Approve North Mankato's 2020 Financial Statement Audit.

Finance Director McCann reviewed the City's financial standing. He noted the City is moving in the right direction fiscally, and the audit shows the City is financially strong even throughout the COVID pandemic. He reported the City increased its net position by \$2.63 million in 2020, compared to \$4.97 million in the previous year. This difference is directly attributable to the COVID-19 pandemic. Finance Director McCann introduced Tom Olinger from Abdo, Eick & Meyers, who completed the audit. Mr. Olinger reported the auditor's test-specific risk areas, which change every year. The purpose of the audit is to determine if the City is following State Statute. He noted there are fewer adjustments needed every year, the City is improving its processes.

Mr. Olinger reviewed the General Fund Balances. The General Fund Balance for the end of 2020 was \$3,583,511 and is at 52.4%, within the City's fund balance policy guidelines of at least 50% of Budgeted Property Taxes, LGA, and MSA. Mr. Olinger reviewed the General Fund Budget to Actual Budget. There was a shortfall in revenues of \$900,664, and expenditures were under budget by \$1,416,338, but overall there was an increase in the fund balance of approximately 1 million dollars.

Mr. Olinger reviewed the Capital Projects Fund Balances, which had a decrease of approximately \$662,853 related to the spending of bond proceeds. The City has created an MSA Fund to help monitor the Municipal State-Aid Road funding allocations out of the Fund. The City could close several old construction funds because it is easier to follow the money and determine when the funds have been received. He noted the fund balance shows a deficit of \$2.6 million, but the City advances the cash and does not show when cash will be allocated. City Administrator Harrenstein commented that the City does not owe the \$2.6 million; rather, the City has taken advantage of advancing the MSA funds from future year allocations.

SPECIAL COUNCIL MINUTES June 28, 2021

Mr. Olinger reported the Special Revenue Fund Balances did not have a lot of change. He did note the cash balance is approximately \$1.1 million. Two million dollars of the balance is in the value of the land held by the Port Authority and in loan receivables.

Mr. Olinger reported the Debt Service Fund, which is paid back by tax levy or special assessments, currently is at \$20 million debt. He noted the Fund is stable, and if you look at the Fund's forecast, it shows the City pays off debt and takes on more obligation, but in all likelihood remain flat due to the addition of new debt every year and the old debt getting paid off.

Mr. Olinger reviewed the Water Fund, which shows the Fund balance at \$955,621. The Sewer Fund has a fund balance of \$1,362,249 as the City is building reserves for future projects or for stabilizing the rates. The Storm Water Fund showed a drop in cash which was tied to ravine work in 2020. City Administrator Harrenstein commented that the City has received FEMA Funds in 2021 from storm damage in 2019. These funds will help with the cash balance moving forward. Mr. Olinger commented that the Recycling Fund remains stable even with the end of the County dollars toward the building. The Solid Waste Fund cash balance remains consistent as the Fund does not need to maintain a large balance due to the service being contracted.

Mr. Olinger reported North Mankato's tax rate remains comparable to Class 3 Cities and Cities in Nicollet County. The tax rate is 51% compared to 51.2% for Class 3 Cities and 47.5% for Cities in Nicollet County. Long Term Debt Per Capita remains steady at \$1,917 in 2020 compared to \$1,892 in 2019.

Mr. Olinger stated the audit shows the City is moving in the right direction. Mayor Dehen requested clarification on any funds the City should pay particular attention to in the future. Mr. Olinger stated everything was looking good, and the City should continue a balanced approach and continue to plan for the future.

Council Member Steiner moved, seconded by Council Member Norland, to adopt the North Mankato's 2020 Financial Statement Audit. Vote on the motion: Norland, Oachs, Whitlock, Steiner, and Dehen aye; no nays. Motion carried.

Webster Avenue Area Plan.

City Administrator Harrenstein reported the plan was developed with a steering committee and was presented to and approved by the Planning Commission before the City Council reviewed the draft. It was sent out for additional public review. City Planner Lassonde presented the public comments concerning the plan at the last City Council Work Session and made adjustments based on Council direction.

City Planner Lassonde reviewed the changes to the plan. He reported an update was made to page three to explain the open house information. Page eight was updated to include a statement that the best use of the area consists of the continued use of the site as light industrial and commercial rather than converting the entire street to residential. The light industrial and commercial use provides an additional tax base for the City. An update was made to page 14 of the plan to include the Draft Trails System Plan from the Comprehensive Plan in the appendix, showing the City's plans for area pedestrian and bicycle connections. Page 15 contains a statement in response to those who do not want change to the area that "do nothing" is not in the community's best interest. Mr. Lassonde reported that the City added language on page 19 concerning enhancing connections between North Mankato and Mankato recreational amenities. Mr. Lassonde reported changes to page 20, which included the City's commitment to continue to utilize the Public Works Yard and not convert to multi-family housing. He noted the plan also addresses that multi-family housing would be an R-3 or R-4 use and would not be subject to the rental density restrictions. He stressed the rental density ordinance was created to ensure

SPECIAL COUNCIL MINUTES June 28, 2021

housing opportunities for all residents, as does the recommendation for possible multi-family dwellings along the corridor. On page 22, changes included comments that while the revitalization of existing buildings is a priority, the City is not forcing businesses' relocation or rehabilitation; the City is considering a Commercial Grant and Loan Fund to assist with revitalization. The City would also consider adopting design guidelines that guide the design of new development and façade improvements. City Planner Lassonde state page 23 includes updated information regarding the City's position on the Norwood Inn site that it will be revitalized in one of three ways: the hotel facility will be revived and refranchised for hospitality use, the buildings are razed, and a new hospitality use approved by the Port Authority is constructed onsite, or the buildings are razed, and other commercial/retail services supported by the Port Authority are built onsite. Additions also included an update to the transportation section of the report to include pedestrian and bicycle facility improvements. The plan updates also included screening the Public Works Yard, reviewing parking needs for Spring Lake Park and the Webster Ballfield, and potentially adding an off-street trail facility along Webster Avenue and Range Street. City Planner Lassonde noted those were the final updates following the public open houses and Council recommendations.

