

APPENDIX A - LOCAL WATERFRONT REVITALIZATION PROGRAM CONSISTENCY REVIEW LAW

TOWN OF HURON
Local Law No. of the Year 2016
A Local Law to Provide for
Waterfront Revitalization and Consistency Review

Be it enacted by the Town Board of the Town of Huron as follows:

1. Short Title. This law may be referred to as the "Town of Huron Local Waterfront Revitalization Program (LWRP) Consistency Review Law."
2. Authority and Purpose.
 - a. This law is adopted under the authority of the Municipal Home Rule Law and the Waterfront Revitalization of Coastal Areas and Inland Waterways Act of the State of New York (Article 42 of the Executive Law).
 - b. The purpose of this law is to provide a framework for the agencies of the Town of Huron to incorporate the policies and purposes contained in the Town of Huron Local Waterfront Revitalization Program (LWRP) when reviewing applications for actions or direct agency actions located within the waterfront area; and to ensure that such actions and direct actions undertaken by Town agencies are consistent with the LWRP policies and purposes.
 - c. It is the intention of the Town that the preservation, enhancement, and utilization of the natural and manmade resources of the waterfront area of the Town occur in a coordinated and comprehensive manner to ensure a proper balance between protection of natural resources and the need to accommodate growth and economic development. Accordingly, this law is intended to achieve such a balance, permitting the beneficial use of waterfront resources while preventing: loss and degradation of living waterfront resources and wildlife; adverse impacts to historic structures; diminution of open space areas or public access to the waterfront; disruption of natural waterfront processes; impairment of scenic, cultural or historical resources; losses due to flooding, erosion and sedimentation; impairment of water quality; or permanent adverse changes to ecological systems.

- d. The substantive provisions of this law shall only apply while there is in existence a Town of Huron Local Waterfront Revitalization Program that has been adopted in accordance with Part 42 of the Executive Law of the State of New York.

3. Definitions.

- a. "Actions" include all the following, except minor actions:
 - i. projects or physical activities, such as construction or any other activities that may affect natural, manmade or other resources in the waterfront area or the environment by changing the use, appearance or condition of any resource or structure, that:
 - 1. are directly undertaken by an agency; or
 - 2. involve funding by an agency; or
 - 3. require one or more new or modified approvals, permits, or review from an agency or agencies;
 - ii. agency planning and policymaking activities that may affect the environment and commit the agency to a definite course of future decisions;
 - iii. adoption of agency rules, regulations and procedures, including local laws, codes, ordinances, executive orders and resolutions that may affect waterfront resources or the environment; and
 - iv. any combination of the above.
- b. "Agency" means any board, agency, department, office, other body, or officer of the Town of Huron.
- c. "Building Inspector" means the Building Inspector of the Town of Huron.
- d. "Consistent" means that the action will fully comply with the LWRP policy standards, conditions and objectives and, whenever practicable, will advance one or more of them.
- e. "Direct Actions" mean actions planned and proposed for implementation by an applicant or agency, such as, but not limited

to, a capital project, rulemaking, procedure making and policy making.

- f. "Environment" means the physical conditions that will be affected by a proposed action, including land, air, water, minerals, flora, fauna, noise, resources of agricultural, archeological, historic or aesthetic significance, existing patterns of population concentration, distribution or growth, existing community or neighborhood character, and human health.
- g. "Local Waterfront Revitalization Program" or "LWRP" means the Local Waterfront Revitalization Program of the Town of Huron, approved by the Secretary of State pursuant to the Waterfront Revitalization of Coastal Areas and Inland Waterways Act (Executive Law, Part 42), a copy of which is on file in the Office of the Town Clerk of the Town of Huron.
- h. "Minor actions" include the following actions, which are not subject to review under this law:
 - i. repaving or widening of existing paved highways not involving the addition of new travel lanes;
 - ii. street openings and right-of-way openings for the purpose of repair or maintenance of existing utility facilities;
 - iii. maintenance of existing landscaping or natural growth, except where threatened or endangered species of plants or animals are affected, or within Significant Coastal Fish and Wildlife Habitat areas;
 - iv. granting of individual setback and lot line variances, except in relation to a regulated natural feature or a bulkhead or other shoreline erosion protection structures;
 - v. minor temporary uses of land having negligible or no permanent impact on waterfront resources or the environment;
 - vi. installation of traffic control devices on existing streets, roads and highways;
 - vii. mapping of existing roads, streets, highways, natural resources, land uses and ownership patterns;

