Reference: Sale of Asset – Former Fire Truck 16

City of Malden
City Administrator
Ivone Smith
201 S. Madison
Malden, MO 63863

Administrator Smith,

Bart Rowe and James Potter from the Western Greene County Fire District came to the Malden in reference potentially purchasing former Truck 16. Mr. Rowe is a Commissioner on the Board for Greene County and a Volunteer Fireman. Mr. Potter is the Fire Chief for that District. Asst. Chief Johnson rode with Chief Potter while Chief Potter test drove the truck. Asst. Chief Johnson also engaged the pump to show Chief Potter it was in good working order.

When they brought the truck back to the police department, Mr. Rowe and Chief Potter met with me in my office. Mr. Rowe stated they wanted to purchase the truck and offered \$141,000.00. I told Mr. Rowe that I would forward his offer to the City Council, via the Mayor and City Administrator.

Respectfully,

Director Jeff Mitchell