City Attorney Kennedy requested clarification on the 169 Webster Avenue intersection. City Planner Lassonde responded the City has made it clear they require full access at Webster Avenue. Mayor Dehen commented that he attended the last MAPO open house, and both of the remaining options maintained full access at Webster Avenue.

- 7.2 <u>UNION Representative</u>: The EMPLOYER will recognize the representative designated by the UNION as the grievance representative of the bargaining unit having the duties and responsibilities established by this Article. The UNION will notify the EMPLOYER in writing of the name of such UNION Representative and of their successor.
- 7.3 <u>Processing of a Grievance.</u> It is recognized and accepted by the UNION and the EMPLOYER that the processing of grievances is limited by the job duties and responsibilities of the employee and will therefore be accomplished during normal working hours when consistent with such employee's duties and responsibilities. The aggrieved employee and the UNION Representative will be released from work, without loss in pay, to investigate a grievance and to attend meetings or hearings pursuant to this Article provided the employee and the UNION Representative have notified and received the approval of the EMPLOYER who has determined such absence is reasonable and would not be detrimental to the work programs of the EMPLOYER.

7.4 The grievance procedure shall be as follows:

<u>Step 1</u>: The UNION shall have fifteen (15) working days to submit the grievance to the Chief of Police. The written grievance shall contain:

- a) The nature of the grievance and a summary of the facts upon which it is based.
- b) The Agreement provisions relied on or claimed to be violated.
- c) The remedy or relief requested.

If not settled, the grievance may be submitted to mediation or arbitration.
- Step 2a: Mediation. If the grievance is not resolved at Step 2 of the Grievance Procedure, either party may submit the matter by mutual agreement to mediation with the Bureau of Mediation Services. Submitting the grievance to mediation preserves timeliness for 7.5 Arbitration of the Grievance Procedure. Any grievance not

appealed in writing to 7.5 by the Union within ten (10) business days after a failed mediation shall be considered waived.

The EMPLOYER may initiate grievances at Step 2. Discharge grievances may be initiated at Step 2.

7.5 <u>Arbitration</u>.

If the grievance is unresolved at Step 2 or Step 2a, and the UNION elects to appeal the grievance to arbitration, the UNION within ten (10) business days following the issuance of the Step 2 answer or failure of the mediation process shall submit a written request for arbitration to the Bureau of Mediation Services requesting a list of arbitrators in accordance with the "Rules governing the arbitration of grievances" as enacted by the Bureau of Mediation Services. The UNION shall submit a copy of such request to the City Administrator. The parties shall then choose the arbitrator by the UNION and the EMPLOYER alternately striking a name from the list until one remains as the Arbitrator to hear and decide the dispute.

- 7.6 <u>Arbitrator's Authority.</u> The arbitrator shall rule only on the issue submitted and shall have no power to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. His/her decision shall be in writing and furnished within thirty (30) days following the close of any hearing or submission of briefs by the parties. His/her decision shall be subject to law and regulations having the effect of law. His/her decision shall be binding upon the parties only in so far as the Public Employees Labor Relations Act of 1971, as amended, requires it to be binding.
- 7.7 The fees and expenses of the Arbitrator shall be divided equally between the EMPLOYER and the UNION. Each party shall be responsible for its own expenses and compensating its own witnesses. Time limitations of this Article apply to both parties and may be extended by mutual consent. Unless so extended, time limitations shall be strictly complied with and expiration of the time to appeal the grievance shall be a waiver of the grievance. Failure of the EMPLOYER to reply within the time limits at any step shall be deemed denial of the grievance.
- 7.8 <u>Choice of Remedy</u>. If, as a result of the written response in Step 2, the grievance remains unresolved, and if the grievance involves the suspension, demotion, or discharge of an employee who has completed the required probationary period, the grievance may be appealed either to Article 7.5 or a procedure such as Civil Service, Veteran's Preference, or the Human Rights Department. In any event, the aggrieved employee or his/her UNION representative shall elect in writing which procedure shall be used and, thereafter the employee's right to pursue any other procedure terminates and is waived. *An employee pursuing a remedy pursuant to a statute under the jurisdiction of the United States Equal Employment Opportunity Commission is not precluded from also pursuing an appeal under the grievance procedure of this Agreement. If a court of competent jurisdiction rules contrary to the ruling in EEOC vs. Board of Governors of State Colleges and Universities*

Request to replat Lots 1 & 2, Valley View Subdivision

<u>COMMENT</u>

The applicants own two (2) residential lots on Howard Drive described as Lots 1 & 2, Valley View Subdivision. Their current home addressed as 1909 Howard Drive is on Lot 2 and Lot 1 was vacant with the exception of a driveway to serve the home. Currently, the applicants are constructing a new home on the vacate lot (Lot 1) and are selling the existing home addressed as 1909 Howard Drive. An aerial view of the current properties is shown on Exhibit A. The applicants are proposing to replat the two lots to accommodate both homes. The proposed replat including the location of the homes and driveways is shown on the preliminary plat as Exhibit B. In summary, the two lots would be replatted based the location of both homes and driveways. Each home would meet the building setbacks including the driveways which are subject to setbacks as well. The final plat is shown on Exhibit C.

As both properties are zoned R-2, One-and Two-Family Dwelling, the minimum lot size requirements from single-family homes are as follows:

Lot Width - 75 feet Lot Depth - 100 feet Lot Area - 7,500 sq.ft.

Regarding the proposed Lot 2, the minimum lot width is met on the north side of the lot.

