AGENDA

HYDE COUNTY BOARD OF COMMISSIONERS' REGULAR MEETING

MAY 3, 2021 6 P.M.

CALL TO ORDER

CONSIDERATION OF AGENDA

CONSIDERATION OF MINUTES

April 7, 2021

- Meeting Minutes

PRESENTATIONS

- 1) National Park Service Year in Review..... Dave Hallac,
Superintendent of the Cape Hatteras National Seashore
 - 2) Mattamuskeet Watershed Restoration Project Update..... Alessander Braswell,
Project Manager, Geosyntec Consultants
 - 3) Trillium Annual PresentationDave Peterson, MA
Senior Regional Director
 - 4) Tax Collections..... Donnie Shumate ,
Tax Administrator & IT Director
- Report – April 2021

EMPLOYEE/ VOLUNTEER/ FRIEND OF HYDE COUNTY Kris Cahoon Noble ,
Manager

*Natalie Wayne , Hyde County Director of Cooperative Extension will present the Friend of Hyde
County to the family of Brandon Marshall in his honor*

PUBLIC COMMENTS

Public Comments are a time for the public to make comments to the County Commissioners. Comments should be kept to three (3) minutes or less and comments should be directed to the entire Board and not to individual members, the staff or to other members of the public. Comments requesting assistance will typically be referred to the County Manager for follow-up or for Board action at a future meeting.

ITEMS OF CONSIDERATION

- 1) Appointments
 - Albemarle Commission (AAA) Regional Advisory Council (RAC)... Kris Cahoon Noble ,
Manager

- Hyde County Child Fatality Prevention Team Luana Gibbs,
Health Director
- Mainland Occupancy Tax Board.....Kris Cahoon Noble,
Manager

- 2) Advertisement of the 2020 Tax Liens (Delinquent Accounts).....Donnie Shumate,
Tax Administrator & IT Director
- 3) Ocracoke Occupancy Tax Recommendations Kris Cahoon Noble ,
Manager
- 4) MOA - Settlement of Opioid Litigation..... Kris Cahoon Noble ,
Manager
- 5) Spending Freeze Corrinne Gibbs,
Finance Officer
- 6) FY 2021 - 2022 Budget Message Kris Cahoon Noble ,
Manager
- 7) Call for Public Hearing - FY 2021 - 2022 Budget Kris Cahoon Noble ,
Manager

BUDGET MATTERS

MANAGEMENT REPORTS

The Commissioners, County Manager and Assistant County Manager will share with the public their various activities and ideas for continuous improvement of government services to the citizens.

PUBLIC COMMENTS

The public is invited to use this time to make comments to the County Commissioners on items discussed during this meeting and/or matters not discussed earlier in the meeting.

CLOSED SESSION in accordance with NCGS143A-318.11 (a) (6)

ADJOURN

SUPPLEMENTAL INFORMATION

Department Heads' reports will be attached to update the public with departmental activities and ideas for continuous improvement of government services to the citizens.

Department Reports

- **Hyde County Soil & Water**

Informational Items

- 1) Roadmap to Success - Beaufort Hyde Partnership for Children Panel Invitation**
- 2) Northeast Workforce Development Board Newsletter**
- 3) Northeastern Hazard Mitigation Plan Adoption**
- 4) Ocracoke Tourism Development Authority Grant Application**
- 5) Ocracoke Jail Inspection**

REGULAR MEETING MINUTES
HYDE COUNTY BOARD OF COMMISSIONERS
Monday, April 7, 2021 - 6:00p.m.

Following opening prayer by Commissioner Swindell and pledge of allegiance, Chairman Pugh called the April 7, 2021 Regular Meeting of the Hyde County Board of Commissioners to order at 6:00p.m., in the Hyde County Government Center Multi-Use Room. Chairman Pugh asked if everyone present felt comfortable with conditions and seating distance in the meeting room. Everyone agreed they had no complaints about meeting room conditions.

The following members were present on the mainland: Chairman Earl Pugh, Jr.; Vice-Chairman Shannon Swindell; Commissioners Ben Simmons and Goldie Topping; Attorney Franz Holscher; County Manager Kris Cahoon Noble; Clerk to the Board Lois Stotesberry; Tax Administrator/IT Director Donnie Shumate; Water & Flood Control Manager Daniel Brinn, Finance Officer Corrinne Gibbs, Health Director Luana Gibbs and Human Resources Director Tracy Gibbs.

Commissioner Randal Mathews and Planning and Economic Development Consultant Bill Rich attended from Ocracoke via Zoom.

Due to COVID-19 restrictions, the April 7, 2021 Hyde County Board of Commissioners Regular meeting was live streamed via the Hyde County Facebook page. Video is available on Facebook and on the County's YouTube channel for download to a personal device.

CONSIDERATION OF AGENDA:

Commissioner Swindell moved to approve the Monday, April 7, 2021 Revised Regular Meeting Agenda as presented by the Clerk. Commissioner Simmons seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

CONSIDERATION OF MINUTES:

Commissioner Simmons moved to approve the March 1, 2021 Regular Board of Commissioners Meeting Minutes as presented by the Clerk. Commissioner Topping seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

PRESENTATIONS:

Introduction of Human Resources Director

County Manager Noble introduced Ms. Tracy Gibbs, Human Resources Director. Ms. Gibbs lives in Engelhard with her husband and two children.

Employee of the Month

County Manager Noble presented special recognition of all Hyde County Health Department and EMS leaders and staff. Ms. Noble commended Health Director Luana Gibbs and staff and EMS Director David White and staff for a tremendous job done in a very unpredictable work environment during the unpredictable times of COVID-19.

HR Director Tracy Gibbs presented Luana Gibbs and David White with Certificates of Appreciation and Pins. Health Department and EMS staff will receive certificates and pins during each department's employee appreciation dinner.

47
48 Manager Noble made honorable mention of EM Director/Deputy Sheriff Joey Williams, Finance
49 Officer Corrinne Gibbs and Assistant Finance Officer Logan Mooney for their dedicated service during
50 COVID-19.

51
52 Commissioner Simmons commended former Fairfield Fire Chief Glenn Mooney for his many years of
53 dedicated service to the Fairfield community. (*Lindsey Glenn Mooney, Jr. – December 14, 1940 – April 1, 2021*)
54

55 **Tax Report**

56 Tax Administrator/IT Director Donnie Shumate presented the March 1-31, 2021 TR-407 Daily
57 Distribution Report. Mr. Shumate reported the March collection rate is down from last year, however
58 overall tax collections are still up from 2020.

59 Commissioner Swindell moved to accept the March 2021 TR-407 Tax report as presented.

60 Commissioner Mathews seconded the motion. The motion passed on the following vote: Ayes – Pugh,
61 Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.
62

63 **PUBLIC COMMENTS:**

64 IT Director Donnie Shumate reported one online comment was received.
65

66 County Manager Kris Cahoon Noble reported she would not play the comment from James Sears of
67 Scranton due to profanity against county employees. Ms. Noble reported the Hyde County Water
68 Department had replaced Mr. Sears' water meter base and resolved this concern.
69

70 Hearing no further comment from the public, Chairman Pugh continued the meeting.
71

72 **ITEMS OF CONSIDERATION:**

73 **Proclamation – April 2021 “North Carolina 811 Safe Digging Month”**

74 Howard Corey, Education Liaison for North Carolina 811, presented (viral from Brunswick County)
75 request for a proclamation from Hyde County designating the month of April as “North Carolina 811
76 Safe Digging Month”. Mr. Corey reported the North Carolina One Call System (NC811) is a vital part
77 of preventing damages and injuries when excavating. This utility notification service started in 1978
78 and now celebrates its 42nd year of service to the citizens of North Carolina. NC811 has reached an all-
79 time high of 2.2 million locate requests from excavators to homeowners in 2019. North Carolina law
80 requires that anyone engaging in demolition or excavation activities contact NC811 at least three days
81 prior to beginning the work by calling or clicking 811.
82

83 Commissioner Mathews moved to adopt “Proclamation – The County of Hyde, Designating the Month
84 of April as “North Carolina 811 Safe Digging Month”. Commissioner Swindell seconded the motion.
85 The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews;
86 Nays – None; Absent or not voting – None.
87

88 *Clerk's Note: A copy of “Proclamation – The County of Hyde, Designating the Month of April as “North Carolina 811*
89 *Safe Digging Month” is attached herewith as Exhibit A and incorporated herein by reference.*

91 **Engelhard Community Boardwalk Restoration**

92 Mark Powell, Program and Project Management Consultant for Albemarle Resource Conservation &
93 Development (ARC&D) Council, and the Engelhard Development Corporation would like to work with
94 Hyde County to prepare a grant application to the CAMA Public Beach and Coastal Waterfront Access
95 Program to renovate Phase 1 of a two phase restoration of the Engelhard community boardwalk. Mr.

Powell reported the proposed costs to Hyde County will include \$2000 for preparation of the pre grant application documents and an additional cost of \$2000 for preparation of the full application if invited to submit. Other fees including design and construction support will be provided by ARC&D and included in the grant budget. Also, if selected to receive the proposed grant, Hyde County will be required to provide a 10% match which would be \$8,500 for each \$85,000 Phase. This match can be 5% cash and 5% in kind (Hyde County staff time). The latter monetary commitment will come in next fiscal year. In addition, the County Attorney would need to determine site control and work to provide 25-year lease agreements with landowners along the boardwalk. This will be required if invited to submit a final application.

Commissioner Topping moved to authorize the County Manager to contract with Albemarle RC&D to prepare and submit the pre-application for funding at an expense of \$2000; authorize the County Manager to contract with Albemarle RC&D to prepare and submit the application for funding at an expense of \$2000 if invited to apply; and, authorize the County Attorney to work with Albemarle RC&D on acquisition of 25 year lease agreements with landowners along the boardwalk. Commissioner Simmons seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

Appointment to Ocracoke Occupancy Tax Board

Commissioner Mathews reported member Byron Miller has resigned his position on the Ocracoke Occupancy Tax Board.

Commissioner Swindell moved to appoint Nancy Leach to serve the remainder of Byron Miller's term (until 09-05-2023) on the Ocracoke Occupancy Tax Board. Commissioner Simmons seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

Mainland Occupancy Tax Appropriation Recommendations

Finance Officer Corrinne Gibbs reported the Mainland Occupancy Tax Board met on March 25, 2021 to discuss requested funding appropriations for FY21-22. Request made by: 1) Mattie Arts Center for \$2600 for advertising, signage, brochures, etc., 2) Engelhard Fire Department for \$5000 for rescue equipment, training material and radios, 3) Fairfield Fire Department for \$5,000 for operational, equipment, training materials and radios, and 4) verbal request from Lee Brimmage for \$5,000 for the Hyde County Chamber for a new website and maintenance of the website and new sign on the East end of Hyde County.

Commissioner Swindell moved to approve occupancy tax funding appropriations (total \$5000) as recommended by the Mainland Occupancy Tax Board: 1) Engelhard Fire Department – \$1000, 2) Fairfield Fire Department – \$1000, 3) Hyde County Chamber of Commerce – \$1500, and 4) Mattie Arts Center – \$1500. Commissioner Simmons seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

Davis School – Nomination for Historic Register

County Manager Noble, on behalf of Margie Brooks and Michael Adams, reported in a February 25, 2021 letter from the NC Department of Natural and Cultural Resources Hyde County was notified that Davis School is potentially eligible for the National Register and merits further study. The next step is to prepare a formal nomination document. Ms. Margie Brooks has received quotes and this nomination documentation is quoted at costing approximately \$6,500. NC Cultural Resources highly recommends hiring a consultant to complete this process as it takes advanced skill and experience. Funding has been

identified in the Administration budget and will not increase the budget. Ms. Noble reported new repairs should not affect this process as current construction at the Davis building will be finished before this project begins.

Commissioner Topping moved to authorize the County Manager to issue a Request for Proposal (RFP) to hire a consultant to partner with Davis Ventures on the nomination process; and, authorize the County Manager to enter into a contract with a consultant to write the nomination documents at a cost not to exceed \$7,000. Commissioner Simmons seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

Contract for Accounting Services - Cahoon

County Manager Noble, entered into a short-term contract with a qualified Certified Public Accountant (CPA) to assist with the following work items: 1) assist Hyde County with financial software conversion with activities including but not limited to reducing the chart of accounts and integrating connecting systems such as tax and utilities; 2) work with County Auditor to finalize 2019-2020 financial audit and assist with Local Government Commission (LGC) Assessment of Local Governments; and, 3) perform other financial and administrative duties as required. The contract entered into between the County Manager and the Consultant has a term until April 7, 2021.

Manager Noble requested a second contract be authorized by the Board of Commissioners to begin retroactively on March 9, 2021 and terminate on June 30, 2021 unless this Agreement is earlier terminated as hereinafter provided: 1) notwithstanding anything herein to the contrary, nothing in this Agreement shall prevent, limit or otherwise interfere with the right of the County Manager to terminate this Agreement at any time upon fifteen (15) days written notice, and 2) notwithstanding anything herein to the contrary, nothing in this Agreement shall prevent, limit or otherwise interfere with the right of Consultant to terminate this Agreement at any time upon fifteen (15) days written notice.

Commissioner Simmons moved to ratify the previous contract and authorize the Board Chair to enter into current contract retroactively beginning on March 9, 2021 through the end of this Fiscal Year. Commissioner Mathews seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

Revolving Loan Request – Quarter Deli

Economic Development Consultant Bill Rich presented a revolving loan request made by Quarter Deli to be owned and operated by Sara Ladd of Swan Quarter. The loan amount is \$45,000 amortized for 15 years at 3.5% interest rate. Mr. Rich presented Ms. Ladd's business plan. She has purchased a property that was formerly home to Springer's Grill in downtown Swan Quarter. She and her husband are converting the space into Quarter Deli. Sara has extensive experience in the restaurant business and is excited to offer a small farm to table establishment in Swan Quarter.

Hyde County will be secured by a first mortgage on the real estate. The applicant has paid \$50,000 cash out of her pocket at closing for the building and land. In addition to being well secured, the cash flow projections show very little volume of sales to meet her cost of operations. The projections were prepared with assistance from Matthew Byrne with the Elizabeth City State University Small Business Technology Center for Development.

Commissioner Swindell moved to approve the Quarter Deli Revolving Loan Request in the amount of \$45,000 amortized for 15 years at 3.5% interest rate. Commissioner Mathews seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews;

Nays – None; Absent or not voting – None.

Home and Community Care Block Grant for Older Adults

County Manager Noble presented amendment to services that will allow \$1,000 in funding to be diverted from Hyde Transit for services normally delivered to the Senior Center and to Hyde County Department of Social Services (DSS). The Senior Center being closed for the majority of the year has given Transit a surplus in this line. DSS is in need of additional funding to support home health services. Hyde Transit has signed off on this transfer.

Commissioner Simmons moved to approve the \$1,000 transfer from Hyde Transit to Hyde County DSS. Commissioner Topping seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

Budget Calendar

Commissioner Swindell moved to adopt the FY2020-2021 Budget Calendar as presented by Corrinne Gibbs, Finance Officer. Commissioner Simmons seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

ATT Cell Tower Collocation on Sadie Weston Road

IT Director Donnie Shumate presented a proposed cellular tower collocation for ATT on the Sadie Weston Road tower in Swan Quarter. This is part of their planned coverage expansion in Hyde County to help with their FirstNet first responders' priority network. It will also expand ATT cellular coverage for standard users in Swan Quarter. All required documents have been reviewed and found to be in compliance with the Hyde County Telecommunications Facility Ordinance.

Commissioner Swindell moved to approve the proposed ATT Cell Tower Collocation on Sadie Weston Road. Commissioner Mathews seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

Property Tax Refund Request

Donnie Shumate, Tax Administrator, presented a request for a property tax refund for Parcel 2919 for tax year 2019 and 2018 in the amount of \$528.48. This parcel was part of a 1/3 undivided interest property and was charged \$246.24 per year more than the other two owners due to a clerical error in the system. Per NCGS 105-381, a refund is required under these circumstances.

Commissioner Simmons moved to refund \$528.48 overpayment for parcel number 2919 to Allison G. Harris. Commissioner Topping seconded the motion. The motion passed on the following vote: Ayes – Pugh, Simmons, Swindell, Topping and Mathews; Nays – None; Absent or not voting – None.

BUDGET REVISIONS

Health Department

COVID 19 Vaccine	\$ 2,490.00
COVID 19 Vaccine Revenue	\$ 61,758.00
Environmental Health – Gas, Oil & Tires	\$ 1,500.00

Department of Social Services

Title III Transportation	\$ 1,150.00
Equipment for Medicaid	\$ 10,000.00
Cell Phone	\$ 2,000.00

Advertising \$ 700.00
Office Supplies \$ 5,000.00
LIEAP \$ 47,460.43

Elections

COVID – Department Expense \$ 13,700.00

Veteran Services

Department Supplies \$ 280.36

Soil & Water

General Legal \$ 1,285.60

Commissioner Mathews moved to approve the Health Department, DSS, Elections, Soil and Water and Veteran Services budget revisions as presented. Commissioner Swindell seconded the motion. The motion passed on the following vote: Ayes – Pugh, Swindell, Simmons, Topping and Mathews; Nays – None; Absent or not voting – None.

MANAGEMENT REPORTS:

The commissioners and county manager shared with the public their various activities and ideas for continuous improvement of government services in Hyde County.

Benjamin Simmons – asks that the County continue working to protect citizens and property. He discussed drainage and water issues. Mr. Simmons commended Donnie Shumate for work done in the tax office.

Randal Mathews – commended Luana Gibbs and the Health Department staff for their service to Ocracoke. He reported Manager Noble’s work was critical on the ferry system keeping the channel open. Mr. Mathews reminded everyone that financing is an obstacle to the Broadband expansion project.

Goldie Topping – presented update on the Davis Ventures project and commended Mike Adams for the job he has done. She reported Daniel Brinn is helping with this project.

Shannon Swindell – presented update on the Albemarle Commission’s ceremony honoring three work locally members. He reported additional funding is needed for the ferry channel dredging project. He remains concerned about salt intrusion issues.

Earl Pugh, Jr. – attended the Albemarle Commission , Mattamuskeet Watershed, Highway 12, Trillium, Airport and Workforce Development Board meetings.

Kris Cahoon Noble – presented report of her activities during the month of March, 2021. The report is available on the Hyde County website.

PUBLIC COMMENT: Hearing no comment from the public, Chairman Pugh continued the meeting.

CLOSED SESSION: (none)

Commissioner Simmons moved to adjourn the meeting. Commissioner Swindell seconded the motion. The motion passed on the following vote: Ayes – Pugh, Swindell, Simmons, Topping and Mathews; Nays – None; Absent or not voting – None.

291 The meeting adjourned at 8:19p.m.

Engineering Active Water Management

Alessa Braswell, PhD, PE, Geosyntec Consultants of NC, P.C.

