Ray Bull reported:

Winter programs are underway. We are offering 36 programs to the residents of Marlborough this winter. Registrations are still trickling in for programs that are beginning later in January and early February. Thus far all of our programs that we are offering are on track to run.

Today marked the start of the 42nd season of Netto soccer. As of today, we have 20 participants that will make up 4 teams. We anticipate more registrations to come in this week. Teams will play a 10-game regular season followed by playoffs.

I will be sending out letters to last year's seasonal employees at the end of this month to determine who is interested in returning this summer.
