06. Proclamation – Recognizing Miss Fort Meade Pageant

Mayor McCutchen read the proclamations aloud and presented the FM Highschool Softball Team and Miss Fort Meade Pageant participants with their proclamations and thanked them for their efforts.

F. PUBLIC FORUM:

PUBLIC FORUM: Each person addressing the Commission shall sign in with the City Clerk no later than 6:35 PM. Persons shall step up to the microphone, shall give his/her name and address in an audible tone of voice for the record and, and unless further time is granted by the Commission, shall limit their address to the three (3) minutes. All remarks shall be addressed to the Commission as a body, and not to any member thereof. No person other than the members of the commission having the floor, shall be permitted to enter into any discussion, either directly or through the members of the commission.

Mr. Ben Speight, 613 NE 3rd St., Fort Meade stated that Mayor McCutchen is running a good show. Mr. Speight recommended that the commission use good judgement when electing a permanent city manager. Mr. Speight stated that the termination of Ms. Tracy Simmons was unfortunate and would like to see her brought back to her position with a raise.

Ms. Shayla Rylie, 425 S. French Ave., Fort Meade stated that 2 of the commissioners don't have the same goals and should consider resigning. Ms. Rylie requested the commission consider keeping Mr. Burke as city manager.

Mr. Gregory Ash 707 S French asked why the city is not passing for Mt. Pleasant Baptist Church to expand because of parking when they can park at neighboring properties.

Ms. Pam Clark Boyd, 830 Sherwood Dr., Fort Meade stated that people need to be aware of their surroundings in public when they are speaking ill of someone else and being disrespectful.

Ms. Tina Leach, 1825 Lakeside Dr., Fort Meade, stated that Mr. Burke has done an excellent job as interim and considering someone that has already been terminated from another city is a bad decision.

Ms. Wanda Whitehurst 805 S. Pine Ave, Fort Meade stated she is not impressed with the city manager candidates. The only thing that Mr. Burke doesn't have is the experience of the others but has shown to be doing a good job and he should have a contract.

G. APPROVAL OF MINUTES:

01. Minutes of May 14, 2024, Regular Commission Meeting.

Motion Commissioner Schaill, second Commissioner Watts to approve the minutes of the regular meeting of May 14, 2024.

Motion to approve Resolution R2024-45 passed by a unanimous vote of 5-0.

02. Resolution 2024-37 Enacting Temporary Lien Amnesty Program

Mr. Burke gave an overview of the Code Enforcement Lien Amnesty Program. Mr. Greg King went on to explain more about the program.

Commissioner Watts stated that he is concerned about forgiving hard costs that the taxpayers have incurred.

Vice Mayor Berrien stated that his reservations are the length of time suggested and that it is subjective, stating that they should all come back before the commission for approval. Vice Mayor Berrien stated that he does not agree with having the city manager or designee having the authority to approve the liens, stating there will be no accountability.

Commissioner Watts and Commissioner Schaill agreed that each case should come back before the commission for approval.

Mr. King explained further.

Mr. Burke stated this would clean up the liens, making it fair for all residents.

It was suggested that "designee" be stricken from the resolution and add a monthly report.

Attorney McWhorter reread the resolution with the recommended changes.

After much discussion, **Motion Vice Mayor Berrien, second Commissioner Williams to approve Resolution R2024-37 with the recommended changes.**

Motion to approve Resolution R2024-37 with the recommended changes passed by a vote of 3-2 with Commissioner Watts and Commissioner Schaill opposed.

STAFF REPORT
FOR MEETING OF JULY 9, 2024
AGENDA ITEM H-01

SUBJECT

Resolution 2024-57 Appointing Members to the Planning & Zoning Board

BACKGROUND

The City of Fort Meade commission passed Ordinance No. 2024-06 at the June 11, 2024, regular meeting, amending portions of Chapter 26, Article V, Part C of the code of ordinances changed the term and manner in which members of the Planning and Zoning Board are appointed.

The ordinance also terminated all members of the previous Planning and Zoning Board requiring the appointment of a new board. The initial term will end upon the first regular meeting of the city commission in January 2025, and not be counted against the number of consecutive terms each member is allowed to serve.

FISCAL IMPACT

There are no financial implications or compensation associated with these appointments.

RECOMMENDATION

Approve resolution appointing members to the Planning & Zoning Board.

CITY OF FORT MEADE, FLORIDA
STAFF REPORT
FOR COMMISSION MEETING OF JULY 9, 2024
AGENDA ITEM I-01

SUBJECT

Establish Tentative Millage Rate for Fiscal Year 2024/2025

BACKGROUND:

The attached form DR-420 provided by the Polk County Property Appraiser reflects a taxable property value of $202,536,594 for the Fiscal Year 2024/2025. This is an increase of $18,780,930, or 10.22%, from the prior year final valuation of $183,755,664.

Administration is proposing to set the tentative millage rate at 8.6306, which is the same Tentative millage rate approved the last three fiscal years. The millage rate set at tonight's meeting will be certified to the respective parties and will be used on the TRIM notices that will be mailed to taxpayers in August 2024, by the Polk County Property Appraiser's office. The TRIM notice provides taxpayers the proposed millage rate, corresponding tax amounts, and the public hearing dates. The Commission may choose to decrease the millage rate during the budget process and at the final budget hearing. However, if the Commission increases the millage rate during the budget process and at the final budget hearing, the City, at its expense, will be required to send new TRIM notices. This is cost-prohibitive, and the tentative millage rate set tonight should be considered a maximum.

The successor administration will work with the Commission to establish the final millage rate as the FY 2025 budget is completed.

Tonight, the Commission will also schedule the first and final public hearings to discuss the millage, budget, and capital improvement plan (CIP). Administration recommends the date of Tuesday, September 10, 2024, for the first public hearing. That date corresponds to the regular Commission meeting. The final public hearing will be a special called meeting and is proposed for two weeks later Tuesday, September 24, 2024. Both meetings would start no earlier than 6:00 PM. These hearings will provide an opportunity for the residents of Fort Meade to comment on the proposed millage rate, operating budget, and CIP.

FISCAL IMPACT/FUNDING SOURCE:

Anticipated general fund revenue of $1,748,030.

RECOMMENDATION:

1. Commission approval of 8.6306 as the Tentative Millage Rate for Fiscal Year 2024/2025.
2. Set September 10, 2024, at 6:00 PM as the first public hearing on the millage, budget, and CIP.
3. Set September 24, 2024, at 6:00 PM as the second and final public hearing on the millage, budget, and CIP.

CITY OF FORT MEADE, FLORIDA

RESOLUTION 2024-58

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT MEADE, FLORIDA, ESTABLISHING THE PROPOSED OPERATING MILLAGE RATE FOR FISCAL YEAR 2024/2025 AND SETTING PUBLIC HEARING DATES FOR THE MILLAGE RATE, BUDGET, AND CAPITAL IMPROVEMENT PLAN; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Fort Meade must establish a tentative millage rate for Fiscal Year 2024/2025 as required by Florida Statutes; and

WHEREAS, the Polk County Property Appraiser has provided the City with form DR-420 reflecting a taxable property value of $202,536,594 for Fiscal Year 2024/2025; and

WHEREAS, the City Commission has reviewed the taxable value supplied by the Property Appraiser and considered the staff report and recommendations regarding the tentative millage rate and public hearing dates.

WHEREAS, the provisions of Florida Statutes Section 200.065 require that within thirty-five (35) days of service of the Certification of Taxable Value upon a municipality, said municipality shall be required to furnish to the Property Appraiser of Polk County the proposed operating millage rate, the current year roll back rate, and the date, time and place at which a public hearing will be held to consider the tentative millage rates and tentative budget and final millage rates and final budget; and

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF THE CITY OF FORT MEADE:

Section 1. Recitals. The foregoing "**WHEREAS**" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption hereof.

