Fall River Opioid Settlement Funds Community Survey

(FALL RIVER, MA – MARCH 19, 2024) – The Fall River Division of Health & Human Services is pleased to release the [Fall River Opioid Settlement Funds Community Survey](#).

Fall River HHS is requesting citizen input into Fall River's use of opioid settlement funds. The City of Fall River expects to receive nearly \$8 million over the next 15 years. As of January 2024, the City has received payments totaling \$1,092,654.27.

The survey reflects one avenue in which we are collecting feedback from residents. The survey is available online in English, Portuguese, and Spanish. Visit <https://tinyurl.com/FRFundsSurvey> to take the survey before it closes on Friday, May 3rd, 2024.
