FINANCE DEPARTMENT: COMBINED UTILITY BILLS EXPLAINED

All residential properties receive a quarterly combined utility bill from Lower Allen Township, but not all utility bills look the same. Residential properties (except for Shiremanstown Borough) are billed a Residential Stormwater fee of \$19.00 per Equivalent Residential Unit (ERU) per quarter. Residential properties are billed a Residential Refuse fee (except for Shiremanstown Borough) at the regular rate of \$112.83 or can apply for the low-flow rate of \$107.82 per quarter. The Residential Sewer fee is \$87.00 per quarter unless the property is connected to a private septic system.

The Lower Allen Township Finance Department issues a combined utility bill for all three services, Stormwater, Refuse, and Sewer, and each line on the utility bill denotes a specific service. This means that if there is an overpayment for one of the utilities, it creates a credit that the billing system will automatically combine in the grand total of the bill. However, this is deceiving, as the credit is only for that specific utility and will not disperse to the other utilities unless a request is made to the Finance Department to manually adjust the credit to the other utilities. This means that any utility line that shows a balance billed and a balance due would still be owed, even if the total on the bill shows less or zero. This then causes penalties and delinquent notices to be generated for the balances of any individual utility, even if a credit on one utility causes the grand total to be zero. This can be very confusing and usually requires a call to the Finance Department so the credit can be manually adjusted. So, if you receive a utility bill and see a credit on one utility line but balances owed on any other utility line, please contact the Finance Department at (717) 975-7575 to speak with someone about your bill.

UTILITY BILLING DATES:

- January 1st for January, February, and March; due February 1st.
- April 1st for April, May, and June; due May 1st.
- July 1st for July, August, and September; due August 1st.
- October 1st, for October, November, and December; due November 1st.

REMINDER: ACH automatic withdrawal is a free payment option offered by the Township. Customers who enroll in ACH agree to have their payment for their quarterly utility bill automatically withdrawn from their checking account on the due date. This payment method avoids the chance of receiving a ten percent penalty for a past due payment. ACH enrollment forms are located on our website at www.latwp.org, located in Departments, Finance, and then Utility Billing.

E-BILLING NOW BEING OFFERED

The Township is now offering an e-billing service for customers who wish to receive their bills via email. The e-billing options allows customers to have completely paperless billing, or customers may request to continue to receive paper bills and also receive electronic notices and bills. Interested residents should email utilitybilling@latwp.org to request this service. Please provide your name, address and/or account number, and email address for the notice.

BULK ITEM DISPOSAL • BUILDING SAFETY MONTH

Bulk Item Disposal

Currently Penn Waste will pick up one bulk item per week curbside. Please schedule in advance by calling (717) 767-4456 or online at www.pennwaste.com/contact-us. For residents' convenience, four loads of bulk items per household per calendar year can be brought to the Public Works facility. A fee of \$25.00 will be assessed for households exceeding their 4-load limit. Business hours for drop off at Public Works are Monday-Friday between 8:00am - 2:30pm. For residents' convenience, the facility is also open the second Saturday of the month from 8:00am - 1:00 pm, March through October. PLEASE STOP BY THE OFFICE and sign in prior to disposing of items.

Bulk Items Accepted: Household appliances, furniture, carpet, and wooden items (outdoor furniture, swings, and landscaping timbers), tire rims (without tires), metal, railroad ties, motors, and lawn mowers (must have oil, gas, and tires removed before disposal).

Bulk Items Not Accepted: Concrete, bricks, shingles, glass, pressure treated lumber, tar, synthetic products, tree stumps, dirt, grass clippings, paint, tires, oil, fuel, pressurized tanks, batteries, garbage, TVs, and computer equipment.

Please refer to County's website www.cumberlandcountypa.gov for recycling guidelines and disposal locations for electronics and hazardous materials.

Building Safety Month

May marked the 45th Annual Building Safety Month designated by the International Code Council (ICC) to help raise awareness about building safety. The theme for 2025 is Game On! Lower Allen Township proudly observed Building Safety Month in honor of the dedicated members of the ICC, and the Township's highly qualified building inspectors who utilize the codes created by the ICC to prevent disasters to residential homes and commercial structures. For more information check out www.buildingsafetymoth.org.

