AMENDED RETURNS

An amended return is necessary for any year in which an amended Federal return is filed or in which your Federal Tax liability has changed. An amended return must be filed within ninety days of the filing date of any amended Federal return and must include a copy of the amended Federal return.

EXTENSIONS

Extensions are granted on an automatic basis if a federal extension was obtained. Attach copy to return when filed. If possible, please submit a copy to us ASAP to avoid failure to file notices.

An extension of time to file does not give you an extension of time to pay. Interest and penalty will be assessed on any tax balance remaining due after the original due date.

The Ordinance makes no provision for extension on the current year's estimate, which must be filed and any amount due paid by the due date.
