**Section 4.5.** The Municipality shall, at its own cost and expense, promptly comply with all statutes, ordinances, rules, orders, regulations, codes and requirements of the Federal, State, County and local governments and all insurance requirements applicable to the Property or any part thereof or applicable to this Agreement. After construction is completed, the Planning Commissioner shall be entitled to enter the Property, or any part thereof, at any and all times for any and all purposes, without the need to obtain the consent or permission of the Municipality.

**Section 4.6.** All advertising and signage, excluding hours of operation and other similar informational signage, to be utilized by the Municipality in connection with the operation of the Property shall be subject to the prior written approval of the Planning Commissioner and shall be provided to the County in advance for review. The Municipality shall acknowledge the County's contribution toward improvement of the Property on any signs erected at the Property and on any other publications, documents, etc. mentioning the Property.

The cost to cure such noncompliance shall be borne by the Municipality. The failure of the Municipality to reimburse

the County for the cost to cure such compliance within thirty (30) days of a written notice demanding such reimbursement shall be deemed a material breach of this Agreement.

**Section 4.8.** After completion of construction of the Project, the Municipality shall not install any fixtures or make any additions, development, improvements or alterations to the Property, other than routine maintenance or repair, without the prior written consent of the Planning Commissioner, which shall not be unreasonably withheld. Reservations for the use of the Property, or any portion thereof, shall be made through the Municipality. **Section 4.11.** Except for the amount of funding to be provided by the County under Section 2.1 above, the Municipality shall be responsible for all costs in relation to the Property and this entire Agreement, and, under no circumstances or conditions, whether now existing or hereafter arising, or whether beyond the present contemplation of the parties, shall the County be expected or required to make any payment of any kind whatsoever or be under any other obligation or liability hereunder except as herein otherwise expressly set forth.

**Section 4.12.** The Municipality shall pay any and all taxes, assessments, special assessments, personal property and intangible taxes, gross receipts, sales, use or occupancy taxes, water and sewer charges, rates and rents, charges for public utilities, excises, levies, license and permit fees, and other charges, general and special, ordinary and extraordinary, foreseen and unforeseen, of any kind and nature whatsoever, arising from the use or ownership of the Property which shall or may be assessed levied, charged, confirmed, or imposed upon or become payable out of or become a lien on the Property or any part thereof.

The Municipality may develop new ordinances, rules and regulations for the Property, which shall be subject to the approval of the Planning Commissioner (the “Municipality rules”), which shall not be unreasonably withheld or delayed. To the extent the Municipality rules regulate the same subject matter as the County rules and are at least as strict as the County rules, the Municipality rules shall supersede the County rules. Otherwise, the County rules shall apply to the Property.

## SCHEDULE "C"

WESTCHESTER COUNTY FAIR AND AFFORDABLE HOUSING  
IMPLEMENTATION PLAN  
August 9, 2010

---

Appendix D-2(ii): Discretionary Funding Allocation Policy  
as approved January 10, 2012

## **DISCRETIONARY FUNDING POLICY**

In August 2009, Westchester County entered into a Stipulation and Order of Settlement and Dismissal in *U.S. ex rel. Anti-Discrimination Center of Metro New York v. Westchester County, New York* (the "Settlement Agreement"). Beginning on March 1, 2012, the grant of discretionary intermunicipal funding, including but not limited to County Open Space funds and CDBG funding, ("Discretionary Funding") to municipalities eligible under the Settlement Agreement ("Recipient Eligible Municipalities") shall be conditioned, as appropriate, upon the Recipient Eligible Municipality's commitment to affirmatively further fair housing within its borders. This policy does not apply to municipalities in Westchester County other than the Recipient Eligible Municipalities.

Each Recipient Eligible Municipality shall be required to commit to the County, in writing, that it is in compliance with the following terms and conditions in connection with its commitment to affirmatively further fair housing:

- (a) Recipient Eligible Municipality has adopted municipal zoning code provisions and/or policies which reflect the guidance provided in the Model Ordinance Provisions approved pursuant to the Settlement Agreement and demonstrate a commitment by the Recipient Eligible Municipality to affirmatively further fair housing, including a ban on local residency requirements and preferences and other selection preferences that do not affirmatively further fair housing, except to the extent provided in the Model Ordinance Provisions;
- (b) Recipient Eligible Municipality will offer the County a Right of First Refusal to retain and/or purchase any and all land acquired in rem to be used for housing that affirmatively furthers fair housing; and
- (c) Recipient Eligible Municipality will actively further implementation of the Settlement Agreement through its land use regulations and other affirmative measures to assist the development of affordable housing.

Such commitments by Recipient Eligible Municipality shall be stated in the funding agreement between the County and the Recipient Eligible Municipality.

