Accept and place on file

6. Communication from anonymous resident re: taxi companies

Councilor Pereira expressed concern regarding taxi companies, specifically competition from rideshare companies, and requested that the item be referred to the Committee on Ordinances and Legislation for discussion. Councilor Laliberte stated that the letter was anonymous and only discussed issues with customer service. Councilor Laliberte also stated that it may be more effective to create a new resolution to discuss business concerns with rideshare competition. On a motion made by Councilor Cadime and seconded by Councilor Raposo, it was unanimously voted that the communication be accepted and placed on file, with Councilor Pelletier absent and not voting.

Committee on Ordinances and Legislation recommending:

All readings with Emergency Preamble:

7. Proposed Ordinance – Traffic, handicapped parking
Fourth Street Barnaby Street Crawford Street
Grove Street Holden Street Mason Street Rock Street South Oxford Street

On a motion made by Councilor Cadime and seconded by Councilor Raposo, it was voted with 8 yeas to adopt the emergency preamble, with Councilor Pelletier absent and not voting.

On a further motion made by Councilor Raposo and seconded by Councilor Washington, it was unanimously voted to pass the proposed ordinance through first reading, second reading, passed to be enrolled and passed to be ordained, with Councilor Pelletier absent and not voting.

Approved, May 31, 2023

Paul E. Coogan, Mayor

First reading:

8. Proposed Ordinance – Traffic, miscellaneous

Section 1

Handicapped Parking removals:

Barnaby Street Bogle Street (east side) Bogle Street (west side)

Bradford Avenue Haffards Street Kilburn Street

Quequechan Street South Main Street William Street

Section 2

On a motion made by Councilor Kilby and seconded by Councilor Raposo, it was unanimously voted to pass the proposed ordinance through first reading, with Councilor Pelletier absent and not voting.

9. Proposed Ordinance – Zoning Board of Appeals and Planning Board fee schedule amendments

On a motion made by Councilor Pereira and seconded by Councilor Raposo, it was unanimously voted to pass the proposed ordinance through first reading, with Councilor Pelletier absent and not voting.

10. Proposed Ordinance – Salary increase for School Committee members

Councilor Washington stated that she had received many phone calls from residents who were opposed to this proposed ordinance. Councilor Kilby agreed and emphasized that he supported the next proposed ordinance that would unfreeze the cost of living adjustments for elected officials, but that he did not agree with this large increase in salary for School Committee members. Councilor Cadime stated that he had not received any phone calls from residents but the equity in pay between the City Council and School Committee was warranted and the School Committee members currently receive less compensation than many sports coaches within the School Department. A discussion was held between President Camara and Councilors Cadime, Dionne and Pereira regarding when the cost of living freeze occurred for the School Committee in comparison to the City Council and Mayoral position. President Camara emphasized that elected officials should serve to help the community, not for compensation, and that many School Committee members have stated that they do not support this salary increase. On a motion made by Councilor Cadime and seconded by Councilor Kilby, it was voted 4 yeas, 4 nays to pass through first reading and the motion failed to carry, with Councilors Kilby, Pereira, Washington as well as President Camara voting in the negative and with Councilor Pelletier absent and not voting.

11. Proposed Ordinance – Cost of Living Adjustments for Elected Officials

On a motion made by Councilor Kilby and seconded by Councilor Laliberte, it was voted 3 yeas, 5 nays to pass through first reading and the motion failed to carry, with Councilors Cadime, Dionne, Raposo, Washington as well as President Camara voting in the negative and with Councilor Pelletier absent and not voting.

Hello,

I hope this email finds you well. Please read the attached letter I wrote in regards to making a change to the current tree ordinance that is in place for the City of Fall River. This change will require a permit for removing trees on private property. My goal is to preserve the many benefits of the beautiful trees in our city neighborhoods. Sadly they are rapidly being removed. Some of these trees took 100 years to mature and sadly they will never be replaced in our lifetime.