Section 2. Proposed Operating Millage Rate. The proposed operating millage for the first public hearing is hereby declared to be 8.6306 mills, which is $8.6306 per $1,000.00 of assessed property within the City of Fort Meade. The proposed operating millage is 8.49% greater than the rolled-back rate.

Section 3. Rolled-Back Rate. The current year rolled-back rate computed pursuant to Section 200.065 Florida Statute, is 7.9550 mills which is $7.9950 per $1,000.00 of assessed property within the City.

Section 4. Proposed Hearing Dates. The first public hearing on the millage rate, budget, and Capital Improvement Plan is hereby set for Tuesday, September 10, 2024, at 6:00 PM. The first public hearing on the millage rate, budget, and Capital Improvement Plan is hereby set for Tuesday, September 24, 2024, at 6:00 PM.

Section 5. The City Manager and Deputy City Clerk are hereby authorized and directed to take all actions necessary to implement this resolution, including but not limited to, providing proper notice of the public hearings and submitting the tentative millage rate to the Polk County Property Appraiser.

Section 6. This Resolution shall become effective immediately upon its adoption.

CITY OF FORT MEADE, FLORIDA
STAFF REPORT
FOR MEETING OF JULY 9, 2024
AGENDA ITEM I-02

SUBJECT:

Consider Initial Stormwater Assessment Resolution No. R2024-55 – Preliminarily approving a tentative stormwater assessment roll.

BACKGROUND:

The City adopted Ordinance 14-10 establishing a stormwater management utility. Staff has prepared the stormwater assessment with a rate adjustment of 2.1% as in prior years.

Ordinance 14-10:

"(1) Stormwater Utility Fee Imposed; Equivalent Residential Unit Rate.

(a) *Fee Imposed.* There is hereby imposed a stormwater utility fee against all improved property in the City for services and facilities provided by the city's stormwater management system.

(b) *Scheduled ESU Rate.* The City hereby establishes an Equivalent Stormwater Unit Rate of $6.06 which shall be charged monthly on all developed real property in the City beginning October 1, 2014. The Equivalent Stormwater Rate shall increase effective each October 1 as follows: October 1, 2015, to $6.24 per month; October 1, 2016, to $6.43 per month; October 1, 2017, to $6.75 per month; October 1, 2018, to $7.09 per month; and October 1, 2019, to $7.44 per month.

(c) *Annual rate adjustment.* Effective with bills rendered on or after October 1, 2020 (Fiscal Year 2020), the city manager may adjust the monthly stormwater service fees or assessments to reflect changes in operating costs without further action by the city commission. Prior to implementation thereof, notice of such rate or assessment adjustments shall be promptly provided by the city manager to the city commission, and the City shall comply with all applicable notice requirements under general law. The city manager shall utilize the "price increase index" for major categories of utility operating costs which is annually adopted by the Florida Public Service Commission as required by Florida Statute. The rate adjustment shall be based upon the application of the index to the existing fees or assessments."

The City also adopted Ordinance No. 15-07, which provides that the imposition of a non-ad valorem assessment to fund the costs of planning, permitting, construction, operation, maintenance, and administration of the stormwater management system is a necessary method of collection.

A public hearing will be conducted by the City Commission on August 13, 2024, to consider imposition of the Stormwater Assessments and their collection pursuant to the Uniform Assessment Collection Act.

FISCAL IMPACT:

Anticipated funds to the Stormwater Fund of $239,468.46 for FY 2024-2025

RECOMMENDATION:

Approve Resolution R2024-55 Initial Stormwater Assessment.

CITY OF FORT MEADE, FLORIDA

RESOLUTION NO. R2024-55

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT MEADE, FLORIDA, RELATING TO THE PROVISION OF STORMWATER MANAGEMENT SERVICES IN THE CITY OF FORT MEADE, FLORIDA; ESTABLISHING THE PRELIMINARY STORMWATER ASSESSMENT RATE FOR STORMWATER MANAGEMENT SERVICES FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2024; DIRECTING THE PREPARATION OF AN ASSESSMENT ROLL; AUTHORIZING A PUBLIC HEARING AND DIRECTING THE PROVISION OF NOTICE THEREOF; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Commission is authorized to impose service assessments against Assessed Property located within the City for services, facilities and programs providing a special benefit to property located within the City, which includes the City's provision of stormwater management services; and

WHEREAS, the imposition of a Stormwater Service Assessment for stormwater management services, facilities, and programs each fiscal year is an equitable and efficient method of allocating and apportioning the Stormwater Management Service Assessed Cost among parcels of Assessed Property; and WHEREAS, the City Manager recommends approving the preliminary annual Stormwater assessment rate of $8.10 per month per ERU commencing October 1, 2024; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT MEADE, FLORIDA, AS FOLLOWS:

Section 1. **Recitals.** That the foregoing "WHEREAS" clauses are ratified and confirmed as being true and correct and are made a specific part of this Resolution.

Section 2. Findings, Intent and Need. In adopting this Initial Stormwater Resolution pursuant to Section 24-110 of the Code of Ordinances of the City of Fort Meade (the "Code"), the City Commission of the City of Fort Meade hereby makes the

following findings, intent, and need that (a) describe the stormwater improvement and/or stormwater management service proposed for funding from the proceeds of the stormwater assessments and stormwater fees; (b) estimate the capital cost and/or stormwater service cost; (c) describe with particularity the proposed method of apportioning the capital cost or stormwater service cost among the parcels of property located within the stormwater improvement area or stormwater service area, as applicable, such that the owner of any parcel of property can objectively determine the amount of the stormwater assessments, based upon its value, use or physical characteristics; and (d) include specific legislative findings that recognize the equity provided by the apportionment methodology and specific legislative findings that recognize the special benefit provided by the stormwater improvement or stormwater management service:

1. The City of Fort Meade is responsible for the ownership, maintenance and expansion of an existing municipal stormwater management system which has been developed over a number of years for the purpose of collection, storage, treatment and conveyance of stormwater.

2. The City finds that uncontrolled drainage and stormwater runoff has a significant adverse impact upon the health, safety and welfare of the city and its residents and properties for the following reasons:

(a) Impervious areas increase the volume and rate of stormwater runoff and allow less water to percolate into the soil, thereby decreasing groundwater recharge.

(b) Improperly managed stormwater runoff may increase the incidence and intensity of flooding, which endangers property and the welfare of town residents.

(c) Improperly channeled water increases the velocity of stormwater runoff and increases erosion and sedimentation.

(d) Stormwater runoff is capable of carrying pollutants into receiving water, thereby degrading water quality.

(e) The increase in nutrients, such as phosphorous and nitrogen, resulting from stormwater runoff accelerates eutrophication of receiving water bodies and adversely affects flora and fauna.

(f) Construction requiring the alteration of natural topography and removal of vegetation tends to increase erosion.

3. To deal with these matters, the City proposes to upgrade, improve, and continue operation and maintenance of all components of the City's stormwater system in accordance with state and federal requirements.

4. The City Commission bases its above findings on information and analysis received from the city manager and staff, from engineering and consultant reports, from the City's experience and history with stormwater issues, and from other sources.

5. The City of Fort Meade developed and adopted a citywide stormwater management plan.

6. The purpose of a stormwater management system is to protect, maintain, and enhance the immediate and long-term health, safety, and general welfare of the citizens of the City. To effectuate this purpose, this chapter has the following objectives:

(a) To create one or more stormwater utilities and adopt stormwater management fees sufficient to plan, construct, operate, and maintain stormwater management systems throughout the town.

