Tiffany explained that Charles & Carol Murzin have submitted correspondence with some data regarding short-term rentals from surrounding towns. She asked if anyone reviewed the current law. Tiffany explained that she read the short-term residential rental use law for the

Chaz Gambino commented that he has been looking into the websites for short-term rentals and found some residents that are renting without a permit. He has sent them a letter.

Tiffany requested the Board review the information submitted by Chuck & Carol Murzin. Also to review the laws of other towns like Huron and come up with some suggestions regarding fees and inspections, for discussion at the next meeting.