- viii. information collection including basic data collection and research, water quality and pollution studies, traffic counts, engineering studies, surveys, subsurface investigations and soils studies that do not commit the agency to undertake, fund or approve any action;
- ix. official acts of a ministerial nature involving no exercise of discretion, including building, coastal erosion and dock permits where issuance is predicated solely on the applicant's compliance or noncompliance with the relevant code;
- x. routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment;
- xi. conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action;
- xii. collective bargaining activities;
- xiii. investments by or on behalf of agencies or pension or retirement systems, or refinancing existing debt;
- xiv. inspections and licensing activities relating to the qualifications of individuals or businesses to engage in their business or profession;
- xv. purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, storage of road de-icing substances, or other hazardous materials;
- xvi. adoption of regulations, policies, procedures and local legislative decisions in furtherance of any action on this list;
- xvii. engaging in review of any law of an application to determine compliance with technical requirements, provided that no such determination entitles or permits the project sponsor to

commence the action unless and until all requirements of this law have been fulfilled;

- xviii. civil or criminal enforcement proceedings, whether administrative or judicial, including a particular course of action specifically required to be undertaken pursuant to a judgment or order, or the exercise of prosecutorial discretion;
- xix. adoption of a moratorium on land development or construction;
- xx. interpreting an existing code, rule or regulation;
- xxi. emergency actions that are immediately necessary on a limited and temporary basis for the protection or preservation of life, health, property or natural resources, provided that such actions are directly related to the emergency and are performed to cause the least change or disturbance, practicable under the circumstances, to waterfront resources or the environment. Any decision to fund, approve or directly undertake other activities after the emergency has expired is fully subject to the review procedures of this law;
- xxii. local legislative decisions such as rezoning where the Town determines the action will not be approved.

- i. "Town" shall mean the Town of Huron.
- j. "Waterfront area" means that portion of Coastal Area as defined in Part 42 of the Executive Law that is located within the boundaries of the Town of Huron, as shown on the coastal area map on file in the office of the Secretary of State, and as delineated in the Town of Huron Local Waterfront Revitalization Program (LWRP).
- k. "Waterfront Assessment Form" (WAF) means the form used by an agency to assist in determining the consistency of an action with the Local Waterfront Revitalization Program. A copy of the WAF is attached to this law as Appendix A.

4. Management and Coordination of the LWRP.

- a. The Building Inspector shall be responsible for coordinating review of actions in the Town's waterfront area for consistency with the LWRP, and will advise, assist and make consistency recommendations to other Town agencies in the implementation of

the LWRP, its policies and projects, including physical, legislative, regulatory, administrative, and other actions included in the program.

- b. The Building Inspector shall coordinate with the New York State Department of State regarding consistency review of actions by Federal agencies and with State agencies regarding consistency review of their actions.
- c. The Building Inspector shall assist the Town Board in making applications for funding from State, Federal, or other sources to finance projects under the LWRP.
- d. The Building Inspector shall perform other functions regarding the waterfront area and direct such actions or projects as the Town Board may deem appropriate, to implement the LWRP.

