b. Approve Contract for 2023 Audit Services

- David Porter reported that Friday, a draft copy of the FY2022 audit was received. Reviewing and anticipate the final audit completed and sent by April 30, 2024. Asking to approve the CLA FY2023 audit contract and then scheduled a call with CLA on the 25th of April to discuss their timeline/availability for the FY2023 audit.
- Standard Statement of Work: \$59,900 proposed fee. The fee is high, relative to previous years. There has been difficulty finding employees with the shortage of CPAs right now, especially in the public sector. In order to retain, they have needed to increase their costs.
- There is an option to put the audit out to bid, but it would not be attractive to a firm that is not familiar with the town to do a late audit. Believes it would be beneficial once caught up to test the market to get a better price.

- FY2022 audit was budgeted for \$42,000. Ended up costing more due to extra hours (finance director issues). Low \$50,000s.
- BOF members inquired how much time it would take to go to bid. Estimated an approximate three months. A company starting a new engagement will take longer to learn the process that Marlborough has.
- 2024 audit discussion would begin around November 2024.

Mike Nastri made a motion to approve CLA's contract for the 2023 audit services. Karen Pakulis Paul seconded the motion. All in favor. Motion carried.