I am not sure who to direct this to so please feel free to forward this letter to who you may think will help get this ball rolling.

Any help is greatly appreciated.

Sincerely Concerned Constituent,

Sandra Garcia

May 12, 2023

To Whom It May Concern,

I am writing this letter in hopes of making an important change to the existing city tree ordinance that is in place for the City of Fall River. The current ordinance is great for protecting trees on city property. However, there needs to be some bylaws that also protect the trees that are on private properties as well.

I live in a highly coveted neighborhood in Fall River. What makes this neighborhood so desirable is that when you're here you don't feel as if you are "in the city". That is in part to the trees everywhere. These trees not only increase property value by 7-19% they also enhance the visual aesthetic qualities of the neighborhood.

In the last month alone I watched 6 beautiful, mature and healthy trees be cut down. Some of these trees took 100 years to grow and can never be replaced in our lifetime. I asked my neighbors why they were cutting the trees down and the reasons I've gotten from these home owners were as follows: -"I am getting solar panels", -"I'm tired of raking these leaves", -"the acorns make a mess in my yard". Not one of these homeowners took the time to think about how removing these trees impacted their neighborhood.

These trees have many environmental, social and economic benefits including:

- Conserving energy, by providing shade and evaporative cooling through transpiration
- Improving local and global air quality by absorbing carbon dioxide and ozone, absorbing particulate matter, and producing oxygen
- Reducing noise pollution
- Providing habitat for birds, small mammals, and other wildlife
- Increasing property values and enhance aesthetics of a neighborhood
- Contribute to neighborhood image, pride, and quality of life.

This change to the ordinance should require that a permit be obtained before protected trees can be removed. No tree should be removed simply because it's a nuisance or creates work for the home owner. The change should also require some trees be preserved during construction projects. The goal is to preserve the many benefits these trees provide our city and neighborhoods.

Sincerely yours,

Sandra Garcia

COMMITTEE ON FINANCE

MEETING: Tuesday, May 16, 2023 at 6:00 p.m.
Council Chamber, One Government Center

PRESENT: President Joseph D. Camara, presiding;
Councilors Shawn E. Cadime, Michelle M. Dionne, Bradford L. Kilby,
Pamela S. Laliberte, Leo O. Pelleiter, Linda M. Pereira,
Andrew J. Raposo, and Laura-Jean Washington

ABSENT: None

IN ATTENDANCE: Seth Thomas Aitken, City Administrator
Terenzio Volpicelli, Roselli, Clark & Associates

The chair called the meeting to order at 6:01 p.m. and announced that the meeting may be recorded with audio or video and transmitted through any medium.

In accordance with a resolution adopted, as amended May 8, 2012, persons are allowed to address the Council for a period of three minutes prior to the beginning or at the conclusion of business in the Committee on Finance.

1. Citizens' Input Time – Before Discussion of Financial Matters:

Jim Terrio, 53 Delcar Street – Dimax Geothermal

On a motion made by Councilor Raposo and seconded by Councilor Washington, it was unanimously voted to waive the rules and allow Mr. Terrio to speak for an extra three minutes.

2. Discussion of Roselli, Clark & Associates Basic Financial Statements for year ending June 30, 2022

Mr. Volpicelli read a written statement regarding the independent audit aloud, a copy of which is attached hereto and made a part of these minutes. Following reading the communication aloud, Councilor Pereira expressed concern regarding the pension system and the need for increased payments to avoid a financial issue in the future. Mr. Volpicelli stated that based on the data, the pension is scheduled to be fully funded by 2036, which is four years prior to the year that it must be fully funded.

