2022 PRIMARY BALLOT ELIGIBILITY AND RULES

	Republican	Democratic	Libertarian	Constitution	Unaffiliated
REPUBLICAN	YES	NO	NO	NO	IF VOTER AFFILIATES
DEMOCRATIC	YES	YES	YES	YES	YES
LIBERTARIAN	NO	NO	YES	NO	IF VOTER AFFILIATES
CONSTITUTION	NO	NO	NO	YES	IF VOTER AFFILIATES

A voter may receive a primary election ballot for only one political party per primary election (34-904A (5))

Voters already affiliated with a political party may not change party affiliation to another party, or change to unaffiliated, after March 11, 2022 which is the deadline for candidacy filings for the May primary election (34-411-A)

Unaffiliated voters may affiliate with a political party by filing a signed affiliation form (ER-2), or a new voter registration card, up to and including the day of the primary election.

Unaffiliated voters must affiliate with a political party prior to being given a primary ballot for that party, except for those requesting a Democratic Party ballot, who must remain unaffiliated unless the voter chooses to file a signed affiliation form (Form ER-2) or a new voter registration card. (34-411 A and 34-904A)

Unaffiliated voters who choose to remain unaffiliated can only be given a non -partisan or Democratic Party ballot (which would also include the non-partisan races). (34-904A)

For any Unaffiliated voter requesting a party primary ballot at the polls, the poll worker must record the voter's choice of ballot in the poll book, and the clerk must record the same in the voter history. (34-411A and 34-904 A)

Once a previously Unaffiliated voter has affiliated with a political party and voted that party's primary ballot, the voter cannot change affiliation until after the primary election. (34-411 A)
