# A HAPPY THANKSGIVING

n

Hello everyone, this is Yolanda Rogers.

This month I attended an Enrollment committee meeting. I attended two Education committee meetings, one regular meeting and one meeting regarding their budget request for the upcoming year. Of course I attended the annual general membership meeting. One regular tribal council meeting and two special tribal council meetings this month. I also attended a meeting held with the PITU tribal council and some of their bands Section 17 people. This was informative, they explained how their Section 17 works.

I have been thinking about what the general membership had asked about what our goals are for the coming year. I would like to see our programs offering more workshops to the community. I would like to see workshops for our youth. I appreciate the Education department and cultural preservation for always having something for the youth, at least once a month. I would like to see more of the programs do this as well. We must remember that we are here for our people and not ourselves.

As stated, before I am available, should you have any questions. Thank you.

**ons above are conceptual only.** No formal architecture has been commissioned. The purpose of this map and corresponding survey is to see if ty majority wants to use the land for A-F above. If so, several funding opportunities (for the above, or similar) may then be pursued empowered ıandate from the Kaibab Band of Paiute Indian Community. Upon funding, additional community buy-in for refined designs would be forthcoming.

Do you support a seasonal stream (fed by ponds when there is water they need to drain)? (Note: the water would be treated to prevent E-coli or oth...contaminants, and shallow enough to safely play in)

# POSITIVE COPING STATEMENTS

- Just because I'm thinking something doesn't make it true
- This hurts, so i need to be extra kind to myself
- This feeling is uncomfortable, but it will pass
- It's not that great right now, but things change
- Not everything will go my way, but I can be flexible
- It's okay to have a not-okay day @ReachOutRecovery
- I prefer something else, but I can deal with this too
- I can be anxious/angry/sad and still deal with this
- I don't need to rush, I can take things slowly
- I feel this way because of my past experiences, but I am safe right now
- It's okay to feel this way, it's a normal reaction
- I can use my coping skills and get through this
- I can always retreat out of this situation if I decide to
- I'll just do the best I can and thats okay
- Stay focused on the present. What do I need to do right now?

# YOUR INNER VOICE MATTERS

Make it one that supports you

Just because I'm thinking something doesn't make it true.

This hurts, so I need to be extra kind to myself.

This feeling is uncomfortable, but it will pass.

Not everything will go my way, but I can be flexible.

It's okay to have a not-okay day.

I prefer something else, but I can deal with this too.

**When stress, anxiety, or self-doubt take over,** positive coping statements can help you pause, reframe negative thoughts, and respond to yourself with more compassion.

## TRY REMINDING YOURSELF:

- I am allowed to take things one step at a time.
- I can handle difficult feelings without letting them define me.
- I am learning, growing, and doing the best I can.
- I deserve the same kindness I give to others.

Positive affirmations and healthy self-talk can help you build self-esteem, manage overwhelming emotions, and develop healthier ways to cope with life's challenges. You don't have to feel confident every day to practice treating yourself with kindness.

**Which positive coping statement do you need to hear today?**

# News from the Tribal Housing Department

Greetings everyone.

With the weather getting colder, make sure you disconnect your outside hose from the faucet.

We had our Halloween House decorating contest. The winners were: LeAnn Shearer-Steamboat, Mia & Carlie Bulletts-Red Hills, LaWanda Hill-Juniper, Omalla Hill-Kaibab and the Grand Prize winner was LeDavey Burke. If you had a Halloween decoration up, you got $10.00 off your DPW. Our next contest will be our Christmas House Decorating Contest. Cannot wait to see what everyone does.

We want to remind everyone that when one dumpster is full, **PLEASE USE THE OTHER DUMPSTERS**. Unfortunately, the dumpster gets piled high with bags and then the crows/cats get into the bags and scatter the trash. Your cooperation is appreciated.

Just a reminder **ALL** work orders must be called in or emailed to either Yolanda or LaWanda. If this is not done, the work needed will not be completed. This covers both you and the department. Also it's important to call in the work order as soon as there is trouble, not when it becomes a bigger issue.

DPW payments are due before the 20th of the month. If you pay after the 20th, you will be assessed a 5% fee in addition to your balance due. **If your DPW bill is paid in full before the due date, you will receive a 5% discount.**

Rental/House payments are due by the 15th of the month. You are considered late on the 16th.

Both Rent/House and DPW payments can be made on-line.

If you know your going to be late, please contact us.

Also remember ALL Rental tenants must report an increase/decrease of income as soon as possible. If it is a decrease and it is reported after the 15th, the decrease will take effect the following month. If it is reported before the 15th it will take effect that month.

**ALL BOXES NEED TO BE BROKEN DOWN AND PLACED IN GARBAGE BAGS. WHEN THIS IS NOT DONE, THERE IS NOT ENOUGH ROOM IN THE DUMPSTERS. ALSO, WHEN DUMPSTERS ARE FULL, PLEASE GO TO THE NEXT DUMPSTER.**
