2022 Road Resurfacing Program Approved

In 2018, the Village utilized modern pavement assessment technologies to develop a systematic approach to address our roadways. This data driven method has allowed us to develop a plan to address street resurfacing at the most optimal period in a roadway's lifespan. Utilizing data has organized our resurfacing program on need, and helps to deploy resources properly.

This year, Lindenhurst partnered with the Village of Lake Villa on our combined road resurfacing project. Having a larger scope of roads to address should help both Village's receive better pricing on our projects. Through this joint bid, Lindenhurst will be able to address \$1.3M or over 2.75 miles worth of roadway. Lindenhurst recognizes the importance of street condition to our residents, and this investment is a continuation of the largest investments the Village

has made in street repairs over the previous four years.

Areas for resurfacing this coming summer were based on the pavement assessment conducted in 2018. The Village intends to conduct a follow-up survey of our streets this year to assess our progress and map out future road resurfacing areas.

Road to be Addressed	Termini
AUBURN MEADOWS	
Auburn Lane	Grass Lake Road to Prairie Ridge Circle
Horizon Court	Auburn Lane to Auburn Lane
Greenwood Drive	Savage Road to Nature's Way
AMERICAN HEIGHTS, West of N. Beck	
Federal Parkway	Grass Lake Road to N. Beck Road
Federal Circle	Federal Parkway to Federal Parkway
Jefferson Drive	Federal Parkway to Federal Parkway

BRIDGEPORT TERRACE/WATERFORD COMMONS	
N. Beck Road	Grass Lake Road to Village Limit
Bridgeport Terrace	Harbor Ridge Way to Monroe Drive
Harbor Ridge Way	Grass Lake Road to Bridgeport Terrace

The alternate set of streets in the bid include:

Road to be Addressed	Termini
AMERICANA HEIGHTS, East of N. Beck	
Paine Avenue	Penn Boulevard to Penn Boulevard
Penn Boulevard	N. Beck Road to Hamilton Drive
Penn Court	Penn Boulevard to Cul-De-Sac
Colony Court	Colony Avenue to Cul-De-Sac
Colony Avenue	Paine Avenue to Hamilton Drive

Event Calendar

Check out www.lindenhurstparks.org for more details on family and adult events.

- **Monday, May 30: Village Hall & Postal Substation CLOSED for Memorial Day**
- **Monday, May 30 at 10AM: Memorial Day Ceremony; Veterans' Memorial, 2301 E Sand Lake Road**
- **Wed., June 1: Live Music in the Parks begins: "Feel Good Party" at Lehmann Mansion**
- **Sat., June 18, 10AM to 1PM: RECYCLE-O-RAMA, Public Works Garage, 2301 E Sand Lake Road**

(Please see page 4 for details)

2021 Consumer Confidence Report (CCR) Notification

Please go to www.lindenhurstil.org/2021waterreport to view your 2021 annual water quality report and learn more about your drinking water. This report contains important information about the source and quality of your drinking water during 2021.

If you would like a paper copy of the 2021 Annual Water Quality Report mailed to your home, please call the Village Hall at (847) 356-8252.

A Letter from your Lakes Commission

Protecting the Health and Appearance of our Lakes

Now that spring has sprung, many of us are longing to begin enjoying our lakes again! But let's not take our lakes for granted. Although many Lindenhurst residents appreciate our lakes, they often fail to realize that they can play an important role in keeping them healthy and beautiful. That's right, even if you do not live directly on the water, your habits can have an impact on the quality of Lindenhurst's lakes. People do not often realize that our lakes are part of a larger watershed. In case you're wondering, a watershed is a rather large area of land that drains and carries rainwater or runoff water into a lake, river or stream. So, the rainwater that drains from our lawns and driveways goes into our storm drains, and then, eventually, into our lakes. As you might imagine, this runoff water can be detrimental to the overall condition of our lakes, because it carries chemicals, nutrients, and sediment from the environment with it.

How can you contribute to the health and appearance of our lakes? Here are just a few simple, but important things you can do to help:

1. Clear leaves and grass clippings from your curbside. Why? Because when grass clippings and leaves are left on the street or curb, they can get into the storm drainage system, ultimately ending up in the lakes. All the nutrients the grass and trees take in during the summer end up in the lake, giving rise to algal blooms— impacting water quality and user experience, as well as costing the Village more in management dollars. If you live right along the lakeshore, you should take care to prevent the clippings from blowing directly into the lakes.
2. Avoid using phosphate fertilizers on your lawn. Why? Similarly, because the phospho-

rous is washed off lawns by the rains and ultimately flows into the lakes. Once again, this often results in the production of large-scale nuisance algal blooms that decrease the oxygen levels of the lake water. Low oxygen levels in the lake can lead to a large-scale fish kill. Like many communities, our community does not allow the use of fertilizers with phosphorous, but it is up to residents to confirm that the products they use are allowable.

