Then personally appeared J. B. Rand, Edward G. Rand, Edward A. Dudley, and made oath that they would impartially appraise such real estate as should be shown them as the estate of the within named debtor.

Before me H. S. Willis— Justice of the Peace.

We, the subscribers, having carefully examined the land situated in said Warner, described as follows:
an undivided tenth interest in three tracts of land bounded

and described as follows: —
A certain tract with the buildings thereon bounded northerly by the highway; easterly by land of Rufus Rand and land of Lemuel Willis; Southerly by land of Lemuel Willis and land of Joseph H. Rand; and westerly by land of Joseph H. Rand. —

Also one undivided tenth interest in any undivided half of a piece of pasture land containing twenty eight acres bounded as follows; Westerly by land of Rufus Choat; southerly by land of Alfred Watson and heirs of Joshua Bagley; easterly by land of Isaac L. Flanders and heirs of David Sargent and northerly by the highway.

Also an undivided tenth interest in an intervale bounded as follows: Easterly by land of Jonathan Badger and Nathaniel Chase; Southerly by land of J. L. Chase, John Bean and Zebulon Davis; westerly by land of heirs of Mathias Heath; and northerly by Warner River —

shown to us as the estate of the said debtor, do upon our oaths say, that in our judgment the said real estate cannot be divided and set out by metes and bounds without greatly impairing the value of the whole, and that the one-tenth interest of said real estate is of the value of Sixty dollars, and no more; and we have set off to the said creditor one undivided tenth of said lots and buildings thereon at that sum, in part payment of this execution and costs of levying the same.

At the above sale, at the time and place above set forth, Mary A. Kelley and James Kelley, the defendants above named, appeared by their counsel, Harry F. Lake, Esq., of the firm of Mitchell, Foster & Lake, and asked the sheriff to sell the equities in the above described tracts of land separately. This the sheriff refused to do.

Said Lake inquired of the sheriff if he had proceeded to set off the homestead right of the defendants in the Church Street property or to have the same appraised if set off was impracticable by appraisers together with the other proceedings as set forth and required in Chapter 138 of the Public Statutes and the sheriff replied in the negative.

The said Lake protested against any sale being made of

any equities in the Church Street property until the sheriff should proceed to set off the homestead right of defendants in said Church Street property, or appraise the same and proceed in accordance with the provision of said Chapter 138 of the Public Statutes. Regardless of this request and protest, the sheriff made the sale, as above set forth, although the sheriff and plaintiffs' counsel had been duly notified and warned in writing of the claim of the right of homestead as to said Church Street property, which claim they recognized.

Said Lake announced that he should undertake to have proceedings of said sale declared null and void, and herewith files this statement with the Clerk of the Court for Merrimack County, the same to be regarded as a part of the execution returned into Court This fifth day of October, 1908.

This the said Mary A. Kelley and James Kelley do by virtue of the refusal of said sheriff to file the same as a part of the proceedings of his sale.
