    - Everyone has been using digital system for three weeks now.
  3. Purchases/Expenses
    - Purchased a Plat Book to keep in vehicle. Purchased LED lights for flashlights.
- B. Review and possible action on items listed below
1. Truck Update.

Talked to Rudig. Sleepy Hollow has the truck we are looking for. They may look to do a swap. There is a red F350 at Rudig, but discussed that F250 is preferred.
  2. EM Budget for County Board

The budget will be gone through on Friday again. EM has a small budget, so not able to cut much that would make much of a difference. Will re-look at areas that can possibly be cut.
  3. Grants updated.

The 2024 grants have been published for EMPG and EPCRA. Have until October 31 to get them submitted to get funding for 2024. Award letters received showing what we will be awarded for each grant received from the State.
  4. Tower Mini-Splits HVAC

Doing HVAC checks this year. Necedah North tower needs new unit. It is recommended to have a backup HVAC. Hometown Heating did the checks and made recommendations for Necedah North and Wonewoc. Quote for just installation of the units. Toby/Wireman Electric will give a separate quote for the electrical portion. Would like to get this on the November County Board agenda.
- C. Next meeting in November TBD.
- D. Meeting Adjourned 9:41 a.m.

Respectfully Submitted,

Kathy Niles