(b) To protect, restore, and maintain the chemical, physical, and biological integrity of the lakes.

(c) To maintain or restore groundwater levels.

(d) To minimize erosion and sedimentation.

(e) To prevent damage from flooding.

7. Pursuant to the plan it will be necessary and essential to construct improvements and extensions to the existing system so that the collection, storage, treatment, and conveyance of stormwater within the City limits adequately protects the health, safety, and welfare of the citizens of Fort Meade.

8. Pursuant to the Clean Water Act requirements, the United States Environmental Protection Agency has established proposed rules for stormwater outfall permits.

9. It is necessary and essential that the City address various environmental issues that will further burden its infrastructure requirements.

10. Section 403.0893, Florida Statutes, authorizes the City to adopt a stormwater utility fee to conduct, operate and maintain the stormwater system.

11. The City previously established a stormwater management utility by ordinance in 1990, adopted a stormwater quality management ordinance in 1993, adopted a stormwater utility fee rate by resolution in 1990, and amended that fee by Ordinance 2014-10.

12. The City hired a stormwater fees and assessments consultant, GAI Consultants, Inc., that prepared a Stormwater Utility Rate Study for the City in May of 2012 (the "Study").

13. The Study provided for either utility charges or non-ad valorem assessments and recommended that the City modify its methodology for setting stormwater utility rates and that the City increase its stormwater utility rates.

14. In order to impose the non-ad valorem assessments, the City Commission adopted Ordinance No. 15-07 establishing the stormwater management non-ad valorem special assessment pursuant to Section 403.093, Fla. Stat.

15. Ordinance No. 15-07 was enacted following first and second reading at two separate City Commission meetings and only after a public hearing at the second reading.

16. The ordinance relating to stormwater management authorizes the imposition of non-ad valorem assessments against real property which is benefited by the City's stormwater management projects and services.

17. The ordinance relating to stormwater management provides that the imposition of a non-ad valorem assessment to fund the costs of planning, permitting, construction, operation, maintenance, and administration of, and land acquisition for, Fort Meade's stormwater management system is a necessary, equitable and efficient method of allocating and apportioning among, and collecting the costs for, the City's stormwater management system among parcels that are benefited thereby.

18. The City has developed a preliminary stormwater assessment roll which is incorporated by reference in this Initial Stormwater Resolution.

19. The preliminary stormwater assessment roll was timely submitted to the property appraiser and tax collector in accordance with the Uniform Collection Statute.

20. Upon the adoption of this Initial Stormwater Assessment Resolution determining the stormwater service cost and imposing stormwater service assessments and stormwater fees, the legislative determinations ascertained and declared by Section 24-110 are hereby confirmed, ratified, and implemented.

21. The special benefits provided by the stormwater management services and improvements to all assessed property located within the stormwater service area include, but are not limited to: (a) the provision of stormwater management services and the availability and use of facilities and improvements by the owners and occupants of the assessed property and safely detain, retain, convey and treat stormwater discharged from the assessed property; (b) stabilization of or increase of said assessed properties'

values; (c) increased safety and better access to the assessed property; (d) improved appearance; (e) rendering the assessed property more adaptable to a current or reasonably foreseeable new and higher use; (f) alleviation of the burdens caused by stormwater runoff and accumulation attendant with the use of the assessed property; and (g) fostering the enhancement of environmentally responsible use and enjoyment of the natural resources within the stormwater service area.

22. The City's stormwater management services and improvements are necessitated by the existence of impervious area. Accordingly, it is fair and reasonable to impose stormwater charges only against assessed property as set forth in the Ordinance and this Initial Stormwater Assessment Resolution.

23. The stormwater assessments authorized by Section 24-105, City Code, and this Initial Stormwater Assessment Resolution provide an equitable method of funding the stormwater service and improvement costs attributed to non-government property by fairly and reasonably allocating the stormwater service and improvements costs to specially benefitted non-government property that is assessed property classified on the basis of the stormwater burden expected to be generated by the physical characteristics and use of such property.

24. The City has determined not to set or levy any stormwater assessment fees against governmental property at this time.

25. Any shortfall in the expected proceeds from the Stormwater Assessments due to any reduction or assumption from payment of the Stormwater Assessments required by law or authorized by the Commission shall be supplemented by any legally available funds, or combination of such funds, and shall not be paid for by proceeds or funds derived from the Stormwater Assessments.

Section 3. Stormwater Service Area.

(A) The Commission hereby establishes the entire incorporated area of the City as the Stormwater Service Area.

(B) The Stormwater Utility shall provide Stormwater Management Services to all Developed Property within the Stormwater Service Area and shall construct such improvements as may be needed to maintain adequate service from time to time. All or any portion of the stormwater service cost and the cost of improvements necessary to maintain stormwater services may be funded from the proceeds of the stormwater assessments.

(C) The Stormwater Utility may also acquire and construct capital facilities to assist and facilitate the provision of Stormwater Management Services within the Stormwater Service Area.

Section 4. Imposition and Computation of Stormwater Service Assessments Against Non-Government Property.

(A) A Stormwater Service Assessment is hereby imposed against all non-Government Property that is Developed Property within the Stormwater Service Area. The Stormwater Service Cost attributable to non-Government Property shall be assessed against all Tax Parcels of non-Government Property that are Developed Property within the Stormwater Service Area at a rate of assessment based upon the special benefit accruing to such Developed Property from the City's provision of Stormwater Management Services, measured by the number of ESUs attributable to each Tax Parcel or classification of such non-Government Property.

(B) The Stormwater Service Assessment will be computed for each Tax Parcel of non-Government Property that is Developed Property located within the Stormwater Service Area by multiplying the number of ESUs attributable thereto by $8.10 per month (or $97.20 per year). Thus, the Equivalent Stormwater Unit Rate is hereby set at $8.10 per month per ESU.

Section 5. Imposition and Computation of Stormwater Fees Against Government Property. The City has determined to exercise its discretion to not levy or collect a stormwater fee against government-owned property at this time.

Section 6. Preliminary Approval of Stormwater Roll. The City Manager has caused to be prepared, the Stormwater Roll for the Stormwater Service Assessments in the manner provided in the City Code. A copy of this Initial Stormwater Resolution and

the Stormwater Roll for the Stormwater Service Assessment shall be maintained on file in the office of the City Clerk and open to public inspection and copying. The City Commission preliminarily approves the Stormwater Roll which is incorporated into this Resolution by reference.

Section 7. Method of Collection. The Stormwater Service Assessments shall be collected from all non-Government Assessed Property pursuant to the Uniform Assessment Collection Act as provided in Section 24-121 of the City Code.

Section 8. Classification of Tax Parcels. Each Tax Parcel located within the Stormwater Service Area shall be assigned to one of the following classifications: Single Family Residential or Non-Single Family Residential.

Section 9. Single Family Residential Parcels. The Commission hereby finds and determines as follows:

(A) Single Family Residential Parcels constitute a significant portion of properties located within the Stormwater Service Area.

(B) The cost of measuring or verifying the Impervious Area for each individual Single-Family Residential Parcel greatly exceeds any benefit to be derived from individual measurement and verification.

(C) The Building Footprint of each Single-Family Residential Parcel constitutes a reasonable proxy for Impervious Area. It has been determined that one ESU of Impervious Area equates to a Building Footprint of approximately 2,750 square feet.

Section 10. Non-Single Family Residential Parcels. The number of ESUs attributable to each Non-Single-Family Residential Parcel shall be determined by dividing the Impervious Area of the said Parcel by the ESU Value (2,750 square feet). The ESU value for each such parcel is reflected in the Preliminary Assessment Roll.