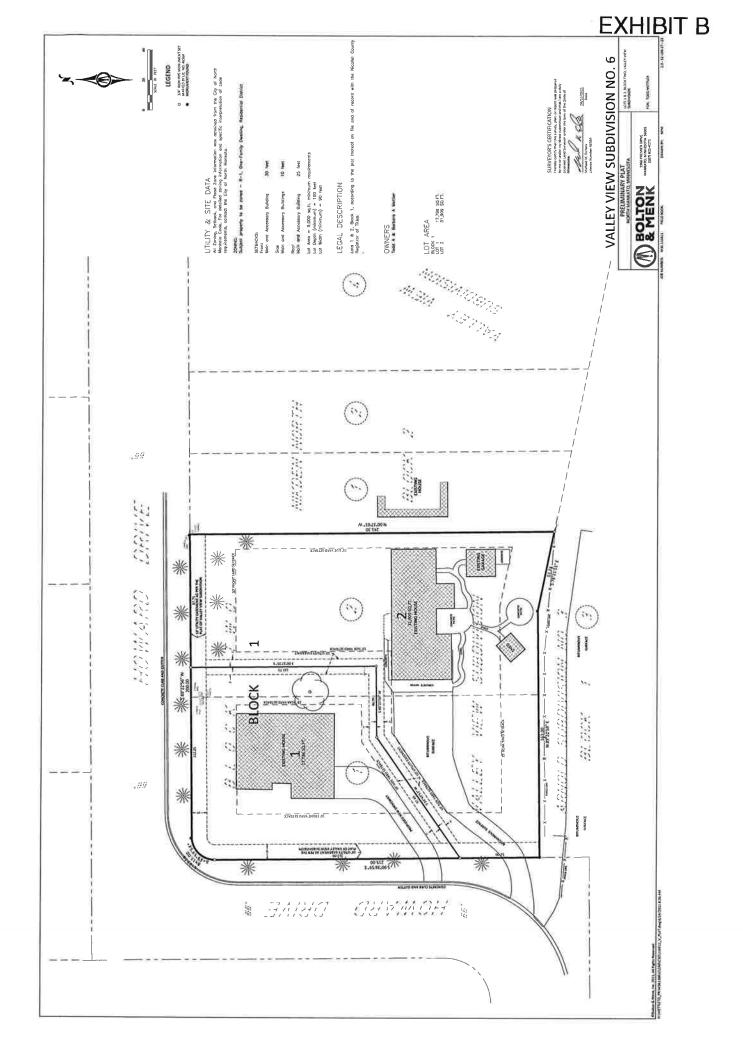

As the original lot line between Lots 1 & 2 will be relocated, there are no existing utility easements which need to be vacated.

If Bonds are prepaid, the prepayments shall be allocated to the portions of debt service (and hence allocated to the payment of Bonds treated as relating to a particular portion of debt service) as provided in this paragraph. If the source of prepayment moneys is the general fund of the City, or other generally available source, including the levy of taxes, the prepayment may be allocated to any portions of debt service in such amounts as the City shall determine. If the source of a prepayment is excess tax increments pledged to the TIF Improvements, the prepayment shall be allocated to the TIF Improvements Portion of debt service If the source of a prepayment is excess Sales Tax Revenues pledged to the Facility Improvements, the prepayment shall be allocated to the Sales Tax Portion of debt service.

(c) <u>Book Entry Only System</u>. The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York or any of its successors or its successors to its functions hereunder (the "Depository") will act as securities depository for the Bonds, and to this end: (i) The Bonds shall be initially issued and, so long as they remain in book entry form only (the "Book Entry Only Period"), shall at all times be in the form of a separate single fully registered Bond for each maturity of the Bonds; and for purposes of complying with this requirement under paragraphs 5 and 10 Authorized Denominations for any Bond shall be deemed to be limited during the Book Entry Only Period to the outstanding principal amount of that Bond.

Upon initial issuance, ownership of the Bonds shall be registered in a bond register maintained by the Bond Registrar (as hereinafter defined) in the name of CEDE & CO., as the nominee (it or any nominee of the existing or a successor Depository, the "Nominee").

(iii) With respect to the Bonds neither the City nor the Bond Registrar shall have any responsibility or obligation to any broker, dealer, bank, or any other financial institution for which the Depository holds Bonds as securities depository (the "Participant") or the person for which a Participant holds an interest in the Bonds shown on the books and records of the Participant (the "Beneficial Owner"). Without limiting the immediately preceding sentence, neither the City, nor the Bond Registrar, shall have any such responsibility or obligation with respect to (A) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any ownership interest in the Bonds, or (B) the delivery to any Participant, any Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or (C) the payment to any Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the principal of or premium, if any, or interest on the Bonds, or (D) the consent given or other action taken by the Depository as the Registered Holder of any Bonds (the "Holder"). For purposes of securing the vote or consent of any Holder under this Resolution, the City may, however, rely upon an omnibus proxy under which the Depository assigns its consenting or voting rights to certain Participants to whose accounts the Bonds are credited on the record date identified in a listing attached to the omnibus proxy.

(iv) The City and the Bond Registrar may treat as and deem the Depository to be the absolute owner of the Bonds for the purpose of payment of the principal of and premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to the Bonds, for the purpose of obtaining any consent or other action to be taken by Holders for the purpose of registering transfers with respect to such Bonds, and for all purpose whatsoever. The Bond Registrar, as paying agent hereunder, shall pay all principal of and premium, if any, and interest on the Bonds only to the Holder or the Holders of the Bonds as shown on the bond register, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid.

(v) Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new Nominee in place of the existing Nominee, and subject to the transfer provisions in paragraph 10 hereof, references to the Nominee hereunder shall refer to such new Nominee.

5

(vi) So long as any Bond is registered in the name of a Nominee, all payments with respect to the principal of and premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, by the Bond Registrar or City, as the case may be, to the Depository as provided in the Letter of Representations to the Depository required by the Depository as a condition to its acting as book-entry Depository for the Bonds (said Letter of Representations, together with any replacement thereof or amendment or substitute thereto, including any standard procedures or policies referenced therein or applicable thereto respecting the procedures and other matters relating to the Depository's role as book-entry Depository for the Bonds, collectively hereinafter referred to as the "Letter of Representations").

(vii) All transfers of beneficial ownership interests in each Bond issued in book-entry form shall be limited in principal amount to Authorized Denominations and shall be effected by procedures by the Depository with the Participants for recording and transferring the ownership of beneficial interests in such Bonds.

