(FALL RIVER, MA- August 11th, 2021)- Mayor Paul E. Coogan will be opening an emergency cooling center at Government Center due to extreme heat. The cooling center will be open from 10am to 4:30pm on Thursday, August 12th and from 10am until 2:30pm on Friday, August 13th.

The cooling center can be accessed through the Third St entrance. Unvaccinated residents will be required to wear a face covering and adhere to social distancing requirements.

Due to high temperatures in Fall River, we want to remind citizens to check in on family, friends and neighbors. Drink plenty of water, stay inside in a cool area and do not exert yourself if you have health conditions. Stay cool and safe.