Section 11. Approval of Mitigation Policy. The Commission hereby adopts a mitigation policy that allows the Commission to grant mitigation credit in its sole discretion based upon the submission of substantial engineering evidence demonstrating that a credit should be granted.

Section 12. Public Hearing. A public hearing will be conducted by the Commission on August 13, 2024, at the City Commission Chambers, 8 W. Broadway Street, Fort Meade, Florida, at 6:00 p.m. to consider imposition of the Stormwater Service Assessments and their collection pursuant to the Uniform Assessment Collection Act.

Section 13. Notice by Publication. The City Manager shall publish a notice of the public hearing authorized by Section 11 hereof in the manner and the time provided in Section 24-114 of the City Code. The published notice shall be in substantially the form attached hereto as Exhibit A and shall be published no later than July 25, 2024.

Section 14. Notice By Mail. The City Manager shall, at the time and in the manner specified in Section 24-113 of the City Code, provide first class mailed notice of the public hearing authorized by Section 11 hereof to each property owner proposed to be charged at the address indicated on the Tax Roll. The mailed notice shall be in substantially the form attached hereto as Exhibit B and be mailed no later than July 25, 2024.

Section 15. Severability. The provisions of this Initial Stormwater Resolution are severable; and if any section, subsection, sentence, clause or provision is held invalid by any court of competent jurisdiction, the remaining provisions of this Initial Stormwater Resolution shall not be affected thereby.

Section 16. Effective Date. This resolution shall take effect immediately upon its adoption.

PASSED and APPROVED in regular session of the City Commission of the City of Fort Meade, Florida, this 9th day of July 2024.

NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS

Notice is hereby given that the City Commission of the City of Fort Meade, Florida, will conduct a public hearing to consider imposing Stormwater Service Assessments in the area receiving Stormwater Management Services from the City, as shown above. The Public Hearing will be held on August 13, 2024, at 6:00 p.m. or as soon thereafter as possible.

In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the City Clerk at (863) 285-1100 at least 72 hours prior to the date of the hearing. If hearing

impaired, telephone the Florida Relay Service Numbers, 850-435-1666 (TDD) or 850-435-1603 (Voice), for assistance. All affected property owners have a right to appear at the hearing and to file written objections with the City Commission. All written objections to the non-ad valorem assessments and fees must be filed with the City Commission of Fort Meade within twenty (20) days of this notice. Please include your name, parcel number, and the reason you object to the assessment on all written objections. Address all written objections as follows: **Director of Stormwater Department; Objections to Non-Ad Valorem Assessment**; 8 W. Broadway Street, Fort Meade, Florida 33841. Any person wishing to appeal any decision of the City Commission with respect to any matter considered will need a record of the proceedings and may wish to ensure that a verbatim record of the proceedings is made.

The Stormwater Service Assessments have been proposed to fund the City's cost to provide Stormwater Management Services in the area shown above. The Stormwater Service Assessments are based upon the estimated amount of stormwater runoff generated by impervious surfaces on the property. Impervious surfaces include the roof top, patios, driveways, parking lots and similar areas. The city has determined that the median single-family residence in the city includes 2,750 square feet of impervious surface, which is defined as the "equivalent stormwater unit value" or "ESU Value." The annual Stormwater Service Assessment rate for the upcoming Fiscal Year will be $97.20 for each ESU. It is estimated that the city will collect $239,468.46 from the Stormwater Service Assessments and Stormwater Fees for Fiscal Year 2024/2025

The Stormwater Service Assessments will be collected by the Polk County Tax Collector and failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property which may result in a loss of title to your property.

If you have any questions, please contact the Director of the Stormwater Department at 863-285-1100.

Dear City of Fort Meade Property Owner:

The past decade has brought increasing recognition of environmental and other problems associated with stormwater runoff from developed property, including degradation of our surface waters and standing water on our streets and other property. The City of Fort Meade (the "City") has actively pursued solutions to these problems by developing a comprehensive Stormwater Utility. In addition, the City's Comprehensive Plan and recent federal regulations mandate improvements to the City's stormwater management infrastructure. This will require additional expenditures both for capital facilities (land and structures) and operation and maintenance (for example, cleaning and correcting erosion problems in ditches and culverts).

As a result, the City Commission has enacted an ordinance to create a Stormwater Utility and provide dedicated funding sources for stormwater management. The City Commission has also adopted an Initial Stormwater Resolution, which identifies the area receiving stormwater management services from the City and specifically describes the method of determining the stormwater service assessment for each parcel of non-governmental property. It is estimated that the city will collect $239,468.46 from the Stormwater Service Assessments and Stormwater Fees for Fiscal Year 2024/2025. The area receiving stormwater management services from the City includes your property.

The Stormwater Service Assessments are based upon the estimated amount of stormwater runoff generated by impervious surface on the property. Impervious surfaces include the roof top, patios, driveways, parking lots and similar areas. The City has determined that the median single-family residence in the City includes 2,750 square feet of impervious surface, which is the value of one unit of "equivalent stormwater unit" or

"ESU Value." The annual Stormwater Service Assessment rate for the upcoming Fiscal Year and for future Fiscal Years will be $97.20for each ESU.

The number of Net ESUs on the above parcel is_____.
The Annual Stormwater Assessment for the above parcel for Fiscal Year _____ and future fiscal years is _____.

The City Commission will hold public hearing at 6:00 p.m. on August 13, 2024, in the City Commission Chambers, 8 W. Broadway Street, Fort Meade, Florida, to receive comments on the proposed Stormwater Service Assessments, including their collection on the ad valorem tax bill. You are invited to attend and participate in the hearing. You may also file written objections with the City Commission within twenty (20) days of the date of this notice. Please include your name, parcel number, and the reason for your objection on all written objections as follows: Director of Stormwater Department; Objections to Non-Ad Valorem Assessments; 8 West Broadway Street, Fort Meade, Florida 33841. If you decide to appeal any decision made by the City Commission with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record Is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the City Clerk at (863) 285-1100 at least 72 hours prior to the date of the hearing. If hearing impaired, telephone the Florida Relay Service Numbers, (850)435-1666 (TDD) or (850)435-1603 (Voice), for assistance.

Because the Stormwater Service Assessment will be collected by the Tax Collector of Polk County, pursuant to Chapter 197, Florida Statutes, failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property, which may result in a loss of title to your property.

If you have any questions regarding the number of ESUs assigned to your property or the amount of the Stormwater Service Assessment, please contact the Director of Stormwater Department by telephone at (863) 285-1100.

CITY OF FORT MEADE, FLORIDA
STAFF REPORT
FOR MEETING OF JULY 9, 2024
AGENDA ITEM I-03

SUBJECT:

Consider Initial Fire Protection Assessment Resolution No. 2024-56 – Preliminarily approving a tentative fire assessment roll.

BACKGROUND:

The City adopted Ordinance 09-09 establishing the Fire Protection non-ad valorem special assessment in 2009. The City adopted Resolution R17-08 imposing non-ad valorem assessments to fund the costs of planning, permitting, construction, operation, maintenance, and administration of, and land acquisition for, Fort Meade's fire protection service system which will continue from year to year until otherwise determined by the City Commission.

In early 2024, the city contracted Answer Advisory to conduct a rate study for the upcoming fire assessment.

A public hearing will be conducted by the Commission on August 13, 2024, to consider imposition of the Fire Protection Assessments and their collection pursuant to the Uniform Assessment Collection Act.

