## **Fall River Street Sweeper Program One-Week Hold**

**(FALL RIVER, MA- JULY 28, 2023)**- The City of Fall River's Department of Community Maintenance will need to pause the residential street sweeper program, due to routine maintenance checks. The dates of the sweeper program shutdown are Monday, July 31<sup>st</sup> through Friday, August 4<sup>th</sup> which fall under the 'week one' schedule.

**Residents can expect the street sweeping program to resume on Monday, August 7<sup>th</sup> and follow the week two schedule.**

The importance of street sweeping is to prevent City storm drains from clogging with debris and causing flooding during a rain event, as well as to ensure protection of the environment and to improve the aesthetic quality of Fall River neighborhoods. The City of Fall River thanks residents in advance for their cooperation.

For any further questions, please contact DCM at 508-324-2585 or 508-324-3584.