Engineering Active Water Management Updates

- Study Goals and Objectives
- Existing Conditions Model
- Engineering Alternatives Analysis
- Next Steps

Study Goals and Objectives

- Develop H&H model
- Calibrate to Hurricanes Matthew and Joaquin
- Simulate calibrated model under various design storm scenarios in existing and future sea level rise
- Evaluate engineered options to actively manage lake levels during 10-year design storms
- Evaluate two alternatives for all design storms under existing and future sea level rise
- Progress one preferred alternative to permit-level plans

Existing Conditions Model

- Calibration Improvements
- Design storm scenarios
- Hurricane scenarios
- Existing and Future Sea Level Rise

Calibration of H&H model

Design Storm Scenarios: Existing Sea Level & Future Sea Level Rise

Priority Active Water Management Design Goals

- Reduce the time watershed is flooded after storms
- Utilize storage where available
- Increase drainage capacity
- Provide functionality to seasonally lower and raise lake water level

List of Potential Engineered Alternatives

- Mid-sized pump station to drainage districts
- Large pump station to ICW
- Pump station with optimized pumping rate to ICW
- Sheet flow sites
- Dredge existing outlet canals
- Optimized outlet structures
- Dredge canals + optimized outlet structures
- Gravity-drained canals to drainage districts

10-Year Design Storm Screening Scenario

- Simulate each alternative with 10-year design storm
 - Starting water level of 2.17 ft (October average)
 - Simulated for 30 days
 - Soundside boundary condition corresponding to October 2017 lake level with superimposed storm surge
- Evaluate performance metrics including:
 - Peak water level
 - No. of days pumping if option includes pumping
 - No. of days to return to starting water level OR final lake level at end of simulation

Engineering Alternative: Centralized Pump Station

Engineering Alternative: Sheet Flow Sites

- Pumping to 6 Sheet Flow Sites
- Rate: 47,000 to 190,000 gpm
- Cyclical Pumping (1 day on and 3 off)

Engineering Alternative: Dredge Existing Outlet Canals to Design Depth

- Canal dimensions dredged to original depth
 - Outfall Canal
 - Rose Bay Canal
 - Waupoppin Canal
 - Lake Landing Canal

Engineered Alternative: Gravity-Drained Canals to Drainage Districts

- Improve Jarvis Canal to Mattamuskeet Association
- Improve Burus Canal and Swindells Canal (adjacent to Oyster Nest Campground) to Fairfield District #7
- Draw down lake using adjustable water control structure (weir outlet set at 1 ft gauge [-1 ft NAVD88] for initial simulation)
- Upgrade pump capacity at drainage districts to handle additional volume

Next Steps

- Stakeholder team to select two alternatives to evaluate for all design storms
 - 2-year, 10-year, 50-year, 100-year, Hurricane Joaquin, Hurricane Matthew
 - Simulate under existing and future sea level rise
- Hyde County Board of Commissioners to select engineered alternative to progress to conceptual plans

TRILLIUM HEALTH RESOURCES ANNUAL REPORT HYDE COUNTY

DAVE PETERSON, MA
SENIOR REGIONAL DIRECTOR

TRILLIUM UPDATE

Trillium's mission: Transforming lives and building community well-being through partnership and proven solutions.

- Who We Are
- Medicaid Transformation Changes
- Organizational changes- Call centers, Contracts, Care Management
- COVID-19 Response
- County Data

Who We Are - Numbers

- 26 Counties
- 1,469,101 total population
- 266,000 Medicaid Eligible
- Served 58,452 individuals from mild to severe mental health needs
 - 70% with MH needs
 - 20% with SUD
 - 10% with IDD
- Approximately 500 Providers
- \$475,921,857.00 spent on services last year
- Smallest County- Tyrrell 3,665- Largest County -New Hanover 232,274
- Cover over 12,000 square miles

Trillium Map per Region

REGION	POPULATION	SQUARE MILES	# OF COUNTIES
Northern	201,969	3,511	10
Central	494,441	4,717	9
Southern	772,691	4,176	7

Medicaid Transformation- Standard Plans

- Standard Plan- 5 companies were awarded
 - Amerihealth Caritas NC Inc.
 - Blue Cross Blue Shield of NC
 - UnitedHealthcare of NC Inc.
 - WellCare of NC Inc.
 - Carolina Complete Health- covers regions 3, 4 and 5
- ❖ These Plans will be managing the mild to moderate Medicaid behavioral health recipients

Managed Medicaid Coverage Regions

Medicaid Transformation Standard Plans continued:

- Standard Plan Insurance Companies Timeline:
- March 15th through May 14th – Open Enrollment
- May 15th – Auto enrollment
- July 1st 2021 – Standard Plans begin to serve Medicaid individuals with Low to Moderate needs

Medicaid Transformation Tailored Plan:

- 5-7 Managed Care Organizations- NCACC recommended the current LME/MCO map
- Managing the high risk/high cost individuals with mental health, developmental disabilities and substance use
- DHHS released the RFA on November 13th 2020
- Managing the whole person- both physical health and behavioral health

Behavioral Health I/DD Tailored Plan Regions

Medicaid Transformation Tailored Plan Continued

- Applications were due back to the state on Feb 2nd 2021 and we submitted ours on time
- DHHS will award the contracts on June 11th, 2021 to 5-7 MCO's
- We will have a readiness review late fall
- July 1st 2022- Begin the Tailored Plan the more Severe behavioral Health, Substance use and IDD population like we do today

What will it Look like

- Manage the whole person both Behavioral and Physical health
- Focus on the Social Determinants of Health-
 1. 1. Transportation
 2. 2. Housing
 3. 3. Food Insecurities
 4. 4. Employment
 5. 5. Personal Safety
- Contract with every pharmacy in our 26 counties
- Contract with all primary care physicians that provide services to Medicaid consumers
- Provide Tailored Care Management

Organizational changes

Call Centers

- Pharmacy
- Provider
- Nurse
- Current Call Center

Contracts

- Pharmacy
- Primary Care Offices

Care Management

- Whole Person Care

Impact today

- Consumers will remain with the same services with their MCO
- We will still move forward with developing the infrastructure to serve the whole person
- Work towards contracting with pharmacies and primary care services

COVID – 19 IMPACT

- Setup a separate webpage for all of our information regarding COVID-19
- Some rate increases extended ranging from 5% - 30% to Network Providers
- Waiving Prior Authorizations
- Supplying COVID Kits to providers/consumers
- Respite for Children with IDD increased to 30 hours
- Telehealth continues to be provided when needed
- Food Delivery

COVID-19 Impact continued...

- Promoting Hope4NC
- Trillium continues remote status with office usage limited to 15% of allowed capacity
- Access to Care continues to be in operation 24 hours per day.

Hyde County Board of Commissioners
AGENDA ITEM SUMMARY SHEET

Meeting Date: May 3, 2021
Presenter: Citizens
Attachment: No

ITEM TITLE: PUBLIC COMMENTS

SUMMARY: Citizens are afforded an opportunity at this time to comment on issues they feel may be of importance to the Commissioners and to their fellow citizens.

Comments should be kept to (3) minutes and directed to the entire Board, not just one individual Commissioner, staff member or to a member of the audience.

Time for one person cannot be used by another person.

Comments that reflect the need for additional assistance will be directed to the County Manager or referred to a future meeting agenda.

RECOMMEND: Receive comments.

Hyde County Board of Commissioners
AGENDA ITEM SUMMARY SHEET

Meeting Date: May 3, 2021
Presenter: Kris Cahoon Noble, Manager
Attachment: Yes - Letter requesting Appointment

ITEM TITLE: AAA RAC Appointment

SUMMARY: The Albemarle Commission Area Agency on Aging is seeking an appointment to a vacant seat on the Regional Advisory Council to represent Hyde County. Each county has 2 seats. One seat is currently held by Jan Moore of Swan Quarter. The Manager has requested that Commissioner Matthews select an individual from the Ocracoke Community to fill the vacant position.

RECOMMEND: RECEIVE AND APPROVE RECOMMENDATION

Ms. Lois Stotesberry, Clerk to the Board
Hyde County
PO Box 188
Swan Quarter, NC 27885

Dear Ms. Stotesberry:

The Albemarle Commission Area Agency on Aging (AAA) is in need of one appointed representative on our Regional Advisory Council (RAC). Currently Ms. Jan Moore is appointed to serve on this council, but according to our by-laws, each county should have two (2) appointed representatives. After speaking with Ms. Geraldine Weatherly, she has decided to resign from her obligations as a RAC member.

The RAC meets quarterly to give direction and guidance to the AAA's efforts in serving the senior population in **Hyde County**. The primary purpose of this council is to serve as advocates for older adults, their caregivers and their families living within the service area of the Albemarle Commission as specified by the Older American's Act. This group is primarily responsible for providing guidance and input in our 4-year area plan to serve older adults in Northeast North Carolina. As we begin evaluating needs for our new 4-year plan, having representation from **Hyde County** is essential.

Appointment length to this council can vary based on the county preference, but should be no less than a two-year term.

Should you have any questions or concerns, please feel free to contact me at 252-426-8244. I thank you in advance for your assistance.

Most Sincerely,

Jasmine S. Wilson, Aging Program & Contracts Specialist
Albemarle Commission Area Agency on Aging

Hyde County Board of Commissioners
AGENDA ITEM SUMMARY SHEET

Meeting Date: May 3, 2021
Presenter: Luana Gibbs, Health Director
Attachment: No

ITEM TITLE: Appointment to the Hyde County Child Fatality Prevention Team (CFPT)

SUMMARY: Hyde County has a local CFPT that should consist of representatives from various public and nonpublic agencies. According to Article 14 , GS 7B-1407, the Board of County Commissioners must appoint a parent of a child who died before reaching their eighteenth birthday.

In order to fulfill these roles, Luana Gibbs, Health Director and Chair of the CFPT is requesting appointment of Elizabeth Gurganus to the CFPT. Mrs. Gurganus has voiced a willingness to serve on this team.

RECOMMEND: APPROVAL

Hyde County Board of Commissioners
AGENDA ITEM SUMMARY SHEET

Meeting Date: May 3, 2021
Presenter: Donnie Shumate
Attachment: Yes

ITEM TITLE: Advertisement of the 2020 Tax Liens (Delinquent Accounts)

SUMMARY: Per NC General Statute 105-369, The Board of Commissioners shall be presented with an accounting of all delinquent tax accounts from the previous tax year. Upon being presented with this list, the board is to direct the Tax Collector to advertise the liens in a newspaper of general circulation 30 days after a notice is mailed to all delinquent taxpayers.

RECOMMEND: REVIEW LIST AND DIRECT TAX COLLECTOR TO GIVE NOTICE AND ADVERTISE LIENS

Hyde County Board of Commissioners
PO Box 188
Swan Quarter, NC 27885

Dear Hyde County Commissioners,

The Ocracoke Occupancy Tax Board recommends the following appropriations be made from the Ocracoke Occupancy Tax Fund during the 2021/2022 Fiscal Year.

Recipient	Amount
Mattie Arts & Visitor Center	600
Ocracoke Fire Protection Association	83,189
Ocracoke Civic & Business Association	102,350
Ocracoke Friends of the Library	4,165
Ocracoke Preservation Society	206,441
Ocracoke Alive	26,000
Ocracoke Runners Club	5,000
Ocracoke School	5,350
Ocracoke Community Center	51,570
Hyde County	45,000
Hyde County Sheriffs Dept	4,300
	533,965

Respectfully,
Robert Chestnut, Chairman
Ocracoke Occupancy Tax Board

Hyde County Board of Commissioners
AGENDA ITEM SUMMARY SHEET

Meeting Date: May 2021
Presenter: Kris Cahoon Noble, Manager
Attachment: Yes - MOA, FAQ and Settlement Overview

ITEM TITLE: MOA - Settlement of Opioid Litigation

SUMMARY: The NC MOA governs how North Carolina would use the proceeds of any future national settlement or bankruptcy resolution with five companies over their role in fueling the opioid epidemic. The five companies are the “big three” drug distributors (Cardinal, McKesson, and AmerisourceBergen), the opioid manufacturer Johnson & Johnson, and the opioid manufacturer Purdue Pharma (now in bankruptcy proceedings). Throughout the attached reference material, the term “opioid settlement funds” refers to the proceeds of any future national settlement or bankruptcy resolution with any of these five companies.

NCACC formed a working group to collaborate with the DOJ on a model to distribute potential settlement funds to all 100 counties to use on programs, services, and strategies to address the epidemic and is encouraging all counties to adopt the MOA.

RECOMMEND: REVIEW AND APPROVE; AUTHORIZE CHAIR TO EXECUTE

Background Statement

Capitalized terms not defined below have the meanings set forth in the Definitions section of the Statement of Agreement.

WHEREAS, the State of North Carolina (the “State”), North Carolina counties and municipalities, and their people have been harmed by misconduct committed by certain entities that engage in or have engaged in the manufacture, marketing, promotion, distribution, or dispensing of an opioid analgesic (“Pharmaceutical Supply Chain Participants”); and

WHEREAS, certain North Carolina counties and municipalities, through their counsel, and the State, through its Attorney General, are separately engaged in ongoing investigations, litigation and settlement discussions seeking to hold Pharmaceutical Supply Chain Participants accountable for the damage caused by their misconduct; and

WHEREAS, the State and the Local Governments share a common desire to abate and alleviate the impacts of the misconduct described above throughout North Carolina and in its local communities; and

WHEREAS, while the Local Governments and the State recognize the sums which may be available from the aforementioned litigation will likely be insufficient to fully abate the public health crisis caused by the opioid epidemic, they share a common interest in dedicating the most resources possible to the abatement effort; and

WHEREAS, settlements resulting from the investigations and litigation with Johnson & Johnson, AmerisourceBergen, Cardinal Health, and McKesson are anticipated to take the form of a National Settlement Agreement; and

WHEREAS, this Memorandum of Agreement (“MOA”) is intended to facilitate compliance by the State and by the Local Governments with the terms of the National Settlement Agreement and, to the extent appropriate, in other settlements related to the opioid epidemic reached by the state of North Carolina; and

WHEREAS, North Carolina’s share of settlement funds from the National Settlement Agreement will be maximized only if all North Carolina counties, and municipalities of a certain size, participate in the settlement; and

WHEREAS, the National Settlement Agreement will set a default allocation between each state and its political subdivisions unless they enter into a state-specific agreement regarding the distribution and use of settlement amounts (a “State-Subdivision Agreement”); and

WHEREAS, this MOA is intended to serve as such a State-Subdivision Agreement under the National Settlement Agreement; and

WHEREAS, the aforementioned investigations and litigation have caused some Pharmaceutical Supply Chain Participants to declare bankruptcy, and it may cause additional entities to declare bankruptcy in the future; and

WHEREAS, this MOA is also intended to serve as a State-Subdivision Agreement under resolutions of claims concerning alleged misconduct in manufacture, marketing, promotion, distribution, or dispensing of an opioid analgesic entered in bankruptcy court that provide for payments (including payments through a trust) to both the State and North Carolina counties and municipalities and allow for the allocation between a state and its political subdivisions to be set through a state-specific agreement (“Bankruptcy Resolutions”); and

WHEREAS, specifically, this MOA is intended to serve under the Bankruptcy Resolution concerning Purdue Pharma L.P. as a statewide abatement agreement, and under this MOA, a statewide abatement agreement is a type of State-Subdivision Agreement.

Statement of Agreement

The parties hereto agree as follows:

A. Definitions

As used in this MOA:

The terms “Bankruptcy Resolution,” “MOA,” “Pharmaceutical Supply Chain Participant,” “State,” and “State-Subdivision Agreement” are defined in the recitals to this MOA.

“Coordination group” refers to the group described in **Section E.7** below.

“County Incentive Fund” is defined in **Section G** below.

“Governing Body” means (1) for a county, the county commissioners of the county, and (2) for a municipality, the elected city council, town council, board of commissioners, or board of aldermen for the municipality.

“Incentive Eligible Local Government” is defined in **Section G** below.

“Local Abatement Funds” are defined in **Section B.2** below.

“Local Government” means all counties and municipalities located within the geographic boundaries of the State of North Carolina that have chosen to sign on to this MOA.

“MDL Matter” means the matter captioned *In re: National Prescription Opiate Litigation*, MDL 2804 pending in the United States District Court for the Northern District of Ohio.

“MDL Parties” means all parties who participated in the matter captioned *In re: National Prescription Opiate Litigation*, MDL 2804 pending in the United States District Court for the Northern District of Ohio as Plaintiffs.

“National Settlement Agreement” means a national opioid settlement agreement with the Parties and one or all of the Settling Defendants concerning alleged misconduct in manufacture, marketing, promotion, distribution, or dispensing of an opioid analgesic.

“Opioid Settlement Funds” shall mean all funds allocated by the National Settlement Agreement and any Bankruptcy Resolutions to the State or Local Governments for purposes of opioid remediation activities or restitution, as well as any repayment of those funds and any interest or investment earnings that may accrue as those funds are temporarily held before being expended on opioid remediation strategies. Not included are funds made available in the National Settlement Agreement or any Bankruptcy Resolutions for the payment of the Parties’ litigation expenses or the reimbursement of the United States Government.

“Parties” means the State of North Carolina and the Local Governments.

“Settling Defendants” means Johnson & Johnson, AmerisourceBergen, Cardinal Health, and McKesson, as well as their subsidiaries, affiliates, officers, and directors named in a National Settlement Agreement.

“State Abatement Fund” is defined in **Section B.2** below.

B. Allocation of Settlement Proceeds

1. Method of distribution. Pursuant to the National Settlement Agreement and any Bankruptcy Resolutions, Opioid Settlement Funds shall be distributed directly to the State and to Local Governments in such proportions and for such uses as set forth in this MOA, provided Opioid Settlement Funds shall not be considered funds of the State or any Local Government unless and until such time as each annual distribution is made.
2. Overall allocation of funds. Opioid Settlement Funds shall be allocated as follows: (i) 15% directly to the State (“State Abatement Fund”), (ii) 80% to abatement funds established by Local Governments (“Local Abatement Funds”), and (iii) 5% to a County Incentive Fund described in **Section G** below.
3. Allocation of funds between Local Governments. The Local Abatement Funds shall be allocated to counties and municipalities in such proportions as set forth in **Exhibit G**, attached hereto and incorporated herein by reference, which is based upon the MDL Matter’s Opioid Negotiation Class Model. The proportions shall not change based on population changes during the term of the MOA. However, to the extent required by the terms of the National Settlement Agreement, the proportions set forth in **Exhibit G** shall be adjusted: (i) to provide no payment from the National Settlement Agreement to any listed county or municipality that does not participate in the National Settlement Agreement; and (ii) to provide a reduced payment from the National Settlement Agreement to any listed county or municipality that signs onto the National Settlement Agreement after the initial participation deadline.
4. Municipal allocations. Within counties and municipalities:

- a. Local Governments receiving payments. The proportions set forth in **Exhibit G** provide for payments directly to (i) all North Carolina counties, (ii) North Carolina municipalities with populations over 75,000 based on the United States Census Bureau's Vintage 2019 population totals, and (iii) North Carolina municipalities who are also MDL Parties as of January 1, 2021.
 - b. Municipality may direct payments to county. Any municipality allocated a share in **Exhibit G** may elect to have its share of current or future annual distributions of Local Abatement Funds instead directed to the county or counties in which it is located. Such an election may be made by January 1 each year to apply to the following fiscal year. If a municipality is located in more than one county, the municipality's funds will be directed based on the MDL Matter's Opioid Negotiation Class Model.
5. Use of funds for opioid remediation activities. This MOA requires that except as related to the payment of the Parties' litigation expenses and the reimbursement of the United States Government, all Opioid Settlement Funds, regardless of allocation, shall be utilized only for opioid remediation activities.
 6. Relationship of this MOA to other agreements and resolutions. All Parties acknowledge and agree the National Settlement Agreement will require a Local Government to release all its claims against the Settling Defendants to receive Opioid Settlement Funds. All Parties further acknowledge and agree based on the terms of the National Settlement Agreement, a Local Government may receive funds through this MOA only after complying with all requirements set forth in the National Settlement Agreement to release its claims. This MOA is not a promise from any Party that any National Settlement Agreement or Bankruptcy Resolution will be finalized or executed.

C. Payment of Litigating and Non-Litigating Parties

No Party engaged in litigating the MDL Matter shall receive a smaller payment than a similarly situated non-litigating Party, other than as based on the Allocation Proportions in **Exhibit G** or based on the eligibility criteria for payments from the County Incentive Fund as provided by **Section G** below.

