the date, time, place of the meeting, and a list of the members present or absent. G.L. c. 30A, § 22(a).
- ☐ Minutes must include an accurate summary of the discussion of each subject. See G.L. c. 30A, § 22(a). The summary does not need to be a transcript, but should provide enough detail so that a member of the public who did not attend the meeting could read the minutes and understand what occurred and how the public body arrived at its decisions.
- ☐ The minutes must include a record of all the decisions made and the actions taken at each meeting, including a record of all votes. G.L. c. 30A, § 22(a).
- ☐ The minutes must include a list of all of the documents and other exhibits used by the public body during the meeting. G.L. c. 30A, § 22(a). Documents and exhibits used at the meeting are part of the official record of the session, but do not need to be physically attached to the minutes. See G.L. c. 30A, §§ 22(d), (e).
- ☐ If one or more public body members participated remotely in the meeting, the minutes must include the name(s) of the individual(s) participating remotely. 940 CMR 29.10(7)(b).
- ☐ If one or more public body members participated remotely in the meeting, the minutes must record all votes as roll call votes. 940 CMR 29.10(7)(c).
- ☐ Executive session minutes must record all votes as roll call votes. G.L. c. 30A, § 22(b).
- ☐ The minutes must be approved in a timely manner. G.L. c. 30A, § 22(c). A “timely manner” will generally be considered to be within the next three public body meetings or within 30 days, whichever is later, unless the public body can show good cause for further delay. 940 CMR 29.11(2).

Note that this checklist is intended as an educational guide, and does not constitute proof of compliance with the Open Meeting Law. Checklists are updated periodically, so please confirm that you are using the most current version.
