LAKE FOREST

A MESSAGE FROM CITY MANAGER
DEBRA ROSE

Celebrating 35 Years of Lake Forest

As the holiday season approaches, Lake Forest has much to celebrate. Our annual Tree Lighting Ceremony will bring the community together on December 12, just as the City prepares to mark another special occasion: Lake Forest's 35th anniversary on December 20.

For 35 years, Lake Forest has continued to grow while preserving the natural beauty, strong neighborhoods, and welcoming community spirit that make our city special. This milestone gives us an opportunity to reflect on how far Lake Forest has come and recognize the residents, businesses, and community partners who have helped shape the city we know today.

Our City motto, "Remember the past, challenge the future," is especially meaningful as we celebrate this anniversary. While we honor the people and moments that built Lake Forest, we remain focused on preparing our community for the years ahead. That commitment includes investing in the infrastructure residents rely on every day.

Our Public Works team is advancing several major projects to keep Lake Forest moving and our streets smooth. The El Toro Road Corridor Improvements, neighborhood streets Slurry Seal Project, and Bake Parkway Resurfacing Project reflect the City's continued commitment to maintaining and improving our roadways.

We are also looking ahead to new opportunities for our community and local economy, including the anticipated opening of Costco in summer of 2027. This exciting addition represents another important chapter in Lake Forest's continued growth and will bring new shopping, jobs, and economic growth to the city.

On behalf of the City of Lake Forest, I wish you and your loved ones a joyful holiday season and a happy new year. Thank you for being part of our community and our first 35 years.

LET YOUR HOLIDAY SPIRIT SHINE

Do you think your home shines the brightest in Lake Forest? Deck the halls, string up the lights, and enter the City's 2026 Holiday Lights Competition for a chance to be crowned this year's Holiday Lights Champion!

Residents may submit a photo of their decorated home from Monday, November 23, through Friday, December 18. Neighbors, colleagues, and community groups are also encouraged to nominate their favorite festive displays. Be sure to include the address so the home can be featured on the City's Holiday Lights Map for the community to enjoy.

Community voting will take place from Saturday, December 19, through Sunday, December 27, and the winner will be announced Monday, December 28. The winning display will be featured on the City's social media platforms, and the City Council will recognize the champion with a commemorative yard sign at a future meeting.

Lake Forest *Celebrates*

On December 20, 2026, Lake Forest celebrates 35 years as a city. These photographs trace that journey, from the early days of El Toro to the landmarks and traditions that bring the community together today.

The story began long before incorporation. The Kizh people first inhabited the Saddleback Valley. In 1846, Don José Serrano received the Rancho Cañada de los Alisos land grant and named his cattle ranch El Toro, Spanish for "the bull."

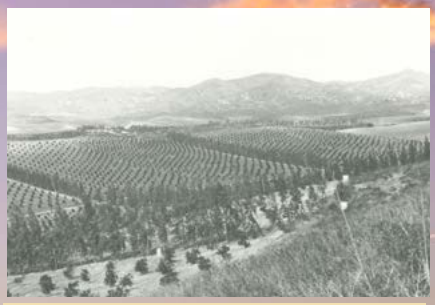

The Santa Fe Railroad and the 1942 opening of Marine Corps Air Station El Toro helped the area grow. By the late 1960s, new neighborhoods were rising among trees and man-made lakes, and the development became known as Lake Forest.

In 1991, residents voted for local control, and the City of Lake Forest was officially incorporated on December 20, 1991.

PRESERVING LAKE FOREST'S ROADS

As Lake Forest celebrates 35 years as a city, we remain committed to preserving the streets and infrastructure that keep our community moving. From improving one of the City's busiest corridors to maintaining neighborhood roads, these projects will extend the life of local pavement and provide safer, smoother travel for years to come.

El Toro Road Corridor Improvements

Work is well underway along the El Toro Road corridor. The project includes new raised medians, updated traffic signal equipment, landscaping, pavement resurfacing, and other improvements designed to enhance mobility and safety. Construction is anticipated to be completed in early 2027.

Neighborhood Street Slurry Seal

The City's Zone D Slurry Seal Project is approaching the finish line. Slurry seal adds a protective coating to neighborhood streets, extending the life of the pavement and helping prevent more costly repairs. Work is anticipated to be completed before the holiday season.

