T: (608) 847-9373 | F: (608) 847-9407

### Juneau County Snapshot Data Definitions

**Confirmed case:** laboratory-confirmed case of COVID-19 infection that meets current Wisconsin case definitions

**New:** number of confirmed cases since previous snapshot

**Active:** confirmed case that is currently in their infectious period and under public health ordered isolation

**Released:** confirmed case that is no longer in their infectious period and is released from public health isolation

**Recovered:** confirmed case that has met the following:

- documentation of resolved symptoms
- documentation of release from public health ordered isolation
- 30 days since symptom onset or diagnosis

**Hospitalization:** confirmed case in an active status and reported to the health department as an inpatient

**Death:** confirmed case who died from COVID-19 or complications related to COVID-19 as reported by health care providers or medical examiners/coroners to the health department

**\*Data shown is subject to change. As individual cases are investigated by public health, there may be corrections to the status and details of cases that result in changes to this information.**