FISCAL IMPACT:

Anticipated funds to the Fire Fund of $703,277.22 for FY 2024-2025

RECOMMENDATION:

Approve Resolution R2024-56 Initial Fire Protection Assessment.

CITY OF FORT MEADE, FLORIDA

RESOLUTION NO. R2024-56

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT MEADE, FLORIDA, RELATING TO THE PROVISION OF FIRE PROTECTION SERVICES, FACILITIES, AND PROGRAMS IN THE CITY OF MIRAMAR, FLORIDA; ESTABLISHING THE ESTIMATED ASSESSMENT RATE FOR FIRE PROTECTION ASSESSMENTS FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2024; DIRECTING THE PREPARATION OF AN ASSESSMENT ROLL; AUTHORIZING A PUBLIC HEARING AND DIRECTING THE PROVISION OF NOTICE THEREOF; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Commission of the City of Fort Meade is authorized to impose and re-impose Fire Protection Assessments for fire protection services, facilities, and programs against Assessed Property located within the City; and

WHEREAS, the imposition of a Fire Protection Assessment for fire protection services, facilities, and programs each fiscal year is an equitable and efficient method of allocating and apportioning the Fire Protection Assessed Cost among parcels of Assessed Property; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT MEADE, FLORIDA, AS FOLLOWS:

Section 1. **Recitals.** That the foregoing "WHEREAS" clauses are ratified and confirmed as being true and correct and are made a specific part of this Resolution.

Section 2. Findings, Intent and Need; Legislative Determination of Special Benefit. In adopting this Initial Fire-Rescue Resolution pursuant to Section 10.5-5 of the Code of Ordinances of the City of Fort Meade (the "Code"), the City Commission of the City of Fort Meade hereby makes the following findings, intent, and need that (a) describe the Fire-Rescue service proposed for funding from the proceeds of the Fire Protection assessments; (b) estimate the Fire-Rescue service cost; (c) describe with particularity the

proposed method of apportioning the Fire-Rescue service cost among the parcels of property located within the Fire-Rescue service area, as applicable, such that the owner of any parcel of property can objectively determine the amount of the Fire Protection assessments, based upon its value, use or physical characteristics; and (d) include specific legislative findings that recognize the equity provided by the apportionment methodology and specific legislative findings that recognize the special benefit provided by the Fire-Rescue service:

1. The City of Fort Meade is responsible for provision of Fire Rescue Protection Services within the City.

2. Special assessments for fire-rescue services have been found valid by Florida Courts. *See Lake County v. Water Oak Management Corp.*, 695 So. 2d 667 (Fla. 1997); *South Trail Fire Control Dist. v. State*, 273 So. 2d 380 (Fla. 1973); *Fire Dist. No. 1 of Polk County v. Jenkins*, 221 So. 2d 740 (Fla. 1969); *City of North Lauderdale v. SMM Properties, Inc.*, 825 So. 2d 343 (Fla. 2002).

(B) It is hereby ascertained and declared that fire-rescue services provided by the city constitute special benefit to improved and unimproved real property based upon the following legislative determination that fire-rescue services are logically related to the ownership, use and enjoyment of real property by:

(1) protecting the value of the improvements and structures by providing and otherwise making available fire-rescue services;

(2) protecting unimproved property from brush and forest fires;

(3) protecting the life and safety of persons in the use and enjoyment of improvements and structures by providing and otherwise making available fire-rescue services;

(4) lowering the cost of fire insurance by the presence of a professional and comprehensive fire-rescue services within the city; and

(5) reducing the threat that fire on vacant property will spread and endanger structures and occupants on improved property.

3. The City hired a Fire Protection assessments consultant, GSG that prepared a study for the City in May 2017 (see City of Fort Meade, Florida Fire Assessment Memorandum, May 2017 incorporated herein by reference as the “Study”).

4. The Study provided for non-ad valorem assessments, and recommended that the City modify its methodology for setting Fire Protection Assessments.

5. In order to impose the non-ad valorem assessments, the City Commission adopted Ordinance No. 09-09 establishing the Fire Protection non-ad valorem special assessment pursuant to its home rule powers.

6. Ordinance No. 09-09 was enacted following first and second reading at two separate City Commission meetings and only after a public hearing at the second reading.

7. The ordinance relating to Fire-Rescue services authorizes the imposition of non-ad valorem assessments against real property which is benefited by the City's Fire-Rescue services.

8. The ordinance relating to Fire-Rescue services provides that the imposition of a non-ad valorem assessment to fund the costs of planning, permitting, construction, operation, maintenance, and administration of, and land acquisition for, Fort Meade's Fire-Rescue protection services is a necessary, equitable and efficient method of allocating and apportioning among, and collecting the costs for, the City's Fire-Rescue protection services among parcels that are benefited thereby.

9. The City adopted Resolution No. R17-08 on July 11, 2017, expressing its intention to use the Uniform Collection Statute and determining the need to levy assessments to fund the cost of fire protection services within the City.

10. The City has developed a preliminary Fire Protection assessment roll which is incorporated by reference in this Initial Fire Protection Assessment Resolution.

11. The preliminary Fire Protection assessment roll will be timely submitted to the property appraiser and tax collector in accordance with the Uniform Collection Statute.

12. Upon the adoption of this Initial Fire Protection Assessment Resolution determining the Fire-Rescue service cost and imposing Fire-Rescue Protection assessments, the legislative determinations ascertained and declared by Chapter 10.5 of the City Code are hereby confirmed, ratified, and implemented.

13. The special benefits provided by the Fire-Rescue Protection services to all assessed property located within the Fire-Rescue service area include, but are not limited to: (i) protecting the value and integrity of improvements, structures and land through the availability and provision of comprehensive fire protection services; (ii) protecting the life and safety of intended occupants in the use and enjoyment of property; (iii) lowering the cost of fire insurance by the presence of a professional and comprehensive fire protection program; and (iv) containing fire incidents occurring on land with the potential to spread and endanger other property and property features. The availability and provision of comprehensive fire protection services enhance and strengthen the relationship of such services to the use and enjoyment of the parcels of property, the market perception of the area and, ultimately, the property values within the assessable area.

14. The Residential Property Use Category includes such properties as single-family, multi-family, and mobile home dwelling units. Apportioning the assessed costs for fire protection services attributable to the residential property use category on a per dwelling unit basis is required to avoid cost inefficiency and unnecessary administration, and is a fair and reasonable method of parcel apportionment based upon historical demand for services.

The Non-Residential Property Use Category includes commercial, industrial/warehouse, and institutional property uses. The separation of the non-residential buildings by actual square footage is fair and reasonable for the purpose of parcel apportionment because the demand for fire protection services, fire flow, fire fighters, quantity and size of apparatus, and other special firefighting equipment is determined and measured by the actual square footage of structures and improvements within benefited parcels. Based upon the findings outlined in the Study, it is fair and reasonable to place a 66,020-square foot cap on square footage of non-residential structures.

15. The Fire Protection assessments authorized by Section 10.5-5, City Code, and this Initial Fire Protection Assessment Resolution provide an equitable method of funding the Fire-Rescue service costs attributed to non-government property by fairly and reasonably allocating the Fire-Rescue service costs to specially benefitted non-government property that is assessed property classified on the basis of the Fire Protection burden expected to be generated by the physical characteristics and use of such property.

16. The City has determined not to set or levy any Fire Protection Service Charges against governmental property at this time.

