

Section 67.287 RSMo. Minimum standards for municipalities in St. Louis County

Per Section 67.287.2(12) RSMo, every municipality in St. Louis County is required to post on its website “information published annually ... indicating how the municipality met the standards” of Section 67.287.2. To that end, the City posts the following links and information related to the City’s compliance.

	Minimum Standard	Link
	A balanced annual budget listing anticipated revenues and expenditures, as required in section 67.010;	Budget
	An annual audit by a certified public accountant of the finances of the municipality that includes a report on the internal controls utilized by the municipality to prevent misuse of public funds. The municipality also shall include its current procedures that show compliance with or reasonable exceptions to the recommended internal controls;	Audit Fiscal Policies Internal Controls and Risk Management Policy
	A cash management and accounting system that accounts for all revenues and expenditures;	City uses Incode Software
	Adequate levels of insurance to minimize risk to include: (a) General liability coverage; (b) If applicable, liability coverage with endorsements to cover emergency medical personnel and paramedics; (c) If applicable, police professional liability coverage; (d) Workers compensation benefits for injured employees under the provisions of chapter 287; and (e) Bonds for local officials as required by section 77.390, 79.260, 80.250, or local charter;	Copies of the City’s Certificate of Insurance and officer bonds are available from the City Clerk upon Request
	Access to a complete set of ordinances adopted by the governing body available to the public within ten business days of a written request. An online version of the regulations or code shall satisfy this requirement for those ordinances that are codified;	Municipal Code
	If a municipality has a police department ..., a police department accredited or certified by the Commission on Accreditation for Law Enforcement Agencies or the Missouri Police Chiefs Association or a contract for police service with a police department accredited or certified by such entities;	The City is working towards official accreditation
	Written policies regarding the safe operation of emergency vehicles, including a policy on police pursuit;	Pursuit Policy
	Written policies regarding the use of force by peace officers;	Use of Force Policy
	Written general orders for a municipal police department unless contracting with another municipality or county for police services;	City Police Department has written general orders that are routinely updated
	Written policies for collecting and reporting all crime and police stop data for the municipality as required by law. Such policies shall be forwarded to the attorney general’s office;	Administrative Reporting Policy Bias Free Policing Policy
	Construction code review by existing staff, directly or by contract with a public or private agency.	See Part II Technical Ordinances of Municipal Code
