To vote against the plant facility levy, place an X in the square at the right of the word “AGAINST”. If you change your mind, tear, or make a mistake on this ballot, request a new ballot from an election worker.

TO AUTHORIZE AND EMPOWER THE BOARD OF TRUSTEES
OF FREMONT JOINT SCHOOL DISTRICT NO. 215
MADISON AND FREMONT COUNTIES, STATE OF IDAHO,
TO LEVY A PLANT FACILITIES RESERVE FUND LEVY

Shall the Board of Trustees of Joint School District No. 215, Madison and Fremont Counties, State of Idaho, (the “District”), be authorized and empowered, upon the affirmative vote of fifty-five percent (55%) of the electors of the District voting in the election, to levy a School Plant Facilities Reserve Fund Levy in the amount of up to \$700,000, for fiscal year beginning July 1, 2021 and continuing each year in the amount of up to \$700,000 for 10 years through fiscal year ending June 30, 2031, for the purposes of financing the acquisition of school site(s) and /or the construction, furnishing and equipping of schools and /or the improvement to any existing building for the District, including all lighting, heating, ventilation and sanitation facilities and appliances necessary to maintain and operate said buildings and facilities, the purchase of school buses, and the payment of lease purchase agreements for any of the above purposes, all as provided in the Resolution of the District’s Board of Trustees adopted December 17, 2020.

The estimated average annual cost to the taxpayer on the proposed levy is a tax of \$36.13 per \$100,000 of taxable assessed value, per year, based on current conditions. Currently, the District collects a plant levy that costs \$15.50 per \$100,000 of taxable assessed value, and the current levy will expire when the proposed levy goes into effect, so the proposed levy produces a net increase of \$20.62 per \$100,000.

IN FAVOR OF plant facility levy of \$700,000 each year for ten years

AGAINST plant facility levy of \$700,000 each year for ten years.....