Institutional Property whose use is wholly exempt from ad valorem taxation under Florida law provides facilities and uses to their ownership, occupants, and membership as well as the public in general that otherwise might be requested or required to be provided by the City and such property uses serve a legitimate public purpose and provide a public benefit. Therefore, it is fair and reasonable not to impose Fire Protection Services Assessments upon Buildings located upon such parcels of Institutional Property whose Building Use is wholly exempt from ad valorem taxation under Florida law. Accordingly, no Fire Services Assessments shall be imposed upon Institutional Buildings located upon a parcel of Institutional Property whose Building Use is wholly exempt from ad valorem taxation under Florida law.

17. Any shortfall in the expected proceeds from the Fire Protection Assessments due to any reduction or assumption from payment of the Fire Protection Assessments required by law or authorized by the Commission shall be supplemented by any legally available funds, or combination of such funds, and shall not be paid for by proceeds or funds derived from the Fire Protection Assessments.

Section 3. Levy, Imposition and Computation of Fire-Rescue Service Assessments Against Non-Government Property. A Fire Protection Assessment is hereby imposed against all non-Government Property that is Developed Property within the Fire-Rescue Service Area. The Fire-Rescue Service Cost attributable to non-Government Property shall be assessed against all Tax Parcels of non-Government Property that are Developed Property within the Fire-Rescue Service Area at a rate of assessment based upon the special benefit accruing to such Developed Property from the City's provision of Fire-Rescue Services, as set forth in Exhibit "A" attached to and incorporated in this Resolution. The Fire Protection Service Assessment will be computed for each Tax Parcel of non-Government Property that is Developed Property located within the Fire-Rescue Service Area as set forth in said Exhibit "C."

Section 4. Levy, Imposition and Computation of Fire-Rescue Fees Against Government Property and Institutional Tax Exempt Buildings. The City has determined to exercise its discretion to not levy or collect a Fire Protection Service Charge against government-owned property at this time. The City has determined not to impose Fire Protection Services Assessments upon Buildings located upon such parcels of Institutional Property whose Building Use is wholly exempt from ad valorem taxation under Florida law.

Section 5. Preliminary Approval of Fire-Rescue Assessment Roll. The City Manager has caused to be prepared, the Fire Protection Assessment Roll for the Fire Protection Service Assessments in the manner provided in the City Code. A copy of this Initial Fire-Rescue Resolution and the Fire Protection Assessment Roll for the Fire Protection Service Assessment shall be maintained on file in the office of the City Clerk and open to public inspection and copying. The City Commission preliminarily approves

the Fire Protection Assessment Roll which is incorporated into this Resolution by reference.

Section 6. Method of Collection. The Fire Protection Service Assessments shall be collected from all non-Government Assessed Property pursuant to the Uniform Assessment Collection Act as provided in Section 10.5-12 of the City Code.

Section 7. Classification of Tax Parcels. Each Tax Parcel located within the Fire-Rescue Service Area shall be assigned to one of the following classifications: Single Family Residential, Multi-Family Residential, Commercial, Industrial/Warehouse, Institutional.

Section 8. Public Hearing. A public hearing will be conducted by the Commission on August 13, 2024, at the City Commission Chambers, 8 W. Broadway Street, Fort Meade, Florida, at 6:00 p.m. to consider imposition of the Fire Protection Assessments and their collection pursuant to the Uniform Assessment Collection Act.

Section 9. Notice by Publication. The City Manager shall publish a notice of the public hearing authorized by Section 7 hereof in the manner and the time provided in Section 10.5-6 of the City Code. The published notice shall be in substantially the form attached hereto as Exhibit “A”: and shall be published no later than July 19, 2023.

Section 10. Notice By Mail. The City Manager shall, at the time and in the manner specified in Section 10.5-7 of the City Code, provide first class mailed notice of the public hearing authorized by Section 7 hereof to each property owner proposed to be charged at the address indicated on the Tax Roll. The mailed notice shall be in substantially the form attached hereto as Exhibit “B” and be mailed no later than July 25, 2024.

Section 11. Severability. The provisions of this Initial Fire-Rescue Resolution are severable; and if any section, subsection, sentence, clause or provision is held invalid by any court of competent jurisdiction, the remaining provisions of this Initial Fire-Rescue Resolution shall not be affected thereby.

Section 11. Effective Date. This resolution shall take effect immediately upon its adoption.

PASSED and APPROVED on first reading in regular session of the City Commission of the City of Fort Meade, Florida, this 9th day of July 2024.

NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS

Notice is hereby given that the City Commission of the City of Fort Meade, Florida, will conduct a public hearing to consider imposing Fire Protection Service Assessments in the area receiving Fire-Rescue Management Services from the City, as shown above. The Public Hearing will be held on August 13, 2024, at 6:00 p.m. or as soon thereafter as possible.

In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the City Clerk at (863) 285-1100 at least 72 hours prior to the date of the hearing. If hearing impaired, telephone the Florida Relay Service Numbers, 850-435-1666 (TDD) or 850-435-1603 (Voice), f or assistance. All affected property owners have a right to appear at the hearing and to file written objections with the City Commission. All written objections to the non-ad valorem assessments and fees must be filed with the City Commission of Fort Meade within twenty (20) days of this notice. Please include your name, parcel number, and the reason you object to the assessment on all written objections. Address all written objections as follows: **City Manager; Objections to Non-ad. Valorem Assessment**; 8 W. Broadway Street, Fort Meade, Florida 33841. Any person wishing to appeal any decision of the City Commission with respect to any matter considered will need a record of the proceedings and may wish to ensure that a verbatim record of the proceedings is made.

The Fire Protection Assessments have been proposed to fund the City's cost to provide Fire-Rescue Protection Services in the area shown above. The Fire Protection Assessments are based upon the estimated amount of fire-rescue services provided by the city to each parcel. The City has determined that the services constitute special benefit to improved and unimproved real property based upon the following legislative determination that fire-rescue services are logically related to the ownership, use and enjoyment of real property. The proposed assessments are:

FY 2024-25 Fire Services Assessment Rates

Residential Property Use Category	Rate Per Dwelling Unit
Single Family Residential	$268.00
Multi-Family Residential	$202.00
Non-Residential Property Use Categories	**Rate Per Square Foot**
Commercial	$0.12
Industrial/Warehouse	$0.02
Institutional	$0.16

The Fire-Rescue Service Assessments will be collected by the Polk County Tax Collector and failure to pay the Fire Protection Assessment will cause a tax certificate to be issued against the assessed property which may result in a loss of title to your property. The total fire assessment revenue to be collected for the fire services special assessments for Fiscal Year 2024-25 within the city is estimated to be $703,277.22

If you have any questions, please contact the Director of the Fire-Rescue Department at 863-285-1100.

Dear City of Fort Meade Property Owner:

As required by Section 197.3632, Florida Statutes, and as directed by the City Commission pursuant to City Ordinance, notice is hereby given by the City of Fort Meade (the "City"), that the City will consider adopting a special assessment which may be levied on your property for fire protection services, facilities, and programs for the City's fiscal year commencing October 1, 2024. The total fire assessment revenue to be collected for the fire services special assessments for Fiscal Year 2024-25 within the city is estimated to be $703,277.22. The assessment is based on the classification of each parcel of assessed property and number of billing units contained within the specified Property Use Categories.

FY 2024-25 Fire Services Assessment Rates

Residential Property Use Category	Rate Per Dwelling Unit
Single Family Residential	$268.00
Multi-Family Residential	$202.00
Non-Residential Property Use Categories	**Rate Per Square Foot**
Commercial	$0.12
Industrial/Warehouse	$0.02
Institutional	$0.16

The number of units on the above parcel is 18005 units with a rate of $.02 per unit.

The Annual Fire Protection Assessment for the above parcel for Fiscal Year 2024-2025 is **$360.10.**

A hearing will be held at 6:00 p.m., or as soon thereafter as possible, on **August 13, 2024**, for the purpose of receiving public comment on the proposed assessments.