Bake Parkway Resurfacing

Looking ahead, the City is preparing to resurface portions of Bake Parkway, along with Normandale Drive and Regency Lane. The project will repair aging pavement and provide a smoother, more durable roadway. Construction is anticipated to begin late 2026/early 2027.

Together, these projects reflect the City's continued commitment to maintaining Lake Forest's infrastructure and preserving the streets residents rely on every day.

LAKE FOREST EARNS TRIPLE CROWN FOR FINANCIAL EXCELLENCE

The City of Lake Forest has earned the Government Finance Officers Association's (GFOA) 2024 Triple Crown Award, recognizing the Finance team's commitment to financial excellence and transparent reporting. Lake Forest is one of just 441 governments to receive the designation for fiscal year 2024.

The Triple Crown recognizes governments that earn all three of GFOA's financial reporting and budget awards: the Certificate of Achievement for Excellence in Financial Reporting, the Popular Annual Financial Reporting Award, and the Distinguished Budget Presentation Award. Each program requires governments to meet high standards for communicating financial information clearly and transparently.

Together, these awards recognize the City's work to provide residents with accessible information about its finances, budget priorities, and use of public resources. From detailed financial reports to information designed for a broader audience, these documents help residents understand the City's financial story.

This achievement reflects the Finance team's dedication to maintaining high standards and reinforces Lake Forest's commitment to accountability, transparency, and responsible financial stewardship.

BE A STAR IN YOUR COMMUNITY

Join Lake Forest's STARS Volunteer Program

Interested in volunteering with the City of Lake Forest's STARS program? Lake Forest's STARS program stands for the Sheriff's Team of Active Retired Seniors, a volunteer community policing initiative sponsored by the Orange County Sheriff's Department in cooperation with the City of Lake Forest.

Volunteers assist the Sheriff's department by answering calls and questions, patrolling our parks and schools, performing vacation home checks, and helping out with Lake Forest City events. Your commitment is one four hour shift per week and opportunities to work special events. Flexible scheduling and fun field trips make this volunteer opportunity both easy to participate in and rewarding.

TURN BACK THE CLOCKS. TURN UP SECURITY.

As the days get shorter and we turn back the clocks on November 1, it's a great time to turn up another habit: home security.

The holidays bring travel, shopping, family gatherings, and more packages to our doorsteps. With more hours of darkness, take a few extra steps to protect your home and belongings.

At Lake Forest Police Services, we believe crime prevention starts with all of us. Simple habits can eliminate opportunities before a crime happens.

Fall Back. Lock Up.

Before calling it a night, check that your doors, windows, garage, and side gates are secured. Set your alarm system and consider using exterior lighting, motion-activated lights, or interior lights on timers.

Don't Give Porch Pirates an Easy Opportunity

Bring packages inside as soon as possible. If you're away, consider a secure delivery location, package locker, or ask a trusted neighbor to collect them.

Have a video doorbell or security camera? Make sure it's working and that you know how to access your footage. Video can be a valuable tool when investigating suspicious activity.

See something suspicious? Say something. Your call could help deputies prevent a crime.

Leaving Town? Don't Leave Your Home Unprotected.

Before heading out for the holidays or a winter getaway:

- Lock all doors and windows.
- Secure your garage.
- Set your alarm.
- Put lights on timers.
- Arrange for mail and packages to be collected.
- Ask a trusted neighbor to keep an eye on your home.
- Avoid posting travel plans until you return.

Lake Forest residents can also take advantage of the Vacation Home Check program while they're away for added peace of mind.

We're All Part of the Neighborhood

Keeping Lake Forest safe is a partnership between residents, businesses, and the Orange County Sheriff's Department. By staying aware, looking out for one another, and eliminating opportunities for crime, we can all help keep our community safe.

This season, take a few extra minutes to secure your home, look out for your neighbors, and keep an eye on your deliveries.

MAKE AN IMPACT WITH LAKE FOREST CERT

When disaster strikes, trained volunteers can make a meaningful difference. The Lake Forest Community Emergency Response Team (CERT) equips residents with practical skills to help themselves, their families, and their neighbors during an emergency.

Through hands-on training, participants learn about emergency preparedness, fire safety, disaster first aid, and light search and rescue. The next CERT class begins Monday, February 1, 2027.

To learn more or register, visit lakeforestca.gov/CERT, email cert@lakeforestca.gov, or call (949) 282-5215. Train today. Help tomorrow.

