South Watuppa Pond Water Quality Project
Public Outreach Meeting

(FALL RIVER, MA- August 11th, 2021)- The City of Fall River Department of Community Utilities and interested parties will be hosting a Public Outreach Meeting. This meeting will introduce the ongoing South Watuppa Pond Water Quality Project to the Community, give an update of the current status of the South Watuppa Pond, as well as explain some of the next steps that need to be taken moving forward.

Please join us at 6:30p.m. on August 19, 2021 at the Watuppa Rowing Center located at 994 Jefferson Street to learn about the South Watuppa Pond.
