Morgan Stanley, Morgan Stanley Alliance for Children's Mental Health	Alliance for Children's Mental Health	The Morgan Stanley Alliance for Children's Mental Health Innovation Awards initiative aims to identify and fund mental healthcare solutions for children and young adults across the U.S. This program specifically addresses the lack of both private and public investment in children's mental health and offers effective ways to connect innovative ideas with capital through seed funding, networking and capacity building opportunities.	https://www.morganstanley.com/about-us/giving-back/childrens-mental-health-awards-faq	\$100,000	Nonprofit	Rolling	Adolescent Health, Behavioral Health, Equity, Children, Access to Care
Ohio's Children's Foundation		The purpose of this program is to improve the physical and mental health and welfare of children ages five and under. Of particular interest to the funding agency are children and their families whose circumstances make them vulnerable, at-risk, or unlikely to receive services outside of this program. The funding agency is primarily interested in children ages zero to five. Funding will support projects in the following categories: School readiness: improving kindergarten readiness by addressing a wide range of deficiencies, whether they be cognitive-, or health-related, prior to a child's entering the school environment Advocacy and collaboration: building community awareness, encouraging citizen involvement, and advocating for policy and legislative changes that have the potential to positively impact the lives of children The funding agency looks for projects that: Understand the importance of early brain and language development, Enable children to develop the physical and skills, as well as the confidence that will ensure a better start in life Provide parents with tools to talk and read with their children from the day they are born, Minimize the toxic stress that impairs the potential of children to thrive, Advocate for public policies that expand the provision of high-quality early childhood education in neighborhoods and communities.	https://www.ohiochildrensfoundation.org/grant-requests/	\$30,000	Unrestricted	Rolling	Community Conditions, Behavioral Health, Adolescent Health, Children, Families, Education
Peoples Bank Foundation		Peoples Bank has strong roots in the states that comprise our footprint – Ohio, West Virginia, Kentucky, Virginia, Washington D.C. and Maryland and it's where our charitable giving is focused. In large and small communities alike, we assist organizations that are seeking to improve the quality of life for individuals and families. Foundation contributions are given to all segments of our community to foster a lasting impact and we continue to increase our support of local programs that help low- to moderate-income individuals and families. If your organization serves your community in the area of Human Services, Arts and Culture, Youth and Education, Economic Development or the Environment, we'd love to hear about your work.	https://www.peoplesbankcorp.com/about-us/commitment-to-communities/grant-application/	Varies	Nonprofit	Rolling	Children, Economic Stability, Education, Environmental

Target	Public Safety Grants (Select Areas)	The purpose of this program is to support crime prevention, community safety, and youth engagement initiatives proposed by nonprofit organizations, public schools, and law enforcement or fire foundations. The program provides public safety-focused funding to create safe and secure neighborhoods in the communities within 100 miles of Target stores or distribution centers. Projects should focus on public safety efforts, such as: •Community safety initiatives and projects, including bike helmet, car seat safety, or child identification events •Community engagement efforts, such as the production of educational materials, "stranger danger" events, and media safety events •Youth projects that strengthen communities by fostering relationships between youth and public safety partners, such as classroom to careers, after-school/summer programs, mentoring activities, and back-to-school shopping	https://corporate.target.com/sustainability-esg/community-engagement/grants	Varies	City Govt., Township Govt., Special Dist. Govt., County Govt., School District, Nonprofit	Rolling	Education, Training, Children, Adolescent Health, Families
The Tony Robbins Foundation		The purpose of this program is to support nonprofit organizations with projects that align with the funding agency's mission to empower individuals and organizations to make a significant difference in the quality of life of those often forgotten. The intention of this program is to create positive changes in the lives of youth, seniors, the hungry, the homeless, and the imprisoned population, all of whom need a boost envisioning a happier and deeply satisfying way of life.	https://www.thetonyrobbinsfoundation.org/support/grants/	Varies	Nonprofit	Rolling	Children, Aging, Homelessness, Healthy Living, Poverty, Reentry

Equity

Robert Wood Johnson Foundation	Exploring the Future to Build a Culture of Health	The purpose of this program is to support unconventional approaches and breakthrough ideas that can help lead the way to a future where everyone in the United States can live their healthiest life possible.	https://www.rwjf.org/en/grants/active-funding-opportunities/2020/pioneering-ideas-submission.html	\$500,000	State Govt., City Govt., County Govt., School District, Nonprofit	Rolling	Advocacy, Equity, Health Disparities, Healthy Living, Workforce, Poverty
--------------------------------	---	--	---	-----------	---	---------	--

