HUXLEY CITY COUNCIL MEETING MINUTES

Tuesday, July 28, 2020

These minutes are as recorded by the City Clerk and are subject to City Council approval at the next regular council meeting.

COUNCIL MEETING: The Huxley City Council met on the above date pursuant to rules of the council, notice posted at City Hall, onto website and emailed to news media. Mayor Kevin Deaton called the meeting to order at 6:00 pm.

ROLL CALL: Easter, Kuhn, Mulder, Roberts; absent - Peterson

AGENDA APPROVAL: Motion by Roberts, second by Easter to approve agenda as presented. Roll Call: Mulder, Kuhn, Easter, Roberts voted yes. Motion carried.

CITY STAFF PRESENT: Rita Conner – City Administrator, Jolene Lettow – City Clerk, Keith Vitzthum – Water Supt., Jeff Peterson – Public Works Director, Gerry Stoll – Police Chief, Heather Denger – Parks and Recreation Director, Todd Moomaw – Fire Chief, Mat Kahler – Street Supt., A.J. Strumpfer – Wastewater Supt.

CONSULTANTS PRESENT: Forrest Aldrich - City Engineer/Veenstra & Kimm; Matt O'Hollearn – City Attorney/Brick Gentry Law Firm

PRESENTATION: Craig Henry, Story Housing Trust Fund representative, provided council with information pertaining to the Iowa Finance Authority program that can assist low income residents with housing issues. Mr. Henry explained that cities within Story County are being asked to make donations to the housing assistance program.

PUBLIC COMMENT: Marge Nerness, 720 Crestwood, commented that she does not believe the buffer currently between her property and Fareway follows City Code.

CONSENT AGENDA:

Motion by Mulder, second by Easter to approve Consent Agenda with exception to Item E to be considered separately:

- a. Approve Minutes from July 13, 2020 Special City Council Meeting
- b. Approve Minutes from July 14, 2020 Regular City Council Meeting
- c. Approve Payment of Bills
- d. Approve Resolution No. 20-073 Approval of Landscapes by Design Site Plan
- e. *Approve Resolution No. 20-074 Approval of Ballard School District Stadium Improvements Site Plan*
- f. Approve Resolution No. 20-075 Agreement for Services with Northland Securities
- g. Approve Resolution No. 20-076 Biosolids Removal at Wastewater Treatment Plant
- h. Approve Resolution No. 20-077 Meadow Lane Plat 4 Street Sign Placement

Roll Call: Roberts, Easter, Mulder, Kuhn voted yes. Motion carried.

Huxley Fire and Rescue

104 Railway
Huxley, Iowa 50124

10 July 2020

Council:

Please consider the approval of **Hannah Moomaw** (my daughter) for membership to the Huxley Fire Department. She is certified as a Wildland Firefighter and completed a college internship with the Iowa Fire Service Training Bureau.

I feel she will be a great asset to the department.

Todd Moomaw
Fire Chief

COUNCIL COMMUNICATION

AGENDA HEADING:

Approving Payment No. 2 for the Heart of Iowa Nature Trail Project

SUBMITTED BY:

Rita Conner, City Administrator

SYNOPSIS:

Veenstra and Kimm, Inc (Jordan Kappos, P.E., 3000 Westown Parkway West des Moines, Iowa 50266) has submitted pay application No. 2 from Caliber Concrete, LLC (Jason Martin, PO Box 248 Adair, Iowa 50002) for work completed June 15 to July 14, 2020 on the Heart of Iowa Nature Trail project.

Additional information is below and in the attachments.

FISCAL IMPACT:

Amount: \$23,862.00

Funding Source: City of Huxley: Org and Fund code provided by the City Clerk/Finance Officer

ADDITIONAL INFORMATION: YES

- Work in this pay request includes retaining wall construction
- Submittal for reimbursement to the Iowa Department of Transportation Systems Planning Office will be completed at the project conclusion

PREVIOUS COUNCIL ACTION(S): YES

- June 23, 2020 Approval of Payment No 1 for Heart of Iowa Nature Trail Project
- February 11, 2020: Approval of contract in the amount of \$374,253.64

RECOMMENDATION: APPROVAL

ANTICIPATED ACTIONS AND FUTURE COMMITMENTS:

- Finalize work on the project
- Inspection and presentation of the public improvements for Council action and acceptance

For more information on this and other agenda items, please call the City Clerk's Office at 515-597-2561 or visit the Clerk's Office, City Administration Building at 515 N. Main Ave. Council agendas are available to the public at the City Clerk's Office on Friday afternoon preceding Monday's Council meeting. Citizens can also request to receive meeting notices and agendas by email by calling the Clerk's Office or sending their request via email.

