

HALSEY HAPPENINGS

Welcome New City Administrator, Briana Parra!

Welcome new City Administrator, Briana Parra! Briana began her role with the City in January and has been working diligently to get settled in and serve the Community.

Growing up in the mid-valley area, Briana shares the Community's love for small town life. Prior to her position as City Administrator in Halsey, she served in an administrative and project coordination role at the University of Oregon. She recently graduated with a master's degree in public administration and a M.S. in special education. Disability advocacy is a personal passion of Briana's, and in her spare time she teaches classes for adults experiencing disability. Outside of work, Briana enjoys gardening, hiking, fishing, and camping with family and friends.

The City is excited to add Briana to the team and we encourage you to stop in and give her a warm welcome.

Join us at 10:00am on Saturday, April 13th at Halsey Memorial Park to support the library! Entry is \$35 and all proceeds from this event will go towards our upcoming Summer Reading Program. Register online, at City Hall, or in the Library.

Utility Bill Assistance

Utility Assistance Funds through the Community Services Consortium (CSC) are once again available. Applications are available at regional offices or online during specific time frames and can be turned in or mailed to the local CSC Office at any point during the month. Please visit the CSC website or call 541-704-7632 for further details.

Scholarship Opportunity

Sweet Home Sanitation has established a scholarship to recognize a Central Linn High School graduating senior who has demonstrated commitment to excellence in the areas of leadership, community service, and academic achievement.

Additionally, recipient should have a strong desire to obtain a college education to meet their personal goals.

The scholarship award is \$1,000. Application deadline is April 2nd. Visit www.halseyor.gov for additional details.

Mayor's Corner

Well hello there everyone! Welcome to March. As we all can see, rain is back after the couple gorgeous days we had. Have you noticed that the flowers are starting to poke their heads up? Blooms inbound!

Our new City Administrator has been settling in nicely and has been doing a wonderful job. If you have not had a chance to meet Briana, I heartily urge you to do so. She is wonderful.

The Highway project is moving along. I hope you are enjoying seeing the progress as well. The annual Library 5k is coming up... check out our Facebook page, the City website and at the Library to find out more. Have you started your gardens?

I would love to hear what you are planting this year. I puttered around with our raised bed gardens the other day and am getting ready to plant my carrots and peppers.

We have budget committee positions open. If you are interested stop by City Hall and ask about an application. It is incredibly enlightening.

So what's new and exciting with you all? I would love to hear. Shoot me an email at mayor@halseyor.gov and let me know. As always, I remain your Mayor, the City Council and I work for you. If you need anything let me know. Have a great March, -Mayor Jerry

Library Storytime & Craft Day!

Join us at the library at 12:00pm on Saturday, March 23rd for storytime and crafts. All ages are welcome. Snacks will be provided!

Help Wanted!

Do you understand how your tax dollars are spent? Would you like to have a voice in which priorities and projects get funded next year? This is your chance! The City is looking for citizens that are willing to serve as volunteer Budget Committee Members.

Budget Committee Members are appointed by the City Council and serve for a 3-year term. Applications for the Budget Committee can be picked up at City Hall or found on the City website. Applications must be received by Wednesday, March 6th to be appointed in time to serve for the coming budget season.

Questions? Please contact City Hall at 541-369-2522
