General: Mechanical work shall not be started until the application for the permit has been filed with Gaines Charter Township. All installations shall be in conformance with the 2015 Michigan Mechanical Code. No work shall be concealed until it has been inspected. The telephone number for the inspector is 616 438-9076 . When ready for an inspection, call the inspector providing as much advance notice as possible. The inspector will need the job location and permit number . Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after the permit has been issued or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be CLOSED when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. CLOSED
