PERMITS FOR WORK IN THE CITY RIGHT-OF-WAY

NOTE: "Within city streets" means any area within the right of way as designated in the records of the city of a street or roadway officially accepted as a city street, open to and used for public travel within the City of Meadville.

REQUIREMENTS

Street occupancy permit required for:

- Constructing, cutting, modifying, altering, repairing or otherwise affecting any curb marking the boundary of any paved street or the cartway of any unpaved street.
- Connecting a driveway to a city street or reconstructing the apron.
- Opening, excavating or digging within city streets.
- Constructing or installing any gas pipe, water pipe, electric conduit, sewer pipe or other type of piping or facilities within city streets.
- Installation or erection of any pole or erected structure for telephone, cable, electric or any other service within city streets.
- Placing, constructing or installing any device or thing which obstructs public travel or public use within city streets.

Sidewalk permit required for constructing, repairing or reconstructing any sidewalk within the public right-of-way.

PROCESS

- _____ Obtain a permit from the Zoning Administrator at Meadville City Building, 894 Diamond Park, Meadville. Call 814.333.3351 or e-mail gjohnson@cityofmeadville.org for more information or to order a permit.
- _____ Call Pennsylvania One-Call at 8-1-1 or (800) 242-1776 to locate underground utilities prior to digging.
- _____ Call (814) 282-8513 for inspections at the following times:
 - when forms are assembled
 - when concrete pour for sidewalks is completed

Specifications for the particular job will be provided with the permit.

Per Articles 745, 903 and 905 of the Meadville Municipal Code
