

**LINDENHURST BOARD OF POLICE COMMISSIONERS
2023
ANNUAL REPORT**

In 2023, the Board did not have any major tasks that needed to be completed. We are very happy to report that the Police Department is fully staffed and has not needed to hire any additional officers in 2023.

Below are several highlights of the Lindenhurst Board of Police Commissioners:

- The Promotional List for Sergeant expired on September 28, 2023. The Board, in discussions with Chief Jones and Commander Senica agreed that the new list and the position will require more planning and budgeting into 2024.

- Commissioner Douglas attended training classes on November 4th as conducted by the Illinois Fire and Police Commissioners Association.