3. Fiscal Year 2023 Quarter 3 Report

Councilor Dionne requested clarification regarding the "Administration Services, Personnel and Training" section of the report and held a discussion with Councilor Cadime and Mr. Aitken as to how those line items were for the Department of Human Resources. Councilor Dionne and Mr. Aitken discussed the "Community Maintenance, School Crossing Guards" section of the report and why it wasn't included with the School Department budget. Mr. Aitken explained that Crossing Guards are within the City's budget and have been in the past. Councilor Dionne and

Mr. Aitken also discussed the lower salary amount within the Purchasing Department and that it was a result of currently having only one clerk within the department. Councilor Dionne expressed concern that American Rescue Plan Act (ARPA) funding had been approved for purchase of city vehicles, but that the budget report shows city funds being utilized for vehicle purchases. Mr. Aitken gave a brief explanation that some vehicles were being purchased with ARPA funds to replace very old vehicles that do not experience a heavy work load, while the regular budget was for purchasing new heavy-duty vehicles, such as those for plowing. Councilor Dionne and Mr. Aitken also discussed the salary buyout line item and its relation to the retirement of a long-time Grant Writing employee.

A discussion was held regarding the utilization of the Director of Financial Services, Clifton and Larson, LLP, an independent auditing firm, and Edward Iacaponi, an independent consultant, as resources for organizing the City's finances going forward. President Camara and Councilors Cadime, Dionne, Kilby, Pereira, Raposo and Washington expressed concerns regarding the cost to the City budget and the taxpayers. Councilor Pereira read an email correspondence from the City Administrator aloud regarding this issue, a copy of which is attached hereto and made a part of these minutes, and stated that there was a discrepancy of salaries and costs between the email and the current discussion. Councilor Cadime asked Mr. Aitken to provide data regarding these expenses prior to the next City Council meeting. Councilor Kilby stated that the previous Director of Financial Services had performed the required tasks without consultation with independent parties. Mr. Aitken gave information regarding many positions within the financial departments that were either vacant or occupied by new employees, which required more training, and that the overall plan was to decrease the need for consultants as training was completed. Councilor Raposo asked that the administration provide a target date as to when this training would be completed.

Councilor Pelletier asked why the budget report line items included position titles instead of employee names and made a statement supporting raises for non-department head employees. Mr. Aitken stated that the position title would always be consistent while the employee name may change during the year if an employee resigns or is newly hired. President Camara emphasized the need for employee names within these line items going forward. Councilor Dionne inquired about different Police Department line items, including the School Resource Officer (SRO) and overtime salaries. Mr. Aitken stated that the School Department reimbursed the City for the SRO salary and that due to lack of staffing within the Police Department, that has increased overtime. A discussion was held regarding the plan for recruiting more officers.

4. Transfers and appropriations

Councilor Dionne requested information regarding the resignation buyout for the Purchasing Department as the employee had also been a full time employee of Facilities Maintenance. Mr. Aitken stated that the employee became a full time Purchasing Department employee prior to their departure as the reorganization of departments last year had eliminated their Facilities Maintenance position. A discussion was held between Councilors Cadime, Dionne and Mr. Aitken regarding other line items, including the union contracts that had been recently agreed upon within the Department of Public Works (DPW) and the Medicare line item. Mr. Aitken explained that certain portions of the DPW was employed exclusively by specific union members. Mr. Aitken also explained that the Medicare funding had been underestimated at the beginning of the fiscal year and therefore required a transfer of funds.

5. Citizens' Input Time – After Discussion of Financial Matters: Eugene Banks, 1261 Plymouth Avenue – City Inspections

Deolinda C. Camara, 5 Wayland Street – Wayland Street

Mary Feitelberg, 697 Davol Street – Wayland Street

Councilor Dionne asked if Ms. Feitelberg was a resident on Wayland Street and Ms. Feitelberg stated she was not but was aware that there is currently trash pickup and plowing occurring on the street. Councilor Dionne stated that the city was not required to provide those services right now as Wayland Street is an unaccepted street. Councilor Laliberte asked for clarification as to who had submitted the petition and Ms. Feitelberg stated it was a newer resident on the street.

On a motion made by Councilor Raposo and seconded by Councilor Washington, it was unanimously voted to adjourn at 7:34 p.m.