D. Special Revenue Fund

1. Creation of special revenue fund. Every Local Government receiving Opioid Settlement Funds shall create a separate special revenue fund, as described below, that is designated for the receipt and expenditure of the Opioid Settlement Funds.
2. Procedures for special revenue fund. Funds in this special revenue fund shall not be commingled with any other money or funds of the Local Government. The funds in the

special revenue fund shall not be used for any loans or pledge of assets, unless the loan or pledge is for an opioid remediation purpose consistent with the terms of this MOA and adopted under the process described in **Section E.6** below. Although counties or municipalities may make contracts with or grants to a nonprofit, charity, or other entity, counties or municipalities may not assign to another entity their rights to receive payments from the national settlement or their responsibilities for funding decisions.

3. Interest earned on special revenue fund. The funds in the special revenue fund may be invested, consistent with the investment limitations for local governments, and may be placed in an interest-bearing bank account. Any interest earned on the special revenue fund must be used in a way that is consistent with this MOA.

E. Opioid Remediation Activities.

1. Limitation on use of funds. Local Governments shall expend Opioid Settlement Funds only for opioid-related expenditures consistent with the terms of this MOA and incurred after the date of the Local Government's execution of this MOA, unless execution of the National Settlement Agreement requires a later date.
2. Opportunity to cure inconsistent expenditures. If a Local Government spends any Opioid Settlement Funds on an expenditure inconsistent with the terms of this MOA, the Local Government shall have 60 days after discovery of the expenditure to cure the inconsistent expenditure through payment of such amount for opioid remediation activities through budget amendment or repayment.
3. Consequences of failure to cure inconsistent expenditures. If a Local Government does not make the cure required by **Section E.2** above within 60 days, (i) future Opioid Fund payments to that Local Government shall be reduced by an amount equal to the inconsistent expenditure, and (ii) to the extent the inconsistent expenditure is greater than the expected future stream of payments to the Local Government, the Attorney General may initiate a process up to and including litigation to recover and redistribute the overage among all eligible Local Governments. The Attorney General may recover any litigation expenses incurred to recover the funds. Any recovery or redistribution shall be distributed consistent with **Sections B.3 and B.4** above.
4. Annual meeting of counties and municipalities within each county. Each county receiving Opioid Settlement Funds shall hold at least one annual meeting with all municipalities in the Local Government's county invited in order to receive input as to proposed uses of the Opioid Settlement Funds and to encourage collaboration between local governments both within and beyond the county. These meetings shall be open to the public.
5. Use of settlement funds under Option A and Option B. Local Governments shall spend Opioid Settlement Funds from the Local Abatement Funds on opioid remediation activities using either or both of the processes described as Option A and Option B below, unless the relevant National Settlement Agreement or Bankruptcy Resolution further limit the spending.

a. Option A.

- i. Without any additional strategic planning beyond the meeting described in **Section E.4** above, Local Governments may spend Opioid Settlement Funds from the list of High-Impact Opioid Abatement Strategies attached as **Exhibit A**. This list is a subset of the initial opioid remediation strategies listed in the National Settlement Agreement.
- ii. **Exhibit A** may be modified as set forth in Exhibit D below; provided, however, that any strategy listed on **Exhibit A** must be within the list of opioid remediation activities for the then-current National Settlement Agreement. Opioid remediation activities undertaken under a previously authorized strategy list may continue if they were authorized at the time of the Local Government's commitment to spend funds on that activity.

b. Option B.

- i. A Local Government that chooses to participate in additional voluntary, collaborative, strategic planning may spend Opioid Settlement Funds from the broader list of categories found in **Exhibit B**. This list contains all the initial opioid remediation strategies listed in the National Settlement Agreement.
- ii. Before spending any funds on any activity listed in **Exhibit B**, but not listed on **Exhibit A**, a Local Government must first engage in the collaborative strategic planning process described in **Exhibit C**. This process shall result in a report and non-binding recommendations to the Local Government's Governing Body described in **Exhibit C** (right-hand column).
- iii. A Local Government that has previously undertaken the collaborative strategic planning process described in **Exhibit C** and wishes to continue implementing a strategy listed in **Exhibit B**, but not listed in **Exhibit A**, shall undertake a new collaborative strategic planning process every four years (or more often if desired).
- iv. A Local Government that has previously undertaken the collaborative strategic planning process described in **Exhibit C** that wishes to implement a new strategy listed in **Exhibit B** but not listed in **Exhibit A**, shall undertake a new collaborative strategic planning process.
- v. Two or more Local Governments may undertake a single collaborative strategic planning process resulting in a report and recommendations to all of the Local Governments involved.

6. Process for drawing from special revenue funds.

- a. Budget item or resolution required. Opioid Settlement Funds can be used for a purpose when the Governing Body includes in its budget or passes a separate resolution authorizing the expenditure of a stated amount of Opioid Settlement Funds for that purpose or those purposes during a specified period of time.
- b. Budget item or resolution details. The budget or resolution should (i) indicate that it is an authorization for expenditure of opioid settlement funds; (ii) state the specific strategy or strategies the county or municipality intends to fund pursuant to Option A or Option B, using the item letter and/or number in **Exhibit A** or **Exhibit B** to identify each funded strategy, and (iii) state the amount dedicated to each strategy for a stated period of time.

7. Coordination group. A coordination group with the composition and responsibilities described in **Exhibit D** shall meet at least once a year during the first three years that this MOA is in effect. Thereafter, the coordination group shall meet at least once every three years until such time as Opioid Settlement Funds are no longer being spent by Local Governments.

F. Auditing, Compliance, Reporting, and Accountability

1. Audits under Local Government Budget and Fiscal Control Act. Local Governments' Opioid Settlement Funds are subject to financial audit by an independent certified public accountant in a manner no less than what is required under G.S. 159-34. Each Local Government must file an annual financial audit of the Opioid Settlement Funds with the Local Government Commission. If any such audit reveals an expenditure inconsistent with the terms of this MOA, the Local Government shall immediately report the finding to the Attorney General.
2. Audits under other acts and requirements. The expenditure of Opioid Settlement Funds is subject to the requirements of the Local Government Budget and Fiscal Control Act, Chapter 159 of the North Carolina General Statutes; Local Government Commission rules; the Federal Single Audit Act of 1984 (as if the Opioid Settlement Funds were federal funds); the State Single Audit Implementation Act; Generally Accepted Government Auditing Standards; and all other applicable laws, rules, and accounting standards. For expenditures for which no compliance audit is required under the Federal Single Audit Act of 1984, a compliance audit shall be required under a compliance supplement approved by the coordination group.
3. Audit costs. Reasonable audit costs that would not be required except for this Section F may be paid by the Local Government from Opioid Settlement Funds..
4. Access to persons and records. During and after the term of this MOA, the State Auditor and Department of Justice shall have access to persons and records related to this MOA and expenditures of Opioid Settlement Funds to verify accounts and data affecting fees or

performance. The Local Government manager/administrator is the point of contact for questions that arise under this MOA.

5. Preservation of records. The Local Government must maintain, for a period of at least five years, records of Opioid Settlement Fund expenditures and documents underlying those expenditures, so that it can be verified that funds are being or have been utilized in a manner consistent with the National Settlement Agreement, any Bankruptcy Resolutions, and this MOA.
6. Reporting.
 - a. Annual financial report required. In order to ensure compliance with the opioid remediation provisions of the National Settlement Agreement, any Bankruptcy Resolutions, and this MOA, for every fiscal year in which a Local Government receives, holds, or spends Opioid Settlement Funds, the county or municipality must submit an annual financial report specifying the activities and amounts it has funded.
 - b. Annual financial report timing and contents. The annual financial report shall be provided to the North Carolina Attorney General by emailing the report to opioiddocs@ncdoj.gov, within 90 days of the last day of the state fiscal year covered by the report. Each annual financial report must include the information described on **Exhibit E**.
 - c. Reporting to statewide opioid settlement dashboard. Each Local Government must provide the following information to the statewide opioid settlement dashboard within the stated timeframes:
 - i. The budget or resolution authorizing the expenditure of a stated amount of Opioid Settlement Funds for a specific purpose or purposes during a specified period of time as described in **Section E.6.b** above (within 90 days of the passage of any such budget or resolution);
 - ii. If the Local Government is using Option B, the report(s) and non-binding recommendations from collaborative strategic planning described in **Section E.5.b.ii** above and **Exhibit C** (right hand column) (within 90 days of the date the report and recommendations are submitted to the local governing body for consideration);
 - iii. The annual financial reports described in Section F.6.a and **Exhibit E** (within 90 days of the end of the fiscal year covered by the report); and
 - iv. The impact information described in **Exhibit F** (within 90 days of the end of the fiscal year covered by the report).

The State will create an online portal with instructions for Local Governments to report or upload each of these four items by electronic means.

- d. Copy to NCDOJ of any additional reporting. If the National Settlement Agreement or any Bankruptcy Resolutions require that a Local Government file, post, or provide a report or other document beyond those described in this MOA, or if any Local Government communicates in writing with any national administrator or other entity created or authorized by the National Settlement Agreement or any Bankruptcy Resolutions regarding the Local Government's compliance with the National Settlement Agreement or Bankruptcy Resolutions, the Local Government shall email a copy of any such report, document, or communication to the North Carolina Department of Justice at opioiddocs@ncdoj.gov.
 - e. Compliance and non-compliance.
 - i. Every Local Government shall make a good faith effort to comply with all of its reporting obligations under this MOA, including the obligations described in **Section F.6.c** above.
 - ii. A Local Government that engages in a good faith effort to comply with its reporting obligations under **Section F.6.c** but fails in some way to report information in an accurate, timely, or complete manner shall be given an opportunity to remedy this failure within a reasonable time.
 - iii. A Local Government that does not engage in a good faith effort to comply with its reporting obligations under this MOA, or that fails to remedy reporting issues within a reasonable time, may be subject to action for breach of contract.
 - iv. Notwithstanding anything to the contrary herein, a Local Government that is in substantial compliance with the reporting obligations in this MOA shall not be considered in breach of this MOA or in breach of contract.
7. Collaboration. The State and Local Governments must collaborate to promote effective use of Opioid Settlement Funds, including through the sharing of expertise, training, technical assistance. They will also coordinate with trusted partners to collect and share information about successful regional and other high-impact strategies and opioid treatment programs.

G. County Incentive Fund

A Local Government receiving Settlement Proceeds pursuant to **Section B.4.a** shall be an Incentive Eligible Local Government if every municipality in the Local Government's county with population of at least 30,000 has executed this MOA by October 1, 2021, but no later than any such deadline set in the National Settlement Agreement for the highest possible participation in incentive structures for North Carolina. Each Incentive Eligible Local Government shall receive a share of the 5% County Incentive Fund set forth in **Section B.2.iii**, distributed pro rata among only Incentive Eligible Local Governments as set forth in **Exhibit G**. For purposes of the calculations required by this Section, populations will be based on United States Census Bureau's Vintage 2019 population totals, and a municipality with populations in multiple counties will be counted only toward the county which has the largest share of that municipality's population.

H. Effectiveness

1. When MOA takes effect. This MOA shall become effective at the time a sufficient number of Local Governments have joined the MOA to qualify this MOA as a State-Subdivision Agreement under the National Settlement Agreement or any Bankruptcy Resolution. If this MOA does not thereby qualify as a State-Subdivision Agreement, this MOA will have no effect.
2. Amendments to MOA.
 - a. Amendments to conform to final national documents. The Attorney General, with the consent of a majority vote from a group of Local Government attorneys appointed by the Association of County Commissioners, may initiate a process to amend this MOA to make any changes required by the final provisions of the National Settlement Agreement or any Bankruptcy Resolution. The Attorney General's Office will provide written notice of the necessary amendments to all the previously joining parties. Any previously joining party will have a two-week opportunity to withdraw from the MOA. The amendments will be effective to any party that does not withdraw.
 - b. Coordination group. The coordination group may make the changes authorized in **Exhibit D**.
 - c. No amendments to allocation between Local Governments. Notwithstanding any other provision of this MOA, the allocation proportions set forth in **Exhibit G** may not be amended.
 - d. General amendment power. After execution, the coordination group may propose other amendments to the MOA, subject to the limitation in **Section H.2.c** above. Such amendments will take effect only if approved in writing by the Attorney General and at least two-thirds of the Local Governments who are Parties to this MOA. In the vote, each Local Government Party will have a number of votes measured by the allocation proportions set forth in **Exhibit G**.
3. Acknowledgement. The Parties acknowledge that this MOA is an effective and fair way to address the needs arising from the public health crisis due to the misconduct committed by the Pharmaceutical Supply Chain Participants.
4. When MOA is no longer in effect. This MOA is effective until one year after the last date on which any Opioid Settlement Funds are being spent by Local Governments pursuant to the National Settlement Agreement and any Bankruptcy Resolution.
5. Application of MOA to settlements and bankruptcy resolutions. This MOA applies to all settlements under the National Settlement Agreement with the Settling Defendants and any Bankruptcy Resolutions. The Parties agree to discuss the use, as the Parties may deem appropriate in the future, of the settlement terms set out herein (after any necessary

amendments) for resolutions with Pharmaceutical Supply Chain Participants not covered by the National Settlement Agreement or a Bankruptcy Resolution.

6. Applicable law and venue. Unless required otherwise by the National Settlement Agreement or a Bankruptcy Resolution, this MOA shall be interpreted using North Carolina law and any action related to the provisions of this MOA must be adjudicated by the Superior Court of Wake County. If any provision of this MOA is held invalid by any court of competent jurisdiction, this invalidity does not affect any other provision which can be given effect without the invalid provision.
7. Scope of MOA. The Parties acknowledge that this MOA does not excuse any requirements placed upon them by the terms of the National Settlement Agreement or any Bankruptcy Resolution, except to the extent those terms allow for a State-Subdivision Agreement to do so.
8. No third party beneficiaries. No person or entity is intended to be a third party beneficiary of this MOA.
9. No effect on authority of parties. Nothing in this MOA shall be construed to affect or constrain the authority of the Parties under law.
10. Signing and execution of MOA. This MOA may be signed and executed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement. A signature transmitted by facsimile or electronic image shall be deemed an original signature for purposes of executing this MOA. Each person signing this MOA represents that he or she is fully authorized to enter into the terms and conditions of, and to execute, this MOA, and that all necessary approvals and conditions precedent to his or her execution have been satisfied.

(Signature pages follow.)

Signature pages will be structured as one page for the State of North Carolina,
followed by separate signature pages for each county.

These signature pages will also include blanks for the county's municipalities.

To avoid having 101 signature pages in the middle of this file,
the signature pages are in a separate document.

**EXHIBIT A TO NC MOA:
HIGH-IMPACT OPIOID ABATEMENT STRATEGIES (“OPTION A” List)**

In keeping with the National Settlement Agreement, opioid settlement funds may support programs or services listed below that serve persons with Opioid Use Disorder (OUD) or any co-occurring Substance Use Disorder (SUD) or mental health condition.

As used in this list, the words “fund” and “support” are used interchangeably and mean to create, expand, or sustain a program, service, or activity.

1. **Collaborative strategic planning.** Support collaborative strategic planning to address opioid misuse, addiction, overdose, or related issues, including staff support, facilitation services, or any activity or combination of activities listed in Exhibit C to the MOA (collaborative strategic planning).
2. **Evidence-based addiction treatment.** Support evidence-based addiction treatment consistent with the American Society of Addiction Medicine’s national practice guidelines for the treatment of opioid use disorder – including Medication-Assisted Treatment (MAT) with any medication approved for this purpose by the U.S. Food and Drug Administration – through Opioid Treatment Programs, qualified providers of Office-Based Opioid Treatment, Federally Qualified Health Centers, treatment offered in conjunction with justice system programs, or other community-based programs offering evidence-based addiction treatment. This may include capital expenditures for facilities that offer evidence-based treatment for OUD. (If only a portion of a facility offers such treatment, then only that portion qualifies for funding, on a pro rata basis.)
3. **Recovery support services.** Fund evidence-based recovery support services, including peer support specialists or care navigators based in local health departments, social service offices, detention facilities, community-based organizations, or other settings that support people in treatment or recovery, or people who use drugs, in accessing addiction treatment, recovery support, harm reduction services, primary healthcare, or other services or supports they need to improve their health or well-being.
4. **Recovery housing support.** Fund programs offering recovery housing support to people in treatment or recovery, or people who use drugs, such as assistance with rent, move-in deposits, or utilities; or fund recovery housing programs that provide housing to individuals receiving Medication-Assisted Treatment for opioid use disorder.
5. **Employment-related services.** Fund programs offering employment support services to people in treatment or recovery, or people who use drugs, such as job training, job skills, job placement, interview coaching, resume review, professional attire, relevant courses at community colleges or vocational schools, transportation services or transportation vouchers to facilitate any of these activities, or similar services or supports.
6. **Early intervention.** Fund programs, services, or training to encourage early identification and intervention for children or adolescents who may be struggling with problematic use of drugs or mental health conditions, including Youth Mental Health

First Aid, peer-based programs, or similar approaches. Training programs may target parents, family members, caregivers, teachers, school staff, peers, neighbors, health or human services professionals, or others in contact with children or adolescents.

7. **Naloxone distribution.** Support programs or organizations that distribute naloxone to persons at risk of overdose or their social networks, such as Syringe Service Programs, post-overdose response teams, programs that provide naloxone to persons upon release from jail or prison, emergency medical service providers or hospital emergency departments that provide naloxone to persons at risk of overdose, or community-based organizations that provide services to people who use drugs. Programs or organizations involved in community distribution of naloxone may, in addition, provide naloxone to first responders.
8. **Post-overdose response team.** Support post-overdose response teams that connect persons who have experienced non-fatal drug overdoses to addiction treatment, recovery support, harm reduction services, primary healthcare, or other services or supports they need to improve their health or well-being.
9. **Syringe Service Program.** Support Syringe Service Programs operated by any governmental or nongovernmental organization authorized by section 90-113.27 of the North Carolina General Statutes that provide syringes, naloxone, or other harm reduction supplies; that dispose of used syringes; that connect clients to prevention, treatment, recovery support, behavioral healthcare, primary healthcare, or other services or supports they need; or that provide any of these services or supports.
10. **Criminal justice diversion programs.** Support pre-arrest or post-arrest diversion programs, or pre-trial service programs, that connect individuals involved or at risk of becoming involved in the criminal justice system to addiction treatment, recovery support, harm reduction services, primary healthcare, prevention, or other services or supports they need, or that provide any of these services or supports.
11. **Addiction treatment for incarcerated persons.** Support evidence-based addiction treatment, including Medication-Assisted Treatment with at least one FDA-approved opioid agonist, to persons who are incarcerated in jail or prison.
12. **Reentry Programs.** Support programs that connect incarcerated persons to addiction treatment, recovery support, harm reduction services, primary healthcare, or other services or supports they need upon release from jail or prison, or that provide any of these services or supports.

EXHIBIT B TO NC MOA:

Additional Opioid Remediation Activities (“OPTION B” List)

This list shall be automatically updated to match the list of approved strategies in the most recent National Settlement Agreement.

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:¹

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.
2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions.
3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.
4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.
5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.
6. Treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.
7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

¹ As used in this Exhibit B, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs.

