Merrimack County begins preparations for 200th anniversary celebration

Boscawen, NH – Merrimack County's 200th Anniversary Planning Committee has been working diligently behind the scenes to organize a free celebratory event for the Merrimack County community. On Saturday, September 30th, 2023 from 11am – 3pm, Merrimack County will host a 200th Anniversary event at the Boscawen Campus at 325 Daniel Webster Highway. In the works are a cookout, dedication ceremony with special guest speakers and tree planting, musical presentations by the Concord Community Music School, a K-9 demonstration, informational booths, a kids activity corner, Touch-a-Truck, raffles, and more! Fun is being planned for all and we hope you will mark your calendars to join us in this celebration.

Follow our event details on our Facebook page @MerrimackCountyAdministration