(viii) In connection with any notice or other communication to be provided to the Holders pursuant to this Resolution by the City or Bond Registrar with respect to any consent or other action to be taken by Holders, the Depository shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action; provided, that the City or the Bond Registrar may establish a special record date for such consent or other action. The City or the Bond Registrar shall, to the extent possible, give the Depository notice of such special record date not less than fifteen calendar days in advance of such special record date to the extent possible.

(ix) Any successor Bond Registrar in its written acceptance of its duties under this Resolution and any paying agency/bond registrar agreement, shall agree to take any actions necessary from time to time to comply with the requirements of the Letter of Representations.

(d) <u>Termination of Book-Entry Only System</u>. Discontinuance of a particular Depository's services and termination of the book-entry only system may be effected as follows:

(i) The Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the City and discharging its responsibilities with respect thereto under applicable law. The City may terminate the services of the Depository with respect to the Bond if it determines that the Depository is no longer able to carry out its functions as securities depository or the continuation of the system of book-entry transfers through the Depository is not in the best interests of the City or the Beneficial Owners.

(ii) Upon termination of the services of the Depository as provided in the preceding paragraph, and if no substitute securities depository is willing to undertake the functions of the Depository hereunder can be found which, in the opinion of the City, is willing and able to assume such functions upon reasonable or customary terms, or if the City determines that it is in the best interests of the City or the Beneficial Owners of the Bond that the Beneficial Owners be able to obtain certificates for the Bonds, the Bonds

shall no longer be registered as being registered in the bond register in the name of the Nominee, but may be registered in whatever name or names the Holder of the Bonds shall designate at that time, in accordance with paragraph 10. To the extent that the Beneficial Owners are designated as the transferee by the Holders, in accordance with paragraph 10, the Bonds will be delivered to the Beneficial Owners.

(iii) Nothing in this subparagraph (d) shall limit or restrict the provisions of paragraph 10.

(e) <u>Letter of Representations</u>. The provisions in the Letter of Representations are incorporated herein by reference and made a part of the resolution, and if and to the extent any such provisions are inconsistent with the other provisions of this resolution, the provisions in the Letter of Representations shall control.

3. Purposes. The TIF Improvements Portion of the Bonds shall provide funds to finance the TIF Improvements. Pursuant to the Pledge Agreement, dated as of August 1, 2021 to be entered into between the North Mankato Port Authority Commission, Minnesota (the "Port Authority") and the City (the "Pledge Agreement"), Tax Increments derived from the Tax Increment District will be pledged to the City by the Port Authority, and such payments under the Pledge Agreement are pledged by the City to the payment of the TIF Improvements Portion of the Bonds and interest thereon. The Street Reconstruction Portion of the Bonds shall provide funds to finance the Street Reconstruction Projects. The Sales Tax Portion of the Bonds shall provide funds to finance the Facility Improvements. The TIF Improvements, Street Reconstruction Projects and the Facility Improvements, are herein referred to collectively as the Project. The total cost of the Project, which shall include all costs enumerated in Minnesota Statutes, Section 475.65, is estimated to be at least equal to the amount of the Bonds. The City covenants that it shall do all things and perform all acts required of it to assure that work on the Project proceeds with due diligence to completion and that any and all permits and studies required under law for the Project are obtained.

4. <u>Interest</u>. The Bonds shall bear interest payable semiannually on February 1 and August 1 of each year (each, an "Interest Payment Date"), commencing August 1, 2022, calculated on the basis of a 360-day year of twelve 30-day months, at the respective rates per annum set forth opposite the maturity years as follows:

The Bond Registrar shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers so assigned to such Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. (iii) <u>Sales Tax Debt Service Subaccount</u>. To the Sales Tax Debt Service Subaccount there shall be credited: (A) all collections of Sales Tax Revenues in an amount sufficient to pay annual principal and interest payments on the Sales Tax Portion of the Bonds; (B) a pro rata share of all funds remaining in the Construction Account after completion of the Project and payment of the costs thereof; (C) all investment earnings on funds in the Sales Tax Debt Service Subaccount; (D) any taxes herein or hereafter levied for the payment of the Sales Tax Portion of the Bonds; and (E) any and all other moneys which are properly available and are appropriated by the governing body of the City to the Sales Tax Debt Service Subaccount. The amount of any surplus remaining in the Sales Tax Debt Service Subaccount when the Sales Tax Portion of the Bonds and interest thereon are paid shall be used consistent with Minnesota Statutes, Section 475.61, Subdivision 4.

No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued and (2) in addition to the above in an amount not greater than the lesser of five percent of the proceeds of the Bonds or \$100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Construction Account or Debt Service Account (or any other City account which will be used to pay principal or interest to become due on the bonds payable therefrom) in excess of amounts which under then applicable federal arbitrage regulations may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. Money in the Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code").

16. <u>Covenants Relating to the TIF Improvements Portion of the Bonds.</u>

(a) Original Net Tax Capacity; Tax Increments; Use of Tax Increments. The County Auditor of Nicollet County has certified the original net tax capacity of property in the Tax Increment District. The County Auditor for Nicollet County shall determine in each year if the then current net tax capacity of property in the Tax Increment District exceeds the original net tax capacity, and shall calculate, in the manner provided in Minnesota Statutes, Section 469.177, Subdivision 3, the captured net tax capacity (as defined therein) attributable to the Tax Increment District. The City hereby determines to retain one hundred percent of the captured tax capacity for purposes of tax increment financing. The County Auditor for Nicollet County shall, in each such year, compute the local tax rate to be extended against the captured net tax capacity in the manner provided in Minnesota Statutes, Section 469.177, Subdivision 3, and the tax generated thereby shall constitute the Tax Increments for the year in which it is received. The County Auditor for Nicollet County will remit to the City the Tax Increments so received. The City hereby appropriates the Tax Increments to the Debt Service Account, as provided herein, which appropriation shall continue until all of the TIF Improvements Portion of the Bonds and any additional bonds payable from the TIF Improvements Debt Service Subaccount, are paid or discharged.

The estimated collections of Tax Increments are such that if collected in full they, together with estimated collection of other payments and revenues herein pledged for the payment of the TIF Improvements Portion of the Bonds, will produce at least five percent (5%) in excess of the amount needed to meet when due the principal and interest payments on the TIF Improvements Portion of the Bonds.