8. Training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.
9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.
10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.
11. Scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD or mental health conditions, including but not limited to training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.
12. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.
13. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.
14. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for or recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.
2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.
3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.
4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.
6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.
7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.
8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.
9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.
10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.
11. Training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.
12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.
13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.
14. Create and/or support recovery high schools.
15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

**C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED
(CONNECTIONS TO CARE)**

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.
2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.
4. Purchase automated versions of SBIRT and support ongoing costs of the technology.
5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.
6. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.
7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically-appropriate follow-up care through a bridge clinic or similar approach.
8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.
9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.
10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.
11. Expand warm hand-off services to transition to recovery services.
12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.
13. Develop and support best practices on addressing OUD in the workplace.
14. Support assistance programs for health care providers with OUD.
15. Engage non-profits and the faith community as a system to support outreach for treatment.
16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice

system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:
 - a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);
 - b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;
 - c. “Naloxone Plus” strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;
 - d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;
 - e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or
 - f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise.
2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.
3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions.
4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.
5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison, have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.
6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.
7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (NAS), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.
3. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.
4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; expand long-term treatment and services for medical monitoring of NAS babies and their families.
5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.
6. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.
7. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.
8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.
9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.
10. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund medical provider education and outreach regarding best prescribing practices for opioids consistent with Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).
2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.
3. Continuing Medical Education (CME) on appropriate prescribing of opioids.
4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.
5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:
 - a. Increase the number of prescribers using PDMPs;
 - b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or
 - c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.
6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.
7. Increase electronic prescribing to prevent diversion or forgery.
8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund media campaigns to prevent opioid misuse.
2. Corrective advertising or affirmative public education campaigns based on evidence.
3. Public education relating to drug disposal.
4. Drug take-back disposal or destruction programs.
5. Fund community anti-drug coalitions that engage in drug prevention efforts.
6. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).
7. Engage non-profits and faith-based communities as systems to support prevention.
8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.
9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.
10. Create or support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.
11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.
12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, individuals at high risk of overdose, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.
2. Public health entities that provide free naloxone to anyone in the community.

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.
4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.
5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.
6. Public education relating to emergency responses to overdoses.
7. Public education relating to immunity and Good Samaritan laws.
8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.
9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.
10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.
11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.
12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.
13. Support screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in sections C, D, and H of this Exhibit relating to first responders, support the following:

1. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.
2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitation, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local, or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services; to support training and technical assistance; or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
2. A dashboard to share reports, recommendations, or plans to spend Opioid Settlement Funds; to show how Opioid Settlement Funds have been spent; to report program or strategy outcomes; or to track, share, or visualize key opioid-related or health-related indicators and supports as identified through collaborative statewide, regional, local, or community processes.
3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.
2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection, and evaluation of programs and strategies described in this opioid abatement strategy list.
2. Research non-opioid treatment of chronic pain.

3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.
4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.
5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.
6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).
7. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.
8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.
9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

**EXHIBIT C to NC MOA:
COLLABORATIVE STRATEGIC PLANNING PROCESS UNDER OPTION B**

	ACTIVITY NAME	ACTIVITY DETAIL	CONTENT OF REPORT & RECOMMENDATIONS
A	Engage diverse stakeholders	Engage diverse stakeholders, per "ITEM A DETAIL" below, throughout the collaborative strategic planning process	Report on stakeholder engagement per "ITEM A DETAIL" below
B	Designate facilitator	Designate a person or entity to facilitate the strategic collaborative planning process. Consider a trained, neutral facilitator.	Identify the facilitator
C	Build upon any related planning	Build upon or coordinate with prior or concurrent planning efforts that address addiction, drug misuse, overdose, or related issues, including but not limited to community health assessments.	Report any related planning efforts you will build upon or coordinate with
D	Agree on shared vision	Agree on a shared vision for positive community change, considering how strategic investments of Opioid Settlement Funds have the potential to improve community health and well-being and address root causes of addiction, drug misuse, overdose, and related issues	Report on shared vision for positive community change
E	Identify key indicator(s)	Identify one or more population-level measures to monitor in order to gauge progress towards the shared vision. (The NC Opioid Action Plan Data Dashboard contains several such measures.)	Report on the key indicators selected
F	Identify and explore root causes	Explore root causes of addiction, drug misuse, overdose, and related issues in the community, using quantitative data as well as stakeholder narratives, community voices, the stories of those with lived experience, or similar qualitative information	Report on root causes as described
G	Identify and evaluate potential strategies	Identify potential strategies to address root causes or other aspects of the opioid epidemic; identify these strategies (by letter or number) on EXHIBIT A or EXHIBIT B, and consider the effectiveness of each strategy based on available evidence	Identify and evaluate potential strategies
H	Identify gaps in existing efforts	For each potential strategy identified (or for favored strategies), survey existing programs, services, or supports that address the same or similar issues; and identify gaps or shortcomings	Report on survey of and gaps in existing efforts
I	Prioritize strategies	Prioritize strategies, taking into account your shared vision, analysis of root causes, evaluation of each strategy, and analysis of gaps in existing efforts	Report on prioritization of strategies
J	Identify goals, measures, and evaluation plan	For each strategy (or favored strategy), develop goals and an evaluation plan that includes at least one process measure (How much did you do?), at least one quality measure (How well did you do it?), and at least one outcome measure (Is anyone better off?)	Report on goals, measures, and evaluation plan for each chosen strategy
K	Consider ways to align strategies	For each potential strategy identified (or for favored strategies), consider opportunities to braid Opioid Settlement Funds with other funding streams; develop regional solutions; form strategic partnerships; or to pursue other creative solutions	Report on opportunities to align strategies as described
L	Identify organizations	Identify organizations and agencies with responsibility to implement each strategy; and identify the human, material, and capital resources to implement each strategy	Identify organizations and needs to implement each strategy

M	Develop budgets and timelines	Develop a detailed global budget for each strategy with anticipated expenditures, along with timelines for completing components of each strategy	Report budgets and timelines for each strategy
N	Offer recommendations	Offer recommendations to local governing body (e.g., the county board, city council, or other local governing body)	Report recommendations to governing body

ITEM A DETAIL: STAKEHOLDER INVOLVEMENT

	STAKEHOLDERS	DESCRIPTION	CONTENT OF REPORT & RECOMMENDATIONS
A-1	Local officials	County and municipal officials, such as those with responsibility over public health, social services, and emergency services	Report stakeholder involvement (who and how involved in process)
A-2	Healthcare providers	Hospitals and health systems, addiction professionals and other providers of behavioral health services, medical professionals, pharmacists, community health centers, medical safety net providers, and other healthcare providers	same as above
A-3	Social service providers	Providers of human services, social services, housing services, and community health services such as harm reduction, peer support, and recovery support services	same
A-4	Education and employment service providers	Educators, such as representatives of K-12 schools, community colleges, and universities; and those providing vocational education, job skills training, or related employment services	same
A-5	Payers and funders	Health care payers and funders, such as managed care organizations, prepaid health plans, LME-MCOs, private insurers, and foundations	same
A-6	Law enforcement	Law enforcement and corrections officials	same
A-7	Employers	Employers and business leaders	same
A-8	Community groups	Community groups, such as faith communities, community coalitions that address drug misuse, groups supporting people in recovery, youth leadership organizations, and grassroots community organizations	same
A-9	Stakeholders with "lived experience"	Stakeholders with "lived experience," such as people with addiction, people who use drugs, people in medication-assisted or other treatment, people in recovery, people with criminal justice involvement, and family members or loved ones of the individuals just listed	same
A-10	Stakeholders reflecting diversity of community	Stakeholders who represent the racial, ethnic, economic, and cultural diversity of the community, such as people of color, Native Americans, members of the LGBTQ community, and members of traditionally unrepresented or underrepresented groups	same

**EXHIBIT D TO NC MOA:
COORDINATION GROUP**

COMPOSITION

The Coordination Group shall consist of the following twelve members:

Five Local Government Representatives

- Four appointed by the North Carolina Association of County Commissioners including:
 - One county commissioner
 - One county manager
 - One county attorney
 - One county local health director or consolidated human services director
- One municipal manager appointed by the North Carolina League of Municipalities

Four Experts Appointed by the Department of Health and Human Services

- Four appointed by the Secretary of the Department of Health and Human Services, having relevant experience or expertise with programs or policies to address the opioid epidemic, or with behavioral health, public health, health care, harm reduction, social services, or emergency services.

One Expert Appointed by the Attorney General

- One appointed by the Attorney General of North Carolina from the North Carolina Department of Justice or another state agency, having drug policy or behavioral health experience or expertise.

Two Experts Appointed by Legislative Leaders

- One representative from the University of North Carolina School of Government with relevant expertise appointed by the Speaker of the North Carolina House of Representatives.
- One representative from the board or staff of the North Carolina Institute of Medicine with relevant expertise appointed by the President Pro Tem of the North Carolina Senate.

The coordination group may appoint a non-voting administrator to convene meetings and facilitate the work of the coordination group. The administrator will not be paid from the Opioid Settlement Funds distributed under this MOA.

Appointees shall have relevant experience or expertise with programs or policies to address the opioid epidemic, behavioral health, public health, health care, social services, emergency services, harm reduction, management of local government, or other relevant areas.

Those responsible for making appointments to the coordination group are encouraged to appoint individuals who reflect the diversity of North Carolina, taking into consideration the need for geographic diversity; urban and rural perspectives; representation of people of color and

traditionally underrepresented groups; and the experience and perspective of persons with “lived experience.” Those responsible for making appointments may appoint a successor or replace a member at any time. Members of the coordination group serve until they resign or are replaced by the appointer. Eight members of the coordination group constitutes a quorum.

RESPONSIBILITIES

- a. As provided in **Section F.2** of the MOA, where no compliance audit would be required under the Federal Single Audit Act of 1984 for expenditures of Opioid Settlement Funds, a compliance audit shall be required under a compliance supplement established by a vote of at least 8 members of the coordination group. The compliance supplement shall address, at least, procedures for determining:
 - i. Whether the Local Government followed the procedural requirements of the MOA in ordering the expenditures.
 - ii. Whether the Local Government’s expenditures matched one of the types of opioid-related expenditures listed in **Exhibit A** of the MOA (if the Local Government selected Option A) or **Exhibit B** of the MOA (if the Local Government selected Option B).
 - iii. Whether the Local Government followed the reporting requirements in the MOA.
 - iv. Whether the Local Government (or sub-recipient of any grant or loan, if applicable) utilized the awarded funds for their stated purpose, consistent with this MOA and other relevant standards.
 - v. Which processes (such as sampling) shall be used:
 - i. To keep the costs of the audit at reasonable levels; and
 - ii. Tailor audit requirements for differing levels of expenditures among different counties.
- b. The coordination group may, by a vote of at least 8 members, propose amendments to the MOA as discussed in **Section H** of the MOA or modify any of the following:
 - i. The high-impact strategies discussed in **Section E.5** of the MOA and described in **Exhibit A** to the MOA;
 - ii. The collaborative strategic planning process discussed in **Section E.5** of the MOA and described in **Exhibit C** to the MOA;
 - iii. The annual financial report discussed in **Section F.4** of the MOA and described in **Exhibit E** to the MOA;
 - iv. The impact information discussed in **Section F.4** of the MOA and described in **Exhibit F** to the MOA; or
 - v. Other information reported to the statewide opioid dashboard.

- c. The coordination group may, by consensus or by vote of a majority of members present and voting, work with the parties to this MOA, the North Carolina Association of County Commissioners, the North Carolina League of Municipalities, other associations, foundations, non-profits, and other government or nongovernment entities to provide support to Local Governments in their efforts to effectuate the goals and implement the terms of this MOA. Among other activities, the coordination group may coordinate, facilitate, support, or participate in any of the following activities:
- i. Providing assistance to Local Governments in identifying, locating, collecting, analyzing, or reporting data used to help address the opioid epidemic or related challenges, including data referred to in **Exhibit F**;
 - ii. Developing resources or providing training or technical assistance to support Local Governments in addressing the opioid epidemic and carrying out the terms of this MOA;
 - iii. Developing pilot programs, trained facilitators, or other resources to support the collaborative strategic planning process described in this MOA;
 - iv. Developing and implementing a voluntary learning collaborative among Local Governments and others to share best practices in carrying out the terms of this MOA and addressing the opioid epidemic, including in-person or virtual convenings or connections;
 - v. Developing voluntary leadership training programs for local officials on strategies to address the opioid epidemic, opportunities for Local Governments to harness the ongoing transition to value-based healthcare, and other relevant topics;
 - vi. Taking other actions that support Local Governments in their efforts to effectuate the goals and implement the terms of this MOA but do not in any way change the terms of this MOA or the rights or obligations of parties to this MOA.

**EXHIBIT E TO NC MOA:
ANNUAL FINANCIAL REPORT**

Each annual financial report must include the following financial information:

1. The amount of Opioid Settlement Funds in the special revenue fund at the beginning of the fiscal year (July 1).
2. The amount of Opioid Settlement Funds received during the fiscal year.
3. The amount of Opioid Settlement Funds disbursed or applied during the fiscal year, broken down by funded strategy (with any permissible common costs prorated among strategies).
4. The amount of Opioid Settlement Funds used to cover audit costs as provided in Section F.3 of this MOA.
5. The amount of Opioid Settlement Funds in the special revenue fund at the end of the fiscal year (June 30).

All Local Governments that receive two-tenths of one percent (0.2 percent) or more of the total Local Government Allocation as listed in **Exhibit G** shall provide the following additional information:

6. For all Opioid Settlement Funds disbursed or applied during the fiscal year as reported in item 3 above, a single breakdown of the total amount disbursed or applied for all funded strategies during the fiscal year into the following categories:
 - a. Human resource expenditures.
 - b. Subcontracts, grants, or other payments to sub-recipients involved in implementing of the funded strategies listed item 4 above.
 - c. Operational expenditures.
 - d. Capital expenditures.
 - e. Other expenditures.
7. With respect to item 6.b above, the Local Government shall provide the following information for any sub-recipient that receives ten percent or more of the total amount that the Local Government disbursed or applied during the fiscal year:
 - a. The name of the sub-recipient.
 - b. The amount received by the sub-recipient during the fiscal year.
 - c. A very brief description of the goods, services, or other value provided by the sub-recipient (for example, “addiction treatment services” or “peer-support services” or “syringe service program” or “naloxone purchase”).

The coordination group may clarify or modify specifications for this annual financial report as provided in Exhibit D.

**EXHIBIT F TO NC MOA:
IMPACT INFORMATION**

Within 90 days of the end of any fiscal year in which a Local Government expends Opioid Settlement Funds, the Local Government shall report impact information for each strategy that it funded with Opioid Settlement Funds during that fiscal year (“funded strategy”), using the STANDARD FORM or the SHORT FORM for each funded strategy.

The STANDARD FORM is recommended to all Local Governments for all funded strategies. However, Local Governments may use the SHORT FORM as follows:

- All Local Governments that receive less than 0.2 percent (two-tenths of one percent) of the total Local Government Allocation as shown on **Exhibit G** may use the SHORT FORM for all funded strategies.
- All Local Governments that receive 0.2 percent (two-tenths of one percent) or more but less than 0.3 percent (three-tenths of one percent) of the total Local Government Allocation as shown on **Exhibit G** must use the STANDARD FORM for the funded strategy that received the largest amount of settlement funds during the fiscal year and may use the SHORT FORM for all other funded strategies.
- All Local Governments that receive 0.3 percent (three-tenths of one percent) or more but less than 0.4 percent (four-tenths of one percent) of the total Local Government Allocation as shown on **Exhibit G** must use the STANDARD FORM for the two funded strategies that received the largest amount of settlement funds during the fiscal year and may use the SHORT FORM for all other funded strategies.

STANDARD FORM

1. County or municipality and fiscal year covered by this report.
2. Name, title, and organization of person completing this report.
3. Name of funded strategy, letter and/or number of funded strategy on **Exhibit A** or **Exhibit B** to the MOA, and number and date of resolution(s) authorizing expenditure of settlement funds on funded strategy.
4. **Brief progress report** describing the funded strategy and progress made during the fiscal year. Recommended length: approximately one page (250 words).
5. **Brief success story** from a person who has benefitted from the strategy (de-identified unless the person has agreed in writing to be identified). Recommended length: approximately one page (250 words).
6. **One or more process measures**, addressing the question, “How much did you do?”
Examples: number of persons enrolled, treated, or served; number of participants trained; units of naloxone or number of syringes distributed.
7. **One or more quality measures**, addressing the question, “How well did you do it?”
Examples: percentage of clients referred to care or engaged in care; percentage of staff with

certification, qualification, or lived experience; level of client or participant satisfaction shown in survey data.

8. **One or more outcome measures**, addressing the question, “Is anyone better off?”
Examples: number or percentage of clients with stable housing or employment; self-reported measures of client recovery capital, such as overall well-being, healthy relationships, or ability to manage affairs; number or percentage of formerly incarcerated clients receiving community services or supports within X days of leaving jail or prison.
9. In connection with items 6, 7, and 8 above, **demographic information** on the participation or performance of people of color and other historically marginalized groups.

The State will provide counties and municipalities with recommended measures and sources of data for common opioid remediation strategies such as those listed in **Exhibit A**.

Counties or municipalities that have engaged in collaborative strategic planning are encouraged to use the measures for items 6 through 8 above identified through that process.

SHORT FORM

1. County or municipality and fiscal year covered by this report.
2. Name, title, and organization of person completing this report.
3. Name of funded strategy, letter and/or number of funded strategy on **Exhibit A** or **Exhibit B** to the MOA, and number and date of resolution(s) authorizing expenditure of settlement funds on strategy.
4. **Brief progress report** describing the funded strategy and progress made on the funded strategy during the fiscal year. Recommended length: approximately one-half to one page (125-250 words).

HOW NORTH CAROLINA WOULD USE OPIOID SETTLEMENT FUNDS: FREQUENTLY ASKED QUESTIONS ON THE MEMORANDUM OF AGREEMENT BETWEEN STATE AND LOCAL GOVERNMENTS IN NORTH CAROLINA

GENERAL QUESTIONS

1. What is the North Carolina Memorandum of Agreement (NC MOA)?

The NC MOA governs how North Carolina would use the proceeds of any future national settlement or bankruptcy resolution with five companies over their role in fueling the opioid epidemic. The five companies are the “big three” drug distributors (Cardinal, McKesson, and AmerisourceBergen), the opioid manufacturer Johnson & Johnson, and the opioid manufacturer Purdue Pharma (now in bankruptcy proceedings). Throughout this FAQ, the term “opioid settlement funds” refers to the proceeds of any future national settlement or bankruptcy resolution with any of these five companies.

2. Why is the NC MOA important?

The opioid epidemic has taken the lives of more than 16,000 North Carolinians, torn families apart, and ravaged communities from the mountains to the coast. Just as we began to make progress in combatting the epidemic, the COVID-19 pandemic caused a new wave of isolation, despair, drug misuse and overdose death. Individuals, families, and entire communities continue to suffer and struggle.

The opioid epidemic was fueled by irresponsible marketing and inadequate monitoring on the part of opioid makers and distributors. Settlements with the big three drug distributors and Johnson & Johnson, and a resolution of the Purdue Pharma bankruptcy proceedings, have the potential to bring as much as \$850 million to North Carolina over an 18-year period to support state and local efforts to address the epidemic.

The NC MOA is an important step forward in our collective effort to hold these companies accountable for their behavior and to direct much-needed resources to communities across the state as they work to address the epidemic and its aftermath.

3. What are the most important features of the NC MOA?

All funds to address the opioid epidemic. The NC MOA provides that all opioid settlement funds will be used to address the opioid epidemic, with an emphasis on high-impact strategies and collaborative strategic planning.

Maximum resources to North Carolina communities. For our state to receive the maximum payout under any national settlements with the big three drug distributors or Johnson & Johnson, all relevant parties – including the state itself, all 100 counties, and all large and medium-sized municipalities – would have to sign onto the NC MOA and those national settlement agreements.

