Mission Statement

Providing quality services for individuals and families in a safe, supportive, respectful partnership by promoting health, well-being, and self-sufficiency.

Vision Statement

To promote safety, well-being, and self-sufficiency for the individuals of Juneau County. We strive to do so by remaining open-minded to the ideas and suggestions of others; provide person-centered services in the least intrusive and least restrictive way possible; collaborate with our departments and community partners; to function with integrity in all matters, manage public resources responsibly; and acknowledge the values and beliefs of others in a courteous and respectful manner.