HOUSING RESOURCES FOR LAKE FOREST RESIDENTS

Whether you are looking to purchase a home, make repairs or find affordable rental housing, several programs are available to support Lake Forest residents.

Qualified low- and moderate-income homeowners may be eligible for the City's Paint Grant Program, which provides funding to paint home exteriors and helps maintain neighborhood character and property values. Grant availability is limited each year. Visit lakeforestca.gov/departments/economic_development/housing/neighborhood_paint_program.php for more information.

The City also offers a Housing Rehabilitation Loan Program for eligible homeowners who need assistance completing necessary home repairs. The program includes loans with 0% deferred interest.

Considering an ADU? An Accessory Dwelling Unit (ADU) is a self-contained home that can be added to many residential properties. State law allows ADUs on both single-family and multifamily properties, and some properties may qualify for multiple ADUs. Visit bit.ly/plansandguidelines for more information,

Additional assistance is available through the City's partnerships with the County of Orange and other agencies. These resources include homebuyer and mortgage assistance, the Housing Choice Voucher Program for eligible families, seniors and people with disabilities, and an affordable rental housing list maintained by the County. Visit bit.ly/homeowner-programs for more information.

The City also partners with the Fair Housing Council of Orange County to promote equal access to housing and prevent discriminatory practices. Residents who believe they have experienced housing discrimination may contact the Council at (714) 569-0823 or info@fairhousingoc.org.

To learn more about these programs, visit lakeforestca.gov or contact the City's Economic Development team at econdevelopment@lakeforestca.gov.

DON'T LET YOUR HOLIDAYS GO TO WASTE

Keep organic materials out of the landfill this holiday season. Pumpkin carvings, food scraps and leftovers all belong in your green organics container.

Give Your Pumpkins a New Life

- Turn pumpkins into soups, pasta, bread or waffles to share at your holiday gathering.
- 100% of your pumpkin is compostable, so place carvings and scraps in your green organics container.
- Compost extra or expired candy, and put the wrappers in your landfill cart.

Thanksgiving That Keeps on Giving

- Store perishables properly, label leftovers and freeze scraps for future cooking.
- Make a shopping list and coordinate recipes with guests to avoid extra food.
- Donate canned goods to a food bank, or volunteer at a local pantry with family and friends.

HOLIDAY GREENERY COLLECTION

Wrap up the year by recycling your holiday greenery. CR&R will collect it curbside from December 26, 2026, through January 16, 2027.

To make sure your greenery is collected:

- Place trees under 6 feet inside your organics cart.
- Place trees over 6 feet at the curb on your regular collection day.
- Remove all lights, ornaments and tinsel.
- Flocked trees will be collected but not composted.

Missed the collection period? Call CR&R's Lake Forest Customer Service at (949) 520-6005 to schedule a bulky item pickup.

STOP THE RUNOFF: SMARTER WATERING PROTECTS OUR WATER AND YOUR WALLET

Did you know your sprinklers could be contributing to water pollution and waste? Over 50% of the water used in a typical home is used outdoors, and irrigation runoff can carry pollutants straight into our local ecosystem while draining our limited water supply.

When sprinklers spray sidewalks and patios, or when overwatered soil becomes saturated, the excess water flows across driveways, streets and gutters to the storm drain. Along the way it picks up motor oil, pesticides, pet waste, bacteria, nitrates, toxic metals and household chemicals. Unlike sewer water, storm drain runoff is not treated. It flows directly into our local creeks, lakes and beaches.

Eliminating irrigation runoff fights pollution, conserves water and saves you money.

Here are some smart tips to get started:

- Adjust for the season. Plants typically need less water in fall and winter and more in spring and summer. Review your sprinkler timing periodically and adjust for weather and your plants' needs.
- Turn off sprinklers when it rains. Use your controller's rain delay or automatic shutoff (if available) and leave it off for about 48 hours afterward.
- Don't overwater. Most plants, especially lawns, don't need daily watering. Overwatering wastes water, contributes to pollution and can harm your plants.
- Use a water calculator at bewaterwise.com/calculator.html.
- Replace your controller's backup battery. If the power goes out, a controller without a working battery may reset to its factory settings, which can be excessive.
- Water before sunrise or after sunset to maximize absorption and minimize loss to evaporation and wind.
- Run your sprinklers and watch them. Fix leaks and redirect any heads spraying sidewalks or streets. There's no benefit in watering pavement.
- Choose California Friendly plants. There are over 6,000 varieties, and they typically use about two-thirds less water. Learn more at cafriendlyplants.watersavingplants.com.

