Clerk of Committees

Honorable Council President Camara, Vice President Perreria, City Councilors, and residents of the City of Fall River.

It is a pleasure to be here with you this evening requesting that the City Council adopt a resolution to allow the Community Development Agency to submit its Year Four Annual Action Plan to the US Department of Housing and Urban Development by May 15, 2023.

The development of this plan was completed using FRCDA's Citizen Participation Plan. In December of 2022 the Citizen's Guide and public hearing on the Needs and Proposals and Performance was advertised in the Herald News and in other media avenues. On January 4, 2023 a public hearing was held to discuss the needs, proposals and performance. On February 28, 2023 the Year Four Annual Action Plan Summary was published and a public hearing was held on March 8, 2023. The public comment period for the plan commenced on February 28, 2023 and ended on March 29, 2023.

The Year Four Annual Plan addresses the Community Development Block Grant, HOME Investment Partnerships Grant and Emergency Solutions Grant and strives to meet the three objectives of HUD: to provide decent affordable housing; to create suitable living environments; and to create economic opportunities.

FRCDA will receive \$2,631,721 in Community Development Block grant funding, \$1,164,759 in CD HOME Investment Partnership funding and \$242,767 in Emergency Solutions Grant funding for the program year beginning July 1, 2023. The CDBG grant was reduced by \$350,631 over the last two years. This year, the CD HOME Program was reduced by \$41,557 and the ESG Program was reduced by \$7,112. The FRCDA will continue to prioritize infrastructure improvements like Sidewalk improvements and park improvements, economic development activities, and public service

programs like recreational programs, senior citizen drop-in-centers and crime awareness programs. FRCDA will continue to offer first-time homebuyer loans and homeowner and investor rehabilitation loans and grants. Through the Emergency Solutions Grant Program, FRCDA will continue to provide funding for homeless services at the First Step Inn, Our Sister's Place and through Catholic Social Services.

The Fall River Community Development Agency and the Coogan Administration has worked diligently to prioritize funding to programs that will help the City meet HUD's objectives.

The Year Four Annual Action Plan was submitted to each councilor for their review. I am here this evening to answer any questions you may have concerning the plan.