To achieve that goal, and to maximize resources flowing to communities on the front lines of the epidemic, the NC MOA would direct settlement funds as follows:

- 15% to the state (which the General Assembly would have authority to appropriate on a wide range of strategies to address the epidemic)
- 80% to local governments, including all 100 counties plus 17 municipalities, allocated among those counties and municipalities through a formula developed by attorneys representing local governments in national litigation
- An additional 5% percent into an incentive fund for any county (and any municipality in that county already receiving settlement funds under the NC MOA) in which the county itself and every municipality with at least 30,000 residents (based on 2019 population totals) in the county signs the NC MOA

High level of transparency and accountability. The NC MOA offers a high level of transparency and accountability for the use of opioid settlement funds by local governments, including special revenue funds subject to audit, annual financial and impact reports, and a public dashboard showing how they are using settlement funds to address the epidemic.

4. How does the NC MOA ensure that opioid settlement funds would be spent on strategies to address the epidemic?

Any national settlement with the big three drug distributors or Johnson & Johnson, and any resolution of the Purdue Pharmacy bankruptcy matter, will direct state and local governments to use most opioid settlement funds to address the epidemic.

Consistent with this principle, the NC MOA offers local governments two options:

- Under Option A, a local government may fund one or more strategies from a shorter list of evidence-based, high-impact strategies to address the epidemic.
- Under Option B, a local government may fund one or more strategies from a longer list of strategies after engaging in a collaborative strategic planning process involving a diverse array of stakeholders at the local level.

5. What are the Option A strategies?

Under Option A, local governments may use opioid settlement funds to support programs or services listed below that serve persons with Opioid Use Disorder (OUD) or any co-occurring Substance Use Disorder (SUD) or mental health conditions. Specifically, under Option A, local governments may use opioid settlement proceeds to fund:

1. Collaborative strategic planning
2. Evidence-based addiction treatment
3. Recovery support services
4. Recovery housing support
5. Employment-related services
6. Early intervention programs
7. Naloxone distribution
8. Post-overdose response teams
9. Syringe service programs
10. Criminal justice diversion programs
11. Addiction treatment for incarcerated persons
12. Reentry programs for recently incarcerated persons

(See NC MOA Exhibit A for additional detail.)

6. What are the Option B strategies?

Option B includes a wider array of strategies that would be allowed under any national settlement with the big three drug distributors or Johnson & Johnson, or under a resolution of the Purdue Pharma bankruptcy proceedings. This includes an array of strategies that:

- A. Treat Opioid Use Disorder (OUD)
- B. Support people in treatment and recovery
- C. Provide connections to care
- D. Address the needs of criminal-justice-involved persons with OUD
- E. Address the needs of pregnant or parenting women and their families
- F. Prevent over-prescribing of opioids
- G. Prevent misuse of opioids
- H. Prevent overdose deaths and other harms (harm reduction)
- I. Support first responders
- J. Promote leadership, planning, and coordination
- K. Fund relevant training and research

(See NC MOA Exhibit B for a current version of the Option B national strategy list.)

7. What is the Option B collaborative strategic planning process?

Under Option B, a local government may fund one or more strategies from the longer list of national strategies after engaging in collaborative strategic planning at the local level. This involves:

- Engaging a wide array of local stakeholders
- Exploring the root causes of drug misuse, addiction, and overdose death in the area
- Identifying and evaluating potential strategies to address the epidemic
- Looking for opportunities to fill gaps in existing programs, align strategies, and combine opioid settlement funds with other sources of funding
- Offering comprehensive recommendations to the county board, city council, or other governing body

(See NC MOA Exhibit C for additional detail.)

8. Are regional solutions allowed?

Yes. Multiple counties and municipalities are allowed and encouraged to work together to address regional challenges and pursue regional solutions. Among other provisions, the NC MOA allows several local governments to engage in a single collaborative strategic planning process if they believe it will be efficient and advantageous for them to do so.

9. How does the NC MOA ensure transparency and accountability by local governments receiving opioid settlement funds?

The NC MOA provides a high level of transparency and accountability, including the following measures:

Special Revenue Fund. In order to receive any funds under any opioid settlement or bankruptcy resolution, a local government must first establish a separate special revenue fund for the receipt and expenditure of opioid settlement funds. (See NC MOA sections D & E.6.)

Financial and compliance audits. The use of special revenue funds is subject to a range of financial and compliance audits. The State Auditor and Department of Justice have access to persons and records concerning the expenditure of opioid settlement funds. (See NC MOA section F.)

Special budget item or resolution. In order to spend opioid settlement funds from the special revenue funds, a local government must pass a budget or separate resolution specifically authorizing the expenditure of the funds, including the amount to be spent, the strategy or strategies to be funded, and the relevant period of time. (See NC MOA section E.6.)

Option B report and recommendations. For local governments that elect Option B, the collaborative strategic planning process will result in a public report and recommendations. (See NC MOA section E.5 and Exhibit C, right-hand column.)

Annual financial reports. Any local government that spends opioid settlement funds will be required to file annual financial reports. (See NC MOA section F.6 and Exhibit E.)

Annual impact information. Any local government that spends opioid settlement funds will be required to file impact information on an annual basis. (See NC MOA section F.6 and Exhibit F.)

Statewide public dashboard. A statewide dashboard will enable members of the public to view the special budget items or resolutions, reports and recommendations, annual financial reports, and annual impact information described above for each local government receiving or spending opioid settlement funds. (See NC MOA section F.6.)

NATIONAL OPIOID LITIGATION, SETTLEMENT TALKS, AND BANKRUPTCY PROCEEDINGS

10. How many North Carolina local governments are engaged in national litigation against opioid manufacturers or distributors?

Seventy-six counties and eight municipalities have filed lawsuits in federal court to hold opioid manufacturers or distributors accountable for their role in fueling the opioid epidemic.

11. What is the status of these cases?

The federal cases have been consolidated for pretrial proceedings into so-called Multi-District Litigation (MDL) in Cleveland, Ohio. The opioid MDL has consolidated roughly 3,000 lawsuits from nearly every state. The lawsuits allege that opioid manufacturers misrepresented the risks associated with prescription opioids; that opioid distributors did not properly monitor shipments of prescription opioids to pharmacies across the country; and that these actions contributed to the opioid epidemic that continues to ravage North Carolina and the nation.

12. How large is the potential settlement with the big three drug distributors plus the drug maker Johnson & Johnson?

The big three drug distributors and the drug maker Johnson & Johnson have announced their willingness to consider a global settlement of all the cases that have been or could be filed against them by state and local governments for a total of \$26 billion, with details of such a settlement still under discussion.

13. Will the Purdue Pharma bankruptcy proceedings result in additional funds to address the opioid epidemic?

We anticipate that the Purdue Pharma bankruptcy proceedings may provide an additional \$4-5 billion to support state and local efforts to address the opioid epidemic across the country.

14. How does all this relate to the McKinsey settlement that was announced in February 2021?

The McKinsey settlement is separate and apart from the potential settlements with the big three drug distributors and Johnson & Johnson, and from the Purdue Pharma bankruptcy proceedings.

In February 2021, Attorney General Josh Stein and other attorneys general from across the nation reached a \$573 million settlement with one of the world's largest consulting firms, McKinsey & Company, over the company's role in advising opioid companies how to promote their drugs and profit from the opioid epidemic.

As part of the settlement with McKinsey, the state of North Carolina will receive nearly \$19 million over five years, with the vast majority coming this year. The McKinsey settlement requires that the state use these settlement proceeds to fund strategies to address the opioid epidemic. Within these parameters, it will be up to the North Carolina General Assembly to decide how to spend the McKinsey settlement proceeds.

15. Apart from the settlement talks with the big three drug distributors and Johnson & Johnson, the Purdue Pharma bankruptcy proceedings, and the recent McKinsey settlement, is there other opioid-related litigation brought by state and local governments?

Yes. There is litigation in federal and state courts against other opioid manufacturers, including Allergan, Endo, and Teva, and bankruptcy proceedings involving the opioid maker Mallinckrodt. And there is litigation in federal and state courts against CVS, Rite Aid, Walgreens, Walmart, and other pharmacy chains over their role in the opioid epidemic.

Even in the event of settlements with the big three drug distributors and Johnson & Johnson and a resolution of the Purdue Pharma bankruptcy proceedings, this other litigation will continue and may (or may not) result in additional settlements or resolutions to support state and local efforts to address the opioid epidemic.

ALLOCATION OF OPIOID SETTLEMENT PROCEEDS

16. How would funds be divided among the states in the event of settlements with the big three drugs distributors and Johnson & Johnson or a resolution of bankruptcy proceedings involving Purdue Pharma?

If there are settlements with the big three drug distributors or Johnson & Johnson, or a resolution of bankruptcy proceedings involving Purdue Pharma, or a combination of these, settlement funds would be allocated among states based on population and the impact of the opioid crisis on each state, taking into account several public health measures.

17. What is the maximum amount North Carolina could receive If there are settlements with the big three drugs distributors and Johnson & Johnson, and a resolution of bankruptcy proceedings involving Purdue Pharma?

North Carolina could receive up to \$850 million over a period of 18 years to support state and local efforts to address the opioid epidemic, in the event of national settlements with the big three drug distributors and Johnson & Johnson, as well as a resolution in the Purdue Pharma bankruptcy proceedings. The settlement payments to North Carolina (and other states) would be front-loaded, with payments in the first three years higher than payments in the remaining 15 years of the settlement.

18. How many local governments in North Carolina are expected to receive payments as part of any settlement with the big three drug distributors or Johnson & Johnson or bankruptcy resolution involving Purdue Pharma?

Under the NC MOA, all 100 counties – including those that have engaged in litigation against the opioid defendants and those that have not engaged in such litigation – would receive settlement payments.

In addition, 17 municipalities would receive settlement payments – including the eight municipalities involved in the national litigation and nine other municipalities with a population of 75,000 or greater (based on 2019 population totals). Like the 100 counties, all municipalities receiving settlement funds are subject to the terms and requirements of the NC MOA (including the establishment special revenue funds subject to financial and compliance audits, filing of annual financial and impact reports, and all of the other procedural and reporting requirements described in the NC MOA).

Residents of all municipalities in North Carolina – including those that receive settlement funds and those that do not – stand to benefit from county and state programs and services supported with opioid settlement funds.

19. How are settlement or bankruptcy funds allocated among the North Carolina counties and municipalities receiving such funds?

Under the NC MOA, settlement funds are allocated among the 100 counties and 17 municipalities through a formula developed by attorneys representing local governments in national litigation. The resulting percentage allocations are shown in NC MOA Exhibit G.

20. What is the maximum amount a particular county or municipality could receive under the terms of the MOA, and how would that be calculated?

We anticipate that North Carolina could receive up to \$850 million over a period of 18 years in the event of national settlements with the big three drug distributors and Johnson & Johnson as well as a resolution in the Purdue Pharma bankruptcy proceedings, as noted above.

To determine the maximum total amount that could go to any individual county or municipality (under the best-case scenario), the \$850 million total should be multiplied by 80%, to reflect the portion that will be directed to local governments for opioid remediation efforts, and then be multiplied by the percentage allocation for that county or municipality shown in NC MOA Exhibit G. For example, for a local government with a one percent allocation in NC MOA Exhibit G, the expected maximum would be \$850 million multiplied by .80 (eighty percent) times .01 (one percent) for a maximum of \$6.8 million.

In addition to that amount, a county or municipality may receive an additional (smaller) amount in connection with the incentive fund described in Section G to the MOA. The NC MOA directs five percent of all settlement funds flowing to the state into an incentive fund that would be divided among those counties (and any municipalities in those counties that stand to receive settlement funds under NC MOA Exhibit G) in which the county itself and every municipality in the county with at least 30,000 residents (based on 2019 population totals) signs the MOA.

21. Would opioid settlement payments to a county or municipality be spread out equally over 18 years?

No. Settlement payments to local governments are expected to be front-loaded, with payments in the first three years higher than payments in the remaining 15 years of the settlement.

22. What has to happen for North Carolina counties and municipalities to receive the maximum possible amount under the terms of the MOA and any national settlement agreements?

The precise amount that that our state as a whole would receive depends not only on the final terms of the settlement agreements and bankruptcy resolutions but also on whether North Carolina qualifies for incentive structures that would increase the payment amounts as more North Carolina counties and municipalities join the settlement.

For our state to receive the maximum payout under any national settlements with the drug distributors or Johnson & Johnson, all relevant parties – including the state itself, all 100 counties, and all large and medium-sized municipalities – would have to sign onto the NC MOA and those national settlement agreements. Conversely, North Carolina stands to lose hundreds of millions of dollars under the national settlement agreements if a significant number of counties or large- to medium-sized municipalities do not sign onto those agreements.

It should be noted that any national settlements with the big three drug distributors or Johnson & Johnson will prohibit ANY payment to ANY county or municipality that does not sign onto the national settlement agreements – and there will be reduced payments to any county or municipality that signs on late (after a yet-to-be-determined deadline).

23. How many local governments need to sign the NC MOA for the MOA to take effect?

The NC MOA will become effective when enough local governments have joined it to meet the support level required by one of the national settlement agreements or bankruptcy resolutions. This level of support has not been definitively established. However, we anticipate a requirement that counties and large- and medium-sized cities representing at least half of the state's population will have to sign onto the NC MOU in order for it to take effect.

24. What happens if not enough local governments sign the MOA?

If the NC MOA does not become effective, North Carolina's allocation will be governed by the default allocations that we anticipate will be included in the national settlement agreements with the distributors and Johnson & Johnson, and the resolution of the Purdue bankruptcy. We expect the default in the Purdue bankruptcy will directly provide funds to counties with a population above 400,000 (and NOT directly to counties with smaller populations). We anticipate that the default arrangement in the national settlement agreements would provide as little as 15% of state settlement funds in direct payments to local government and a substantially worse arrangement for local governments than the NC MOA provides.

THE NC MOA COORDINATION GROUP

25. What is the NC MOA coordination group?

The NC MOA creates a coordination group to help implement the NC MOA and address certain issues that may arise over the course of the 18-year settlements. (See NC MOA section E.7 and Exhibit D for details.)

26. What is the composition of the coordination group?

The coordination group will have twelve members, including:

- Five local government representatives (a county commissioner, county manager, county attorney, county local health director or consolidated human services director, and municipal manager);
- Four experts appointed by the North Carolina Department of Health and Human Services;
- One expert appointed by the North Carolina Attorney General; and
- Two experts appointed by legislative leaders, including
 - One representative from the University of North Carolina School of Government with relevant expertise appointed by the Speaker of the North Carolina House of Representatives; and
 - One representative from the board or staff of the North Carolina Institute of Medicine with relevant expertise appointed by the President Pro Tempore of the North Carolina Senate.

(See NC MOA Exhibit D for additional details.)

27. What are the responsibilities of the coordination group?

The coordination group will have a variety of responsibilities, including the following:

- To develop certain guidelines for audits required under the NC MOA;
- To make adjustments as needed to certain aspects of the NC MOA, including:
 - The high-impact strategies listed in NC MOA Exhibit A;
 - The collaborative strategic planning process described in NC MOA Exhibit C;
 - The annual financial report described in NC MOA Exhibit E; and
 - The impact information described in NC MOA Exhibit F.
- To work with counties, municipalities, the North Carolina Association of County Commissioners, the North Carolina League of Municipalities, other associations, foundations, non-profits, and other government or nongovernment entities to provide support to Local Governments in their efforts to effectuate the goals and implement the terms of the NC MOA.

(See NC MOA Exhibit D for additional details.)

**North Carolina
Association of
County Commissioners**

Opioid Litigation Settlement Overview

Issue and Litigation Background

Counties are on the frontlines of the opioid epidemic, which has imposed significant and ongoing devastation throughout North Carolina. More than 16,000 lives have been lost and local governments have spent an untold amount of money on opioid-related costs for healthcare, criminal justice, and social services.

Given the far-reaching impact of the opioid crisis, 76 counties and eight municipalities have filed lawsuits in federal court to hold accountable several companies involved in manufacturing, marketing, promoting, and distributing prescription opioid drugs. The federal cases, which include roughly 3,000 lawsuits from nearly every state have been consolidated into Multi-District Litigation (MDL).

Local governments and the state are hopeful that a National Settlement Agreement with some of the companies involved in the MDL may be forthcoming, along with additional potential proceeds from a bankruptcy resolution involving opioid manufacturer Purdue Pharma. Under the national settlement and bankruptcy resolution (taken together), up to \$850 million could be allocated to North Carolina to address the opioid epidemic.

Settlement Fund Allocation Model

The potential settlement money would be allocated among states based on population and the local impact of the opioid crisis, as determined by public health statistics related to opioid misuse. The potential payments would occur over an 18-year period. The allocation formula also includes an incentive that increases the payment amounts as more North Carolina counties and municipalities join the settlement.

In anticipation of potential opioid settlement funds, the North Carolina Association of County Commissioners (NCACC) and the North Carolina Department of Justice (DOJ) have been working closely together over the past 18 months on a plan to maximize North Carolina's share to ensure that resources reach communities as quickly, effectively, and directly as possible.

Memorandum of Agreement

NCACC formed a Working Group comprised of five county commissioners, five county managers, five county attorneys and NCACC staff to collaborate with DOJ on a model to distribute potential settlement funds to all 100 counties to use on programs, services, and strategies to address the epidemic. The culmination of this collaborative work is the North Carolina Memorandum of Agreement (NC MOA), which governs how North Carolina would use its share of opioid settlement funds. Under the NC MOA, all opioid settlement funds would be directed as follows:

- 15% to the state (which the General Assembly would have authority to appropriate on a wide range of strategies to address the epidemic)
- 80% to local governments, including all 100 counties plus 17 municipalities, allocated among those counties and municipalities through a formula developed by attorneys representing local governments in national litigation
- An additional 5% percent into an incentive fund for any county (and any municipality in that county slated to receive settlement funds) in which the county itself and every municipality with at least 30,000 residents (based on 2019 population totals) in the county signs the NC MOA

The NC MOA also includes transparency and accountability measures for the use of opioid settlement funds by local governments, including special revenue funds subject to audit, annual financial and impact reports, and a public dashboard showing how they are using settlement funds to address the epidemic.

Counties are on the front lines of the opioid epidemic

The opioid epidemic has taken the lives of more than 16,000 North Carolinians, torn families apart, and ravaged communities from the mountains to the coast. Just as we began to make progress in combatting the epidemic, the COVID-19 pandemic caused a new wave of isolation, despair, drug misuse and overdose death. Individuals, families, and entire communities continue to suffer.

Counties are on the front lines of the opioid crisis, which has imposed significant and continuing costs on our healthcare, criminal justice, and social service systems. To respond to opioid related public health and safety needs, North Carolina counties and the State have had to draw mostly on taxpayer funds.

76 counties are part of national litigation to hold opioid drug companies accountable

Given the far-reaching impact of the opioid crisis, the State along with 76 counties and 8 municipalities in North Carolina have filed lawsuits in federal court and launched investigations to hold accountable several companies involved in manufacturing, marketing, promoting, and distributing prescription opioid drugs. The federal cases have been consolidated for pretrial proceedings into a Multi-District Litigation (MDL) in Cleveland, Ohio. The opioid MDL consolidated roughly 3,000 lawsuits from nearly every state.

The lawsuits allege that opioid manufacturers “grossly misrepresented the risks of long-term use of those drugs for persons with chronic pain,” and that pharmaceutical distribution companies “failed to properly monitor suspicious orders of those prescription drugs — all of which contributed to the current opioid epidemic.” Four companies, Johnson & Johnson, AmerisourceBergen, Cardinal Health, and McKesson, have announced their willingness to enter into a global settlement of the cases filed against them for a combined \$26 billion.

In preparation for a National Settlement Agreement, NCACC and DOJ joined forces to maximize funds to North Carolina

Local governments and the State are hopeful that a National Settlement Agreement with these four companies may be forthcoming, with potentially more to follow. Importantly, the terms of the National Settlement Agreement will require, among other things, that most settlement funds received by the State and Local Governments be devoted to opioid remediation activities to the maximum extent possible.