CITY OF FALL RIVER

May 16, 2023

President Camara, Honorable Members of the City Council, Ladies & Gentlemen

- We were engaged to perform an audit of the City's 2022 financial statements (first year of a 2-year engagement). The City's 2022 audited financial statements were issued on March 2, 2023. We issued an unmodified, or "clean" audit opinion.
- The 2022 audited financial statements included the financial position and results of operations of the Fall River Redevelopment Authority. In past years, this component unit was not included in the City's annual financial statements, which caused a modification to our audit opinion.
- Required communications at the conclusion of our audit were provided to the City's Mayor previously (dated 3/13/2023). Some highlights include:
 1. Management is responsible for the selection and use of appropriate accounting policies.
 2. In 2022, the City adopted a new accounting standard related to leases, however this did not have a material effect on the City's financial statements.
 3. Accounting estimates are integral part of the financial statements. Certain accounting estimates and the corresponding disclosures are more sensitive than others. The most sensitive accounting estimates include:
 - Determination of the total pension liability (12/31/2021)
 - \$733 million total pension liability less net position of \$399 million = \$334 million net pension liability
 - Actuary estimates pension is 54% funded at 12/31/2021
 - Discount rate used is 7.0%, which is about the median discount rate we see used in MA public pension systems
 - City's proportionate share is approximately 91%, Housing is 7%, Diman is 2%.
 - Determination of the total OPEB liability
 - \$485.3 million total OPEB liability less net position of \$1.4 million = \$483.9 million net OPEB liability
 - City is 0.28% funded at 6/30/2022

- The City entered FY 2023 with the following financial reserves:
 1. General stabilization funds exceeded \$7.2 million, which is approximately \$2 million lower than the prior year.
 2. Certified free cash at July 1, 2022 was approximately \$5.0 million for the general fund, \$1.5 million for sewer, \$400K for water and \$857K for EMS.
 3. The City established an OPEB Trust fund several years ago. In 2022, the City contributed \$610K into this trust, which entered FY 2023 with a balance of nearly \$1.4 million. The City's independent actuary estimated that this trust is approximately 0.28% funded.
- The City reports significant long-term liabilities associated with debt as well as personnel-related obligations such as compensated absences, OPEB and pensions. In its governmental activities (which exclude water, sewer and EMS), these liabilities exceeded \$932.5 million at June 30, 2022.
- At June 30, 2022, the City's long-term debt approximated \$349 million, for which \$160 million was general obligation bonds in the City's general governmental operations and the remainder was held by its enterprise operations (sewer and water).
- In January 2023, as part of the City's general obligation bond placement, Moody's affirmed the City's credit score from A3. This signified that Moody's believes the City has strong capacity to meet its financial commitments but may be somewhat more susceptible to the adverse effects of changes in economic circumstances than other higher-rated organizations.
- The net OPEB liability in governmental activities approached \$471 million at June 30, 2022. For the entire City (which would include the enterprise operations), this liability approached \$484 million.
- Additionally, the net pension liability for the City's governmental activities exceeded \$283 million (\$305 million inclusive of enterprise operations). The Retirement System was 54% funded at December 31, 2022 (average is 73% based on latest published data from PERAC on the matter – July 2022).
- Based on July 2022 data published by PERAC, the City's pension system was in the bottom 10% of the State in terms of funded ratio.

Subject: Re: budget question

Good Morning Councilor

Bridget's Annual Salary - \$144,450

Ed Iacaponi has been paid \$68,093.75 to date (this fiscal year) for consulting services to the Auditor, Treasurer and Assessor Departments.

In FY 23 his time has been reduced to 2 to 3 days / week for approximately 4 hours per day. Ed's original focus was assisting Bridget's transition to the City. Ed's focus is now primarily on helping to develop and support Financial Services department heads and assistant heads since we have so many new and junior people in those positions. As you know,

- the Assistant Auditor has been in the position for only one year and there is currently no City Auditor
- the City Assessor has only been in the position for two +/- months
- the Assistant Treasurer and Assistant Collector have each been in their positions for less than a year
- with Tammy's departure, there is no Purchasing Agent and the Assistant Treasurer, who has recently completed the Purchasing training is helping to bridge the gap.