RESOLUTION NO. 20-079

**RESOLUTION APPROVING PAY APPLICATION NO. 2 FOR THE
HEART OF IOWA NATURE TRAIL PROJECT**

WHEREAS, the City of Huxley approved a contract with Caliber Concrete, LLCs on February 1, 2020 to conduct the Heart of Iowa Nature Trail Project Huxley and;

COUNCIL COMMUNICATION

AGENDA HEADING:

Approving Payment No. 1 for the 560th Street Paving Project

SUBMITTED BY:

Rita Conner, City Administrator

SYNOPSIS:

Veenstra and Kimm, Inc (Forrest Aldrich, P.E., 3000 Westown Parkway West Des Moines, Iowa 50266) has submitted pay application No.1 from Concrete Technologies, Inc (Brian Blackford, President, 1001S. E. 37th Street Grimes, Iowa 50011) for work completed April 14 to July 31st, 2020 on the 560th Street Paving Project.

Additional information is below and in the attachments.

FISCAL IMPACT:

Amount: \$210,259.70

Funding Source: City of Huxley: Org and Fund code provided by the City Clerk/Finance Officer

ADDITIONAL INFORMATION: YES

- Work in this pay request includes paving preparation steps; mobilization, clearing, earthwork, pavement removal, stormsewer, subbase.
-

PREVIOUS COUNCIL ACTION(S): YES

- April 28, 2020 Approval of contract in the amount of \$2,368,511.60 for the base bid and two alternates and authorize Mayor to execute
- April 14, 2020 Approval of plans, specifications and award of contract

RECOMMENDATION: APPROVAL

ANTICIPATED ACTIONS AND FUTURE COMMITMENTS:

- Continue work on the project
- Inspection and presentation of the public improvements for Council action and acceptance

For more information on this and other agenda items, please call the City Clerk's Office at 515-597-2561 or visit the Clerk's Office, City Administration Building at 515 N. Main Ave. Council agendas are available to the public at the City Clerk's Office on Friday afternoon preceding Monday's Council meeting. Citizens can also request to receive meeting notices and agendas by email by calling the Clerk's Office or sending their request via email.

RESOLUTION NO. 20-080

**RESOLUTION APPROVING PAY APPLICATION NO. 1 FOR THE
560TH STREET PAVING PROJECT**

WHEREAS, the City of Huxley approved a contract with Concrete Technologies, Inc. on April 28, 2020 to conduct the 560th Street Paving Project and;

WHEREAS, Veenstra & Kimm, Inc has presented the first payment application from the contractor in the amount of \$210,259.70 and;

WHEREAS, the application has been reviewed and found to be appropriate and reasonable for work completed between April 14 and July 31, 2020.

NOW, THEREFORE, IT IS RESOLVED by the City Council of the City of Huxley, Iowa, as follows:

Payment application No. 1 is hereby approved.

Library Report, August, 2020

- We wrapped up the virtual summer reading program the 4th week of July. We held 2 outdoor family programs with 11 families attending the first (July 28) and 15 families for the second (August 4). Cayden Brendeland joined us to earn Boy Scout service hours and his help was greatly appreciated.
- In-House library programs remain on hold. We are not making plans for any fall activities but will wait until we feel it's safe to invite patrons in to gather. Circulation of materials continues to improve. In fact, we were 5% above July 2019.
- The library is looking at replacing damaged ceiling tiles as the structural repairs are finished in this building. The damage has been an issue for years, so we hope the problems will be solved by actively seeking out answers and completing the repairs. The library is very appreciative of this work in the building.
- Cathy has met with Middle School Administration to work out library services for the coming school year. At the beginning of the year, we will provide delivery of library materials to the Middle School office. We are also providing a return box that will remain in the office permanently.