3. Wash your car on/near a grassy area so that the excess water is filtered by the ground rather than running directly into the storm sewers and into the lakes. Better still, take your car to a carwash rather than washing it in your driveway and allowing phosphates and other chemicals into the watershed.
4. Collect your pet's waste frequently. Uncollected pet waste can also be responsible for allowing significant amounts of phosphorous, and even pathogens, to be washed into the lakes.
5. Avoid feeding the geese. Just as pet droppings can add phosphorous and pathogens, so too can goose droppings.
6. Capture water runoff with a rain garden and/or rain barrel. Add shoreline plants to absorb excess nutrients. Take advantage of the Village's [50/50 program](#) for rain barrels and qualifying shoreline plantings.
7. Clean your fishing boat or kayak before launching. Cleaning your boat will help prevent the introduction and spread of detrimental invasive aquatic species that can travel from lake to lake by "hitching a ride" on boat hulls, trailers, props, paddles, or oars.

If you are interested in learning more about Lindenhurst's lakes, or if you have any questions about them, please go to the Lindenhurst Lakes Commission's website page at https://www.lindenhurstil.org/departments/board.php?structure_id=18. For even more information, please consider attending a future meeting of the Lindenhurst Lakes Commission. Details about the meeting schedule can be found on the Village of Lindenhurst's website <https://www.lindenhurstil.org/>.

Linden Notes

Landscape Collection

Landscape service began April 4th and runs through November 28th.

Landscape waste includes grass, shrubbery, small tree limbs and weeds.

Sticker service: With our recent negotiated Groot contract, stickers decreased from \$3.40 to \$2.50, and one must be affixed to each 32-gallon container or Kraft bag placed curbside each week.

There is no limit to the number of containers that may be placed curbside with sticker service. Subscription service: This service is \$165 annually. Residents may place up to four 32-gallon containers or Kraft style bags curbside each week; any additional containers would require a sticker. Stickers can be purchased at the following locations:

- **Village Hall**
2301 E Sand Lake Road
- **Butera Finer Foods**
1500 E Grand Avenue

For more information, please contact Groot at (847) 693-2700.

50/50 Programs

Lindenhurst offers reimbursement to residents that have planted a tree, added shoreline buffer plantings or purchased a rain barrel and/or compost bin.

- Program dollars will be dispersed by the Village to the homeowner after proof of purchase and residency.
- Households may participate one time during the Village's fiscal year (May 1- April 30).
- Residents must submit a receipt to Village Hall for reimbursement.

- First-come, first-served basis as budgeted funds are available.

Please visit the Community Resources/Green Initiatives section of the Village website at www.linden-hurstil.org for forms and information.

Utility Bill Payment Options

Residents can take advantage of the Village's online utility bill system, at no additional cost. Residents can use InvoiceCloud to pay their utility bill, view the bill or receive paperless billing through the e-bill program. To register, visit www.lindenhurstil.org and click "Pay Your Utility Bill" on the homepage, and click the link <https://www.invoicecloud.com/lindenhurstil>.

Please contact Village Hall at (847) 356-8252 if you have any questions about on-line utility bill payments.

At 9 p.m. each evening, conduct a security check and verify:

Vehicles, residences, garages, windows, gates and sheds are locked.

Tools, bikes, keys and other valuables are secured and brought inside.

Activate exterior lights, security cameras and alarm systems.

REPORT SUSPICIOUS ACTIVITY: Residents observing suspicious activity should contact the Lindenhurst Police Department at (847) 356-5400 or dial 9-1-1 in an emergency.

Suspicious activity is an occurrence that is out of place in your neighborhood. Factors such as race, ethnicity, national origin, or religious affiliation alone are not suspicious. The public should report only suspicious behavior and situations rather than beliefs, thoughts, ideas or expressions.

DRIVE-THRU

RECYCLE-O-RAMA

**Saturday, June 18th
10 AM to 1 PM**

**Village of Lindenhurst
Public Works Garage
2301 E Sand Lake Road**

**Have like items marked in bags in trunk;
pop trunk open and stay inside car.**

ONLY ITEMS LISTED WILL BE ACCEPTED:

- **PHONES & TABLETS**
(NO other Electronics)
- **FOOTWEAR** *(Paired with tied laces, zipties or rubberbands- NO Rollerblades or Skates)*
- **STUFFED/PLUSH TOYS & ANIMALS** *(NO other Toys)*
- **BELTS, SCARVES, HATS, PURSES, DUFFLES** *(Bagged)*
- **BED & TABLE LINENS, TOWELS, COMFORTERS, etc.** *(Bagged- NO Pillows, Cushions, Rugs, Fabric Scraps)*
- **SHREDDING OF SENSITIVE DOCUMENTS** *(Max of 3 Bankers Boxes, until truck is full)*
- **GENTLY USED BOOKS, DVD MOVIES, MUSIC CDs**
- **EYEGLASSES & HEARING AIDS**
- **GENTLY USED PET LEASHES & COLLARS**
- **MUSICAL INSTRUMENTS** *(NO Keyboards or Drums)*
- **CLOTHING** *(Bagged)*

NO BUSINESSES - HOUSEHOLDS ONLY
COLLECTED ITEMS WILL BE REUSED, RECYCLED, OR DONATED