- In the past year, the Auditors office has lost two of its most experienced clerks. One left for the school department and the other took a position in HR.
- The City just implemented an upgrade to its MUNIS, our planning, reporting, budgeting software, and for the first time all departments are creating their budgets in MUNIS.

Finally, there is no company we are "paying to close out the books". Clifton Larson is a consulting firm who was brought on last year to work with Ashley as she transitioned into the Auditor role. During the work with Ashley and following her departure, Bridget and the consultants identified a number of areas in the Financial Services departments that could benefit from continued professional and technical development. Accordingly, Clifton Larson has stayed on, now in a reduced capacity from what was originally requested, and they continue to work with the Financial Services staff. To date they have been paid \$68,788. Part of how Clifton Larson conducts its training and development is to work with departments through their essential functions and tasks. While they are currently working with our staff through the essential function of closing the books, it wouldn't be correct to say that Clifton Larson was brought in for that specific purpose.

REGULAR MEETING OF THE CITY COUNCIL

MEETING: Tuesday, May 16, 2023 at 7:00 p.m.
Council Chamber, One Government Center

PRESENT: President Joseph D. Camara, presiding;
Councilors Shawn E. Cadime, Michelle M. Dionne, Bradford L. Kilby,
Pamela S. Laliberte, Leo O. Pelletier, Linda M. Pereira,
Andrew J. Raposo, and Laura-Jean Washington

ABSENT: None

IN ATTENDANCE: None

President Camara called the meeting to order at 7:48 p.m. with a moment of silence followed by a salute to the flag and announced that the meeting may be recorded with audio or video and transmitted through any medium.

A motion was made by Councilor Dionne and seconded by Councilor Pelletier to reconsider the resolution, adopted on April 25, 2023.

RESOLUTIONS

9a. Committee on Real Estate convene with representatives from the Administration to discuss the Bank Street Armory (Municipal Veterans Memorial)

On a further motion made by Councilor Dionne and seconded by Councilor Cadime, it was unanimously voted to refer the resolution to the Committee on Finance.

PRIORITY MATTERS

1. Mayor and order transferring \$561,075.00 from the Operating Reserve Fund to the following:

Purchasing Salaries (Resignation Buyout)	\$ 30,017.00
Medicare (Collective Bargaining Agreement)	\$100,000.00
City Administration Salaries (Retirement Buyout)	\$ 14,000.00
Licensing Salaries (Collective Bargaining Agreement)	\$ 2,000.00
Code Enforcement Salaries	\$ 50,000.00
(Collective Bargaining Agreement/Overtime)

On a motion made by Councilor Kilby and seconded by Councilor Pereira, it was voted to accept and place the communication on file and to adopt the order, with Councilor Cadime opposed.

2. Mayor requesting confirmation of Nikita Lynn Viera, MPH, to the Conservation Commission

On a motion made by Councilor Pereira and seconded by Councilor Kilby, it was unanimously voted to confirm the appointment.

On a further motion made by Councilor Pereira and seconded by Councilor Dionne, it was unanimously voted to take items 3a and 3b together.

3. Mayor requesting confirmation of the following to the Board of Park Commissioners:
 - a. Reappointment of Helen Rego
 - b. Appointment of Bernard J. McDonald

Councilor Dionne requested clarification regarding Helen Rego's service within the City as there is a regulation within the City Charter that prohibit serving on more than one board. The City Clerk responded that both positions Ms. Rego holds are unpaid and therefore the regulation does not apply. On a motion made by Councilor Pereira and seconded by Councilor Washington, it was unanimously voted to confirm the reappointment and appointment.