Cathy Van Maanen
Director of Library Services

Huxley Police Department
Monthly Report for The City of Huxley
July 2020

July 1st, 2020 12:23 PM

Officer responded to a two-vehicle accident at the 300 block of South Highway 69. A vehicle operated by an Ankeny man collided with a vehicle operated by a Madrid woman while both were backing out of parking spots at the same time. No injuries.

July 1st, 2020 4:21 PM

A check made out to a Huxley woman was found in the Dollar General and taken to the Police Department. The address for the resident was found and the check was returned.

July 1st, 2020 4:36 PM

Officer responded to a two-vehicle accident at the 1500 block of Blue Sky Blvd. The accident was minor, and an information exchange was done. No injuries.

July 2nd, 2020 4:47 PM

Officer responded to a business at the 700 block of Highway 69 for a 2-year-old child found unattended. The child left a residence at the 100 block of National Drive. Child was returned home. This has happened in the recent past prompting a call to DHS.

July 2nd, 2020 8:37 PM

Officer stopped a vehicle for a traffic violation on Highway 69 near Campus Drive. The driver of the vehicle, a 22 year Des Moines woman, had a warrant for her arrest out of Polk County. She was transported to the Polk / Story County line and handed over to a Polk County Sheriff's Deputy.

July 2nd, 2020 9:34 PM

Officer responded to an altercation at the South Casey's over an argument about mask usage. The altercation was settled, and a Huxley woman left the store without further disruption.

July 3rd, 2020 12:43 AM

Officer responded to a domestic altercation at the 100 block of Centennial Drive. The altercation was verbal, and the parties remained separated for the remainder of the night.

July 9th, 2020 1:03 PM

Officer received a report of a runaway child. The child was located a short time later near her home.

July 10th, 2020 6:22 PM

Officer stopped a vehicle for a traffic violation on Highway 69 near E 3rd Street. The driver of the vehicle, a 23 year old Ames woman, was suspended from driving by the DOT. She also had two Story County Warrants for theft. The Story County Jail would not accept the driver, so she was cited and released for Driving Under Suspension.

July 11th, 2020 6:47 PM

Officer received a report of a runaway juvenile from Des Moines that may be in the Huxley area. The 15 year old female was located and her parents came to Huxley to take her back home.

July 11th, 2020 8:48 PM

Officer assisted Cambridge Fire with a chemical leak at the 300 block of East Street.

July 14th, 2020 5:42 AM

Officer responded to a single vehicle accident on Interstate 35 southbound near the 102 Mile Marker. A vehicle operated by an Urbandale man lost control and struck several median posts. No injuries.

July 17th, 2020 5:14 PM

Officer responded to an ongoing family dispute at the 300 block of Centennial Drive. Parties were calmed for the time being.

July 21st, 2020 5:49 PM

Officer received a report of a possible Burglary at a residence at the 800 block of Hickory. Investigation opened as it is suspected that a family member to the victim had entered the home and took personal checks.

July 23rd, 2020 12:44 PM

Officer responded to a gravel / concrete spill at 1st and Highway 69.

July 23rd, 2020 8:47 PM

Officer responded to a possible anhydrous leak near the 800 block of Center.

July 24th, 2020 12:49 AM

Officer was asked to check the welfare of a Huxley resident at the 500 block of E 3rd. Contact was made and the resident elected to stay with her in-laws for the remainder of the night. She will seek out treatment if needed with the assistance of family.

July 24th, 2020 9:21 AM

Officer followed up with an earlier event where checks had been taken from a residence in Huxley. The suspect was identified, and a Forgery case has been made.

July 24th, 2020 3:54 PM

Officer received a complaint of a scam at the 100 block of S 5th, A resident responded to a work email and gave personal information. An investigation was opened.

July 25th, 2020 4:43 PM

Officer stopped a vehicle for a traffic violation on Highway 69 near Highway 210. The driver of the vehicle, a 27 year old Truro man, was revoked from driving by the DOT. He was cited and released with a court date for Driving While Revoked.

July 26th, 2020 7:57 AM

Officer received a wallet the was found near Interstate 35 and Highway 210. The wallet belonged to an Ellsworth, IA woman. Information on the rightful owner was obtained and contact was made with the woman so she could gather her property.

