INSTRUCTIONS FOR PLUMBER LICENSING EXAMINATION

- Submit the licensing application to the Health Officer for pre-approval and pay the \$50 fee. Send check or money order payable to "City of Meadville" to: Health Officer, City of Meadville, 894 Diamond Park, Meadville, PA 16335.
- Once approved, you will receive an application to the International Code Council for testing. The ICC will coordinate with you on the scheduling of the examination and payment of any ICC fees.
- Take and pass the exam.
- The Health Officer will contact you after you pass the exam to pay the appropriate annual licensing fee and obtain your license.

QUALIFICATIONS TO APPLY FOR JOURNEYMAN PLUMBER LICENSE

A person who has attained the following education and experience may, upon successful completion of the journeyman plumber examination, be licensed to work as a journeyman plumber in the City of Meadville.

- a) Three or more years of practical experience in the performance of plumbing work within or without the city or two or more years of employment as a licensed apprentice plumber for one or more licensed master plumbers; or
- b) Completion of a vocational/technical school curriculum in plumbing in an institution licensed by the commonwealth of Pennsylvania or by any other state plus one year of practical experience in the performance of plumbing work within or without the city or employment for one year as a licensed apprentice plumber for one or more licensed master plumbers; or
- c) Completion of a trade school curriculum in plumbing at an institution not licensed by any state but which is reasonably comparable with the curriculum at a vocational/technical school licensed by the commonwealth of Pennsylvania plus one year of practical experience in the performance of plumbing work within or without the city or employment for one year as a licensed apprentice plumber for one or more licensed master plumbers.

A licensed journeyman plumber shall only engage in the business of plumbing as an employee of a licensed master plumber. A licensed journeyman plumber may engage in plumbing work under the general rather than direct supervision of the employing master plumber. "General supervision" shall mean under and upon the direction, guidance and responsibility of a licensed master plumber who may or may not be at all times present at the work site at which the licensed journeyman plumber is engaged in the plumbing business.

QUALIFICATIONS TO APPLY FOR MASTER PLUMBER LICENSE

A person who has attained the following licenses, education and experience may, upon successful completion of the master plumbing examination, be licensed to work as a master plumber in the City of Meadville.

- a) Ten or more years of practical experience in the performance of plumbing work whether within the City of Meadville or elsewhere; or
- b) An unrestricted license as a master plumber issued by any duly constituted governmental body in the United States; or
- c) A license as a journeyman plumber issued by any duly constituted governmental body in the United States plus employment for two years as a journeyman plumber by a master plumber licensed by any duly constituted governmental body in the United States.