17. Covenants Relating to the Street Reconstruction Portion of the Bonds.

(a) <u>Tax Levy: Coverage Test</u>. To provide moneys for payment of the principal and interest on the Street Reconstruction Portion of the Bonds there is hereby levied upon all of the taxable property in the City a direct annual ad valorem tax which shall be spread upon the tax rolls and collected with and as part of other general property taxes in the City for the years and in the amounts as follows:

Year of Tax Levy	Year of Tax Collection	Amount

See Attached Schedule

The tax levies are such that if collected in full they, together with other revenues herein pledged for the payment of the Street Reconstruction Portion of the Bonds, will produce at least five percent in excess of the amount needed to meet when due the principal and interest payments on the Street Reconstruction Portion of the Bonds. The tax levies shall be irrepealable so long as any of the Street Reconstruction Portion of the Bonds are outstanding and unpaid, provided that the City reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61, Subdivision 3.

18. <u>Covenants Relating to the Sales Tax Portion of the Bonds.</u>

(a) <u>Coverage Test</u>. The Sales Tax Revenues are such that they will produce at least five percent (5%) in excess of the amount needed to meet when due the principal and interest payments on the Sales Tax Portion of the Bonds.

(b) <u>Sales Tax Revenues</u>. The City hereby pledges and appropriates the Sales Tax Revenues to the Sales Tax Debt Service Subaccount, which pledge and appropriation shall continue until all of the Sales Tax Portion of the Bonds, and any additional bonds payable from the Sales Tax Debt Service Subaccount, are paid or discharged. The City hereby expressly reserves the right to use the Sales Tax Revenues to finance any other activities authorized by the Special Law, as amended from time to time. Nothing contained herein shall be deemed to preclude the City from making further pledges and appropriations of the Sales Tax Revenues or the payment of other or additional obligations of the City. (c) <u>Future Tax Levies.</u> On or before September 15 of each year, the City Administrator shall calculate the amount of Sales Tax Revenues and any other funds appropriated to and then held in the Sales Tax Debt Service Subaccount and the estimated collections of Sales Tax Revenues to be received in the next succeeding year. In the event that it is anticipated that the aggregate of said sums will not be sufficient to pay the principal and interest on the Sales Tax Portion of the Bonds to become due in the first calendar year thereafter and the first six (6) months of the succeeding calendar year, the City Council shall pass a resolution requesting the County Auditor of Nicollet County and the County Auditor of Blue Earth County to each levy an ad valorem tax in an amount as is necessary, together with the aforementioned funds then held in the Sales Tax Debt Service Subaccount and said estimated collections of Sales Tax Revenues, to pay the principal and interest on the Sales Tax Portion of the Bonds to become due during said period.

(d) <u>Levying of Sales Tax.</u> The City will not amend or repeal the Ordinance relating to the Sales Tax by decreasing the sales tax rate or the appropriation of Sales Tax Revenues to the Sales Tax Debt Service Subaccount, or in any way that would adversely affect the amount of Sales Tax Revenues which would otherwise be collected and deposited to the Sales Tax Debt Service Subaccount. However, nothing shall prevent the City from amending the Ordinance in order to make changes in the administration, collection or enforcement of the Sales Tax; provided that such changes shall not materially adversely affect the interests of the owners of or the security for the Sales Tax Portion of the Bonds. The City will administer, enforce and collect, or cause to be administered, enforced or collected, the Sales Tax authorized by the Ordinance, and shall take such necessary action to collect, or cause to be collected, delinquent payments in accordance with the law.

19. <u>Continuing Disclosure</u>. The City is the sole obligated person with respect to the Bonds. The City hereby agrees, in accordance with the provisions of Rule 15c2-12 (the "Rule"), promulgated by the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended, and a Continuing Disclosure Undertaking (the "Undertaking") hereinafter described to:

(a) Provide or cause to be provided to the Municipal Securities Rulemaking Board (the "MSRB") by filing at www.emma.msrb.org in accordance with the Rule, certain annual financial information and operating data in accordance with the Undertaking. The City reserves the right to modify from time to time the terms of the Undertaking as provided therein.

(b) Provide or cause to be provided to the MSRB notice of the occurrence of certain events with respect to the Bonds in not more than ten (10) business days after the occurrence of the event, in accordance with the Undertaking.

(c) Provide or cause to be provided to the MSRB notice of a failure by the City to provide the annual financial information with respect to the City described in the Undertaking, in not more than ten (10) business days following such occurrence.

(d) The City agrees that its covenants pursuant to the Rule set forth in this paragraph and in the Undertaking is intended to be for the benefit of the Holders of the Bonds and shall be enforceable on behalf of such Holders; provided that the right to enforce the provisions of these

19

covenants shall be limited to a right to obtain specific enforcement of the City's obligations under the covenants.

The Mayor and City Administrator of the City, or any other officer of the City authorized to act in their place (the "Officers") are hereby authorized and directed to execute on behalf of the City the Undertaking in substantially the form presented to the City Council subject to such modifications thereof or additions thereto as are (i) consistent with the requirements under the Rule, (ii) required by the Purchaser of the Bonds, and (iii) acceptable to the Officers.

20. <u>Tax Covenants.</u> In order to ensure that the interest on the Bonds shall at all times be excluded from federal gross income, the City specifically represents, warrants and covenants with all holders of the Bonds, as follows:

(a) It will fulfill all conditions specified in Sections 103 and 141 through 150 of the Code and applicable Treasury Regulations as necessary to maintain the tax exempt status of the interest borne by the Bonds.

(b) All of the property financed or otherwise provided by the net proceeds of the Bonds will be owned by the City and used by the general public or organizations described in Section 501(c)(3) of the Code.

(c) Less than five percent of the net proceeds of the Bonds will be used to provide property used either (i) by an organization described in Section 501(c)(3) of the Code in an activity that constitutes an unrelated trade or business, or (ii) in a trade or business by a person other than an organization described in Section 501(c)(3) of the Code or a governmental unit (within the meaning of Section 141 of the Code).