July 27th, 2020 11:10 AM

Officer noticed that a city owned vehicle had been struck by another vehicle while parked at the 3c's causing damage to the drier's side front door. The vehicle then left the scene. No suspects at this time.

July 28th, 2020 3:59 PM

Officer received a Scam complaint at the 500 block of E 4th Street. A caller claiming to be with Amazom.com continued to harass a Huxley resident. The Huxley woman gave the caller access to her bank account and computer. Bank was contacted as soon as possible and an investigation into the scam was opened.

July 29th, 2020 8:05 AM

Officer responded to a fraud report at the 200 block of Cypress. A packed was sent to a resident that was not requested or ordered and a charge was sent to the resident's credit card. An investigation was opened into the matter and the resident will most likely recover their loss.

July 30th, 2020 3:43 AM

Officer received a theft of a motor vehicle report at the 100 block of E 1st Street. A vehicle belonging to a Huxley woman was taken from the residence by her ex-boyfriend and taken to Ankeny. The vehicle was recovered, and the victim declined charges.

July 30th, 2020 5:13 PM

Officer responded to a burglary at the 100 block of E 1st Street. A residence that was being fixed up was entered and \$700 dollars' worth of property was taken. It also appeared that the AC unit had been tampered with. Ongoing.

July 31st, 2020 5:39 PM

Officer stopped a vehicle for a traffic violation on Highway 69 near E 4th Street. The driver of the vehicle, a 45-year-old Alleman man, was arrested for OWI. He was cited and released with a court date.

July 31st, 2020 11:06 PM

Officer responded to a domestic altercation at the 500 block of E 3rd Street. The altercation was verbal and both parties agreed they could cohabitate for the remainder of the night with no further problems.

I have received a \$5000 grant from Bayer Fund to purchase a speed radar trailer. I have ordered an MPH Street Scout and should be receiving it any day. I will be leaving the trailer in the speed problem areas in both Cambridge and Huxley.

Gerry Stoll

Chief of Police

"You're On Our Radar"

StreetScout™ Trailer

POLICE RADAR • POLICE LASERS • SURVEY LASERS • SPEED SIGNS

The **StreetScout™** - the newest addition to the MPH line of speed trailers offers an economical, lightweight, easy-to-deploy speed control trailer, designed for use in cities, suburban and rural applications. The StreetScout has all of the quality, features and reliability of our larger trailers with everything it needs and nothing that it doesn't.

Compact, yet highly visible

When in use with a MUTCD-compliant speed sign, the trailer stands at 6 ft. Before towing, the sign quickly folds down to reduce wind resistance. Two 12-inch LED digits are easily viewable to greater than 600 feet in direct line-of-sight. With the overspeed and optional flashing strobes, StreetScout will alert drivers to reduce their speed.

Because it works

Numerous studies have shown that MPH speed trailers are effective in reducing speeds of drivers, without requiring an officer to be present. Contact us today and let us show you how easy it is to begin controlling traffic speeds in your work zones, school zones, city streets and neighborhoods.

Features

Benefits

Compact, lightweight design

Compact design allows for use in nearly any city or rural application. At only 400 lbs., this unit is easy to tow and deploy by one person in most cases.

Easy to program

Easy-to-follow operator instructions with each unit. Need more help? Check out our Youtube channel for a series of informative videos.

Same proprietary radar technology used by Law Enforcement

Factory programmed to target only approaching traffic.

Durable, trouble-free construction

Welded 11 gauge steel with square tubing. Durable powder-coated finish.

High visibility

Two 12-inch digits with choice of amber or red super-bright, wide-angle LEDs. Viewable at over 600 ft. Optional over-speed flashing strobes will grab the attention and slow speeding drivers.

Built-in battery charger with optional solar panel

Easily recharge batteries from outside locked battery storage box. Extend battery life and operation times with solar panel power assist.

Tamper-resistant

All electronics enclosed inside locked compartments.

Warranty

Two-year (parts & labor) warranty on electronics, one-year warranty on the trailer body.