Additionally, local governments and the State anticipate that the ongoing bankruptcy proceedings of opioid manufacturer Purdue Pharma may be resolved before the end of the year with a settlement providing \$4-5 billion from Purdue and the Sackler family to state and local governments nationwide. The bankruptcy court is expected to

order these funds be used for opioid remediation activities.

Under the national settlement and bankruptcy resolution (taken together), up to \$850 million could be allocated to North Carolina for opioid remediation. The money will be allocated among states based on population and the local impact of the opioid crisis, based on several public health statistics related to opioid misuse. The precise amount will depend not only on the final terms of the National Settlement Agreement and bankruptcy resolutions, but also on whether North Carolina qualifies for incentive structures that increase the payment amounts as more counties and municipalities join the settlement.

The expected settlements and bankruptcy resolution would involve this money being paid out over an 18-year period. The settlement payments would be front-loaded, so that more money is available sooner to local governments to remedy the opioid problems in their communities. As a result, payments in the first three years would be higher than the average annual payment.

In anticipation of a National Settlement Agreement and Purdue bankruptcy resolution, the North Carolina Association of County Commissioners (NCACC) and the North Carolina Department of Justice (DOJ) have been working closely together over the past 18 months on a plan to maximize North Carolina's share of settlement funds to ensure the resources reach communities as quickly, effectively, and directly as possible.

North Carolina Department of Justice Representatives:

- Swain Wood, First Assistant Attorney General and General Counsel
- Kevin Anderson, Senior Deputy Attorney General and Director, Consumer Protection Division
- Daniel Mosteller, Special Deputy Attorney General
- Blake Thomas, Deputy General Counsel
- Steve Mange, Senior Policy Counsel

North Carolina Association of County Commissioners Representatives:

- Kevin Leonard, Executive Director
 - kevin.leonard@ncacc.org
 - (919) 715-4369
- Amy Bason, Deputy Director and General Counsel
 - amy.bason@ncacc.org
 - (919) 715-1430
- Paige Worsham, Associate General Counsel
 - paige.worsham@ncacc.org
 - (919) 715-6245

To assist with this effort, NCACC formed a Working Group to collaborate with DOJ on an allocation model to distribute settlement funds to all 100 counties. NCACC Past President and Yadkin County Commissioner Kevin Austin appointed a special NCACC Opioid Settlement Committee to help craft settlement options in conjunction with NCACC staff. That committee, also known as the 5-5-5 Committee, consists of five County Commissioners, five County Managers, and five County Attorneys.

5-5-5 Committee and North Carolina MOA

County Commissioner Members

- Jasmine Beach-Ferrara, Buncombe County Commissioner
- Johnnie Carswell, Burke County Commissioner
- Sally Greene, Orange County Commissioner
- Reece Pyrtle, Rockingham County Commissioner
- Ronnie Smith, Martin County Commissioner

County Attorney Members

- Ron Aycock, Special Counsel - Person County
- Debra Bechtel, Catawba County Attorney
- Misty Leland, Moore County Attorney
- Mark Payne, Guilford County Attorney
- Gordon Watkins, Forsyth County Attorney

County Manager Members

- Chris Coudriet, New Hanover County Manager
- Dena Diorio, Mecklenburg County Manager
- Becky Garland, Graham County Manager
- Zee Lamb, Nash County Manager
- Bobby Outten, Dare County Manager

NCACC, 5-5-5 Committee, and DOJ devised a pathbreaking MOA to bring opioid settlement funds directly to communities

Working closely together, NCACC staff, the 5-5-5 Committee and representatives from DOJ developed the Memorandum of Agreement (MOA), which all counties and municipalities are urged to sign.

This pathbreaking agreement recognizes the critical role of North Carolina counties in delivering human and social services to county residents. It directs substantial resources to local governments on the front lines of the opioid epidemic while ensuring that these resources are used in an effective way to address the epidemic.

Opioid settlement funds will be distributed among local governments according to the National MDL Opioid Allocation Class Model, which is a formula developed by local governments' attorneys that allocates funds in proportion to

where the opioid crisis is the most severe. The model accounts for the number of pills dispensed, number of opioid overdose deaths, and number of people suffering from opioid use disorder. A county's allocation percentage will not change over the term of the MOA.

Opioid settlement funds received in North Carolina from the national settlement will be allocated as follows:

- 80% will go to Local Governments listed in the MOA to address the opioid epidemic,
- 15% will go to the State of North Carolina,
- and the remaining 5% will be used for a County Incentive Fund for any county (and any municipality in that county slated to receive settlement funds) in which the county itself and every municipality of a certain size signs the NC MOA.

As explained in more detail below, all of these funds must be used only on opioid remediation activities.

The North Carolina MOA requires collaboration among localities and stakeholder engagement to maximize community impact

The MOA prescribes collaborative strategic planning and stakeholder involvement required for certain activities. Counties are required to hold annual meetings with municipalities within their borders to encourage collaboration and plan for permissible expenditures in the upcoming year. Local governments are also encouraged to engage in a strategic planning process to access additional expenditure options.

The MOA also establishes a Coordination Group composed of local government representatives, state government representatives, and others with relevant expertise will meet periodically to help coordinate and guide Local Governments with their work under the MOA. The Coordination Group includes twelve total representatives as follows:

- **Five Local Government Representatives**

Four appointed by the North Carolina Association of County Commissioners including:

- One county commissioner
- One county manager
- One county attorney
- One county local health director or consolidated human services director

One municipal manager appointed by the North Carolina League of Municipalities

- **Four Experts Appointed by the Department of Health and Human Services**

- Four appointed by the Secretary of the Department of Health and Human Services

- **One Expert Appointed by the Attorney General**

- One appointed by the Attorney General of North Carolina from the North Carolina Department of

Justice or another state agency

- **Two Experts Appointed by Legislative Leaders**

- One representative from the University of North Carolina School of Government with relevant expertise appointed by the Speaker of the North Carolina House of Representatives
- One representative from the board or staff of the North Carolina Institute of Medicine with relevant expertise appointed by the President Pro Tem of the North Carolina Senate

The North Carolina MOA helps ensure opioid-related strategies are effective and consistent with the National Settlement Agreement

Under the MOA, local governments are required to deposit opioid settlement funds received in a special restricted revenue fund to account separately for the monies. The local government must include in its budget or pass a resolution authorizing the expenditure of opioid settlement funds, indicating the specific strategy it chose from the options outlined in the MOA.

Local governments may expend funds only on opioid remediation activities, as consistent with strategies outlined in the National Settlement Agreement.

The NC MOA offers local governments two options:

- Under Option A, a local government may fund one or more strategies from a shorter list of evidence-based, high-impact strategies to address the epidemic, including many strategies already deployed at the county level.

The Option A strategies include:

- evidence-based addiction treatment
- recovery support services
- recovery housing
- employment-related services
- early intervention programs
- naloxone distribution
- post-overdose response teams
- syringe service programs
- criminal justice diversion programs
- addiction treatment for incarcerated persons
- reentry programs

- Under Option B, a local government may fund one or more strategies from a longer list of strategies after engaging in a collaborative strategic planning process involving a diverse array of stakeholders at the local level (as detailed in Exhibit C to the MOA). The longer list of Option B strategies – the full range of strategies that will be allowed under a national settlement or bankruptcy resolution – involve multiple strategies falling into these broad categories:
 - Provide treatment for Opioid Use Disorder (OUD)
 - Support people in treatment and recovery and provide connections to care
 - Address the needs of criminal-justice-involved persons with OUD
 - Address the needs of pregnant or parenting women and their families
 - Prevent over-prescribing of opioids and misuse of opioids
 - Prevent overdose deaths and other harms (harm reduction)

The North Carolina MOA includes measures to ensure transparency and track performance

Local governments have annual financial and impact reporting and audit requirements under the MOA to ensure opioid settlement funds are spent consistent with permissible purposes:

- Certain reports and resolutions from the local government's governing body will be available for public access on a statewide opioid settlement dashboard.
- For every fiscal year in which a local government receives, holds, or spends opioid settlement funds, the county or municipality must submit annual financial and impact reports specifying the activities and amounts it has funded.
- The local government must maintain records of opioid settlement Fund expenditures and related documents for at least five years.
- The State Auditor and Department of Justice shall have access to persons and records related to the MOA and expenditures of Opioid Settlement Fund to verify accounts and data affecting fees for performance.
- The Local Government manager/administrator is the point of contact for questions that arise under the MOA.

Please Act by Signing MOA

In order to maximize North Carolina's share of the national settlement and ensure that the funding continues, all counties and all municipalities above 10,000 in population need to sign the MOA between the State of North Carolina and Local Governments on proceeds relating to the Settlement of Opioid Litigation, as well as the eventual National Settlement Agreement.

All North Carolina counties that sign on will receive a portion of opioid settlement funds, regardless of whether they

5-5-5 Committee and North Carolina MOA

are litigants in the national opioid litigation or filed a proof of claim in Purdue Pharma's bankruptcy. Municipalities above 75,000 in population, and municipalities that previously filed litigation, will also receive funds directly. Smaller municipalities will benefit from the maximum possible level of funds being directed into their counties, and their counties are required by the agreement to work closely with all of their municipalities in making decisions about where to direct the funds.

The national settlement agreement is expected to provide the highest benefits to state and local governments that have 100% participation in signing on to their state agreements and the National Settlement Agreement. Therefore, it is important that all counties and referenced municipalities sign on to this proposed agreement.

It is advantageous to all North Carolinians for all local governments to sign onto the MOA and demonstrate solidarity in response to the opioid epidemic, and to maximize the share of opioid settlement funds received in the state to help abate the harm.

Hyde County Board of Commissioners
AGENDA ITEM SUMMARY SHEET

Meeting Date: May 3, 2021
Presenter: Corrinne Gibbs Finance Officer
Attachment: No

ITEM TITLE: FY 2020- 2021 Spending Freeze

SUMMARY: The Finance Officer requests a spending freeze in order to complete the FY 2021-2022 Budget Process. The FO recommends a \$100 expenditure cap on all county departments through the remainder of the FY 2020-2021 budget year effective May 3, 2021. Requests exceeding \$100 will be reviewed by the County Manager and approved as deemed necessary. The Health Department and Department of Social Services are recommended to be exempt from the spending freeze.

RECOMMEND: APPROVE SPENDING FREEZE AS RECOMMENDED ABOVE

Hyde County Board of Commissioners
AGENDA ITEM SUMMARY SHEET

Meeting Date: May 3, 2021
Presenter: Chair, Vice-Chair, Commissioners, Manager
Attachment: No

ITEM TITLE: MANAGEMENT REPORTS

SUMMARY: This is a time for each Commissioner to give reports on their work representing the County.

Additionally, Commissioners may wish to bring up issues they wish to have followed up by the Board or by the County Manager.

The County Manager will give an oral update on various projects and other administrative matters.

RECOMMEND: Receive reports. Discussion and possible action as necessary.

ITEM TITLE: PUBLIC COMMENTS

SUMMARY: The public is invited to use this time to make comments to the County Commissioners on items discussed during this meeting and/or matters not discussed earlier in the meeting.

RECOMMEND: Receive comments.

Department Reports

Regional Coordinator Update

Important April Dates

4/1	Area Education Contest Entries Due to State
4/7	Remote Equipment Orders Due
4/15	3rd Quarter TA Billing Due
4/16 - 4/17	NC Envirothon Competition

Monthly Highlights

- ➔ Sign up for an online training & check out our new training calendar!
- ➔ Identify and communicate remote meeting equipment needs and orders by Apr. 7th!
- ➔ Consider organizing local input processes (LWGs, etc.) for cost share strategic plans
- ➔ Take note of upcoming deadlines in May and June

COVID-19 Board Meeting Guidance

Remote meetings are recommended until the pandemic subsides. For hybrid meetings, districts should provide an adequate remote participation option for the public. Supervisors must **identify themselves by name** when making motions or seconds, and **all votes must be conducted by roll call**. Any in-person gathering should follow the state's guidance for personal safety by everyone wearing masks or face shields and maintaining safe distances.

Soil & Water Conservation Commission

- **The following action was taken at the March Meeting –**
 - Approved Supervisor appointments and contracts
 - Conditionally re-appointed Supervisors who did not attend Basic Training for Soil and Water Conservation Districts in Feb. 2021
 - Approved JAA technical competency requirements for 20 agronomic, ecological sciences BMPs
 - Approved JAA for various BMPs for six district conservationists/technicians
 - Approved AgWRAP policy revisions for Agricultural Water Supply/Reuse Pond, Pond Repair/Retrofit, and Pond Sediment Removal BMPs
 - Approved funding allocations for twelve regional AgWRAP projects
 - Approved supplemental allocations for ACSP
- **May Meeting** – The next Soil and Water Conservation Commission (SWCC) Meeting is May 19th at 9am. A work session is scheduled for May 18th at 6pm. District items should be submitted to the Division by May 3rd. Meeting access details are posted to the SWCC webpage (below) and sent out via the district listservs. <https://www.ncagr.gov/SWC/commission/index.html>

Division of Soil & Water Conservation

- **Spring Training Series** – [Registration](https://www.ncagr.gov/SWC/professional_development/training.html) is open for the Spring training series running from April to June. All Staff and Supervisors are welcome to attend seminars. Check out the latest scheduled trainings and previous recorded webinars at:

https://www.ncagr.gov/SWC/professional_development/training.html

Upcoming April Trainings:

Apr 7, 9:00-10:00am	<u>District Share Session: Remote Meetings & Outreach</u> Presenters, Dru Harrison (New Hanover), Mikayla Renn (Wake), Jessica Hughes & Jennifer Harrison (Buncombe) and Moderator, Allie Dinwiddie (DSWC)
Apr 7, 1:30-3:00pm	<u>Wildlife Management</u> Presenters, Don Barker (NRCS) and NCCES Staff
Apr 14, 9:00-10:00am	<u>Local Work Groups Overview</u> Presenters, Julius George (NRCS) & Cayle Aldridge (DSWC)
Apr 14, 1:30-2:30pm	<u>Implementing Long-Range Planning</u> Presenter, Ralston James (DSWC)
Apr 21, 9:30 - 11:00am	<u>Conservation Innovation Grants</u> Presenter, Rafael Vega (NRCS)
Apr 21, 1:00 - 2:00pm	<u>Impaired/Impacted Stream Survey Benefits to Districts</u> Presenter, Ken Parks (DSWC)
Apr 28, 9:00-10:30am	<u>The Connections Between Forestry and Weather</u> Presenter, Tom Gerow
Apr 28, 1:30-2:30pm	<u>What is Up with 5th Grade Weather?</u> Presenter, Erin Hines (Gaston)

- **New Employee Orientation (NEO)**– The Division is organizing a virtual orientation for new district employees who have been part of the partnership three years or less. The NEO will run 9 – 11am on May 11, 12, & 13 and will cover the history of conservation in NC, district day-to-day operations, employee resources for technicians, administrators, and educators, and resources for district clients. Registration will open soon. https://www.ncagr.gov/SWC/professional_development/NewEmployeeOrientation.html

New Training Calendar:

The Division worked to develop an online training calendar (<https://apps.ncagr.gov/AgRSysPortalV2/>) that will allow training opportunities to be posted online. Participants can search through available offerings and register for upcoming trainings. Most training is currently virtual; however, in the future, more field sessions will be available. If you have a field day or upcoming training opportunity that you wish to be posted to the calendar; please send information to Gail Hughes, gail.hughes@ncagr.gov, Sandra Weitzel, Sandra.weitzel@ncagr.gov, or your Area Coordinator.

Division of Soil & Water Conservation

- **District Public Records Confidentiality Requirements** – Division staff worked with legal counsel to finalize guidance for Districts to comply with state and federal legislation to protect farmer records. Guidance was distributed over the district listserv (see 3.16.21 email from K. Fischer) and included 1) Suggested protocol to present cost share items to the district board; 2) Example meeting minutes; and 3) Example district fund tracking spreadsheet. Contact your Regional Coordinator with questions. *Consider attending the upcoming training session on district protocol for presenting cost share items to boards (May 11th at 1:30pm) as part of our Spring Training Series.*

District Remote Meeting Capabilities & Equipment Purchasing

Division staff are developing a catalog of eligible equipment that we will be prepared to purchase through the State's procurement processes. The options will include conference phones, web cameras, microphones, projectors, TV monitors, and speakers. We will take orders through a [Formsite application](#). **The deadline for submitting your request is currently expected to be April 7 to allow the Division time to order, receive, and pay for the equipment before the end of the fiscal year.** Contact your Regional Coordinator with equipment needs and if you have questions.

- **Local Government Budget & Fiscal Control Act Requirements**– Applies to Districts that manage any, or all, of their finances outside of the county. Compiled resources related to financial administration for districts is available at: http://www.ncagr.gov/SWC/professional_development/management.html. The Division hosted a recent training session for districts on this topic with Kara Millonzi from UNC School of Government. You can access the recorded training here: <https://youtu.be/WxXDaxMG53I>.
 - By **June 1** each year, the budget officer must submit the draft budget to the board (preferably at a formal meeting). The draft budget is then open for public inspection. *Consider for April board meeting.*
 - The board must hold a public hearing on the budget. This can be done at a regularly scheduled meeting, but the meeting announcement must include "public hearing on budget." *Consider for May board meeting.*
 - By **July 1** each year, the board must adopt a balanced budget ordinance (must be at least 10 days after the draft budget is submitted by the budget officer). *Consider for June board meeting.*
 - Complete an annual audit at the close of the fiscal year and submit Local Government Commission required forms including **COLL-91** and **LGC-203**.
- **NC Envirothon** – <http://www.ncenvirothon.org>

- **State Envirothon Contest** will be held *virtually* in April. High School oral presentation materials should be available to teams on April 7 with team videos due back by 5pm April 14. Virtual testing will take place on April 16 from 8am until 7pm. Award Ceremony will be held virtually on April 17 in the afternoon. Details will be sent out soon. State level teams will need to submit a team photo.
- **Envirothon School for Advisors and Teachers** – This year's Envirothon School will be held virtually the week of June 14th. There is no cost to attend and teachers may sign up for one, two, three or four of the workshop's 2.5hr sessions.
https://www.ncagr.gov/SWC/educational/envirothon-envirothon_school.html

Division of Soil & Water Conservation

- **Job Approval Authority** – A JAA system was approved and the SWCC will now be accepting applications for JAA. All information needed to apply for JAA can be found on the Division's website at the Professional Development landing page:

https://www.ncagr.gov/SWC/professional_development/JAA.html

Under “Requesting SWCC Job Approval Authority” there is a link to the application and needed signature sheet. Those applying for a new JAA will have to upload the evidence of technical competency for each BMP for which JAA is being sought. Those applying for SWCC JAA equivalent to previously earned NRCS JAA will have to upload NRCS JAA paperwork (ENG-NC-33). Both must be accompanied by the signature sheet. It is recommended for employees to discuss the JAA process with their Soil and Water Conservation District Board, and local supervisor, as signatures will be needed. Jeff Young, State Engineer, will be reviewing all JAA applications for approval before submittal to the SWCC. For general questions/clarifications on how to apply; contact Gail M. Hughes gail.hughes@ncagr.gov.

Annual Program Deadlines:

- [FY 2022 Strategic Plans](#) – [June 1](#)
- [Impaired and Impacted Stream Surveys](#) – [June 1](#)
- [Technical Assistance Billing Fourth Quarter](#) – [June 1](#)
- [Extension requests for 2019 and earlier contracts](#) – [June 30 at 5pm](#)
- [Requests for payment for contracts about to expire](#) – [June 30 at 5pm](#)
- [Spot Check Forms](#) – [June 30 at 5pm](#)
- All contracts encumbering current program year funds (xx-2021-xxx) SUBMITTED in CS2 – [June 30 at 5pm](#)

If your 2021 AgWRAP (AG funds in CS2) are not yet encumbered, please consider [voluntarily returning these funds to the Division](#). Voluntarily returning AG funds will not impact future allocations. Districts may request additional funding for specific projects via [this form](#). Funding will be allocated on a first come, first served basis; however, allocations will be made to fund a single request in each District before additional projects are funded. Requests will be evaluated weekly until all funding is encumbered. Multiple requests may be submitted in the order of how they were ranked locally; the highest priority project should be entered first.