5. Review of Actions.

- a. Whenever a proposed action is located within the Town's waterfront area, each Town agency shall, prior to approving, funding or undertaking the action, make a determination that it is consistent with the LWRP policy standards summarized in subdivision i of this section. No action in the waterfront area shall be approved, funded or undertaken by that agency without such a determination of consistency.
- b. Whenever a Town agency receives an application for approval or funding of an action, or as early as possible in the agency's formulation of a direct action to be located in the waterfront area, the agency shall refer a copy of the completed WAF to the Building Inspector within ten (10) days of its receipt. Prior to making its consistency determination, the agency shall consider the recommendation of the Building Inspector with reference to the consistency of the proposed action.
- c. After referral from an agency, the Building Inspector shall consider whether the proposed action is consistent with the LWRP policy standards set forth in subdivision i of this section.
 - i. The Building Inspector shall require the applicant to submit all completed applications, WAFs, Environmental Assessment Form (EAFs), and any other information deemed necessary to its consistency recommendation.

- ii. The Building Inspector shall render its written recommendation to the agency within thirty (30) days following referral of the WAF from the agency, unless extended by mutual agreement of the Building Inspector, the agency, and the applicant or in the case of a direct action, the agency.
 - iii. The Building Inspector's recommendation shall indicate whether the proposed action is consistent with or inconsistent with one or more of the LWRP policy standards and shall elaborate in writing the basis for its opinion.
 - iv. The Building Inspector shall, along with a consistency recommendation, make any suggestions to the agency concerning modification of the proposed action, including the imposition of conditions, to make it consistent with LWRP policy standards or to greater advance them.
 - v. In the event that the Building Inspector's recommendation is not rendered within the specified time, the agency shall make its consistency decision without the benefit of the Building Inspector's recommendation.
 - vi. The Town shall maintain a file for each action made the subject of a consistency determination, including any recommendations received from the Building Inspector. Such file shall be kept on file by the Building Inspector and made available for public inspection upon request.
- d. If an action requires approval of more than one Town agency, decisionmaking will be coordinated between the agencies to determine which agency will conduct the consistency review, and that agency will thereafter act as designated consistency review agency. Only one WAF per action will be prepared. If the agencies cannot agree, the Town Board shall designate the consistency review agency.
- e. Upon receipt of the Building Inspector's recommendation, the agency shall consider whether the proposed action is consistent with the LWRP policy standards summarized in subdivision i of this section. The agency shall consider the Building Inspector's consistency recommendation, the WAF, and other relevant information in making its written determination of consistency. No approval or decision shall be issued for an action in the waterfront

area without a written determination of consistency having first been rendered by a Town agency.

- f. The Zoning Board of Appeals is the designated agency for the determination of consistency for zoning variance applications subject to this law. The Zoning Board of Appeals shall consider the written consistency recommendation of the Building Inspector in the event and at the time it makes a decision to grant such a variance and shall impose appropriate conditions on the variance to make the activity consistent with the objectives of this law.
- g. Where an Environmental Impact Statement (EIS) is being prepared or required, the draft EIS must identify applicable LWRP policies standards in subdivision i. of this section, and include a discussion of the effects of the proposed action on such policy standards.
- h. In the event the Building Inspector's recommendation is that the action is inconsistent with the LWRP, and the agency makes a contrary determination of consistency, the agency shall elaborate in writing the basis for its disagreement with the recommendation and state the manner and extent to which the action is consistent with the LWRP policy standards.
- i. Actions to be undertaken within the waterfront area shall be evaluated for consistency in accordance with the following summary of LWRP policy standards, which are derived from and further explained and described in Section III of the Town of Huron LWRP, a copy of which is on file in the Town Clerk's office and available for inspection during normal business hours. Agencies which undertake direct actions must also consult with Section IV of the Town of Huron LWRP in making their consistency determination. The action must be consistent with the policies to:
 - i. Foster a pattern of development in the Town of Huron that enhances community character, preserves open space, makes efficient use of the infrastructure, makes beneficial use of a waterfront location, and minimizes adverse effects of development (LWRP Policy 1).
 - ii. Preserve historic resources in the Town of Huron (LWRP Policy 2).
 - iii. Enhance visual quality and protect outstanding scenic resources (LWRP Policy 3).