StreetScout Specifications

- Overall dimensions: 52"W x 90"L (incl. tongue)
52"W x 48"L (w/o tongue)
- Overall height: 6 ft. (with sign deployed)
- Overall height: 48" (sign folded for towing)
- Weight: 400 lbs.
- Frame dimensions: 48"W x 48"L
- Frame material: 11 ga., 2" sq. steel tubing
- Coating: Rust-resistant undercoat with graffiti-resistant powder-coated topcoat.
- Tires & wheels: 8" wheels / 4.8-8 tires, locking lug nuts
- Suspension: Leaf springs
- Wiring: Concealed in frame
- Tongue: 2" ball, removable for added security
- Utility (battery) box: 13"H x 14.25"L x 37.5"W
- Jacks: 4 stabilizer jacks

Power

- Battery: One 12V deep-cycle battery
- Charger: Built-in 12V battery charger (easy access plug connection outside utility box)

Display

- Display enclosure: 19.5"H x 21.5"W x 5.5"L
- Access door: Water-proof, opens from front with one locking handle
- Display window: Tough, vandal-resistant Lexan™
- Speed digits: Two 12" digits
- Display type: Super-bright, wide-angle LEDs
- Viewing distance: Greater than 600 ft.
- Brightness: Full brightness in day, automatically dims for twilight use to extend battery life
- Battery status: Viewable from outside trailer

Radar

- Radar type: Directional K band radar
- Range: 1,000 ft. for typical vehicles
- Compliance: Complies with FCC Part 15 (no license required)
- Operating Temp: -22° to +160°F

Options / Accessories

- **Strobe kit:** Highly visible flashers activate when overspeed setting is reached.
- **Traffic computer:** Stores speed and traffic volume data and generates reports and graphs.
- **Speed limit sign**
- **Battery options:** One additional 12V battery
- **Solar battery assist:** 20W or 50W panel
- **24/7 Timer**
- **Interior cabinet light**

July 2020 Public Works Report

- Curbs and intakes have been painted.
- All the City parking lots have been painted.
- Trimmed up trees around town on City property.
- Completed the tree trimming list and sent letters to property owners that need to trim their trees that are hanging to low over the streets and sidewalks.
- Sidewalk survey has been completed and a list of sidewalks that do not meet current code were documented and letters have been sent to property owners to correct the deficiencies.
- Doing a lot of street sweeping this summer due to all the construction that has been going on around town.
- Tarred cracks in several streets this summer and still hope to do many more with the pending workload with less help to get the work completed.
- Working with a couple property owners on north fifth to fix a secondary storm sewer that has been overwhelmed by tree roots so they can connect their sump pumps back on the line.
- Did a final walk thru on meadow lane plat 4 and all of the items have been addressed and corrected. All the street signs have been installed and the street is now open for the public to use. We had one water service that was hit by Alliant while installing the gas and electric that had to be dug up and repaired.
- We still have a small punch list with Manatt's that needs to be completed before the final acceptance can be awarded for the water main and paving project we did this summer.
- The North Lift Station Mitigation Project is finally completed. The driveway going down to the construction site was damaged by the heavy construction equipment and we had to remove several areas of the existing pavement and replace it with concrete. This was the last item that I have been working with on FEMA to help us replace with the current funding which is in review. I had filed for another extension to have the construction work completed by August 22 with a final close date of September 22nd, 2020. I will start to close this project out with FEMA.
- Did a walk thru of Westview Plat 3 on August 6th to generate a punch list for the developer to have his contractors remedy or fix before the final completion can be awarded.
- The 560th paving project is moving along very good. The major box crossing at the creek just South of east first street has been installed which was a big undertaking. All the trees have been removed at the curve and there has been a lot of grading done. The area looks very different.
- Working with the engineering staff and administration on the water plant expansion study.
- Been working with Xenia Rural water on a shared emergency water connection. It won't be a lot of water that they can guarantee us but would be beneficial in a dire emergency. Looking at 150,000 to 175,000 per day at this point.
- The wastewater plant is experiencing very high BOD and Suspended Solids influent levels and we are trying to work with an industry in town to get these under control. They are looking to add a treatment alternative at their site in helping control the BOD and Suspended Solids levels that they have been violating with their current contract with the City on effluent loadings from their site.
- We have been experiencing spikes of ammonia on our effluent. We believe it is coming off our biosolids when we decant. This is from having to shut them off more frequently

because of high bod loading from the same industry. Biosolids will hopefully go out in the next week or so.