PUBLIC WORKS DEPARTMENT: YARD WASTE • MULCH/COMPOST

Yard Waste Disposal

Currently Penn Waste will pick up yard waste on your regularly scheduled trash collection day from March through October. Please use the yellow yard waste containers for pick up. Items can include shrubbery trimmings, small branches, leaves, etc. Please do NOT put grass clippings in the yard waste containers as this material can clog the grinding equipment and does not decompose well in the mulch product that is created from the yard waste. Grass clippings must be placed in with your regular trash.

For residents' convenience, four loads of additional yard waste per household per calendar year can be brought to the Public Works facility. A fee of \$25.00 will be assessed for households exceeding their 4-load limit. Drop offs are accepted at Public Works Monday-Friday between 8:00am - 2:30pm. For residents' convenience, the facility is also open the second Saturday of the month from 8:00am - 1:00 pm, March through October. PLEASE STOP BY THE OFFICE and sign in prior to disposing of items.

Yard Waste Items Accepted: Shrubbery trimmings, tree branches no longer than 4' in length, trunks no larger than 14 inches in diameter, Christmas trees, leaves.

Yard Waste Items NOT Accepted: Bamboo, ashes, stumps, dirt, stones/brick/concrete, painted or treated wood, landscaping timbers, garbage, food compost.

Wood Mulch and Leaf Compost Delivery/Pick-up

Pickup: Wood mulch and leaf compost are available to Township residents for pick up at the Public Works Facility, Monday through Friday, from 8:00 am to 2:30 pm. If you need assistance with loading leaf compost or wood chips, please come between 9:00am and 12:00pm to ensure staff availability. For residents' convenience, the facility is also open the second Saturday of the month, from 8:00am - 1:00 pm, March through October. PLEASE STOP BY THE OFFICE and sign in prior to picking up material.

Delivery: Township residents can have wood mulch and leaf compost delivered to their driveways for a fee. Deliveries occur Thursdays and Fridays through early October and are made after delivery payment and scheduling have occurred. For more information or to schedule a delivery, please contact Helen Grundon, weekdays between 8:00am and 3:00pm at (717) 975- 7575 x 2104 or by email to hgrundon@latwp.org.

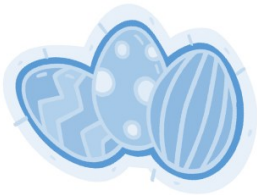

Delivery Prices:

- ♦ Wood Mulch: 3-cubic yards/\$25.00 8-cubic yards/\$50.00.
- ♦ Leaf Compost: 3-cubic yards/\$45.00 8-cubic yards/\$65.00.
- ♦ Note: there is no fee for residents when picking-up wood mulch and leaf compost at the Public Works Facility.

2025 Easter Egg Hunt

The Township's annual egg hunt was held Saturday, April 12th at Lower Allen Community Park. There were so many eggs scattered throughout the park that all participants had overflowing baskets. We couldn't have accomplished this event without the help of the following businesses that donated prizes for the golden egg winners, items to fill the goodie bags that were given to all the participants, as well as the candy and coupons to fill the eggs: Hershey's Company, Weis Markets, Members 1st, Texas Roadhouse, Mission BBQ, Trindle Bowl, Dave & Busters, and Cargill. We also would like to give a huge thank you to employees from Cargill that volunteered time to stuff all the goodie bags, as well as residents of The Woods at Cedar Run who stuffed every single egg.

The members of the Recreation and Parks Board were busy the morning of the egg hunt scattering out all of the eggs during the cold morning. We want to thank the Lower Allen Township Recreation & Parks Board Members for making this event a success this year. We are already looking forward to next year!

