February 8, 2024

Each year the **Meadville Area Memorial Day Observance Committee** strives to bring a solemn and moving tribute to our Service People who have given their all, as well as, those serving in Defense of our Nation. The theme for this year be ***“Commemorating the Longest Day, D-Day June 6, 1944”***

We enforce a policy of non-commercial and non-political services finding it well accepted by all participants. Our only compromise with commercialism is that we recognize our donors in both our free program brochure for those that attend the Observance and on our city webpage. In addition, you can now download a copy of the parade route and parade application from our Website Page at [http://www.cityofmeadville.org/index.asp?SEC=46D3F197-B340-4D00-B497-51ABD831A252&Type=B\\_BASIC](http://www.cityofmeadville.org/index.asp?SEC=46D3F197-B340-4D00-B497-51ABD831A252&Type=B_BASIC)

We incur some expenses each year for advertising and such, as we continually improve our program of events each year. Your continued support and contributions allow us to improve and present a more professional and effective event each year!