- **The 2022 Impaired and Impacted (II) Stream Survey is available.** The deadline to submit surveys is June 1, 2021. Once approved, surveys are active for five years. [All 2016 II Surveys will expire June 1, 2021.](#) If your district would like to continue to use II funds in these watersheds, a new II survey must be submitted for each watershed.

Division of Soil & Water Conservation

- **The CREP team is pleased to announce the addition of Western CREP Environmental Specialist, Kayleigh McHugh!** Check out the specialist supporting your district via the map below:

http://www.ncagr.gov/SWC/easementprograms/CREP/documents/CREP-County_Assignments_2021.pdf

- **Disaster Declaration for Tropical Storm Eta** – President Biden issued a Major Disaster Declaration for Tropical Storm Eta for NC on March 3. The counties include: Alexander, Alleghany, Ashe, Beaufort, Burke, Caldwell, Davidson, Davie, Duplin, Edgecombe, Hertford, Iredell, Robeson, Rowan, Sampson, Stokes, Wilkes, Wilson and Yadkin counties. This means that funds appropriated for disaster-related stream debris removal to the NC Dept. of Agriculture and Consumer Services can be used to provide some or all of the non-federal match for Eta-related sites approved for the Emergency Watershed Protection Program.
- **Local Work Groups (LWGs)**– Regional Coordinators will work with each NRCS Team Leader and the Districts within each NRCS Team to coordinate Local Work Group Meetings this Spring. Switching to a 'spring schedule' for these discussions will allow for input to be useful for local district state cost share program Strategic Plans (due June 30) as well as for federal programs. Contact your Regional Coordinator or NRCS Team Lead with questions. *Consider attending an upcoming Spring Training Series session on Local Work Groups scheduled for April 14th at 9am, to better understand what these meetings are designed to accomplish, as well as to discuss with leadership how the partnership can make the local input process more productive and beneficial to districts.*
- **Conservation Employees Training**– Division staff are starting to plan a CET for August 23 - 26. Please take a few moments to provide some input at this survey link: https://docs.google.com/forms/d/e/1FAIpQLSe3SLSV_DvhZmDj0wIRhy5IHtjnziYBYbIYT9FM92UucpkyCw/viewform?usp=sf_link. We are also recruiting District Employees to help with determining topics for training and the logistics of the different training tracks – technical, educational, and administrative-managerial. Please contact the following Training Track Coordinators if you can help.
 - Rick.McSwain@ncagr.gov - Technical Training Track Coordinator
 - Alexandra.Dinwiddie@ncagr.gov – Educational Training Track Coordinator
 - Kristina.Fischer@ncagr.gov – Administrative-Managerial Training Track Coordinator

NC Association of Soil & Water Conservation

- **2021 Policies Positions and Action Items (PPAI)**– The 2021 PPAI is posted to the Association's website. You can access the full document here: <https://ncaswcd.org/index.php/about/ncaswcd-information/>
- **Area School Contest Entries** – Poster, Essay, Slide Show, Computer Poster, and Speech are due by Apr. 1st. All entries must be submitted electronically this year. Speech contestants must submit a video of their speech to be judged by May. The other school contest entry categories will be judged in April.

- **Conservation Farm Family – District nominations for the Outstanding Conservation Farm Family are due June 1 for Area competitions.** Nominations should be submitted as directed by Area Policy or regional leadership. Area judging will be completed by July 1, regional judging will be completed by August 1, and a state winner will be selected by September 1.
<https://www.ncagr.gov/SWC/educational/documents/FarmFamilyinformationapplicationandjudgingform.pdf>
- **Hall of Fame Award** – NCASWCD recognizes District Supervisors and other conservation leaders with the Hall of Fame Award for superior contributions and outstanding leadership in promoting soil and water conservation in their home community, throughout the state, and elsewhere. Persons selected for recognition are honored and formally inducted into the Hall of Fame during the Association's Annual Meeting. **Nominations for recognition at the 2022 Annual Meeting are due August 1, 2021.**
<https://www.ncagr.gov/SWC/educational/contests.html>

Upcoming Leadership Opportunities

- **The Coastal Region (Areas 5 and 6) is due to nominate a supervisor for the 2nd Vice President position.** Nominees should at least be in their second term of office, or hold a office/leadership position in the District, Area, Association, or hold Chairmanship of a Committee on the Area, State, or National level. Each district may nominate one supervisor for the 2nd Vice President. Written nominations should be submitted to the respective Area Chairs at least 10 days prior to the Area 5 and 6 Fall Meetings.
- **The Piedmont (Areas 3, 4 and 7) is due to nominate a supervisor to serve on the SWCC.** Any individual serving officially as either an elected or appointed District Supervisor shall be eligible for appointment as a member of the State Commission. Each district may nominate one supervisor to serve as the Piedmont representative on the SWCC. Written nominations should be submitted to the respective Area Chairs at least 10 days prior to the Area 3, 4, and 7 Fall Meetings.

Miscellaneous Opportunities & Resources

- **Proficiency Exams for NRCS Conservation Planner Designation Courses** – Proficiency Exams (PEs) for individuals pursuing a professional planner certification offered by USDA-NRCS are now available in AgLearn. The PEs may be taken to “test out” of certain required courses for the Level I & III planner designations (formerly known as the Apprentice Conservation Planner and Certified Conservation Planner). For a list of available PEs, refer to J. Roston’s listserv email from 3.12.21. Contact J. Roston (jeremy.roston@usda.gov) with questions. Prior to taking a PE consider the following:
 - Proficiency Exams were created specifically for individuals with a high level of planning KSAs and experience, who are also working towards achieving the Level III designation.
 - Study Guides are not available for PEs. The concept behind the PEs is to measure the individual’s current KSAs & proficiencies for a particular topic.
 - To successfully pass a proficiency exam, the test-taker must achieve an 80% score or better on the exam within the allotted time.
 - A proficiency exam can be taken a second time if a passing score is not achieved on the first attempt.
 - If the test-taker receives a score below 40%, they should take the required course and not retake the exam.
- **NC Conservation District Employees Association (NCCDEA)**- <https://www.nccdea.org/home>
Jason Byrd has assumed the role of NCCDEA President. There remains an open spot for Vice- President. The Nominee should be a DEA member in Areas 5 & 6. Any DEA member can nominate someone in Area 5 & 6 for this position; submissions should be sent to Dru Harrison (drharrison@nhcgov.com).
 - Check out the [Grapevine Winter-Spring 20-21 newsletter!](#)
 - Congratulations to the winners of the 2021 Professional Growth and Student Scholarships – Kyle Smith (Director, Jones SWCD) and Caitlin McCall (Daughter of Jo Ann McCall, Transylvania SWCD)!
- **Notice of Request for Public Comment on Executive Order on Tackling the Climate Crisis at Home and Abroad** – On Jan. 27, President Biden issued an Executive Order on Tackling the Climate Crisis at Home and Abroad. This Executive Order laid out a series of actions for Federal Agencies to take regarding climate change mitigation and resilience, including directing the Secretary of Agriculture to collect stakeholder input on a climate-smart agriculture and forestry strategy. As part of this process, the U.S. Department of Agriculture (USDA) is seeking input from the public to ensure that relevant information is considered. **Deadline to submit comments: April 29, 2021.**
<https://www.federalregister.gov/documents/2021/03/16/2021-05287/notice-of-request-for-public-comment-on-the-executive-order-on-tackling-the-climate-crisis-at-home>

Educator Opportunities/Resources:

- **New Soil Teaching Tools & Resources** – The Soil Science Society of America has been building a new library of resources and tools for soils education. Check out the new resources at www.soils4teachers.org.
- **NC DEQ Distance Learning Content** – NC DEQ created a landing page for distance learning compatible education content. Check out their activity matrix here: <https://deq.nc.gov/outreach-education/distance-learning>
- **The Air Quality Contest (AQ-IQ) for Seventh Grade Students is due by April 12, 2021.** More details available at: <https://deq.nc.gov/about/divisions/air-quality/air-quality-outreach/air-quality-public-involvement/teachers-students/aq-iq-contest-for-seventh-grade>.
- **EPA Student and Educator Award Nominations** – EPA’s Office of Environmental Education is still accepting applications for the 2021 President’s Environmental Youth Awards (PEYA) and Presidential Innovation Awards for Environmental Educators (PIAEE). **Nomination deadline was extended until April 30, 2021.**
<https://www.epa.gov/education/presidents-environmental-youth-award>

Miscellaneous Opportunities & Resources

- **2021 Carolinas Climate Resilience Conference** – Carolinas Integrated Science & Assessments is organizing a 2021 Climate Resilience Conference May 10 – 12 in Durham, NC. The conference will be a hybrid event. In person registration will be limited to 80 people. Early registration rates end April 9, 2021. <https://cisa.sc.edu/ccrc/venue.html>
- **12th Annual National Water Quality Monitoring Conference** – The National Water Quality Monitoring Council will host its 12th National Monitoring Conference online during the week of April 19, 2021. All federal, state, tribal and local water professionals, nonprofits, academia, and volunteer citizen scientists are welcome at this important national forum. <https://www.nalms.org/2021nmc/>
- **National And State Environmental Justice Mapping Tools** – EPA released an update of [EJSCREEN](#), the Agency's publicly available environmental justice screening and mapping tool. [EJSCREEN](#) uses high resolution maps and a methodology for combining datasets to identify environmental burdens on vulnerable populations. Users can now add flood and sea level rise data for the first time. EPA will hold multiple trainings on EJSCREEN throughout 2021 to demonstrate its uses and to gain feedback on potential new applications for the tool. Interested users should also check out the [NC Community Mapping System](#) that NC DEQ created.
- **Public Comment 2020 303(d) List and Integrated Report** - Every two years, states are required by Section 303(d) of the federal Clean Water Act to list streams, rivers, and other bodies of water that do not meet water quality standards and require development of a Total Maximum Daily Load (TMDL). NC Division of Water Resources released the draft 2020 NC 303(d) List and Integrated Report and is requesting public comment (closes 4/2/2021). Comments can be submitted to: TMDL303dComments@ncdenr.gov. <https://deq.nc.gov/about/divisions/water-resources/planning/modeling-assessment/water-quality-data-assessment/integrated-report-files>

Available Grants

- **Duke Energy Powerful Communities: Local Impact** – Grants \$10,000 and under are available in four defined areas: K-12 Education, Nature, Workforce, State Strategic Impact. **Applications for Local Impact grants are accepted year-round.** <https://www.duke-energy.com/community/duke-energy-foundation/local-impact>
- **Community Grantmaking Program** – NCCF is the single statewide community foundation serving NC and supports a network of local affiliate foundations. Dates of all NCCF affiliate foundation cycles, are [listed chronologically here](#). **There are multiple grants with deadlines in the spring and summer (April to August).** <https://www.nccommunityfoundation.org/apply/grants/community-grantmaking>
- **Dominion Energy Social Justice Initiative Grants** – Dominion Energy Charitable Foundation will make grants totaling \$4 million to support non-profit organizations advocating for social justice and equality. Grants will support projects or programs that advance social justice, promote equity of opportunity, and foster diversity and inclusiveness. This can include projects increasing educational access and addressing environmental injustice. This grant is eligible in select geographic areas in NC. **Requests for funding will be reviewed on a rolling basis.** <https://www.dominionenergy.com/our-promise/customers-and-community/charitable-foundation/social-justice-grants>
- **National Fish and Wildlife Foundation Grants:**
 - **Conservation Partners Program** – Conservation Partners Program will award approximately \$3.8 million in grants to support the adoption of conservation practices and regenerative agriculture principles on working lands. Funded projects will advance goals of: (1) NRCS's landscape conservation initiatives; (2) NFWF's conservation priorities; and (3) the NRCS-U.S. Fish and Wildlife Service partnership, Working Lands for Wildlife. To maximize benefits to these priorities, the CPP targets investments in identified program priority areas. In NC, this includes grassland projects for Bobwhite; savanna projects for Bobwhite; eastern hellbender and golden winged warbler projects. Grant awards range from \$50,000 to \$500,000 and require a 1:1 non-federal cash or in-kind match. **Pre-proposal deadline: April 6th, 2021** <https://www.nfwf.org/programs/conservation-partners-program/conservation-partners-program-2021-request-proposal>
 - **Coastal Resilience Fund** – NFWF has \$34 million to invest in project planning, design, and restoration of natural and nature-based solutions to help protect coastal communities from the impacts of storms, floods, and other natural hazards and enable them to recover more quickly and enhance habitats for fish and wildlife. **Pre-proposal deadline: April 7th, 2021** <https://www.nfwf.org/programs/national-coastal-resilience-fund/national-coastal-resilience-fund-2021-request-proposals>
 - **Acres for America** – This program provides funding for projects that conserve important large-scale habitats for fish, wildlife, and plants through land acquisitions and perpetual conservation easements. All grant awards require a minimum 1:1 cash or in-kind match. Both Federal and non-Federal funds may be considered as match. **Pre-proposal deadline: April 15th, 2021.** <https://www.nfwf.org/programs/acres-america/acres-america-2021-request-proposals>
- **NC Ag in the Classroom** - The application period for agricultural outreach grants (up to \$500) to North Carolina teachers is open. **Deadline: Apr. 15, 2021** <https://www.ncfb.org/ag-in-the-classroom/>

Available Grants

- **AARP “Quick-Action” Grant** – Small grant funding is available for local governments to implement quick-action projects. Community-improving projects must be started and completed before the year's end. **Deadline: April 14, 2021.** https://www.aarp.org/livable-communities/community-challenge/info-2021/2021-challenge/?cmp=EMC-DSM-NLC-LC-HOMFAM-20210217_LivableCommunities_SC4N_1094001_1430301-021721-F1-CommunityChallenge-Text-CTRL-Community-5240188&encparam=iStP1kjnnuNhkTUwjwK2Vg1W%2fip0VdS4WEP8X4WCiLs%3d
- **USDA Forest Service: Urban & Community Forestry 2021 Challenge Cost Share Grant Program** – The USDA Forest Service seeks innovative grant proposals for program development, study, and collaboration that will address urban and community forest resilience and aligns with one or more applicable goals in the [National Ten Year Urban and Community Forestry Action Plan \(2016-2026\)](#). Grant awards will range between \$100K – \$300K. All grant funds must be matched equally. In-kind donations, volunteer assistance, and private and non-federal public money contributions are accepted as match. **Deadline: April 16, 2021**
- **319 (h) Nonpoint Source Grant Funding** – NC DEQ, Division of Water Resources is seeking proposals for award of federal fiscal year 2021 S319(h) grant funds to implement watershed restoration plans to restore waters impaired by nonpoint sources of pollution. For FY 2021, NC expects to receive \$1.3 million from the US EPA for competitive funding of watershed restoration projects under Section 319(h) of the Clean Water Act. Please review the RFP and visit the Division of Water Resources 319 Grant Program web site (<https://deq.nc.gov/about/divisions/water-resources/planning/nonpoint-source-management/319-grant-program>) for additional information regarding program requirements and eligibility. Contact Rishi Bastakoti at rishi.bastakoti@ncdenr.gov with questions. **Deadline: May 4, 2021.**
- **EPA Environmental Justice Grants** – The U.S. Environmental Protection Agency (EPA) has announced the availability of up to \$6 million in grant funding under the Environmental Justice Collaborative Problem-Solving (EJCPS) Cooperative Agreement Program and the Environmental Justice Small Grants (EJSG) Program. Applicants should plan for projects to begin on October 1, 2021. **Deadline: May 7, 2021.** <https://www.epa.gov/environmentaljustice/environmental-justice-grants-funding-and-technical-assistance>
- **2021 Restoration & Resilience COVID-19 Recovery Fund** - National Environmental Education Foundation (NEEF) obtained \$128,000 in grant funding to support public lands that have been impacted by increased use during the COVID-19 pandemic. **Deadline: Applications are accepted on a rolling basis until June 1, 2021.** https://www.neefusa.org/grants/2021/restoration-resilience-fund?utm_source=Grants-RRFund&utm_medium=Email&utm_campaign=01252021
- **Farm Credit Carolina Corporate Mission Fund** – Organizations (including local governments) in the 54 western-most counties in NC, may apply for up to \$5,000 per year to fund agriculture-related projects. Applications are currently being accepted. **Deadline: June 30, 2021.** https://carolinafarmcredit.com/about/community-support/corporate-mission-fund?_cldee=a2F5bGFoZWxtcy45NEBnbWFpbC5jb20%3d&recipientid=lead-c532673a8d6fea118170005056a32e0d-612733e652f94f248fc7cc0972a83c4c&esid=e124dbf5-cf3f-eb11-818a-005056a3107c
- **NCDEQ Division of Water Resources: Water Resources Development Grant Program** – Provides cost-share grants and technical assistance to local governments. Applications for grants are accepted for seven eligible project types: general navigation, recreational navigation, water management, stream restoration, and water-based recreation. Non-navigation projects are collectively referred to as state and local projects. Spring 2021 application cycle opens Jan. 1, 2021. **Deadline: June 30, 2021** <https://files.nc.gov/ncdeq/Water%20Resources/DOCs/WRDG-State-and-local-projects-guidelines-FINAL.pdf>

Available Grants

- **NC Sustainable Forestry Initiative** – NC SFI SIC promotes sustainable forest management and provides grants to a group or individual promoting the ideals of the SFI's principles. The grant amounts range between \$500 and \$20,000. If you should you have any questions about the grant process, please do not hesitate to contact NC SFI SIC Vice Chair, Jadie Andrews, Jadie.Andrews@egger.com. NC SFI SIC awards grants are available to fund SFI compatible activities in four categories: 1) Landowner outreach, 2) Forest Professionals Education and Training, 3) Public Outreach, and 4) Marketing outreach and recruitment. **Deadline: July 1, 2021** <https://www.ncsfi.org/programs-2/ncsfi-grant-program/>
- **American Honda Foundation** – The American Honda Foundation engages in grant making to support youth education with a specific focus on the STEM (science, technology, engineering and mathematics) subjects in addition to the environment. Nonprofit charitable organizations (501c3) or a public school district and private/public elementary and secondary schools are eligible to apply. The grant range is from \$20,000 to \$75,000 over a one-year period. New organizations that have never received funding from AHF can apply for either the February 1 or August 1 deadline date. **Deadline: August 1, 2021.** <https://www.honda.com/community/applying-for-a-grant>
- **Park and Recreation Grants** – Federal Land and Water Conservation Fund (LWCF) grants will be available in North Carolina in 2021 for local park and recreation projects. Municipalities, counties, and federally recognized Native American tribes are eligible to apply for the matching grants. LWCF grants can be used to acquire new park properties and renovate or replace outdoor recreation facilities. Local governments can request a maximum of \$500,000 with each application and must match the grant dollar for dollar. About \$3.5 million will be available for local government projects. **Deadline: October 1, 2021.** <https://www.ncparks.gov/more-about-us/grants/lwcf-grants>
- **AgCarolina Fund for Rural North Carolina Corporate Giving** – AgCarolina supports two grant programs within the 34 counties where AgCarolina Farm Credit conducts business. The Association-directed grant program provides miscellaneous agriculture-related grants of up to \$1,000 on a rolling basis. The Application-based grant program provides up to \$5,000 per organization per year. **Application-based Grant Program Deadline: October 15, 2021.** <https://www.agcarolina.com/resources/community>

Roadmap to Success

A panel discussion on the importance of high-quality early childhood education and experiences as related to our community's success

THURSDAY, MAY 6TH, 2021 AT 10 AM VIA ZOOM

Registration is required to attend.

