

Pursuant to due call and notice thereof, a Council Workshop of the North Mankato City Council was held in the Council Chambers of the Municipal Building on November 18, 2013. Mayor Dehen called the meeting to order at 6:00 p.m. The following were present for the meeting: Mayor Dehen, Council Members Norland, Freyberg, Spears and Steiner, Administrator Harrenstein, Finance Director Thorne, Planner Fischer and City Clerk Gehrke.

### **Zoning Regulation Changes**

The City Administrator presented background information regarding the proposed changes to the R-3, R-4 and CBD zoning. After some discussion, Council directed staff to refer this matter to the Planning Commission for review and to provide their recommendations to the City Council.

### **Five-Year Capital Improvement Plan, 2014-2018**

Finance Director Thorne presented the Five-Year Capital Improvement Plan (CIP), 2014-2018. She reported this document serves as a multi-year planning instrument identifying needs and financing sources for equipment and public infrastructure improvements and also informs City residents how the City plans to address significant capital needs over the next five years.

The total proposed value of projects in the 2014-2018 CIP is \$8.3 million, compared to the \$20.5 million adopted in 2012 for the 2013-2017 CIP. The Finance Director reported that while the proposed budget is less than last year, the capital needs of the City have not reduced. The three items that reduce spending are: 1) Repayment of interfund loans to the General Fund, Water Fund and Sewer Fund; 2) Limiting the debt service levy to \$1.53 million; and 3) Rising debt payment for the 2010C Refunding Bond.

The Finance Director reported projects requiring financing in the Five-Year Capital Improvement Plan include: 1) Old Belgrade Hill and Main Lift Station - \$1.7 million; 2) New Well #9 - \$1.35 million; 3) Roe Crest Reconstruction - \$1.1 million; and 4) Lookout Drive Roundabout - \$700,000. She reported the funding for these projects comes from the issuance of debt to be repaid from utility revenues, property taxes and special assessments. One project in the CIP scheduled for payment with sales tax revenue is \$250,000 for completion of the concession stand at Caswell North Soccer fields. Administrator Harrenstein reported he originally took the concession stand out of the bid for the Caswell North parking lot. However, since this is a regional soccer complex, he feels it would be short-sighted not to complete the concession stand.

Discussion was held regarding the Sales Tax Fund and the amount allocated for the 14/41 Interchange Project. Council Member Freyberg stated the \$1.5 million allocated for the 14/41 Interchange Project should be used for that project. The Mayor reported he has spoken with the Mankato Mayor and City Manager about jointly requesting legislation extending or expanding the use of local option sales tax.

Finance Director Thorne reported the 2014-2018 CIP incorporates the use of the Capital Facilities and Equipment Replacement Fund to help fund projects without the issuance of debt. In 2014, \$205,000 will allow for the purchase of a financial computer, general equipment in various departments, police squad cars and an armored car for the Drug Task Force.

The Finance Director presented a list of projects which were moved out of the Five-Year CIP as a result of changes to planned sales tax expenditures and projects which will be triggered by new development. She reported these projects could be incorporated in the CIP; however, it would require a tradeoff to be made with the Old Belgrade Hill Project, Roe Crest Drive reconstruction or Lookout Drive. She reported these projects account for most of the difference between the previous \$20.5 million CIP and the proposed \$8.3 million CIP. Staff is requesting Council direction for the projects listed in Exhibit B, which in part include library expansion, Benson Park, Caswell Park and Spring Lake Park improvements, acquisition of land west of Caswell Park, heated storage building, 75' Ladder Truck, complete reconstruct of the 300 blocks of Harrison, Tyler, Jefferson and Monroe, 400 Block of Monroe and McKinley from Range to Sherman, and Cross Street from Tyler to Webster. These reconstructs complete the infrastructure rehabilitation of Lower North Mankato.

The Finance Director reviewed the Debt Service Funds and estimated amount of total revenues and expenditures for the next five years.

**Request for Proposals (RFP) for Professional Realty Services**

This item was referred to the November 18, 2013 Council meeting for discussion.

There being no further business, the Council Workshop was adjourned at 6:59 p.m.

### **Public Hearing, 7 p.m. – Consider Amendment to 2012-2013 HUD Action Plan**

The Mayor opened the public hearing to consider the amendment to the 2012-2013 HUD Action Plan. A notice of the public hearing was published in the official newspaper. Planner Fischer reported in May 2012, the 2012-2013 HUD Action Plan was approved by the City Council and HUD. The Plan allocated CDBG funds in the amount of \$95,000 to relocate the home addressed as 238 Nicollet Avenue to Christensen Street and rehabilitate. The Nicollet lot would then be used for downtown parking purposes. The Planner reported staff has been working with the owner of 238 Nicollet Avenue in preparation of an agreement to use CDBG funds to relocate and rehabilitate the home but no agreement was reached. Since HUD requires the timely use of CDBG funds, staff believes it is in the best interest of the CDBG program to use funds for a different project. The Planner reported staff has been approached by the owners of 710 Range Street regarding the purchase of their home. The home is next to a lot previously purchased with CDBG funds. Due to the poor condition of the home at 710 Range Street, it would be demolished and replaced with a new single-family dwelling. Due to the use of CDBG funds at both properties, any new home owners would need to be income eligible. Staff has been in contact with Habitat for Humanity who has expressed interest in constructing a new home on the property. Doug Schaller, 55656 Hemlock Road, Mankato, and owner of 238 Nicollet Avenue appeared before the Council and spoke about not knowing the project involving his home at 238 Nicollet Avenue was likely being withdrawn for consideration at this time. He acknowledged the project is not ready to proceed and supports the Action Plan amendment as proposed. He stated his willingness to sell 238 Nicollet Avenue if CDBG funds become available at a future date. Jolly Corley, 617 Range Street, appeared before the Council and asked about the City's vision for Range Street and lower North Mankato. Mayor Dehen reported the City is in the process of completing the Comprehensive Plan and there is still an opportunity to comment about the Plan on the City's website [www.northmankato.com](http://www.northmankato.com). There being no one else appearing before the Council the Mayor closed this portion of the meeting.