(d) It shall make no use of the Project, including but not limited to entering into any agreement for the management of the Project or any similar agreement, the effect of which would cause the Bonds not to constitute "qualified 501(c)(3) bonds," within the meaning of Section 145 and related Sections of the Code, and any service contract to be entered into with respect to the Project (unless entered into with an organization described in Section 501(c)(3) of the Code) shall constitute a "qualified management agreement" within the meaning of all pertinent provisions of law, including all relevant provisions of the Code and regulations, rulings and revenue procedures thereunder, including Revenue Procedure 97-13.

(e) Not more than two percent of the proceeds of the Bonds will be applied to the payment of costs of issuance of the Bonds and all costs of issuance in excess of that amount will be paid by the City from funds other than proceeds of the Bonds.

(f) It has not leased, sold, assigned, granted or conveyed and will not lease, sell, assign, grant or convey all or any portion of the facilities financed by the Bonds or any interest therein to the United States or any agency or instrumentality thereof within the meaning of Section 149(b) of the Code.

(g) No portion of the proceeds of the Bonds will be used to provide any of the following facilities or facilities related or incidental thereto: any airplane, skybox or other private

luxury box, facility used primarily for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(h) The City will not permit any person to become a "principal user" of the Project if such action would cause the interest on the Bonds to become includable in federal gross income in the hands of the holders thereof.

(i) The average maturity of the Bonds does not exceed one hundred twenty percent of the average reasonably expected economic life of the facilities financed by the Bonds as determined in accordance with Section 147(b) of the Code.

(j) No obligations have been or will be issued which are described in Section 141, 142, 143, 144 or 145 of the Code and that are sold at substantially the same time as the Bonds, pursuant to a common plan of marketing or otherwise have any common or pooled security for the payment of debt service thereon with the Bonds.

(k) The City will not use the proceeds of the Bonds in such a manner as to cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and applicable Treasury Regulations.

(1) The City reasonably expects that eighty-five percent of the spendable proceeds of the Bonds will be used to carry out the governmental purpose of the issue within three years of the date the Bonds are issued. Not more than fifty percent of the proceeds of the Bonds will be invested in nonpurpose investments (as defined in Section 148(f)(6)(A) of the Code) having a substantially guaranteed yield for four years or more.

(m) The City will comply with and fulfill all other requirements and conditions of the Code and Treasury Regulations and rulings issued pursuant thereto relating to the acquisition, construction and operation of the facilities financed by the Bonds to the end that interest on the Bonds shall at all times be excludable from federal gross income.

(n) The City will not use the proceeds of the Bonds in such a manner as to cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and applicable Treasury Regulations; and to this end, the City shall pay to the United States, as a rebate, an amount equal to the sum of (i) the excess of (I) the aggregate amount earned on all nonpurpose obligations (other than investments attributable to an excess described in this clause), over (II) the amount which would have been earned if all nonpurpose obligations were invested at a rate equal to the yield on the Bonds plus (ii) any income attributable to the excess described in clause (i), at the times and in the amounts required by Section 148 of the Code, all within the meaning of Section 148 of the Code. The City shall maintain records of the interest rate borne by the Bonds and the investments of the Debt Service Account and earnings thereon in adequate detail to enable the City to calculate the amount of any rebate required to be made to the United States. The City shall pay the rebate to the United States at times and in installments which satisfy Section 148 of the Code and the regulations, at least once every five years and within sixty days after the day on which the last of the Bonds is redeemed. Calculations of the amount to be rebated shall be made at least every five years, by bond counsel or an independent accountant

selected by the City. Such calculations shall be retained until six years after the retirement of the Bonds. The rebate shall be calculated as provided in the applicable Treasury Regulations, including taking into account the gain or loss on the disposition of nonpurpose investments.

21. <u>Pledge Agreement</u>. The Pledge Agreement is hereby approved in substantially the form presented to the City Council, which agreement pledges to the City Tax Increments derived from the Tax Increment District and the Mayor and City Administrator are hereby authorized to execute the same on behalf of the City.

22. Defeasance. When all Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution to the registered holders of the Bonds shall, to the extent permitted by law, cease. The City may discharge its obligations with respect to any Bonds which are due on any date by irrevocably depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full; or if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Bond Registrar a sum sufficient for the payment thereof in full with interest accrued to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full, provided that notice of redemption thereof has been duly given. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a suitable banking institution qualified by law as an escrow agent for this purpose, cash or securities described in Minnesota Statutes, Section 475.67, Subdivision 8, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without regard to sale and/or reinvestment, to pay all amounts to become due thereon to maturity or, if notice of redemption as herein required has been duly provided for, to such earlier redemption date.

23. <u>Compliance With Reimbursement Bond Regulations</u>. The provisions of this paragraph are intended to establish and provide for the City's compliance with United States Treasury Regulations Section 1.150-2 (the "Reimbursement Regulations") applicable to the "reimbursement proceeds" of the Bonds, being those portions thereof which will be used by the City to reimburse itself for any expenditure which the City paid or will have paid prior to the Closing Date (a "Reimbursement Expenditure").

The City hereby certifies and/or covenants as follows:

(a) Not later than sixty days after the date of payment of a Reimbursement Expenditure, the City (or person designated to do so on behalf of the City) has made or will have made a written declaration of the City's official intent (a "Declaration") which effectively (i) states the City's reasonable expectation to reimburse itself for the payment of the Reimbursement Expenditure out of the proceeds of a subsequent borrowing; (ii) gives a general and functional description of the property, project or program to which the Declaration relates and for which the Reimbursement Expenditure is paid, or identifies a specific fund or account of the City and the general functional purpose thereof from which the Reimbursement Expenditure was to be paid (collectively the "Project"); and (iii) states the maximum principal amount of debt expected to be issued by the City for the purpose of financing the Project; provided, however, that no such Declaration shall necessarily have been made with respect to: (i) "preliminary expenditures" for the Project, defined in the Reimbursement Regulations to include engineering or architectural, surveying and soil testing expenses and similar prefatory costs, which in the aggregate do not exceed twenty percent of the "issue price" of the Bonds, and (ii) a *de minimis* amount of Reimbursement Expenditures not in excess of the lesser of \$100,000 or five percent of the proceeds of the Bonds.

