
TITLE SIX - Zoning Code

(EDITOR'S NOTE: The County Zoning Code is a part of the County's Land Development Ordinance (Chapters 200 through 290 of Ordinance 1982-32, passed November 10, 1982). A revised edition of this Ordinance, as amended through January 1, 1985, was published in early 1985. Because of this separate publication, this Ordinance was not included as a part of these Codified Ordinances, but a copy of the same may be physically inserted into this volume, following Appendix I, for the convenience of the user of these Codified Ordinances. This revised edition contains its own index and is therefore not indexed in the General Index for these Codified Ordinances. This Title Six of this Part Twelve of these Codified Ordinances is reserved for possible future codification of the Zoning Code.)
