Juneau County PREA Information for 2022:

Juneau County complied with a PREA Audit in September of 2022. Some improvements to our PREA reporting and inmate information were made as a result of the Audit. Inmate education on how to report PREA and 3rd party reporting was added.

Additionally, policies and procedures were upgraded to better meet PREA standards and assure the processes are in place to report, respond and meet the needs of victims of abuse and harassment.