You and all other affected property owners have a right to appear at the hearing and to file written objections with the City Commission within 20 days of this notice. If you decide to appeal any decision made by the City Commission with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act of 1990, persons needing a special accommodation to participate in this proceeding should contact the City Clerk at (863) 285-1100 prior to the date of the hearing.

Unless proper steps are initiated in a court of competent jurisdiction to secure relief within 20 days from the date of City Commission action at the above hearing (including the method of apportionment, the rate of assessment and the imposition of assessments), such action shall be the final adjudication of the issues presented.

Copies of the Assessment Ordinance, the Initial Assessment Resolution initiating and imposing the fire services assessment, the preliminary assessment roll, and other documentation related to the proposed Fire Services Special Assessment are available for inspection at the City Clerk's office located at 8 W Broadway Street, Fort Meade, Florida.

Both the annual fire services assessment amount shown on this notice and the ad valorem taxes for the above parcel will be collected on the ad valorem tax bill mailed in November of each year the assessment is imposed. Failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title.

If there is a mistake on this notice, it will be corrected. If you have any questions regarding your fire services assessment, please contact the City at (863) 285-1100 between 8:00 a.m. and 5:00 p.m., Monday through Friday.

STAFF REPORT
FOR MEETING OF JULY 9, 2024
AGENDA ITEM I-04

SUBJECT:

During tonight's Commission meeting, the tentative millage rate for next fiscal year's Ad Valorem Taxes will be determined. As part of our budget process, the Commission will conduct a series of Budget Workshops to thoroughly review each City Department's budget request.

Workshop Details:

- **Dates:** Monday, August 5, 2024; Tuesday, August 6, 2024; Thursday, August 8, 2024; and Friday, August 9, 2024.
- **Time:** 2:00 PM each day.
- **Location:** Commission Chambers.

Expected Attendees:

- All Commission members
- City Manager
- City Clerk
- Budget and Financial Specialist
- Department Directors

These sessions are open to the public but held in a workshop setting. The purpose of these workshops is to engage the commissioners in understanding each department's objectives and the budget needs required to achieve them. Once the Commission has reviewed the departments' budgets, the final budget and corresponding millage can be established. Staff expects to produce a budget that aligns with the approved tentative millage.

CITY OF FORT MEADE, FLORIDA
STAFF REPORT
FOR COMMISSION MEETING OF JULY 9, 2024
AGENDA ITEM J-01

SUBJECT

Ordinance Establishing a Hardship Assistance Program for Fire Protection Assessments

BACKGROUND

The City of Fort Meade has implemented a Fire Protection Assessment program to fund fire-rescue services. While this program ensures adequate funding for essential services, the City Commission recognizes that some property owners may face economic hardship in paying the full assessment amount. To address this concern, staff has prepared an ordinance to establish a Hardship Assistance Program.

DISCUSSION

The proposed ordinance would amend Chapter 10.5 of the City Code to add Article V, establishing a Hardship Assistance Program for Fire Protection Assessments. Key features of the program include:

1. Eligibility Criteria:

- Applicant must be the property owner with a homestead exemption.
- Total household income must be at or below 50% of HUD's Income Limits.
- Property must be the applicant's permanent residence.

2. Application Process:

- Annual application required by August 1st.
- Applicants must provide proof of income and other relevant information.
- City Manager to review and determine eligibility within 15 days.

3. Assistance Provided:

- Qualified applicants pay the first $100 of the assessment.
- City pays the remainder of the assessment for qualified properties.

4. Funding:

- Shortfalls due to hardship assistance will be covered by legally available funds, not from Fire Protection Assessment proceeds.

5. Annual Renewal:

- Applicants must reapply each fiscal year.

FISCAL IMPACT

The fiscal impact will depend on the number of qualifying applicants. However, this impact would be offset by other legally available funds, ensuring that the Fire Protection Assessment fund remains whole.

STAFF RECOMMENDATION

Staff recommends that the City Commission approve the proposed ordinance establishing the Hardship Assistance Program for Fire Protection Assessments. This program will provide relief to low-income residents while maintaining the integrity of the Fire Protection Assessment program.

ALTERNATIVES

1. Approve the ordinance as presented.
2. Approve the ordinance with modifications.
3. Do not approve the ordinance and provide alternative direction to staff.

1. Proposed Ordinance No. 2024-13

CITY OF FORT MEADE, FLORIDA

ORDINANCE NO. 2024-XX

AN ORDINANCE OF THE CITY OF FORT MEADE, FLORIDA, AMENDING CHAPTER 10.5 OF THE CODE OF ORDINANCES; ESTABLISHING A HARDSHIP ASSISTANCE PROGRAM FOR FIRE PROTECTION ASSESSMENTS; PROVIDING FOR SEVERABILITY; PROVIDING FOR CODIFICATION; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Fort Meade has established a Fire Protection Assessment program; and

WHEREAS, the City Commission recognizes that certain property owners may experience economic hardship in paying the full amount of the Fire Protection Assessment; and

WHEREAS, the City Commission desires to establish a Hardship Assistance Program to provide relief to qualifying property owners;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FORT MEADE, FLORIDA:

SECTION 1. Chapter 10.5 of the Code of Ordinances of the City of Fort Meade is hereby amended to add Article V, which shall read as follows:

ARTICLE V. HARDSHIP ASSISTANCE PROGRAM

Sec. 10.5-18. Establishment of Hardship Assistance Program.

(a) There is hereby created a Hardship Assistance Program to assist residential property owners who meet the definition of Low-Income Persons as established herein with the financial burden created by the imposition of a Fire Protection Assessment.

(b) The City Manager is authorized to develop and implement procedures for the administration of the Hardship Assistance Program in accordance with this Article.

Sec. 10.5-19. Eligibility Criteria.

To qualify for the Hardship Assistance Program, an applicant must meet the following criteria:

(a) The applicant must be the owner of the residential property and shall be entitled to a homestead exemption pursuant to the requirements of Chapter 196, Florida Statutes.

(b) The total household income of all lawful occupants of the property shall be less than or equal to 50% of the current year's Income Limits Documentation System established by the U.S. Department of Housing and Urban Development, as adjusted for family size.

(c) The applicant shall have the present intent to maintain the residential property as their permanent residence throughout the remainder of the fiscal year for which the assessment is imposed.

Sec. 10.5-20. Application Process.

(a) Prior to August 1 of each year, the applicant shall file with the City Manager an application under oath demonstrating entitlement to hardship assistance.

(b) The application shall include:

(1) Names and addresses of all owners of the property;

(2) Property physical address and tax parcel ID number;

(3) Names of all occupants of the residential property, including all dependents, their ages, relationships, and employment status;

(4) Proof of total household income from all sources;

(5) Any other information deemed necessary by the City Manager to verify eligibility.

(c) The City Manager shall, within fifteen (15) days after the filing of such application, review the application and supporting data and make a determination of eligibility.

Sec. 10.5-21. Hardship Assistance.

(a) If deemed qualified for hardship assistance, the applicant shall be required to pay the first $185.00 of the Fire Protection Assessment imposed

on the qualified homesteaded property, and the City shall pay the remainder of the Fire Protection Assessment on said property.

(b) Any shortfall in the expected Fire Protection Assessment proceeds due to hardship assistance provided herein shall be supplemented by any legally available funds, or combination of such funds, and shall not be paid for by proceeds or funds derived from the Fire Protection Assessments.

Sec. 10.5-22. Annual Renewal.

Applicants must reapply for hardship assistance each fiscal year. Approval for hardship assistance in one year does not guarantee approval in subsequent years.