Please click the link below to register by May 3rd.

A link for the Zoom invitation and the documentary, **No Small Matter**, will be sent to your provided email. Please watch the film prior to the panel discussion.

If you are not able to attend, please share a coworker's email with us, so that we may extend an invitation.

Meet our Panelists

Dr. Debbie Ainsworth graduated from Eastern Virginia Medical School in 1987 and completed her Pediatric Residency at Children's Hospital of the Kings Daughters in Norfolk, Virginia. She joined Washington Pediatrics in 1990 and is still practicing pediatrics. She loves working in this rural area with such a diversity of children and families.

Steve Basnight has been in education for 36 years, beginning his career as a teacher and coach at Manteo High School in 1985. He moved into administration in 2006 and was twice recognized as the Currituck County Schools Principal of the Year. He has been a strong supporter of personalizing learning, hybrid-learning, and growth-based learning models long before those became mainstream topics. He believes in always, "Doing What is Best for Students!" Mr. Basnight is honored to be serving the students, staff, and families of Mattamuskeet Elementary, Mattamuskeet Early College, and Ocracoke Schools as the Superintendent of Hyde County Schools.

Jerry E. Langley serves as a Beaufort County Commissioner and has done so for 21 years. He has served as the pastor of Zion Grove Church of Christ Disciples of Christ for 10 years. He earned a Bachelor of Science from Liberty University in Biblical Studies and a Master of Arts in Biblical Studies from Grand Canyon University.

Laurie Anne Potter is a native of Hyde County who graduated from Mattamuskeet High School. She spent fifteen years in the healthcare field, before returning to school to obtain a Bachelor of Social Work from East Carolina University and then a Master of Social Work from the University of Georgia, graduating both programs with honors. She has since returned to Hyde County and is currently the Director of Hyde County Social Services.

ALBEMARLE COMMISSION
REGION R COUNCIL OF GOVERNMENTS

News from the Northeast

MESSAGE FROM THE DIRECTOR

Dear Colloquies,

I hope you, your friends, family and loved ones are all doing well. The first quarter of 2021 has come and gone and we are proud to present this newsletter to highlight some of the great work that our staff continue to do throughout our 10-county region.

During this first quarter we continued to bring our #worklocal campaign throughout our region, specifically in Hyde and Dare Counties. The message of our #worklocal campaign is quite simple, but very important – “Youth do not have to leave Northeastern North Carolina to develop a career that allows them to become self-sustaining adults”. I grew up in Elizabeth City and I remember a lot of my friends in school would say that there were no jobs here and that you had to move away if you wanted a good career. Well, that simply is not true. There are good career opportunities in each of our 10 counties, and we will continue to highlight specific examples of that with our #worklocal campaign.

Although our NCWorks Career Centers are now fully open to the public without an appointment, we do continue offering some services virtually. Highlighted in this newsletter is a virtual career fair that we did for the NC Department of Public Safety, a virtual Career Café that our NextGen program did, and information about weekly virtual workshops for job seekers. We have found a lot of value in being able to deliver these services virtually – specifically, it allows people to participate who would not have been able to do so due to transportation or other issues.

The last thing I would like to mention is that after eleven years serving on the Northeastern Workforce Development Board, six of those years serving as Chair, Zach Bray has moved out of the state and therefore had to resign from our board. Our board has accomplished many great things under Zach’s leadership and he will definitely be missed.

Best Wishes,

Dave Whitmer, Director
Northeastern Workforce Development Board

NWDB OUTREACH VIDEOS

In February of 2020, the Northeastern Workforce Development Board (NWDB) published a Request for Proposal for Video Production Services seeking proposals to produce five short videos, 5-10 minutes in length, to describe and highlight the services of the NWDB. The five videos include: Northeastern Workforce Development Board, NCWorks Career Centers, NextGen, Job Seeker Services, and Employer Services. Due to the pandemic,

video production was delayed. The Northeastern Workforce Development Board is proud to release the first video in the series of videos about our services. This video explains the services of the NCWorks Career Centers and how they serve our community.

"For our own success to be real, it must contribute to the success of others."
Eleanor Roosevelt

ECSU RADIO

Don't forget to tune-in to ECSU Radio 89.9 WRVS the 4th Wednesday of every month at 7:30am for the NCWorks Career Corner with Sheila Lee! Listen for the special staff guests every month along with an update for local job listings, workshops, and job fairs!

#WORKLOCAL HYDE COUNTY

The NWDB presented three posters to Hyde County Schools on March 22, 2021 as part of its #worklocal initiative. The posters, featuring local graduates, are hung in the high schools of the NWDB 10 county region to create awareness of career pathways available to students in their local area that will provide them a stable and sustainable income.

Pictured are Kali Beach (Instructional Management Coordinator/CTE), Wesley Floyd (Mattamuskeet Early College Principal), Lee Brim-
mage, Jr., local graduate and [#worklocal](#) success story (Ext Agent 4-H Youth) Back: Thomas Whitaker (Hyde County Schools Board Vice Chair), Randy Etheridge (Hyde County Schools Board Chairman), Steve Blackstock (Instructional Programs & Assessments), Stephen Basnight (Hyde County Schools Superintendent)/ Front to Back

TEST DRIVE EVENT

College of The Albemarle and the Northeastern Workforce Development Board collaborated on a new initiative that allows students to “test drive” a degree program that may interest them before making a final career decision. The Test Drive event was offered on three nights at the COA-Currituck campus at College Way, Barco, March 16-18, from 5:30 p.m. to 9 p.m. nightly. In a press release, COA noted that eight out of 10 students go to college without a real idea of what they want to study, and about a third change their major at least once. Because that can cost a lot of time and money, the Test Drive option “makes more sense,” COA said. The Test Drive event allowed students to check out three different programs in high-demand fields before making a decision on which one interests them most:

- Computer aided drafting. In the class, students learned the basics of using computer software to develop item designs that can be produced for industry and consumer products. Prototypes were 3-D printed to illustrate the practical

applications.

- Computer integrated machining. The class taught students how to operate both traditional and computer numerical control machines allowing the operator to take a part from schematic design to finished product.
- Aviation systems technology. The class taught the basics of riveting and sheet metal work, both key processes in aircraft repair. Students also learned how COA’s Aviation Systems Technology program can lead to Federal Aviation Administration certification. Both Adults and High School Seniors were invited to participate in the event.

Three additional test drive events are planned for this summer for Criminal Justice/Basic Law Enforcement and Agribusiness Technology, on the Elizabeth City COA Campus, and Culinary Technology on the Edenton COA campus.

International Women’s Day

The NCWorks Career Center and NWDB staff participated in the Perquiman’s Chamber celebration of International Women’s Day and Women’s History Month in March.

Helping Neighbors

NWDB staff had the pleasure of handing out job seeker resource guides, tuition assistance flyers and NCWorks NextGen youth program information at the Sheep-Harney mobile food pantry on February 11, 2021.

Facebook Live

Did you get a chance to watch Elizabeth City Career Center Assistant Manager Sheryl Stevens give the public a tour of the new Career Center on Facebook Live? If not, go watch: at present the video has had 1.3K views! Each center and the NWDB have a Facebook page. If you haven't yet, go "like" us on Facebook to keep up with all events and news!

#WORKLOCAL DARE COUNTY

The Northeastern Workforce Development Board (NWDB) presented three posters to Dare County Schools in February as part of its #worklocal initiative. The #worklocal Initiative was created by the NWDB to encourage local high school students to seek employment within growing career fields located in Northeastern NC. Emily Nicholson, Assistant Director of the NWDB states: "High retirement risks and very slow population growth continues to leave serious gaps in our employers' labor pools. This initiative is one of the many methods we can use to help fill these gaps to ensure sustainable and strong local economies for today and tomorrow."

The NWDB identifies local graduates from each high school within its regional domain who have succeeded in their field and are a source of inspiration to the next workforce generation. The local graduates are featured on #worklocal initiative posters that are hung in each of their

respective high schools. Representing Dare County are Matthew Burrus Nuckles, QMED Oiler with the NC DOT Ferry Division; Lisa Sabatic, LPN at the Outer Banks Hospital Urgent Care Center & Family Medicine; and Kirsten Turonis Bissell, Internet Sales Manager & Wind Art/Kite Buyer of Kitty Hawk Kites, Inc. Having succeeded in their field, each of these graduates embody the tenets of the #worklocal initiative and represent examples of job opportunities available to students in Dare County.

Present at the event were Dr. John Donlan, Director of Career and Technology Education for Dare County Schools; Beth Rooks, Principal of Cape Hatteras Secondary School; the Career Development Coordinators of Dare County Schools, Tara Wheeler of Manteo High School, Suzanne Jeanette of Cape Hatteras Secondary School, and Duke Wallin of First Flight High School. Also present were local community leaders, Kenny Kee of the Dare County NCWorks Career Center; David Whitmer, Director of the Northeastern Workforce Development Board; Emily Nicholson, Assistant Director of the Northeastern Workforce Development Board; members of the Dare County School Board and the Board of Commissioners.

(Left to Right: Matthew Nuckles, Lisa Sabatic, and Kirsten Turonis Bissell)

NEXTGEN CORNER

The NextGen Career Café (for students and young adults 16-24 years of age) on February 23, 2021 was called "From the Block to the Board Room," and was presented by the M.A.I.N. Initiative, LLC & U Good Bro, Inc. This event included entertainment, a keynote address and participation in the workshop of your choice. The workshops included Budgeting 101, How to Start a Business, and What it Takes to be a Leader. Kenneth Joyner, from HavenCent, presented a spoken word of peace, Dr. LaTanya Moore, from Spirituali-TEA delivered the keynote address, and Justin Fuller from Pitt Community College ended with a word of sending. Thirty students were in attendance.

DPS VIRTUAL CAREER FAIR

The NCWorks Career Center in Elizabeth City hosted a virtual hiring event for the NC Department of Public Safety on March 23, 2021. Business Engagement Coordinator, Amber Morse stated, "thinking outside the box during the 'new normal' has been critical for hiring events during the pandemic. We have hosted hiring events using GoToMeeting, YouTube, and even utilized our new texting platform." The NCWorks Career Centers remain committed to determine the best way to assist local business with finding employees and local job seekers find jobs. Businesses can call Amber

Morse, at 252.312.4308 to host a job fair and job seekers can text "NCWorks" to 56512 to find up-to-date information on local job fairs.

OJT Signing

NWDB Business Engagement Coordinator, Amber Morse and Career Advisor, Cortney Simpson had the privilege of completing an On-the-Job Training (OJT) contract with Beth Urch, of Beach Realty and Construction and participant Carla Emerson on March 11, 2021. Carla started her training immediately and thanks to the OJT program Beach Realty and Construction will have partial salary reimbursement during training and Carla will have training in a new career!

Sharpening Skills

The NCWorks Career Center staff in Elizabeth City hosts weekly virtual workshops for job seekers to sharpen their skills. Topics include resume writing, interviewing, networking, work ready skills, dressing for success, and various other topics that are relevant to job seekers in today's job market. Text "NCWorks" to 56512 to view and register for the virtual workshops offered throughout the NWDB region!

The **Northeastern Workforce Development Board (NWDB)** is a group of community leaders appointed by local elected officials. The NWDB serves North Carolina's 10 most northeastern counties: Camden, Chowan, Currituck, Dare, Gates, Hyde, Pasquotank, Perquimans, Tyrrell, and Washington Counties. The purpose of the NWDB is to provide policy, planning and oversight for local workforce development programs and to address workforce issues as identified by the communities that they represent. NWDB's mission is to foster employment of northeastern North Carolinians by enriching the skills and suitability of candidate employees for the businesses of the region.

Our Vision

Citizens and businesses of the Northeast region will rely on the board to promote the growth of well-paying jobs in new and existing businesses. Citizens in the region will be able to find satisfying employment here, and will choose not to move away.

Our Mission

The NWDB fosters employment of Northeastern North Carolinians by enriching the skills and suitability of candidate employees for the businesses of the region.

Our Core Purpose

To resolve workforce issues and challenges to meet Northeastern North Carolina employment needs.

Our Values

- One community, one team
- Forward looking and responsive to customer needs
- Embrace creativity • Nurturing hope for the future
- Integrity first and excellence in all we do
- Data driven, fact focused, relevant results

FEMA

April 13, 2021

Mr. Steve McGugan
State Hazard Mitigation Officer
Assistant Director / Mitigation Section Chief
Division of Emergency Management
NC Department of Public Safety
200 Park Offices Drive
Durham, NC 27713

Reference: Northeastern NC Regional Hazard Mitigation Plan

Dear Mr. McGugan:

We are pleased to inform you the updated Northeastern NC Regional Hazard Mitigation Plan is compliant with the Federal hazard mitigation planning requirements resulting from the Disaster Mitigation Act of 2000, as contained in 44 CFR 201.6. Effective April 13, 2021 the plan is approved for a period of five (5) years, to April 12, 2026.

This plan approval extends to the following participating jurisdictions that provided copies of their resolutions adopting the plan:

- | | | |
|----------------------|------------------------------|------------------------|
| • Bertie County | • Town of Askewville | • Town of Aulander |
| • Town of Kelford | • Town of Lewiston-Woodville | • Town of Powellsville |
| • Town of Roxobel | • Town of Windsor | • Hyde County |
| • Town of Bear Grass | • Town of Hassell | • Town of Jamesville |
| • Town of Parmele | • Town of Robersonville | • Town of Williamston |
| • Tyrell County | • Town of Columbia | • Washington County |
| • Town of Creswell | • Town of Plymouth | • Town of Roper |

The approved participating jurisdictions are hereby eligible applicants through the State for the following mitigation grant programs administered by the Federal Emergency Management Agency (FEMA):

- Hazard Mitigation Grant Program (HMGP)
- Flood Mitigation Assistance (FMA)
- Building Resilient Infrastructure and Communities (BRIC)

National Flood Insurance Program (NFIP) participation is required for some programs.

We commend the participants of Northeastern NC Regional Hazard Mitigation Plan update for the development of a solid, workable plan that will guide hazard mitigation activities over the coming years. Please note that all requests for funding will be evaluated individually according to the specific eligibility and other requirements of the particular program under which the application is submitted. For example, a specific mitigation activity or project identified in the plan may not meet the eligibility requirements for FEMA funding, and even eligible mitigation activities are not automatically approved for FEMA funding under any of the aforementioned programs.

We strongly encourage each community to perform an annual review and assessment of the effectiveness of their hazard mitigation plan; however, a formal plan update is required at least every five (5) years.

We also encourage each community to conduct a plan update process within one (1) year of being included in a Presidential Disaster Declaration or of the adoption of major modifications to their local Comprehensive Land Use Plan or other plans that affect hazard mitigation or land use and development.

When you prepare a comprehensive plan update, it must be resubmitted through the State as a “plan update” and is subject to a formal review and approval process by our office. If the plan is not updated prior to the required five (5) year update, please ensure that the draft update is submitted at least six (6) months prior to expiration of this plan.

The State and the participants in the Northeastern NC Regional Hazard Mitigation Plan should be commended for their close coordination and communications with our office in the review and subsequent approval of the plan. If you or Northeastern NC Regional have any questions or need any additional information, please do not hesitate to contact Celicia A. Davis, of the Hazard Mitigation Assistance Branch, at (770) 220-5253, Dontrey L. Garnett, of the Hazard Mitigation Assistance Branch, at (770) 220-3145, or Edwardine S. Marrone, of my staff, at (404) 433-3968.

Sincerely,

A handwritten signature in blue ink, reading "Kristen M. Martinenza".

FEMA Region IV

Ocracoke Township Tourism Development Authority FY2021/22 Event Funding Program

One goal of the Ocracoke Township Tourism Development Authority (OTTDA) is to enhance island events that encourage the use of our lodging facilities. The positive economic impact to Ocracoke Island increases significantly with overnight stays, and this program is designed to support and maximize that impact.

The awarded amount is at the sole discretion of the OTTDA Board. Key factors determining the amount of the award include, but are not limited to, the number of overnight accommodations generated, economic impact, off-season dates, etc. Priority will be given to off-season events. Limit of funding is \$10,000 per event. Please be aware that the amount of available funds from the 1/3 of the OTTDA budget not allocated to marketing is limited. To be eligible for this grant, you must be a registered as a non-profit with 501C status.

Event funding CANNOT be utilized for:

- Events hosted by private companies
- Payment of wages or stipends to event organizers
- Office or storage space rental
- Purchase event merchandise (such as T-Shirts, hats, novelty items)
- Event giveaways (novelty items)
- Other uses deemed inappropriate by the OTTDA

Event funding CAN be used to enhance attendance or participation in the form of:

- Marketing of event for the purpose of attracting participants and attendees
- Incentives to host events or event fees
- Rental of facilities to host the actual event
- Prize money to contestants in athletic or artistic competitions
- Catering and hospitality functions for participants and attendees
- Other items that the OTTDA Board may deem consistent with the mission of our organization

The event must:

- List the Ocracoke Township Tourism Development Authority as a sponsor, based on the total awarded amount, at the level equal to advertised sponsorship opportunities.
- Include a link on the event website to www.visitocracokenc.com

To apply for funding, event organizers must submit their request on the attached OTTDA Event Funding Application. Applicant should clearly illustrate how their event supports the OTTDA objectives as outlined above. Event funding recipients must complete an OTTDA post-event report and submit it within 45 days of the event's conclusion.

The application and the post-event report should be either emailed to mgarrish@visitocracokenc.com or jmongan@visitocracokenc.com or mailed to the following address:

Ocracoke Township Tourism Development Authority
PO Box 466
Ocracoke NC 27960

The OTTDA will issue checks to the organization only, not its employees or vendors. The organization is solely responsible for ensuring payment to its vendors. Event funding check provided by the OTTDA will not be issued prior to 120 days of the event date.

If the event is canceled after the allocation of OTTDA funds, the full amount of the provided funding must be reimbursed to the OTTDA within two weeks of the cancellation announcement. Any portion of the funds which were not used in accordance with the program rules must be returned to the TDA within two weeks of the refund notification.

RE: Hyde County Jail
FID #110634
Semiannual Inspection

Dear Sheriff Cahoon:

On April 20, 2021, the Division of Health Service Regulation (DHSR) - Construction Section Jails and Detention Unit inspected your facility to determine compliance with 10 NCAC Subchapters 14J-Jails, Local Confinement Facilities. This inspection found no deficiencies, no corrective action is necessary, and no further action on your part is required.

If you have any questions, please do not hesitate to call me at (919) 855-3893.

Sincerely,

Charles B. Brown

(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (EACH DEFICIENCY MUST BE PRECEDED BY FULL REGULATORY OR LSC IDENTIFYING INFORMATION)	ID PREFIX TAG	PROVIDER'S PLAN OF CORRECTION (EACH CORRECTIVE ACTION SHOULD BE CROSS-REFERENCED TO THE APPROPRIATE DEFICIENCY)	(X5) COMPLETE DATE
J 00	Initial Comments Charles Brown conducted the inspection. This biannual jail inspection was conducted as per 10A NCAC 14J JAILS, LOCAL CONFINEMENT FACILITIES Rules. This building was approved for use in 1992 under North Carolina State Building Code 1978 Edition with an occupancy classification of Group I-3. The jail design capacity is 4 male beds and 4 female beds with a total design capacity of 8 beds. The inspection began at 11:30 am and ended at 2:30 PM. On the day of the inspection the weather was cool with clear conditions. Hyde Co. Ocracoke Island Captain Jason Daniel was present and toured the facility with the inspector. No deficiencies were found at time of the inspection. No further action is required.	J 00