(b) Each Reimbursement Expenditure is a capital expenditure or a cost of issuance of the Bonds or any of the other types of expenditures described in Section 1.150-2(d)(3) of the Reimbursement Regulations.

(c) The "reimbursement allocation" described in the Reimbursement Regulations for each Reimbursement Expenditure shall and will be made forthwith following (but not prior to) the issuance of the Bonds, and not later than three years after the later of (i) the date of the payment of the Reimbursement Expenditure, or (ii) the date on which the Project to which the Reimbursement Expenditure relates is first placed in service.

(d) Each such reimbursement allocation will be made in a writing that evidences the City's use of Bond proceeds to reimburse the Reimbursement Expenditure and, if made within 30 days after the Bonds are issued, shall be treated as made on the day the Bonds are issued.

Provided, however, that the City may take action contrary to any of the foregoing covenants in this paragraph upon receipt of an opinion of its Bond Counsel for the Bonds stating in effect that such action will not impair the tax-exempt status of the Bonds.

24. <u>General Obligation Pledge</u>. For the prompt and full payment of the principal and interest on the Bonds, as the same respectively become due, the full faith, credit and taxing powers of the City shall be and are hereby irrevocably pledged. If the balance in the Debt Service Account is ever insufficient to pay all principal and interest then due on the Bonds and any other bonds payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, and such other funds may be reimbursed with or without interest from the Debt Service Account when a sufficient balance is available therein.

25. <u>Certificate of Registration</u>. The City Administrator is hereby directed to file a certified copy of this resolution with the County Auditors of Nicollet and Blue Earth Counties, Minnesota, together with such other information as each of the County Auditors shall require, and to obtain from each County Auditor their certificate that the Bonds have been entered in their Bond Register, and that the tax levy required by law has been made.

26. <u>Records and Certificates</u>. The officers of the City are hereby authorized and directed to prepare and furnish to the Purchaser, and to the attorneys approving the legality of the issuance of the Bonds, certified copies of all proceedings and records of the City relating to the Bonds and to the financial condition and affairs of the City, and such other affidavits, certificates and information as are required to show the facts relating to the legality and marketability of the Bonds as the same appear from the books and records under their custody and control or as

otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

27. <u>Negative Covenant as to Use of Bond Proceeds and Project</u>. The City hereby covenants not to use the proceeds of the Bonds or to use the Project, or to cause or permit them to be used, or to enter into any deferred payment arrangements for the cost of the Project, in such a manner as to cause the Bonds to be "private activity bonds" (other than qualified 501(c)(3) bonds) within the meaning of Sections 103 and 141 through 150 of the Code.

28. <u>Tax-Exempt Status of the Bonds; Rebate</u>. The City shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the Bonds, including without limitation (1) requirements relating to temporary periods for investments, (2) limitations on amounts invested at a yield greater than the yield on the Bonds, and (3) the rebate of excess investment earnings to the United States. The City expects to satisfy the 24-month expenditure exemption for gross proceeds of the Bonds as provided in Section 1.148-7(d)(1) of the Regulations. The Mayor and/or City Administrator are hereby authorized and directed to make such elections as to arbitrage and rebate matters relating to the Bonds as they deem necessary, appropriate or desirable in connection with the Bonds, and all such elections shall be, and shall be deemed and treated as, elections of the City.

29. <u>No Designation of Qualified Tax-Exempt Obligations</u>. The City will not designate the Bonds as "qualified tax exempt obligations" for purposes of Section 265(b)(3) of the Code.

30. <u>Official Statement</u>. The Official Statement relating to the Bonds prepared and distributed by Northland is hereby approved and the officers of the City are authorized in connection with the delivery of the Bonds to sign such certificates as may be necessary with respect to the completeness and accuracy of the Official Statement.

31. <u>Severability</u>. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution

32. <u>Headings</u>. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

Authority

The Bonds will be issued pursuant to the authority of Minnesota Statutes, Chapters 475 and Sections 475.58, Sections 469.174 to 469.1794, Laws of MN 2019 Ch. 6, Art. 6, Sec. 23, and a referendum on November 8, 2016, which passed with 4,991 "yes" votes against 1,853 "no" votes.

Under Sections 469.174 to 469.1794, tax increment bonds may be issued to cover the costs of public improvements or activities associated with the private development of property. General obligation tax increment bonds may be issued without an election if at least 20% of the revenue to pay debt service on the bonds comes from tax increments. Redevelopment districts may collect tax increment revenues for 25 years after the date of receipt of the first increment. At least 90% of the tax increment must be used to finance the cost of correcting conditions that allow designation of a redevelopment district.

Under Section 475.58, Subdivision 3b., street reconstruction bonds can be used to finance the reconstruction and bituminous overlay of existing city streets. Eligible improvements may include turn lanes and other improvements having a substantial public safety function, realignments, other modifications to intersect with state and county roads and the local share of state and county road projects. Eligible improvements do not include the portion of project costs allocable to widening a street or adding curbs and gutters where none previously existed, with few exceptions.

Before issuing street reconstruction bonds, the City must hold a public hearing on the street reconstruction project and the proposed bonds, and then must pass a resolution approving the Street Reconstruction Plan and issuance of street reconstruction bonds. The City is holding the required public hearing and approving the Street Reconstruction Plan on June 7, 2021.

If a petition signed by voters equal to at least 5 percent of the votes cast in the last general election requesting a vote on the issuance of bonds is received by the clerk within 30 days after the public hearing, then the bonds may not be issued unless approved by the voters at an election. The Calendar of Events provided in Attachment 3 indicates that the Bonds will not be sold until after the 30-day period has expired on July 7, 2021.

Structure

The Tax Increment and Street Reconstruction portions of the Bonds have been structured to result in relatively level annual debt service payments over 15 years. The Sales Tax portion of the Bonds has been structured over 17 years around existing debt supported by sales tax revenue and projected sales tax revenue expected to become available.