SECTION 2. Severability. If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions thereof.

SECTION 3. Codification. It is the intention of the City Commission that the provisions of this Ordinance shall become and be made a part of the Code of Ordinances of the City of Fort Meade; and that sections of this Ordinance may be renumbered or re-lettered and the word "ordinance" may be changed to "chapter," "section," "article," or such other appropriate word or phrase in order to accomplish such intentions.

SECTION 4. Effective Date. This Ordinance shall become effective immediately upon its passage and adoption according to law.

PASSED on first reading this ____ day of _____, 2024.

PASSED and ADOPTED on second reading this ____ day of _____, 2024.

STAFF REPORT
FOR COMMISSION MEETING OF JULY 9, 2024
AGENDA ITEM O-01

SUBJECT

Initial Announcement of Current Power Cost Adjustment (PCA) per Ordinance Section 24-155(5)c

BACKGROUND

- The City's electric utility adjusts the Power Cost Adjustment (PCA) charge periodically to recover bulk power supply costs.
- Ordinance Section 24-155(5)c states: "The resulting increase or decrease in the PCA made in accordance with subsection (5)b shall be announced at and included in the minutes of the first regular meeting of the city commission following implementation of each new PCA change."
- After consultation with the Deputy Clerk, it was determined that there is no record of this ordinance ever being followed.

CURRENT SITUATION

The current Power Cost Adjustment (PCA) charge is $0.0480 per kilowatt-hour (kWh), with the most recent change effective June 1, 2024.

This initial announcement is being made to establish the practice of including PCA changes in the meeting minutes and to bring the City into compliance with Ordinance Section 24-155(5)c.

ANNOUNCEMENT

The following statement shall be read verbatim into the minutes:

"Pursuant to Ordinance Section 24-155(5)c, the City Manager's Office hereby makes this initial announcement that the current Power Cost Adjustment (PCA) charge is $0.0480 per kilowatt-hour (kWh), with the most recent change effective June 1, 2024. This announcement is being made to establish the practice of including PCA changes in the City Commission meeting minutes and to bring the City into compliance with the ordinance."

RECOMMENDATION

No action required. This is an informational item to make the initial announcement of the current PCA, have the announcement read verbatim into the minutes as indicated in the "Announcement" section of this staff report, and establish compliance with Ordinance Section 24-155(5)c.

MEMORANDUM
Notification Memo #NM-24-001

To: City Commission, Customer Service Dept.
Electric Dept., Mr. Fred Hilliard
From: Dustin Burke, Interim City Manager
Date: March 21, 2024
Subject: Power Cost Adjustment Notification Memo

The purpose of this Notification Memo is to inform you about the current situation regarding the City's power cost adjustment and pending changes to customer's utility billing.

Background

The City of Fort Meade's power is supplied by the Florida Municipal Power Agency (FMPA) through various contracts and entitlements, including the All-Requirements Project (ARP), St. Lucie Project, and a supplemental capacity and energy agreement. Under the ARP Contract, the City has a Contract Rate of Delivery (CROD) of 9.009 MW.

Current Situation

According to the City's consultant, Tim Gerrish from Reef Energy, Fort Meade under-recovered power costs by $22,000 in February and $211,000 fiscal year-to-date. Although Bulk Power costs have decreased slightly from $92/MWh to $90/MWh during February, the current Bulk Power Cost Adjustment (BPCA) of $0.0380/kWh is insufficient to cover the City's costs.

Decision

To address the current under-recovery situation, Tim Gerrish recommended increasing the BPCA from $0.0380/kWh to $0.0420/kWh. The Interim City Manager's Office has decided to follow this recommendation to help the City recover the cost of power and minimize future under-recovery situations. The adjusted BPCA will be implemented effective February 1, 2024, and will be applied retroactively to the previous month's service.

This Notification Memo serves to keep the City Commission informed of the situation.

Danelle-

We under recovered for the month of February by $22k, down from an under recovery of $72k in January, bringing the fiscal year to date under recovery to $211k.

Bulk Power costs decreased slightly from $92/MWh to $90/MW during February. I anticipate that the Bulk Power costs will continue to decrease as natural gas prices have dropped below $2.00/MMBtu. Despite lower Bulk Power costs, I suggest increasing the BPCA from $.0380/kWh to $.0420/kWh to address the current under recovery situation.

Therefore, I recommend increasing the BPCA to $.0420/kWh.

If you have any questions, please let me know.

Regards,

Tim

MEMORANDUM

General Memo #GM-24-007

To: City Commission
From: Interim City Manager Dustin Burke
Date: April 12, 2024
Subject: Power Cost Adjustment Update for April 2024

The purpose of this Memo is to inform you about the current situation regarding the City's power cost adjustment and pending changes to customer's utility billing.

Background

The City of Fort Meade's power is supplied by the Florida Municipal Power Agency (FMPA) through various contracts and entitlements, including the All-Requirements Project (ARP), St. Lucie Project, and a supplemental capacity and energy agreement. Under the ARP Contract, the City has a Contract Rate of Delivery (CROD) of 9.009 MW.

Current Situation

According to the City's consultant, Tim Gerrish from Reef Energy, Fort Meade over-recovered power costs by $14,000 in March, reversing the $22,000 under-recovery in February. As a result, the fiscal year-to-date under-recovery has been reduced to $197,000. Bulk Power costs have decreased from $90/MWh to $76/MWh during March, and the current Bulk Power Cost Adjustment (BPCA) of $0.0420/kWh, which was implemented in February, has helped to reduce the under-recovery situation.

Decision

In light of the recent over-recovery and the decrease in Bulk Power costs, Tim Gerrish has recommended maintaining the BPCA at $0.0420/kWh for the upcoming month. This decision is expected to result in a slight monthly over-recovery, which will help further reduce the fiscal year-to-date under-recovery. The Interim City Manager's Office has decided to follow this recommendation to help the City recover the cost of power and minimize future under-recovery situations. The BPCA will remain at $0.0420/kWh effective April 1, 2024.

MEMORANDUM
General Memo #GM-24-037

To: City Commission; Electric Director Steve Doyle;
City Services Manager, Danelle Holder
FMPA Representative Fred Hillard
From: Interim City Manager Dustin Burke
Date: June 13, 2024
Subject: Power Cost Adjustment Notification Memo - Update

The purpose of this memo is to provide an update on the City's power cost adjustment situation and the decision made by the Interim City Manager's Office to address it.

Background

The City of Fort Meade's power is supplied by the Florida Municipal Power Agency (FMPA) through various contracts and entitlements. Under the ARP Contract, the City has a Contract Rate of Delivery (CROD) of 9.009 MW.

Current Situation

According to the City's consultant, Tim Gerrish from Reef Energy, Fort Meade under-recovered power costs by $40,000 in May, bringing the fiscal year-to-date under-recovery to $288,000. Bulk Power costs decreased from $83/MWh to $69/MWh for the month.

Despite the decrease in Bulk Power costs, there was a significant mismatch between the amount of energy purchased from FMPA (4,748,885 kWh) and the amount of energy sold to retail customers (2,968,171 kWh). This is believed to be a timing issue between the City's billing of retail customers and the City's billing for Bulk Power.

Decision

In light of the current situation, Tim Gerrish has recommended maintaining the Bulk Power Cost Adjustment (BPCA) at $0.0480/kWh. The expectation is that retail sales will catch up next month, resulting in an over-recovery situation. The Interim City Manager's Office has decided to follow this recommendation to help the City recover the cost of power and reduce the fiscal year-to-date under-recovery. The BPCA will remain at $0.0480/kWh effective June 1, 2024.