A further motion was made by Councilor Pereira and seconded by Councilor Kilby to take items 4a through 4e together. Councilor Laliberte asked that item 4e be taken separately and Councilor Pereira withdrew her motion. On a further motion made by Councilor Laliberte and seconded by Councilor Washington, it was unanimously voted to take items 4a through 4d together.

PRIORITY COMMUNICATIONS

4. Planning Board recommendation for the acceptance of streets as follows:
 - a. Hayfield Lane extending from Highland Farm Road north & south to terminus
 - b. Highland Farm Road extending from Highland Avenue to Hayfield Lane
 - c. Old Pasture Way extending from Highland Farm Road to terminus
 - d. Steepbrook Terrace extending from Highland Farm Road to terminus

On a motion made by Councilor Kilby and seconded by Councilor Washington, it was unanimously voted to adopt the orders.

e. Wayland Street extending from North Main Street to dead end
 Councilor Laliberte expressed concern regarding the opposition from residents that were discussed during the Committee on Finance Citizens' Input Time. Councilor Laliberte made a motion to refer the recommendation to the Committee on Public Works and Transportation, but there was no second and the motion failed to carry. Councilors Kilby stated that he has communicated with opponents of this street petition many times and advised them to attend the Planning Board meeting. Councilor Kilby stated that the Planning Board heard their concerns and are recommending the order be adopted. On a motion made by Councilor Kilby and seconded by Councilor Pereira, it was voted to adopt the order, with Councilor Laliberte opposed.

5. Traffic Commission recommending amendments to traffic ordinances
On a motion made by Councilor Pereira and seconded by Councilor Cadime, it was unanimously voted to refer the recommendations to the Committee on Ordinances and Legislation.

COMMITTEE REPORTS – None

ORDINANCES – None

RESOLUTIONS

6. The Director of Cemeteries shall fly a flag that has been flown over the United States Capitol Building at Oak Grove Cemetery during their Memorial Day observance in honor of all Fall River residents who made the ultimate sacrifice defending their country
A motion was made by Councilor Dionne and seconded by Councilor Raposo to adopt the resolution. Councilor Pereira stated that the resolution should be amended to have the flag flown throughout the year and a spotlight placed on the flag. Councilor Laliberte stated this is a yearly tradition with Oak Grove Cemetery and the Veterans' Services Department and that she was agreeable to amending the resolution. On a further motion made by Councilor Dionne and seconded by Councilor Washington, it was unanimously voted to adopt the resolution, as amended.
7. The City Council dedicate May 21-27, 2023 as Emergency Medical Services Week in honor of EMS workers that serve our community with vital health services
On a motion made by Councilor Raposo and seconded by Councilor Washington, it was unanimously voted to adopt the order.
8. The Committee on Finance convene with a representative of Massachusetts Department of Transportation, the City Administrator and the City Engineer for a general update on the Route 79/Davol Street Corridor Improvements Project.
Councilors Laliberte and Dionne made brief remarks that information for this project is available by signing up for weekly emails from the Massachusetts Department of Transportation as well as postings on the City website. President Camara stated that there was uncertainty regarding land ownership once the project was completed and wanted to learn more about housing development and zoning. On a motion made by Councilor Raposo and seconded by Councilor Kilby, it was unanimously voted to adopt the resolution.
9. The Committee on Finance convene with a member from the Diman Regional Vocational Technical High School Building Committee and a representative from Kaestle Boos, the electrical engineering company scheduled to work on the project, to discuss a general update and answer further questions regarding geothermal energy.
Councilor Pereira made brief remarks regarding her interest in learning more about this project and the benefits and risks of utilizing geothermal energy. On a motion made by Councilor Kilby and seconded by Councilor Dionne, it was unanimously voted to amend the resolution by striking out "Committee on Finance" and inserting "Committee on Health and Environmental Affairs." On a further motion made by Councilor Kilby and seconded by Councilor Pereira, it was unanimously voted to adopt the order, as amended.