- Oak lift station generator is online. We had some issues with getting proper gas flow but that has been corrected with a bigger regulator that were supplied by Alliant.
- We had a sanitary main back-up on Highway 69 which we realized was coming from the carwash. The silt pits were full and were allowing sands and debris to get into the sanitary and settling out which caused the backup. We got the sewer opened up and had accujet mobilize the next morning to jet/vac the area of concern. The owner was notified to have the pits cleaned out asap and the bills for the jetting and cleaning were forwarded to the owner. Only one home was affected by the backup with very little damage.
- The North lift station / old Wastewater plant generator has been ordered. We hope to see a delivery date by the end of the month. Most of the new gas line piping has been installed for the generator installation. Once the generator arrives the contractor will be back on site to complete the installation.
- We need to order a new laptop for our camera trailer as the old one has failed on us.
- We are in need of ordering a new video trailer which we hope to order on the upcoming CIP since we shelved it on the last CIP to see how we were doing on funds.
- We have noticed some issues with the effluent channel eroding the bank at the wastewater plant. We have extended the pipe for the effluent and have mitigated any further issues at this time, but this will have to be fixed more permanently. We are working with a local contractor to work with us using his large track hoe to help remedy the problem when he has an open date in his schedule.
- We have been doing a lot of general maintenance and cleaning around the WW plant.
- We have been replacing sensors around the plant as they go out. Many of these probes and sensor are original to the plant and can cost a couple thousand dollars.
- Have been training Jacob Hermanson on the water and wastewater responsibilities and activities to get him up to speed.
- Have also been training and using the DMACC intern in water and wastewater to help while he gets the hands-on experience he needs for his internship.
- With the high loadings and some other maintenance concerns we have stayed very busy with making changes to get optimal performance of the plant.
- Staff removed the rotting wood on the dugouts at Centennial Park and installed new tin siding to replace the wood.
- Installed the roof shade back on the structure at the Amphitheater.
- Removed some dead trees at centennial park.
- Resprayed all the parks to kill the clover and cleaned out the flower beds at memorial.
- Still need to replace the filter media in the other filter at the water plant once the water consumption gets back to normal and the temperatures drop. Probably will take about

three to four days or more to complete the entire process from shutting it down to getting it back online.

- Held a two-hour pump training workshop in the City hall parking lot and safe room for about 25 operators and helped them get two hours of continuing education towards their license renewal or upgrade on the wastewater side from the IDNR.
- Locates for new construction on housing, projects and developments have been taking up a lot of time this summer.
- We have already lost two of our seasonal employees for the summer so one can return to college and the other to his teaching position that is starting back up.

Jeff

MEMORANDUM

To: Honorable Mayor Kevin Deaton & City Council
From: Heather Denger
Date: 8/4/20
Re: Parks & Recreation August 2020 Department Report

3C's Update

- Membership Update

	12 Month Memberships	6 Month Memberships	3 Month Memberships	EFT Bank Memberships	Total Active Memberships
2020	326	76	7	55	464
2019	323	74	14	65	476
2018	285	60	12	74	431

- There were 974 total visits to the Citizens Community Center during July 2020.
- There is no Fall brochure this year. We are offering youth flag football, volleyball and soccer this Fall. We are also planning on having our Fall Festival and Turkey Trot.

Recreation Update

- There have been no Lunch and Learns since COVID.
- Huxley Farmers Market is happening every Thursday night from 4-7pm with food trucks.

Parks & Trails Update

- Rocky and Summer Staff continue to mow/mulch/weed and do general maintenance at all parks.
- Rocky built new dugouts for all three fields at Centennial Park. They look wonderful.
- Pickleball Courts/Tennis Courts/Basketball Court project has been completed. Rocky helped remove some old hoops and installed new tennis poles/nets for project.
- HOINT project is completed except for final ground work/seeding.

Parks & Recreation Board Update

- Park Board met on Monday, August 3rd. Ian, Zach, Jay, Lisa and myself were in attendance.
- At August meeting we discussed future Farmer's Markets, Fall programming, COVID updates, CIP projects, City of Huxley Trail System and more program ideas.
- The next meeting is scheduled for September 14th, 2020 at 6:00pm in Council Chambers.

Tree Board Update

- We did not have a tree board meeting in July. Our August meeting is scheduled for Monday, August 17th at 6pm in Council Chambers.
