

Lindenhurst Fire and Police Commission (LFPC) 2018 Annual Report

Chief Jones informed the police commission that Ms. Maloree Johnson terminated her employment in the Lindenhurst Police Department effective December 28, 2017. Ms. Johnson was to commence her first day of work in the first week of January 2018 but she accepted an offer of employment with the Village of New Lenox.

As a result of the above situation, the police commission gave direction to the police department to consult the Eligibility Register and make conditional offers of employment to the next two candidates on the register. Two training positions were reserved at the April 2018 police academy.

Transfer applicant eligibility process:

The commissioners set up oral interviews for five applicants. Four applicants were interviewed on May 29, 2018: Christopher Reece, Eve Kulcsar, Katie Kaminski and George Hillman. One applicant could not show up for her scheduled appointment and she was rescheduled for May 30th. This applicant did not show up for the follow-up appointment and made no further contact with the Lindenhurst police department and was eliminated from the process.

Final grading of the oral interview process resulted in the posting on June 22 of the Transfer Applicant Eligibility List as follows:

- # 1. Christopher Reece
- # 2. Eve Kulcsar
- # 3. Katie Kaminski
- # 4. George Hillman

The Lindenhurst police commission sent notification to those individuals of their ranking on the above list. The remaining personnel who had submitted transfer applicant resumes were notified that they were eliminated from the transfer applicant process. The commission recommended that the Lindenhurst Police Department initiate background checks on the four Transfer Applicants. As a result of the above background checks, Ms. Katie Kaminski was sworn into the Lindenhurst Police Department at the Lindenhurst Village Board meeting on 02/11/2019.
