

FOR IMMEDIATE RELEASE

April 2, 2026

The town of Hebron is pleased to announce a CERT (Community Emergency Response Team) training course free to any interested persons. Hebron residency is not required. The course will teach skills in disaster preparedness and reacting to emergencies, including first aid and fire extinguishers. Those who complete the course will also have the option to join their local CERT team if they wish to help others in their community.

The course will run Saturdays from 9:30 to 4:00 from April 25 to May 16. Interested persons can sign up by contacting hebronemd@gmail.com or using the link on the Town of Hebron, CT Emergency Management and CERT Facebook page.