19th Annual Gardeners Gathering

This event was held on March 29th at the Barn in the Lower Allen Community Park. Two different workshops were offered during the event. The first was a Residential Stormwater & Kayak Safety Program, which was a partnership between the Township, Susquehanna Outfitters, and Yellow Breeches Watershed Association, in order to provide Kayak safety training courses to the community. During the workshop discussion time, a presentation was also given by our Township Environmental Programs Manager, Barbara Arnold, which covered stormwater topics including, the effects on the watershed, local stream health, residential property improvements related to local waterways, and flood prone areas. The second workshop was conducted by Anna Ellis, a Penn State Extension Master Gardener, who presented on pollinator gardens. Discussion included providing food and habitat for native insects/animals, as well as a decline in pollinators such as native bees, domestic bees, flies, beetles, and butterflies.

Multiple door prizes were collected from local business and were awarded to attendees. We would like to thank Stauffer's of Kissel Hill and Highland Gardens for their donations to this event. Thank you to the Lower Allen Township Recreation and Parks Board for offering this event to the public and to Barbara Arnold for providing Stormwater education to the attendees.

Open House - 6:00pm to 8:00pm
Lower Allen Township Municipal Services Center
2233 Gettysburg Road, Camp Hill

National Night Out is a community policing awareness-raising event in the United States, established in the 1980's. In the early 1990's, Lower Allen Township Police Department worked with many neighborhoods to organize Crime Watch groups. On the first Tuesday in August each year, neighborhoods held block parties to build better relationships with neighbors, while working together to combat crime. Help us take this event back to its roots.

Residents are encouraged to join us at the Open House this year, but the ultimate goal is to take this event back into Township neighborhoods in 2026.

We need your help. If your neighborhood wants to plan a block party for this year or in 2026, please reach out by email or phone (dknisley@latwp.org/717-975-7575, ext. 1602).

TAX COLLECTOR: QUARTERLY TAX TIPS

Happy Summer! Due to my immunocompromised health condition, I am continuing to request that you please send tax payments doing one of the following: by mail, by using the exterior white drop-off box adjacent to the flagpole, or by using the black pedestal mailbox in the lobby directly outside the Tax Office. If you would like a receipt, PLEASE include BOTH copies of your tax bill along with a self-addressed stamped envelope. The best way to reach me for questions is by email: bmiller@latwp.org, or by phone at (717) 763-7960 Monday/Tuesday/Thursday from 10am to 2pm.

Important Dates and Info to Add to Your Summer Calendar:

Summer Bargains for Seniors: Property Tax Rebate (PA-1000) are offered to Pennsylvanians 65 years and older who are homeowners and total income from all sources is less than \$46,520 (including ½ of your social security). Governor Joshua Shapiro has increased the maximum income to \$46,520 (including ½ of your social security). If you are a Senior 65 and older and are renting, your total income must be less than \$46,520 from all sources (including ½ of your social security). Funds for the tax rebates come from the Pennsylvania State Lottery. Forms are available online, from your tax preparer, or from your State Representatives Sheryl Delozier and Thomas Kutz.

The last day to take advantage of the face period for your March 1st, Lower Allen Township and Cumberland County Real Estate Tax Bill is Monday, June 30th. Please remember that a 10% penalty will automatically be added on July 1st.

School Real Estate Tax Bills for the fiscal year 2025-2026 will be dated July 1st and mailed to property owners. If there is an escrow account, it is the homeowner's responsibility to mail one (1) copy of your tax bill to your mortgage company. Write your loan number on the tax bill and send it to the attention of the Tax Escrow Department, and keep one (1) copy for your records.

You should have received a \$157.65 Homestead Exclusion on your July 1st, 2025 West Shore School District Real Estate tax bill, if you did not, perhaps you are a new homeowner or didn't apply for it. The next window to apply for the Homestead Exclusion is December 15, 2025 through March 1, 2026. You can obtain that form from Cumberland County's website: www.cumberlandcountypa.gov. If you multiply the \$10,676 amount of the Homestead Exclusion by 14.7661 mills it equals \$157.65. The assessment on your house will revert to the original assessment before the Homestead Exclusion since that only applies to the West Shore School District Real Estate Tax Bill.

It's Your Right and Responsibility: Thank you for exercising your greatest right as an American, the Right to VOTE.

Summertime: Is what we wait for all year, especially after the rainy season we've had this year! I can't wait to vacation at the beach, go hiking in the mountains, and go on road trips in our beautiful country. I wish you and your family lots of fun in the sun this summer!