The proposed structure for the bond issue and preliminary debt service projections are illustrated in Attachment 1.

Security and Source of Repayment

The Bonds will be general obligations of the City. The finance plan relies on the following assumptions for the revenues used to pay debt service, as provided by City staff:

- <u>Local Food and Beverage Sales Tax Revenues</u>. The City's 0.5% sales tax of gross receipts on all sales of food and beverages by a restaurant or place of refreshment will be pledged for the Sales Tax Portion of the Bonds.
- <u>Tax Increment Financing (TIF) Revenues</u>. The City expects to pay the TIF Portion of the Bonds with tax increment revenues generated from TIF District No. 26. The anticipated amount of tax increment revenue is expected to be sufficient to cover all principal and interest on the TIF Portion of the Bonds.
- <u>Property Taxes</u>. The revenues needed to pay debt service on the Street Reconstruction Portion of the Bonds are expected to come from property tax levies. The initial projections show an annual tax levy, averaging \$142,891 annually, is needed, which includes the statutory requirement of 105% of debt service. The initial tax levy will be made in 2021 for taxes payable in 2022.

Plan Rationale

The Finance Plan recommended in this report is based on a variety of factors and information provided by the City related to the financed projects and City objectives, Northland's knowledge of the City and our experience in working with similar cities and projects. The issuance of General Obligation Bonds provides the best means of achieving the City's objectives and cost effective financing. The City has successfully issued and managed this type of debt for previous projects.

Issuing Process

Northland will receive bids to purchase the Bonds on Monday, July 19, 2021 at 10:30 AM. Market conditions and the marketability of the Bonds support issuance through a competitive sale. This process has been chosen as it is intended to produce the lowest combination of interest expense and underwriting expense on the date and time set to receive bids. The calendar of events for the issuing process can be found in Attachment 3.

Attachment 2 – Related Considerations

Bank Qualification

With this issue, the City will be issuing more than \$10,000,000 in tax-exempt debt in the current calendar year. Therefore the Bonds will be designated as "not bank qualified" obligations pursuant to Federal Tax Law.

Arbitrage Compliance

The Bonds are expected to qualify for the "24-month spending" exemption related to arbitrage rebate.

The City should become familiar with the various Arbitrage Compliance requirements for this bond issue. The Resolution for the Bonds prepared by Bond Counsel explains the requirements in greater detail.

Continuing Disclosure

Type: Full Dissemination Agent: Northland Securities

The requirements for continuing disclosure are governed by SEC Rule 15c2-12. The primary requirements of Rule 15c2-12 actually fall on underwriters. The Rule sets forth due diligence needed prior to the underwriter's purchase of municipal securities. Part of this requirement is obtaining commitment from the issuer to provide continuing disclosure. The document describing the continuing disclosure commitments (the "Undertaking") is contained in the Official Statement that will be prepared to offer the Bonds to investors.

The City has more than \$10,000,000 of outstanding debt and is required to undertake "full" continuing disclosure. Full disclosure requires annual posting of the audit and a separate continuing disclosure report, as well as the reporting of certain "material events." Material events set forth in the Rule, including, but not limited to, bond rating changes, call notices, and issuance of "financial obligations" (such as PFA loans, leases, or bank placements) must be reported within ten business days of occurrence. The report contains annual financial information and operating data that "mirrors" material information presented in the Official Statement. The specific contents of the annual report will be described in the Undertaking that appears in the appendix of the Official Statement. Northland currently serves as dissemination agent for the City, assisting with the annual reporting. The information for the Bonds will be incorporated into our reporting.

Premiums

In the current market environment, it is likely that bids received from underwriters will include premiums. A premium bid occurs when the purchaser pays the City an amount in excess of the par amount of a maturity in exchange for a higher coupon (interest rate). The use of premiums reflects the bidder's view on future market conditions, tax considerations for investors and other factors. Ultimately, the true interest cost ("TIC") calculation will determine the lowest bid, regardless of premium.

A premium bid produces additional funds that can be used in several ways:

• The premium means that the City needs less bond proceeds and can reduce the size of the issue by the amount of the premium.

- The premium can be deposited in the Construction Fund and used to pay additional project costs, rather than used to reduce the size of the issue.
- The premium can be deposited in the Debt Service Fund and used to pay principal and interest.

Northland will work with City staff on the sale day to determine use of premium (if any).

Rating

A rating will be requested from Standard and Poor's (S&P). The City's general obligation debt is currently rated "AA" by S&P. The rating process will include a conference call with the rating analyst. Northland will assist City staff in preparing for and conducting the rating call.

Attachment 4 - Risk Factors

Property Taxes: Property tax levies shown in this Finance Plan are based on projected debt service and other revenues. Final levies will be set based on the results of sale. Levies should be reviewed annually and adjusted as needed. The debt service levy must be included in the preliminary levy for annual Truth in Taxation hearings. Future Legislative changes in the property tax system, including the imposition of levy limits and changes in calculation of property values, would affect plans for payment of debt service. Delinquent payment of property taxes would reduce revenues available to pay debt service.

Tax Increment: A variety of factors will influence actual revenues received from tax increments. These factors include payment of property taxes, captured value of the TIF district, tax rates, and Legislative changes in the property tax system. Projected tax increment revenues should be reviewed annually and adjusted as needed.

Sales Tax Revenues: The City pledges local food and beverage sales tax revenues to the payment of the Sales Tax Portion of the Bonds, as well as several existing bond issues. The failure to collect sufficient sales tax revenues, economic decline, and/or the loss of significant customers will affect available net revenues. If the sales tax revenues are insufficient, the City is required to levy property taxes or use other revenues to cover the deficiency.

General: In addition to the risks described above, there are certain general risks associated with the issuance of bonds. These risks include, but are not limited to:

- Failure to comply with covenants in bond resolution.
- Failure to comply with Undertaking for continuing disclosure.
- Failure to comply with IRS regulations, including regulations related to use of the proceeds and arbitrage/rebate. The IRS regulations govern the ability of the City to issue its bonds as tax-exempt securities and failure to comply with the IRS regulations may lead to loss of tax-exemption.
