### **OWNER/LESSOR**

When your tenant gives us a stop service order, we will plan to read the meter and shut off the water to the property unless you notify us to transfer the services back into your name. The city will attempt to collect any unpaid balance from your tenant. Please be aware that if your tenant leaves an unpaid balance on their account, the responsibility reverts to the property owner. For this reason, you may want to contact the city to verify that the tenant's balance has been paid prior to refunding any rental deposits to the tenant.

\*\*Please transfer water service back into my name automatically when my tenant moves out. I understand I will begin accruing fees on that date. \_\_\_\_\_ (initial)

.....

**Deposits are required in accordance with the City of Halsey Fee Schedule.** Property owners will have their deposit refund credited to their account after 12 months provided their account has not been delinquent. Renter's deposits will be refunded after the account has been closed and any outstanding balances have been paid.

### **\*\* TO DISCONTINUE UTILITY SERVICES\*\***

**Stop Service Orders** are required by all Renter/Lessee and/or Owner/Lessor and are available online at [www.cityofhalsey.com](http://www.cityofhalsey.com). All Stop Service Orders must be received by the City at least 2 working days prior to vacating the property. Failure to submit a Stop Service Order prior to moving out may result in additional charges to the account.

I understand that it is my responsibility to notify City Hall of any changes in contact information. I understand that any fees or shutoffs that occur because I failed to notify City Hall of any changes in contact information are my responsibility.

**Privacy: The City of Halsey cannot give account information to anyone not listed on the account. Please make sure all authorized people are listed on this application.**

I have read and understand the above information **and** the City of Halsey's Utility Rates Memo dated July 2019 and agree to the terms set forth in the Memo.
