# of heads plugged					
# of heads replaced					
# Total					

TEMPORARY STARTS

A Temporary Start will only be considered AFTER the initial consultation or drawing review has been completed and an appointment has been scheduled to submit revised drawings. By signing below you understand a Temporary Start permits the installation to begin and that you will be responsible for subsequent revisions in the field where any deficiencies are noted during the re-review of the fire alarm drawings.

FURTHERMORE, THIS ONLY PERMITS A PIPE CHECK TO BE COMPLETED.

_____

[1] NO WORK TO BEGIN UNTIL THE LIMITED WORK PERMIT HAS BEEN SIGNED BY THE FMO, EXCEPT EMERGENCY REPAIRS

[2] Scope of Work must be provided in a letter or on the drawing

[3] Flex drops require hydraulic calculations.

[4] Multiple ceiling elevations in the same compartment require a cross section.