Healthy Living

ACME Foundation Grants		The ACME Markets Foundation, part of the larger Albertsons Companies Foundation, provides grant funding to nonprofit organizations that strengthen the neighborhoods where ACME operates. Its mission centers on bettering the lives of people in local communities by addressing essential needs and fostering inclusion. The Foundation's philanthropic priorities reflect a commitment to supporting community-based programs that have a tangible impact on residents' well-being, especially within the geographic footprint of its stores and service areas.	http://acmemarketsfoundation.org/get-funded/	Varies	Nonprofit	Rolling	Children, Education, Determinates of Health, Healthy Living, Veteran
J J Watt Foundation		To provide after-school opportunities for children in the community to become involved in athletics, so that they may learn the basic character traits of accountability, teamwork, leadership, work ethic, and perseverance while in a safe and supervised environment with their peers.	https://jjwfoundation.org/request-funds/	Varies	Other, Nonprofit, School District	Rolling	Adolescent Health, Healthy Living
Mark Wahlberg Youth Foundation		The mission of the Mark Wahlberg Youth Foundation is to improve the quality of life for inner city youth through a working partnership with other youth organizations. The Mark Wahlberg Youth Foundation provides financial and community support to assist in making the dreams and ultimate potential of inner city youth become a reality.	https://www.markwahlbergyouthfoundation.org/	Varies	Nonprofit	Rolling	Children, Health, Healthy Living
Norfolk Southern	Safety First Grant Program Thriving Communities Grant Program	The purpose of this program is to promote overall community safety across the funding agency's network by supporting eligible nonprofit organizations and government entities that directly provide safety services or operate programs that promote safe behavior. This program is intended to support first responders and organizations that work to prevent and prepare for emergencies and ensure that community members get home safely each day.	https://www.norfolksouthern.com/en/commitments/in-your-community/corporate-giving/grant-programs	Varies	State Govt., City Govt., Township Govt., Special Dist. Govt., County Govt., School District, Nonprofit	Rolling	Awareness, Education, Preparedness, Hazard Mitigation, Workforce, Healthy Drinking Water, Behavioral Health, Healthy Living, Equity, Social Determinants of Health

	Truth Initiative	Tobacco/Vape-Free College Program	The purpose of this program is to engage and mobilize students and to create support among faculty, staff, and administration to adopt and implement a 100 percent tobacco/vape-free policy at colleges and universities. Support will also be provided to strengthen an institution's 100 percent smoke-free or tobacco-free policy by adding e-cigarettes. Policies must be college-wide and affect all campuses, and should be adopted by June 2025. Creating an implementation and enforcement plan is strongly recommended, and for award recipients that adopt a policy within the project period, efforts for the remaining project period should focus on policy implementation, enforcement, and compliance.	https://truthinitiative.org/tobacco-vape-free-college-program	\$20,000	Higher Edu.	Rolling	Education, Tobacco/Nicotine Use
Housing								
	Federal Home Loan Bank (FHLBank) of Cincinnati	Community Investment Program (CIP)	The purpose of this program is to encourage involvement in housing and economic development projects. Bethesda	Bi3	Bi3 funds forward-looking health and healthcare solutions that have the ability to jump-start and scale new approaches to improve community health. Our aim is to achieve health through measurable improvements in health and reductions in health disparities. We award grants to 501(c) not-for-profit organizations located in the Greater Cincinnati area, including Hamilton, Butler, Clermont, Highland and Warren Counties in Ohio; Campbell, Boone and Kenton Counties in Kentucky; and Dearborn County in Indiana. Our priorities build upon past successes by focusing on our key funding areas: Improving maternal, infant and young child health; Responding to unmet community health needs; Fueling innovation and systems change.	https://bi3.org/how-we-fund/	Varies	Cincinnati area, including Hamilton, Butler, Clermont, Highland and Warren Counties	Rolling	Community Condition, Access to Care, Maternal Health, Children, Adolescent Health, Families, Healthy Living
CareSource	Community Grants Signature Grants	Nonprofits that are working to eliminate poverty, provide much-needed services to low-and moderate-income families, encourage healthy communities, develop innovative approaches to address critical health issues, and enhance the lives of a diverse array of children, adults and families. We are so proud of our partnerships and ultimately, of the impact we are able to make together. We are Health Care with Heart® Community Grants are responsive grants strategically aligned with our focus areas and have a direct impact on the local needs of the states we serve. These grants are awarded year-round for a one-year period by CareSource Foundation committees established in each market. Amounts vary, but they are generally \$50,000 or less. Signature Grants are strategic, targeted programs that produce a long-term, large-scale impact. These grants may last for a single year or multiple years. Amounts vary, but depending on the size of the grant request, it may require approval by the CareSource Foundation Board of Trustees. Please allow adequate time between the time you apply and when a decision will be made.	https://www.caresource.com/about-us/caresource-foundation/program-areas/	Varies	Unrestricted	Rolling	Poverty, Housing, Community Conditions, Families, Children, Adolescent Health, Families, Nutrition, Healthy Living,
Cigna	Healthier Kids for Our Future: Mental Health Grant	The purpose of this program is to supplement existing mental health programming and help close gaps both inside and outside of the school environment to address loneliness, anxiety, depression, and suicide prevention. Funding will be provided for efforts that foster collaboration between stakeholders, including school administrators and teachers, clinicians, and local and national nonprofit organizations, to address mental health and emotional well-being challenges for children.	https://www.cigna.com/about-us/corporate-responsibility/healthier-kids-for-our-future/mental-health-grant	Varies	Nonprofit	Rolling	Adolescent Health, Access to Care, Behavioral Health, Children, Community Conditions, Education, Families, Determinants of Health, Suicide
