Cooling Center at Government Center

(FALL RIVER, MA- July 27th, 2023)- Mayor Paul E. Coogan will be opening an emergency cooling center at Government Center due to extreme heat. The cooling center will be open from 9:00 am until 2:30pm on Friday, July 28th.

The cooling center will be in the lobby of Government Center and can be accessed through the Third Street entrance.

Due to high temperatures in Fall River, we want to remind citizens to check in on family, friends and neighbors. Drink plenty of water, stay inside in a cool area and do not exert yourself if you have health conditions. Stay cool and safe. Please call the Mayor's office at 508-324-2600 with any questions.