- iv. Minimize loss of life, structures, and natural resources from flooding and erosion (LWRP Policy 4).
- v. Protect and improve water resources (LWRP Policy 5).
- vi. Protect and restore the quality of ecological resources throughout the Town of Huron (LWRP Policy 6).
- vii. Protect and improve air quality (LWRP Policy 7).
- viii. Minimize environmental degradation from solid waste and hazardous substances and wastes (LWRP Policy 8).
- ix. Improve public access to the waterfront and the use of public lands (LWRP Policy 9).
- x. Protect existing water-dependent uses in the Town of Huron and promote the siting of new water-dependent uses in suitable locations (LWRP Policy 10).
- xi. Protect sustainable use of living marine resources in the Town of Huron (LWRP Policy 11).
- xii. Protect existing agricultural lands (LWRP Policy 12).
- xiii. Promote appropriate use and development of energy and mineral resources (LWRP Policy 13).

6. **Enforcement.** No action within the Town's waterfront area, which is subject to review under this law, shall proceed until a written determination has been issued from a Town agency that the action is consistent with the Town's LWRP policy standards listed in subdivision 7(i) of this law. In the event that an activity is being performed in violation of this law or any conditions imposed thereunder, the Building Inspector may issue a stop work order and all work shall immediately cease. No further work or activity shall be undertaken on the project so long as a stop work order is in effect. The Building Inspector shall be responsible for enforcing this law, and may be assisted by deputies and the Attorney for the Town.

7. **Violations.**

- a. A person who violates any of the provisions of, or who fails to comply with any condition imposed by, this law shall have committed a violation punishable by a fine not exceeding three hundred and fifty dollars (\$350.00) for a conviction of a first offense

and punishable by a fine of two thousand dollars (\$2,000.00) for a conviction of a second or subsequent offense. For the purpose of conferring jurisdiction upon courts and judicial officers, each week of continuing violation shall constitute a separate additional violation.

b. The Attorney for the Town is authorized and directed to institute any and all actions and proceedings necessary to enforce this law. Any civil penalty shall be in addition to and not in lieu of any criminal prosecution and penalty. The Town may also enforce this law by an action for an injunction or other civil proceeding.

8. **Applicability.** This law shall supersede and repeal any previous local regulations regarding consistency with LWRP.
9. **Severability.** The provisions of this law are severable. If any provision of this law is found invalid, such finding shall not affect the validity of this law as a whole or any law or provision hereof other than the provision so found to be invalid.
10. **Effective Date.** This local law shall take effect immediately upon its filing in the office of the Secretary of State in accordance with Section 27 of the Municipal Home Rule Law.

**Town of Huron
Waterfront Assessment Form (WAF)**

A. INSTRUCTIONS (Please print or type all answers)

1. Applicants, or in the case of direct actions, Town of Huron agencies, shall complete this WAF for proposed actions which are subject to the consistency review law. This assessment is intended to supplement other information used by the designated Town agency in making a determination of consistency with the Town of Huron Local Waterfront Revitalization Program.
2. Before answering the questions in Section C, the preparer of this form should review the policies and explanations of policy contained in the Local Waterfront Revitalization Program (LWRP), a copy of which is on file in the Town Clerk's office. A proposed action should be evaluated as to its significant beneficial and adverse effects upon the waterfront area.
3. If any questions in Section C on this form are answered "yes," then the proposed action may affect the achievement of the LWRP policy standards contained in the consistency review law. Thus, the action should be analyzed in more detail and, if necessary, modified prior to making a determination regarding its consistency with the LWRP policy standards. If an action cannot be certified as consistent with the LWRP policy standards, it shall not be undertaken.
4. This form should be filled out by the applicant and submitted to the Town of Huron Building Inspector.