SKATEPARK SAFETY/ ETIQUETTE CLASS

4+ YRS

New to the Skatepark? Try Our Free Safety & Etiquette Course! We know the skatepark can feel a little intimidating for first timers, that's why we offer a free 15-minute Skatepark Safety and Etiquette course. This quick class helps new skaters learn how to stay safe, recognize common skatepark hazards, and follow important rules so everyone can have fun. Taught by our experienced Skatepark staff, the course is available on a drop-in basis and is the perfect way to get comfortable riding at the world-famous Etnies Skatepark of Lake Forest!

Instructor: Skatepark Staff

Equipment needed: Skateboard, helmet, elbow/knee pads

Fee: Free

Offered on a drop-in basis

CANCELLATION and USE POLICY

In the event of a class cancellation due to weather or other unforeseen circumstances, we'll schedule a make-up class on the next available date to ensure your skater doesn't miss out. All skatepark participants must have a signed waiver and current membership form on file before entering the park. Memberships are valid for the calendar year, from January 1 through December 31. If your child is enrolled in a skate class, camp, or special event, the membership fee is waived for the duration of the program. However, if they'd like to use the skatepark outside of their scheduled program times, a regular membership fee will apply.

BEGINNING AND INTERMEDIATE GROUP SKATEBOARD LESSONS

5-17 YRS

Beginner & Intermediate Levels Welcome! Looking for a fun and supportive way for your child to learn how to skateboard or take their skills to the next level? Our group lessons are perfect for beginners learning the basics, like balance, pushing, and turning, as well as intermediate skaters working on tricks such as ollies, kickflips, and grinds.

Led by experienced instructors, each session focuses on skill-building, safety, and confidence. We teach proper techniques, including how to fall safely, while creating a positive group atmosphere where kids encourage and motivate one another.

Instructor: Skatepark Staff

Equipment needed: Skateboard, helmet, elbow/knee pads

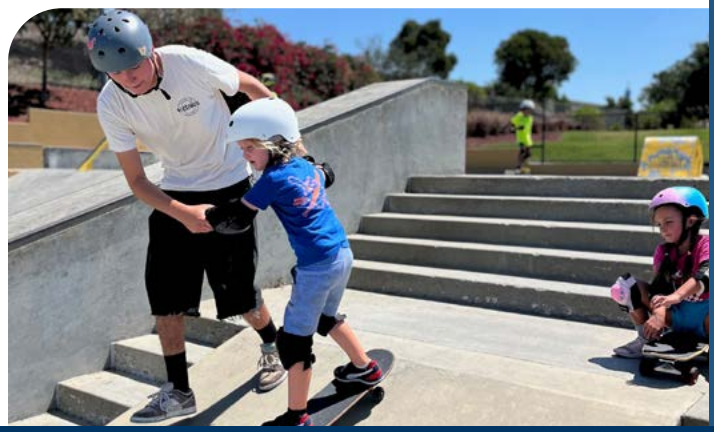

Fee: $40 per person (Limited to 5 per session)

HICAP
Health Insurance Counseling and Advocacy Program

TUESDAYS
10:00 am-1:00 pm

December 8
January 12
February 9

FREE

HICAP can help you understand:

1. Your rights as a health care consumer
2. Medicare benefits, including how to appeal Medicare and HMO denials
3. Medicare and health insurance jargon
4. Private Medicare supplemental health insurance policy benefits and exclusions
5. HMOs and how they work including emergency assistance with denials
6. Long-term care insurance

The Clubhouse, 100 Civic Center Dr

To make an appointment, please call (949) 461-3408. Leave your name and phone number.

HICAP is a volunteer-supported program that provides free counseling and educational services for older adults and their families. You can arrange for an individual counseling appointment with a HICAP counselor to get the most current information available to help you understand health insurance regulations and coverage. If you want to know what benefits and services you're entitled to and how the health care system works, call and make an appointment.

Through working with a HICAP counselor, you will get unbiased information to help you make the best choices for your individual health care needs as HICAP counselors cannot sell, endorse, or recommend any specific insurance.
