**Re: 2023 CDBG Roadway Improvements Project
Bid Opening Results and Recommendation**

Dear Mr. Krischke:

Proposals were received for the 2023 CDBG Roadway Improvements Project on Friday, March 24, 2023 at the Village Clerk's office. Nine (9) prospective bidders obtained plans and specifications for the project, with the Village receiving proposals from five (5) of the companies. A summary of the proposals received is as follows:

| <u>CONTRACTOR</u> | <u>TOTAL BID</u> |
|--------------------------------------|------------------|
| Schroeder Asphalt Services, Inc. | \$324,125.80 |
| M&J Asphalt Paving Co., Inc. | \$330,310.00 |
| Lindahl Brothers, Inc. | \$336,951.00 |
| Chicagoland Paving Contractors, inc. | \$340,000.00 |
| Brothers Asphalt Paving, Inc. | \$404,645.75 |
| Engineer's Estimate | \$378,265.00 |

The lowest responsive, responsible bidder for this project was Schroeder Asphalt Services, Inc. of Huntley, Illinois. Schroeder Asphalt Services, Inc. is a contractor that has satisfactorily completed work of similar scope over numerous projects in neighboring communities including the Village of Arlington Heights, Village of Streamwood, Village of Hoffman Estates, and Village of Gilberts. A reference check of Schroeder Asphalt Services, Inc. has revealed positive references from the above stated communities.

The contract specifies goals for the use of Disadvantaged Business Enterprise (DBE) firms, which provides for contracting opportunities to small businesses owned and controlled by socially and economically disadvantaged individuals. The project DBE goals are determined by the scope of work, various construction trades involved, and overall estimate of cost. The DBE Utilization Plan submitted by Schroeder Asphalt Services, Inc. has been reviewed, and has adhered to the contract DBE goals.

Based on previous experience with this contractor, the interview of contractor and subcontractor supplied references from other communities, and the review of their current work under contract, we find that the contractor is qualified to complete the work specified. The contractor also maintains the capacity to complete the project by the project completion date of June 23, 2023. *We recommend that the Contract*

for the improvements be awarded to Schroeder Asphalt Services, Inc., in the amount of Three Hundred Twenty-Four Thousand, One Hundred Twenty-Five and 80/100 Dollars. (\$324,125.80).

The project involves roadway improvements to 19th Avenue from VanBuren Street to Winfield Scott Park, Huron Street from 5th Avenue to 4th Avenue, and 6th Avenue from Hugh Muir Lane to Walton Street.

The improvements to these roadways will consist of the "Value Resurfacing" scope. The streets listed above have been identified to have been part of the curb and gutter drainage improvement program in the early 1990's. As such, the pavement was not addressed at that time and is estimated to not have been improved for at least 40 years.

The work along all of the above mentioned roadways will include pavement milling, patching as needed with 8" Portland Cement Concrete Base Course, intermittent removal and replacement of the concrete curb and gutter and driveways, intermittent sidewalk replacement, replacement of ADA compliant roadway crossings, drainage structure repairs as observed through field inspection, combined sewer repairs as observed through television inspection, installation of 1" hot-mix asphalt level binder course and 2" of hot-mix asphalt surface course, thermoplastic pavement markings, landscaping restoration, and other ancillary items.

The construction of the project will be primarily funded by Cook County CDBG in the amount of \$200,000, with the remainder of the project to be funded through the General Fund.

We have enclosed a copy of the complete bid tabulations for this project. We are also returning the original bids with a copy of this letter to the Village Clerk.

If you should have any questions, please call our office at your convenience.

Respectfully Submitted,

EDWIN HANCOCK ENGINEERING CO.