The funding agreement will also provide that housing units that affirmatively further fair housing must be marketed in accordance with Westchester County's Affirmative Fair Housing Marketing Plan approved pursuant to the Settlement Agreement, throughout the period of affordability.

Applications for Discretionary Funding submitted by non-municipal entities will be reviewed to determine whether or not such entity is acting as an agent of a municipality for purposes of the project for which funding is sought. If such entity is deemed to be acting in the capacity of agent for a municipality, the application will be subject to a review of the agent-municipality's compliance with the policy of affirmatively furthering fair housing stated above. The determination as to whether an agency relationship exists will be based on the principles of law relating to agency relationships in New York State, and the fact that the non-municipal entity/applicant may be required by local municipal codes to obtain municipal approvals or abide by municipal processes for such approvals in connection with such application will not be determinative of the agency relationship. Westchester County will provide notice of all non-municipal applications for funding to the local municipality in which the funding is proposed to be spent.

The County's audit rights under any grant of or funding agreement for Discretionary Funding will extend to all documents, reports, and records which relate to the Recipient Eligible Municipality's commitment to affirmatively further fair housing as described herein. Should Recipient Eligible Municipality fail to abide by any of the above conditions, Recipient Eligible Municipality will be obliged, upon thirty (30) days written notice by the County, to refund any Discretionary Funding paid to the Recipient Eligible Municipality.

(BOND) ACT 73 - 2024  
ACT 74 - 2024

(Unique ID# 2434)

**THE HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER**

DRAFT  
IMA ON FILE

Your Committee is in receipt of a transmittal from the County Executive recommending approval of a bond act (the “Bond Act”), which if adopted, would authorize the County of Westchester (the “County”) to issue up to \$1,000,000 in bonds to finance a component of capital project BLA1A - Parkland and Historical Preservation Program (“BLA1A”). Also attached is an Act authorizing an inter-municipal agreement (“IMA”) with the Village of Larchmont (the “Village”).

Your Committee is advised that the Bond Act, prepared by the law firm of Hawkins Delafield & Wood LLP, would finance a portion of the cost of the construction of improvements to the Village of Larchmont’s Flint Park, including construction of a new artificial turf, fencing and bleachers, access paths and sport nets. This project is being funded through the Westchester Legacy Program.

The IMA, will set forth the responsibilities of the County and the Village in connection with the project. In accordance with the IMA, the County will contribute an amount not to exceed \$1,000,000 toward the aforementioned improvements at Flint Park, in exchange for Flint Park being open to all County residents.

Following bonding authorization, design will be scheduled and is anticipated to take one to two months to complete. It is estimated that construction will take five to eight months to complete and will begin after award and execution of the construction contracts. It is anticipated that the design work will be completed by a consultant to be engaged by the Village.

As your Honorable Board is aware, the Westchester Legacy Program is a County initiative to acquire, protect and enhance open space lands in Westchester County. To date, the Legacy Program is credited with preserving over 2,000 acres of open space in Westchester County. The acquired properties include linear parks, urban parks, active recreation facilities as well as large tracts of open space forever preserved in their natural state.

The Legacy Program was established to aggressively pursue land acquisition with three major priorities: 1) to preserve green space, protect our county's natural habitats and protect rivers, streams and lakes and to provide passive recreation areas; 2) to purchase park land for active recreation such as baseball and soccer fields, trailways and bike paths; and 3) to acquire land for historic preservation and protection of our cultural heritage.

Your Committee notes that this Honorable Board has previously authorized the County to issue bonds which have financed prior components of BLA1A as set forth in the attached fact sheet.

The Planning Department has advised your Committee that based on its review, the above referenced capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQRA documentation and concurs with this recommendation.

Your Committee is further advised that since BLA1A is a "general fund" project, specific components are subject to a Capital Budget Amendment. Section 1 of the Bond Act authorizes an amendment to the County's Capital Budget to the extent the project scope is inconsistent with any details set forth in the current Capital Budget. Accordingly, the Bond Act, in addition to authorizing the issuance of bonds for this project, will also amend the current year Capital Budget to reflect the specific location of this project component.

In addition, section 167.131 of the County Charter mandates that a capital budget amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied to the Board of Legislators by a report of the Westchester County Planning Board (the "Planning Board") with respect to the physical planning aspects of the project. Accordingly, the Planning Board Report for BLA1A is annexed.

Please note that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act, while an affirmative vote of a majority of the voting strength of your Honorable Board is required to adopt the Act authorizing the IMA.

Based on the importance of this project to the County, your Committee recommends favorable action on the annexed Bond Act and Act authorizing the IMA.
